The Hero in Igbo Life and Literature - Donatus Ibe Nwoga 2002
The Igbo people today find themselves in a transitional context. The papers presented in this book are the outcome of a seminar on the problems of identifying and defining the hero in Igbo life and literature, both traditional and modern. The contributors, leading Igbo scholars in the humanities and literature, review the Igbo tradition and issues crucial to the understanding of the Igbo psyche and survival as a people in a modern and multinational environment. They address whether heroes are the kind experienced in the past, or whether they are copied from their colonial masters. They attempt to identify whether there is any relevance or value in traditional concepts of heroism for modern Igbo society.

Only a Monster - Vanessa Len 2022-02-22

The sweeping romance of Passenger meets the dark fantasy edge of This Savage Song in this stunning contemporary fantasy debut from Vanessa Len, where the line between monster and hero is razor thin. Don't forget the rule. No one can know what you are. What we are. You must never tell anyone about monsters. Joan has just learned the truth: her family are monsters, with terrifying, hidden powers. And the cute boy at work isn't just a boy: he's a legendary monster slayer, who will do anything to destroy her family. To save herself and her family, Joan will have to do what she fears most: embrace her own monstrousness. Because in this story...she is not the hero. Dive deep into the world of Only a Monster: hidden worlds dwell in the shadows, beautiful monsters with untold powers walk among humans, and secrets are the most powerful weapon of all.

Histoire des services secrets pakistanais - Hein G Kiessling 2016-11-28

Le 2 mai 2011, l'élimination d'Oussama ben Laden dans une zone contrôlée par l'armée pakistanaise médiatise les débats sur le rapport ambigu de l'ISI au terrorisme international. Le premier service de renseignement du pays focalise les accusations de double jeu. C'est un organe puissant qui est mis en lumière, pour certains un véritable « État dans l'État ». Depuis sa création en 1948, l'Inter-Services Intelligence évolue dans un environnement géopolitique instable. Engagé dans une guerre d'influence avec l'Inde sur plusieurs fronts (Cachemire, Pendjab, également Népal et Bangladesh), il est à l'oeuvre sur tous les points chauds de la région. En 1979, il devient un acteur central du « grand jeu » afghan, soutien des moudjahidine en lutte contre l'occupant soviétique, et concentre dès lors de multiples prérogatives. Service civil en réalité inféodé à l'armée, chargé du renseignement extérieur mais doté d'une branche « politique », l'ISI cultive le mélange des genres, dans un pays où rares sont les gouvernants qui quittent le pouvoir par la voie constitutionnelle. Impliqué dans des affaires de corruption et de trafics en tous genres, il est également soupçonné de manipulations électorales, de participations aux coups d'État militaires et d'assassinats politiques. Ce livre dresse un bilan complet et réaliste de soixante-dix ans de renseignement, étayé par de nombreuses informations de première main. Politologue et historien, Hein Kiessling a vécu au Pakistan de 1989 à 2002 et a rencontré plusieurs membres de l'élite politique et militaire. Ses voyages en Asie centrale, en Inde, en Chine et dans les autres pays de la région lui ont permis d'approfondir ses investigations. Traduction : Hugues Van Besien

Afghanistan - Heather Bleaney 2006-02-01

This up-to-date, comprehensive, thematically indexed bibliography devoted to Afghanistan now and yesterday will help readers to efficiently find their way in the massive secondary literature available.

Presents a thematically indexed bibliography devoted to Afghanistan. Following the pattern established by one of its major data sources, viz, the acclaimed Index Islamicus, both journal articles and book publications are included and indexed.

Lucky's Harvest - Ian Watson 2011-09-29

When she was a young girl Lucky belonged to a space-going mining commune which came upon an asteroid whose caves concealed the bones of serpentine aliens and humanoids. It was Lucky who discovered that the rock was an Ukko, a mysterious entity which would respond to stories told to it. Centuries later Lucky, altered by the Ukko, is still alive, though capricious and sometimes crazy. By mating with her, her consort Bertel has had his life prolonged for centuries, as will the men who first bed her daughters - Lucky's harvest.

The Modern Middle East, Third Edition - Mehran Kamrava 2013-09-27

From the fall of the Ottoman Empire through the Arab Spring, this title offers a classic treatise on the making of the contemporary Middle East remains essential reading for students and general readers who want to gain a better understanding of this diverse region.

Few Returned - Eugenio Corti 1997-05-28

Don by enemy forces who far outnumbered them. To break out of this encirclement, these men undertook a desperate march across the snow, with constant engagements and in temperatures ranging from -20 to -30 degrees Fahrenheit. Whereas supplies were air-dropped to the Germans, the predicament of the Italians was far more difficult: lacking gasoline, they were compelled to abandon their vehicles and to proceed without heavy arms, equipment, ammunition, or provisions. Even.

I Love You, Stinky Face - Lisa McCourt 2004-02

A mother and child discuss how the mother's love would remain constant even if her child were a smelly skunk, scary ape, or bug-eating green alien. On board pages.

The Eye of the Predator - Abhisar Sharma 2012-08-07

Zanghara South Waziristan. August 5, 2009: In a carefully orchestrated midnight attack US drones zeroed in and killed the dreaded leader of the infamous Tehreek-e-Taliban as he lay with his wife on his father-in-law's terrace. A riveting, highly-informed conspiracy novel set in Afghanistan, Pakistan and the US, The Eye of the Predator is an arresting account of an unlikely group of men who slept with the enemy in a desperate bid to fight the monster of Pakistan. The question is who tipped off the CIA? Baitullah Mehsud the dreaded leader of the Pakistani Taliban had grown too big for his boots. His delusions of grandeur, his manic dreams of ruling all of Pakistan and his brazen and bloody terrorist acts were making many people uneasy. The US, the ISI, the Karzai Government, the Government of Pakistan and various splinter groups of the Taliban ? all of whom had at one time or the other partnered with him ? now

wanted him dead.

Intelligence Elsewhere - Philip H. J. Davies 2013-03-12

Spying, the "world's second oldest profession," is hardly limited to the traditional great power countries. *Intelligence Elsewhere*, nevertheless, is the first scholarly volume to deal exclusively with the comparative study of national intelligence outside of the anglosphere and European mainstream. Past studies of intelligence and counterintelligence have tended to focus on countries such as the United States, Great Britain, and Russia, as well as, to a lesser extent, Canada, Australia, France, and Germany. This volume examines the deep historical and cultural origins of intelligence in several countries of critical importance today: India, China, the Arab world, and indeed, Russia, the latter examined from a fresh perspective. The authors then delve into modern intelligence practice in countries with organizations significantly different from the mainstream: Iran, Pakistan, Japan, Finland, Sweden, Indonesia, Argentina, and Ghana. With contributions by leading intelligence experts for each country, the chapters give the reader important insights into intelligence culture, current practice, and security sector reform. As the world morphs into an increasingly multi-polar system, it is more important than ever to understand the national intelligence systems of rising powers and regional powers that differ significantly from those of the US, its NATO allies, and its traditional opponents. This fascinating book shines new light into intelligence practices in regions that, until now, have eluded our understanding.

Twenty Thousand Leagues Under the Sea - Jules Verne 1887

Journal of the United Service Institution of India - United Service Institution of India 2002

Main Intelligence Outfits of Pakistan - P. C. Joshi 2008

Speak - Laurie Halse Anderson 2011-05-10

The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

Imagine Me Gone - Adam Haslett 2016-05-03

From a Pulitzer Prize and National Book Award finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most? When Margaret's fiancée, John, is hospitalized for depression in 1960s London, she faces a choice: carry on with their plans despite what she now knows of his condition, or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, his younger siblings -- the savvy and responsible Celia and the ambitious and tightly controlled Alec -- struggle along with their mother to care for Michael's increasingly troubled and precarious existence. Told in alternating points of view by all five members of the family, this searing, gut-wrenching, and yet frequently hilarious novel brings alive with remarkable depth and poignancy the love of a mother for her children, the often inescapable devotion siblings feel toward one another, and the legacy of a father's pain in the life of a family. With his striking emotional precision and lively, inventive language, Adam Haslett has given us something rare: a novel with the power to change how we see the most important people in our lives. "Haslett is one of the country's most talented writers, equipped with a sixth sense for characterization"-Wall Street Journal "Ambitious

and stirring . . . With *Imagine Me Gone*, Haslett has reached another level."-New York Times Book Review

The Cases of Inspector Marshall, Volume II - N. W. E. Intolubbe 2022-07-12

A magical terrorist is on the loose. Murder strikes an airship party. A lumberjack, thought dead and cremated, kills and eats a lawyer during a national court case. In the city of Grousecap, a ritualistic serial killer has stalked the streets for sixty years. Inspector Archibald Marshall returns to solve these cases and more. Yet the land of Astryss becomes more dangerous each month. Marshall faces a growing number of magical threats, enduring close victories and bitter losses. And several of his problems trace back to a haunting surrounding three refugees from centuries prior.

No Longer Human - 1958

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage

Faith, Unity, Discipline - Hein Günter Kiessling 2016

Established in the wake of the Indo-Pakistani War of 1947-8 by the Australian army officer Major-General Walter Cawthorne, then Deputy Chief of Staff in the Pakistan Army, Pakistan's Inter-Services Intelligence (ISI) for years remained an under-developed and obscure agency. In 1979, the organisation's growing importance was felt during the Soviet war in Afghanistan, as it worked hand in glove with the CIA to support the mujahideen resistance, but its activities received little coverage in news media. Since that time, the ISI has projected its influence across the region -- in 1988 its involvement in Indian Kashmir came under increasing scrutiny, and by 1995 its mentoring of what became the Afghan Taliban was well attested. But it was the organisation's alleged links with Al Qaeda and the discovery of Osama bin Laden in Abbottabad, at the heart of Pakistan's military zone, that really threw it under the spotlight. These controversies and many more have dogged the ISI, including its role in Pakistan's testing of a nuclear weapon in 1998 and its links with A.Q. Khan. Offering fresh insights into the ISI as a domestic and international actor based on intimate knowledge of its inner workings and key individuals, this startlingly original book uncovers the hitherto shady world of Pakistan's secret service.

The Serpent Strikes: A study of the activities of Inter Services Intelligence Directorate of Pakistan - Kuldip Singh Ludra 1999

India's Pakistan Conundrum - Sharat Sabharwal 2022-02-18

Historically, the relationship between India and Pakistan has been mired in conflicts, war, and lack of trust. Pakistan has continued to loom large on India's horizon despite the growing gap between the two countries. This book examines the nature of the Pakistani state, its internal dynamics, and its impact on India. The text looks at key issues of the India-Pakistan relationship, appraises a range of India's policy options to address the Pakistan conundrum, and proposes a way forward for India's Pakistan policy. Drawing on the author's experience of two diplomatic stints in Pakistan, including as the High Commissioner of India, the book offers a unique insider's perspective on this critical relationship. A crucial intervention in diplomatic history and the analysis of India's Pakistan policy, the book will be of as much interest to the general reader as to scholars and researchers of foreign policy, strategic studies, international relations, South Asia studies, diplomacy, and political science.

The New-York Mirror - 1837

Go Away, Big Green Monster! - Ed Emberley 1992

What has a bluish-greenish nose, sharp white teeth and big yellow eyes? It is the Big Green Monster, in this book children can change the features of the monster, it is designed to help dispel their fears of night-time monsters.

The Modern Middle East - Mehran Kamrava 2005-01-31

The first succinct and authoritative overview of the making of the modern Middle East, this lucid book brings a valuable mix of historical perspectives and contemporary analysis to a wide audience of readers seeking expert knowledge about this troubled and fascinating region. Giving a rich perspective on the region's historical and political evolution, the book traces the influence of factors such as religion, culture, and economics and illuminates events and topics currently in the news. With its broad thematic sweep and its balanced presentation of contentious issues, it is essential reading for general readers and students who want to better understand the world today. Mehran Kamrava sets the stage with a concise discussion of the evolution of Islam and the religion's profound role in the region. He then looks at, in turn, the rise and fall of the Ottomans, the trials of independence and state-building, the emergence and fiery spread of nationalism, the two Arab-Israeli wars of 1967 and 1973, the Iranian Revolution, and the two Gulf Wars and beyond, including discussion of the invasion of Iraq by the United States. After tracing the consequences of these historical events for a host of political phenomena, Kamrava gives detailed attention to

three pivotal issues: the challenges of economic development, the Palestinian-Israeli conflict, and the question of democracy. He also examines issues that will shape the future: population growth, environmental pollution, and water scarcity.

The Monstrous Face of ISI - Bhure Lal 2000

Gujarat Riots: the True Story - M D Deshpande 2014-12-22

The 2002 violence in Gujarat, Godhra and after was reported widely by the media, both Indian and Global. The nature of the violence, the role of the state government, and also of the then Chief Minister Narendra Modi were massively debated and discussed. Many contrasting views have been expressed worldwide about the topic. This book reveals exactly what happened. With meticulous media research, it gives contemporary newspaper reports, official statistics and comprehensive analysis to reveal the full truth of the 2002 riots, and removes many misconceptions. It also gives a special chapter on the findings of the Supreme Court-appointed Special Investigation Team. With comprehensively documented arguments, this is like an encyclopedia on the 2002 riots, reveals everything you need to know about the Gujarat violence. Was the state government of Narendra Modi culpable, or did it handle the riots effectively? Was the violence after Godhra one-sided or was it plain riots in which both sides suffered? Were some reported incidents exaggerations or were they real brutal facts? The answers to all these questions are given comprehensively. A simple reading of the book will throw enough light and arm the readers with strong facts to make up their mind.

Descent into Chaos - Ahmed Rashid 2008-06-03

The classic account of America's experience in Afghanistan, explaining the rise of the Taliban in the aftermath of America's failed war on terrorism--essential reading to understand the collapse in Afghanistan today. From the author of the #1 NYT bestseller *Taliban*. "[A] brilliant and passionate book."—The New York Review of Books A blistering critique of American policy—a dire and prescient warning predicting how our disastrous strategies in Central Asia's failing states threaten global stability and will bring devastation to our world. After September 11th, Ahmed Rashid's crucial book *Taliban* introduced American readers to that now notorious regime. In this work, he returns to Pakistan, Afghanistan, and Central Asia to review the catastrophic aftermath of America's failed war on terror. Called "Pakistan's best and bravest reporter" by Christopher Hitchens, Rashid has shown himself to be a voice of reason amid the chaos of present-day Central Asia. The essential briefing book to understand today's catastrophic headlines.
