When Truth Is All You Have - Jim McCloskey
2020-07-14

"A riveting and infuriating examination of criminal prosecutions, revealing how easy it is to convict the wrong person and how nearly impossible it is to undo the error." —Washington Post "No one has illuminated this problem more thoughtfully and persistently." —Bryan Stevenson, author of *Just Mercy* Jim McCloskey was at a midlife crossroads when he met the man who would change his life. A former management consultant, McCloskey had grown disenchanted with the business world; he enrolled at Princeton Theological Seminary at the age of 37. His first assignment, in 1980, was as a chaplain at Trenton State Prison. Among the inmates was Jorge de los Santos, a heroin addict who'd been convicted of murder years earlier.

He swore to McCloskey that he was innocent—and, over time, McCloskey came to believe him. With no legal or investigative training to speak of, McCloskey threw himself into the case. Two years later, thanks to those efforts, Jorge de los Santos walked free, fully exonerated. McCloskey had found his calling. He established Centurion Ministries, the first group in America devoted to overturning wrongful convictions. Together with his staff and a team of forensic experts, lawyers, and volunteers—through tireless investigation and an unflagging dedication to justice—Centurion has freed 65 innocent prisoners who had been sentenced to life or death. *When Truth Is All You Have* is McCloskey's inspirational story, as well as those of the unjustly imprisoned for whom he has fought. Spanning the nation, it is a chronicle of faith and doubt; of triumphant success and shattering failure. It candidly exposes a life of searching and struggle, uplifted by McCloskey's certainty that he had found what he was put on

earth to do. Filled with generosity, humor, and compassion, it is the soul-bearing account of a man who has redeemed innumerable lives—and incited a movement—with nothing more than his unshakeable belief in the truth.

Sparring Partners - John Grisham 2022-05-31

#1 NEW YORK TIMES BESTSELLER • John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several surprises in store. "Homecoming" takes us back to Ford County,

the fictional setting of many of John Grisham's unforgettable stories. Jake Brigance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he's leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The "Sparring Partners" are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to

prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.

[When My Time Comes](#) - Diane Rehm 2021-02-16

The renowned radio host and one of the most trusted voices in the nation candidly and compassionately addresses the hotly contested right-to-die movement, of which she is one of our most inspiring champions. The basis for the acclaimed PBS series. Through interviews with terminally ill patients and their relatives, as well as physicians, ethicists, religious leaders, and representatives of both those who support and vigorously oppose this urgent movement, Rehm gives voice to a broad range of people personally linked to the realities of medical aid in dying. With characteristic evenhandedness, she provides the full context for this highly divisive issue and presents the fervent arguments—both for and against—that are propelling the current debate: Should we adopt laws allowing those who are dying to put an end to their suffering?

Featuring a deeply personal foreword by John Grisham, *When My Time Comes* is a response to many misconceptions and misrepresentations of end-of-life care. It is a call to action—and to conscience—and it is an attempt to heal and soothe, reminding us that death, too, is an integral part of life.
