For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. As everyone vies for the throne, King's Court is more rife than ever with its family dramas, power struggles, ambitions, jealousy, violence and betrayal. An heir must be chosen from among the children, and the ancient Dynasty Sword, the source of all their power, will have a chance to be wielded by someone new. But all this might be upended: the murder weapon is recovered, and the noose tightens on finding the assassin. Simultaneously, the MacGils face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for *The Hundred*, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence? And will Thor finally learn the secret of his destiny? With its sophisticated world-building and characterization, *A MARCH OF KINGS* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 60,000 words. Book #3 in the series will be published soon.

Dr. King's Refrigerator - Charles Johnson 2007-11-01

Charles Johnson's innovative and richly imagined collection is full of stories -- sly, witty, and insightful -- that bring the world into focus. Each is a vivid cultural and philosophical portrait that deftly explores issues of identity and race. "Kwoon" follows the spiritual journey of a martial arts teacher on Chicago's South Side. "Sweet Dreams" is a Kafkaesque tale set in a world where dreams are taxed and a man and his dreamlife are being audited. "The Gift of the Osuo" is a fable about the dangers of getting what you wish for. In "Cultural Relativity," a young woman falls in love with the son of the president of an African nation but is forbidden to ever kiss him. The title story is an illuminating and deeply human tale about pre-Montgomery Martin Luther King Jr. and a revelation he had when he looked into his refrigerator late one night. Provocative, engaging, and compassionate, Dr. King's Refrigerator is a superb and important collection from a major American voice.

The Witch Hunter - Nicole R. Taylor 2015-05-11

I was born into the world covered in blood, and that's exactly the way I left it. Ever since, I have been damned to walk the boundary between life and death alone. Unwillingly turned and left to my nightmare, I have seen men commit countless horrors and committed many of my own. My origins shall remain unknown, my true self hidden. I have been called by many names, but in this life I am known as the Witch Hunter. I have been asleep these past 150 years, until I was awoken by a haunting call.

Zachary Degaud was twenty three when he died. The problem was, he didn't stay that way. Present day, he's just another vampire with another unremarkable story. That is, until he manages to provoke a two thousand year old witch named Katrin, who wants to make him pay in the most horrible way imagined. Along with his brother Sam, newly made vampire Liz and their only witch ally, Gabby, his only chance for survival is to summon the ancient and unpredictable vampire known as the Witch Hunter. Zac is just looking for a way out of his psychopathic witch problems, but instead will find himself falling head first into a blood feud that has stretched thousands of years. Aya has been asleep for the past 150 years, until she was awoken by a haunting call. The witch she has been hunting for thousands of years, Katrin, has resurfaced and marked a young, annoyingly arrogant vampire by the name of Zachary Degaud. Unless she does something, he will die a slow and painful death. He has given her an opportunity to end the witch, but does she want to help him or leave him to his fate? Zac will get under her skin like no one else has and she just might find herself making the ultimate sacrifice before he is gone forever. They will both have to choose sides and look deep within themselves before the end. But, what Zac learns about himself, will surprise him most of all.
