instructions, this compendium of repair, modification and troubleshooting advice is applicable to all domestic and import marques.

Sisters' Centennial Motorcycle Ride -
Christina Shook 2016-11-09

100 years ago two sister set out to ride across America on motorcycles. They did it to show the US military that they were very capable motorcyclists after they were denied to be motorcycle messengers in WW1. Their names were Adeline and Augusta Van Buren. 100 years later the Sister Centennial Ride took 100 women across america following a similar route New York to San Francisco. This book is in celebration of those riders, the Van Buren sisters, and 100 years of women motorcycle adventurers.

The Last 100 Yards - Paul Berg 2019-05

The Last 100 Yards: The Crucible of Close Combat in Large-Scale Combat Operations presents thirteen historical case studies of close combat operations from World War I through Operation Iraqi Freedom. This volume is a collection from the unique and deliberate perspective of the last 100 yards of ground combat. In today's Army, there are few leaders who have experienced multi-domain large-scale ground combat against a near-peer or peer enemy first hand. This volume serves to augment military professionals' understanding of the realities of large-scale ground combat operations through the experiences of those who lived it.

Time and Tide - Lenalee N. Robinson
2022-07-25

Lucy Nash has just finished up her sophomore year of high school and is anticipating an uneventful summer at her rural Georgia home. . . that is, until a weird twist of fate and physics takes her on a trip back through time to the year 1975 with Cameron Hall, a boy her age whose own time is thirty years into her future. Cameron is hoping to stop a series of child disappearances, one of which deeply affected his family, and ends up teaming up with his accidental "passenger" to solve the crime. But despite their access to resources from the future, can two teenagers resolve a mystery that has remained a cold case for over sixty years. . . and what impact will their presence in the past have on their own lives - and their own futures?

Jesus and the Samurai - Michael Zomber

2009-11-05

By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.
