### **The Return of the Little Prince - Ysatis**

DeSaint-Simon 2004-01-26

My book, The Return of The Little Prince, is a sequel to the marvelous and whimsical story of my uncle Antoine De Saint-Exupery, The Little Prince, where myth and poetry mix with reality and speak to us of the eternal in such an innocent manner. Both his story and mine are true. They are real stories of a quest to find that invisible spark of life which gives meaning to all there is. I learned the story from within, it was my aunt Consuelo De Saint-Exupery, an extraordinary person and the inspiration of Saint-Ex, the Rose of his story, who taught me to read, not only French in The Little Prince, but the essence of it as well. She talked to me about Saint-Ex, his dream world, of his airplane flights, of his moonstruck reveries, his airplane falls and the spirit that helped him survive them! Everything in that book was an integral part of what later happened to me and helped me to find that secret that now illumines my life. I remember. . . when I was a little girl, maybe six years old, I learned to read. . . know. . . and love the Little Prince. Later on, I learned that many others also did; it was, I believe, the bedside book of James Dean. I never knew him

personally, but I read in an interview of a movie magazine that he said The Little Prince was his Bible. . . and I wondered if what drew him to it was the same thing that I loved about it? What I loved best was the invisible hidden in between such simple words and its childlike drawings, for concealed behind the fairytale there was a road map to a true spiritual experience. Whenever I read the last page of my uncle's book, I was moved by his sadness and felt a sense of urgency within me to find that lonely star landscape. So, I promised myself that one day I would find the Little Prince and let Saint-Ex know that he was back. Consequently, since early in life, I learned to close my eyes, open my heart and. . . began my quest. This tale is the fruit of my search. It has a happy ending as all good fairy tales have, for it happened that one day. . . when I least expected it. . . I found the Little Prince! Thus, I wrote this book, both as a direct answer to my uncle's plea, to share the good news with all those who love The Little Prince and as an invitation to quest to all those who long to find their reality. I have followed the same format of my uncle's book and also utilized the same style of drawings, wrapping my own story of how I searched and found the Little Prince with as much similarity as possible to that of his book, for a very good reason: I couldn't have done it in any other way, for I have loved The Little Prince since I was a child. My reason has been one of love, not arrogance, so please exempt me from the harshness of comparison if you are inclined to do so.

### **30 Nights with Prophet Muhammad -**

Ibrahim Ma'an 2021-04-05

Inspire your child this ramadan with the amazing story of the Noble prophet Are you looking for a book for your child to learn Islam this ramadan? Do you want a book that is detailed yet simple and easy for children to understand and written in a way that's engaging for children? Follow the life of the Prophet ﷺ in his first 13 years in Mecca after he was chosen to call the people to Allah, the challenges he faced, the allies he made, the plots of his enemies and how Allah granted him Victory. This book is broken down into 30 chapters that can be read daily in the blessed month of Ramadan. Discover how the Prophet strove hard to call the people to Allah, how his people who had loved and trusted him became his enemies. How Islam slowly but surely was growing despite the trials and persecution the believers were enduring at the hands of the idols worshippers. It tells the stories of the noble companions and their strong character and sacrifices, like Hamza who did not want to be a Muslim until his honour was challenged, Abubakr and how came to be known as As-Siddiq (the truthful), how Bilaal endured pain and suffering because he believed in Allah. Then there was Najaashi, the Christian king whose faith was tested when he came to hear about Islam. See how the times changed for the believers and their enemies, one winning today and the other winning the next. And when the Prophet ﷺ and his companions were treated worse than ever, and there was no sign of hope, and the Arabs had chosen to reject Islam, and it looked as if the enemies of Islam were close to destroying it, then came the noble, honourable

and chosen Ansars (The Helpers), through whom Allah turned the tide. This is an amazing read for children or anyone interested in learning Islam. Make the most for your child this Ramadan with this beautiful Islamic story.

[My First Islamic Book for Children Under 3](#) - Julia Hanke 2020-09-09

Engaging, Colorful, and Fun Islamic book for kids This book is not like other Islamic books for children under 3! It is filled with good Islamic morals, manners, and stories that introduce your Toddler to essential Islamic Foundations. "My First Islamic Book for Children under 3" has been created in recognition of the need for books that tell the stories of Islam for small children. Most of the Islamic educational and storybooks for children available today are either lacking in authenticity or are written in a language that is difficult for young children to understand. "My First Islamic Book for Children under 3" is written in a way that toddlers and pre-school age children can easily understand. The author made these stories as authentic as possible by taking stories and information from the Quran, Tafseer Ibn Katheer, Bukhari,

Muslim, and other authentic Hadith books and simplifying the language and adding context that children can understand, without changing the intended meaning. This simple language results from an interactive reading process between the author and her then three-year-old son. The author kept editing and simplifying the text until her son was able to understand it easily. About the Author Julia Hanke was born and raised in Germany. She converted to Islam at the age of 17 and took the name Hafsa to have a Muslim identity. Hafsa studied Education and Islamic Sciences at a famous German University. At the moment, she is homeschooling her three children. Well suited for Babies, Toddlers, Preschoolers, and even very beneficial for children up to 10 years of age! Teach your children who Allah is, His authentic Names and Attributes, and what they mean for every Muslim. Which morals and lessons can we draw from Allah's Names and Attributes? Which name should we use in which dua in which situation? Find out in this book. A must-read for every Muslim.

*Rayan's Adventure Learning the Five Pillars of Islam* - The Sincere Seeker 2021-06-22

The Religion of Islam is based upon Five Primary Foundations or Pillars. Just as a building or a bridge would lack stability without strong pillars, a Muslim's relationship with Allah, his God, would lack a focus and a secure connection without the observance of and adherence to these fundamental Five Pillars. These Five Pillars or religious duties are mandatory. Every Muslim must follow and practice them with the utmost devotion. Failure to comply and practice any of these dictates can be considered the commission of serious sin, some resulting even in the expulsion of a believer from the fold and faith of Islam. Like the Ten Commandments of the Jewish and Christian faiths, these Pillars provide a spiritual foundation and a framework to guide a Muslim's life. Fulfillment of these Five Pillars provides blessings and rewards for those who follow them in both this life and the next. These Pillars help Muslims establish a closer relationship with their Creator and build a spiritual connection with Him. A faithful Muslim prioritizes these Pillars over all worldly matters, principles, or regulations in their lives, as they form the foundation and starting point for all other good deeds and acts of worship to their Creator. ?? Rayan Travels the World to Learn the Five Pillars of Islam ?? An Islamic Book That Teaches Children about the Five Pillars of Islam, by The Sincere Seeker Kids Collection, teaches Muslim kids the basic foundations of Islam in a fun, easy, and engaging way. It is presented in

the form of a story about Rayan, who embarks on a journey worldwide with a wise white owl to learn about the Five Pillars of Islam in a unique and fun way.
