**Hidden Power of Speaking in Tongues** - Mahesh Chavda 2011-07-28

Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of 'speaking in tongues' in their book, *They Speak with Other Tongues*. The book was an immediate success as thousands were touched by the power of this spiritual gift. *The Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of 'speaking in tongues', as he removes the veil covering this glorious gift.

*The Hidden Power of a Woman* - Mahesh Chavda 2011-07-28

Women are searching for significance and status in our generation. There is a holy restlessness concerning purpose as much as the yearning for power. *The Hidden Power of a Woman* traces the tragedy in the garden where the woman seemingly lost and her garden to the modern day where women are still fighting to regain what they have lost. The authors, Bonnie and Mahesh Chavda, show how modern feminism and religion have both failed in the quest to restore women to their rightful place in our society. What is the answer? The Chavdas show that her power, influence, and insight that was stolen in Eden and hidden for subsequent ages was returned back to her two thousand years ago when Christ cried out, "It is finished!" As the hidden power of God emerges in the woman who fully follows Christ, get ready for empowerment in the church, redemption in society, miracles in the body, and blessings on the human race unequal to any generation previous. The new thing God began when he made a woman as the crowning glory of his creation work and was lost in that same Garden will be restored once again

**The Hidden Power of Forgiveness** - Joseph Nipah 2014

The tendency for a person to feel emotionally hurt when mistreated is natural with every normal human being. However, failing to deal appropriately with emotional hurts could sink one into the subtle but deadly trap of bitterness. Once emotional pain is allowed to reach this level, it becomes difficult to deal with it. It could eventually end up with damaging consequences for the heart harboring it. In this book, Dr. Joseph Nipah explains how the Lord opened his eyes to understand how bitterness keeps many Christians in prison, preventing many from enjoying total deliverance and denying others of the peace and blessings,

which God has kept in waiting for them. He explains why you should not allow the disappointments, traumas, and abuses you experience in life to take over the space where God's love is meant to fill. This book will challenge your justification to remain bitter against anyone and offer you a soothing balm to heal the deep wounds in your heart. The Hidden Power of Forgiveness will help you to: \*Understand the difference between hurt and bitterness \*Be aware of the damaging consequences of living in bitterness and appreciate the need to free your heart from its grips \*Discover the full power in forgiving the wrongs others have committed against you. \*Find practical help in crossing over the barrier of unforgiveness to let go of the pains which may have pushed your blessings out of your reach. Get ready to be challenged by the hidden power of forgiveness like you have never been before!

Your Hidden Power - Thomas Troward 2019-01-09

The Kabbalists tell us of "the lost word," the word of power which mankind has lost. To him who discovers this word all things are possible. Is this mirific word really lost? Yes, and No. It is the open secret of the universe, and the Bible gives us the key to it. It tells us, "The Word is nigh thee, even in thy mouth and in thy heart." It is the most familiar of all words, the word which in our heart we realise as the centre of our

conscious being, and which is in our mouth a hundred times a day. It is the word "I AM." Because I am what I am, I may be what I will to be. My individuality is one of the modes in which the Infinite expresses itself, and therefore I am myself that very power which I find to be the innermost within of all things.

[The Hidden Power of the Blood of Jesus](#) - Mahesh Chavda 2011-07-28

Chavda carefully lays the foundation as he presents a refreshing look at the importance of the blood of Jesus in the life of the believer. The Hidden Power of the Blood of Jesus is theologically sound but passionately written in a way that the reader will gasp for air as he discovers each new truth. [Secrets of the Lost Mode of Prayer](#) - Gregg Braden 2016-07-26

Could our deepest hurts reveal the key to a powerful form of prayer that was lost 17 centuries ago? What can we learn today from the great secret of our most cherished traditions? "There are beautiful and wild

forces within us." With these words, the mystic St. Francis described what ancient traditions believed was the most powerful force in the universe - the power of prayer. For more than 20 years, Gregg Braden has searched for evidence of a forgotten form of prayer that was lost to the West following the biblical edits of the early Christian Church. In the 1990s, he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest. In this book, Braden describes this ancient form of prayer that has no words or outward expressions. Then, for the first time in print, he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through case histories and personal accounts, Braden explores the wisdom of these timeless secrets, and the power that awaits each of us . . . just beyond our deepest hurt!

**God's Supernatural Power in You** - Frank A. DeCenso 2009-05-28

The need for power ministry is as strong today as it was when Jesus and the apostles walked the earth. The need for demonstrations of Gods powerful love, exhibited through His church, will demolish strongholds of unbelief and relativism, as well as tear down cultural barriers that may bring confusion when only the words of the good news are shared, but its power is neglected. When Jesus and the apostles proclaimed the good news of salvation to people, works of power accompanied them. Today, the entire church needs mentored in how to bring Gods word to the

world in power. This book is a prophetic call to engage the mission of bringing God's radical love to this hurting world through power ministry.

*The Shadow Effect LP* - Deepak Chopra 2010-05-04

Deepak Chopra, Debbie Ford, and Marianne —New York Times bestselling authors and internationally acclaimed teachers—have joined together to share their knowledge on one of the most crucial obstacles to happiness we face—the shadow. These three luminaries, each with a signature approach, bring to light the parts of ourselves we deny but that still direct our life. For it is only when we embrace our shadow that we discover the gifts of our authentic nature. The shadow exists within all of us. It is a part of us and yet we spend most of our life running from it. But far from being scary, our dark side holds the promise of a better, more fulfilling life. Our shadow makes itself known every day. It is the reason we get furious over a friend showing up ten minutes late, yell at our parents or kids when they have done nothing wrong, and sabotage our own success at the worst possible time. Until we are able to embrace our dualistic nature, we will continue to hurt ourselves and those closest to us and fall short of our potential. Combining the wisdom of three experts, *The Shadow Effect* is a practical and profound guide to discovering the gifts of our shadow. These three authors powerfully pierce the veil of our unclaimed self, releasing us from the past and propelling us on a journey to wholeness. No longer living a half life, we are capable of achieving our dreams and reclaiming the happiness that is

our birthright.

**The Hidden Book in the Bible** - Richard Elliott Friedman 2009-06-30  
Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world—a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece—the very heart of the Bible—to the extraordinary form in which it was originally written.

*Spiritual Leadership Today* - Mel Lawrenz 2016-09-13

"If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as: • building integrity • seizing opportunities • exploring new horizons • speaking into crises • receiving power • accepting authority • promoting truth • managing expectations • dealing with criticism Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness. "Lawrenz gives us hope that the leadership pendulum which has swung from 'over-spiritualized' to 'de-spiritualized' in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, *Leadership Journal*, from the foreword "It is exciting to think about believers at every level of society rising to a new

call to exercise powerful spiritual influence. In his newest book Mel Lawrenz has given us all a new baseline for leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring restoration in our broken world!" - Mark Batterson, Lead Pastor, National Community Church in Washington, D.C.

*The Hidden Power of the Gospels* - Alexander Shaia, PhD 2010-02-02

In the tradition of Thomas Moore's *The Care of the Soul* and Don Miguel Ruiz's *The Four Agreements*, Alexander Shaia's *The Hidden Power of the Gospels* reveals how the recurring cycles of change, loss, enlightenment, and maturation are illuminated by the Bible's four gospels. Combining ancient Christian traditions, anthropology, and modern psychology, he reveals how each gospel focuses on a vital spiritual question. Matthew begins with How do we face change? Mark faces the hard question of How do we move through suffering? John stirs and elevates the soul as

he asks, How do we receive joy? And Luke moves forward on the practical journey, as he inquires, How do we mature in service? By using this lens, the gospels become practical guides for creating faith-filled lives and a map for our never-ending spiritual journey.

For anyone tired of chasing ever-elusive desires, of doing more only to find that more needs doing, and of making more money only to need more money, best-selling author Chin-Ning Chu shows you that life was meant to be easy, if you know the secrets. From the best-selling author of *The Working Woman's Art of War*, comes an important and timely

Using Carl Jung's famous parable of the rainmaker as a framework, Chin-Ning Chu explains universal truths about the nature of effort, success, willpower, detachment, "creating luck," and more. Illustrating the four "secrets of the rainmaker" with rich anecdotes from history, personal experience, and popular culture, Ching-Ning explains how to create success by attaining inner harmony, how to partner effort with ease, how to make peace with time, and how to stop reacting and start restfully controlling the events of your life.

**The Hidden Names of Genesis** - Baal Kadmon 2015-08-16

In this book, you will learn, for the first time, the 6 hidden names of God within the first few verses in the book of Genesis. The names are in Hebrew, but do not worry. I will transliterate as necessary. These names are known by VERY few people. Today, you will learn them for yourself. Although the old testament books are filled with secret names of the divine, the ones in the book of Genesis are of utmost importance. Why? The book of Genesis is the account of divine creation. God manifested the entire universe and it is recounted allegorically and some would say literally, within the pages of Genesis. This significant because the hidden names are the very names God used for creation. By tapping into these names, you will have a piece of the power used in the Genesis of the universe. You can use the power of Genesis, to manifest whatever it is you require in your life. It is, after all, the book of creation...Isn't it?

**The Hidden Power of Your Words** - Christian Harfouche 1993-07-01

Creating Your World Through Words "No one commits to divorce just like that. No one becomes an alcoholic just like that. No one kills someone just like that. They've been setup up throughout the course of their life to act in error by what they have said." "They started early on by saying, 'Boy, life is the pits. This is hell. I guess that's my cross to bear.' Some talk about the cross more than the resurrection. 'Well, you know, I'm carrying big burdens,' they sigh." "If you keep talking about your burdens, this attitude will grow and fester in you. Before you know it,

you won't like life. You'll wake up one morning and think that the world is getting grayer every day. All the color seems to have gone out of the world, and it doesn't look the same anymore." "Life use to be a playground to you; now it's a battlefield - created by your own words."

**Loving Well in a Broken World** - Lauren Casper 2020-02-18

How can we love our neighbors amid so much division and hurt? Loving your neighbor as yourself would be easy if your neighbors were all people you understood, people you agreed with, people like you. But what about playground bullies, colleagues, refugees, online adversaries? They're all our neighbors, and Jesus said to love them. Every one. But how? Lauren Casper believes the key is the lost art of empathy, stepping into other people's shoes and asking what if?—what if it were my child? What if it were me? Casper helps us discover how to identify our blind spots and tune our hearts to the stories around us; seek and extend forgiveness with grace and humility; and engage in diverse and meaningful relationships. Following these steps will enable us to connect in simple but life-altering ways, to respond to conflict with grace, bring about needed change, and shine God's unconditional love into a dark world.
