In the house, workplace, or perhaps in your method can be all best place within net connections. If you intend to download and install the Prayer To Win The Lottery Once Powerful Prayer For Every , it is extremely simple then, before currently we extend the link to purchase and create bargains to download and install Prayer To Win The Lottery Once Powerful Prayer For Every thus simple!

The Best Is Yet to Come - Anne Bryan Smollin 2016-10-10

Sr. Anne Bryan Smollin (1943-2014) was a beloved storyteller with an unforgettable sense of humor. In her final book, *The Best Is Yet to Come*, Smollin--the author of five books, a gifted motivational speaker, and a trusted counselor--warmly encourages readers to live each moment fully, to discover the sacred in the ordinary, and to remember that the best is yet to come, affirming Christian hope. In what was to be the last chapter of the book, Sr. Anne Bryan Smollin wanted to tell the story of a woman who wanted to be buried with a fork in her hand. The woman told her husband that at the many potluck church dinners she attended, she was always told to hold onto her fork after the main dish because there was still one more course--dessert. The best was yet to come! Sr. Anne possessed an uncanny gift to inject new life into familiar words and simple lessons such as "life is a precious gift," "don't take yourself too seriously," and "little things mean a lot." She reminds us in her final work that no matter how difficult some moments in life can be, the best is yet to come. In the tradition of her popular books *Tickle Your Soul* and *Live, Laugh, and Be Blessed*, Sr. Anne's down-to-earth wisdom and warm sense of humor once again break through the mundane routine of life, inviting you to wake up and take a fresh look around. Twenty-seven brief chapters will take you on a delightful tour

through topics such as keeping perspective, living in the present moment, seeing the connections, and appreciating the past. The book was written just before Sr. Anne's untimely death and is being published posthumously in honor of her work and inspiration. Lifelong friend Sr. Patricia St. John, C.S.J., put the finishing touches on this manuscript. In her foreword, Sr. Patti recalls some of Sr. Anne's personal qualities--her wide-open heart to anyone in need, her delight in simple things, her ability to lovingly focus on each person she met--the same qualities she imparts as you read this book.

Chit Happens - Narain Ishaya 2012-09-26

Chit is the Sanskrit word for consciousness itself. *Chit Happens* is the companion for anyone on a spiritual path, whether a beginner or more experienced. In an easy-to-read, question-and-answer format, this book is created to leave the reader not only satisfied but inspired as well. It has been written through personal experience with humor and grace, drawing from live teaching dialogues. This book can enliven your desire to wake up or intensify that desire at whatever stage it is already kindled. It can answer questions you have had, whether or not you knew you had them. *Chit Happens* can undo many of the common spiritual concepts that, no matter how beautiful, ultimately distract the aspirant from the true goal of human life. This book will let you know that the path to freedom

can be easy, swift, and joyful. At the end of this book, you will certainly have had at least a glimpse of your own magnificent potential.

The Concept - Bo Bennett 2010-11-05

Maybe you were born to Christian parents and raised as a Christian. Or maybe you are just a part of a Christian nation. You might have attended church regularly, or maybe just on special occasions. If asked, you say that you believe in God, but you really never thought about what that means exactly. You are a well-educated person who accepts the idea of Biblical miracles, but only the more "reasonable" ones. You have read some of the Bible, mostly just parts of the New Testament, but never committed to reading the Bible cover to cover. You are a good person who admires the many "Christian values" as demonstrated by Jesus Christ. But something does not feel right. * Science tells us that the universe is 13.7 billion years old, but the Bible tells us it's 6,000 years old. * Science tells us life is the result of emergent properties in combined molecules, and we have evolved from a very primitive life form, but the Bible says that God made us, as is, from dust, and blew life in our noses. * You see a world where little bunnies burn to death in forest fires, and wonder why an all-good and loving God would allow such a thing to happen. * You pray to God and you realize that sometimes your prayers are answered, and sometimes they aren't -- just as if you didn't pray at all. * You hear about other religions and wonder why your religion is right and every other religion on the planet is wrong. * You have a real problem with the idea of all your non-Jesus-believing friends and family spending eternity in Hell. In fact, the more you look around, the more you see a world absent of this perfect image of a perfect God. As much as you want to avoid critical thinking and "just let go and have faith", you find that you cannot believe in something contrary to your logic and reason -- no matter how much you want to. This might lead to feelings of guilt, insincerity, and/or hypocrisy. Yet you just can't imagine living life without God, and you don't have to. When you start asking serious questions about God and religion, you begin to see through the stories of people living inside the stomachs of big fish, 900-year-old men, and bodies coming back to life after three days, and understand

how man created God, and not the other way around. By daring to question "sacred" religion, challenging your childhood beliefs, and risking eternal damnation (okay, so there might be a minor side effect to reading this book), you will discover an appreciation for religion on a new level, as well as a renewed appreciation for the human race. Through a unique blend of science, philosophy, theology, and a touch of humor, you will see how you can trust your logic and reason, be true to yourself, and embrace God - not as a being, but as a concept - *The Concept*.

You Can Do It! - Dottie Pennington Smith
2011-11-16

Manifest Your Millions! - Eddie Coronado
2013-09-17

The law of attraction is not a fly-by-night fad, but a powerfully creative force that can give you the life of your dreams if you know how to use it, so the better you understand this power the faster it will manifest your desires. By reading this book you will learn strategies that will help you manifest money, a new job, a life partner, a lucrative business or anything else that you can make a part of your beliefs and feelings.

Christianity 101 Progress Report. Grade D- - Tim Ruggerberg 2006-05

Why has Christianity failed to inspire the world? What has gone wrong? What can be done to make it right? This book asks and answers these questions and more. Read common sense answers and observations based on the author's own journey from Christianity to Atheism and back. This book is a no-holds-barred gut check for anyone seeking spiritual truths.

The Best American Science Fiction and Fantasy 2020 - Diana Gabaldon 2020-10-06

"Featuring guest-editor contributions by the author of the *Outlander* series, a latest annual edition compiles top-selected short works of science fiction and fantasy from the year 2019."-- Provided by publisher.

1990

Outstanding science fiction stories by Gregory Benford, Nancy Kress, Lucius Shepard, Robert Silverberg, Allen M. Steele, John Varley, Connie Willis and many more are accompanied by a thorough review of the year in science fiction and a recommended reading list

After the Baby Boomers - Robert Wuthnow
2010-02-22

Much has been written about the profound impact the post-World War II baby boomers had on American religion. But the lifestyles and beliefs of the generation that has followed--and the influence these younger Americans in their twenties and thirties are having on the face of religion--are not so well understood. It is this next wave of post-boomers that Robert Wuthnow examines in this illuminating book. What are their churchgoing habits and spiritual interests and needs? How does their faith affect their families, their communities, and their politics? Interpreting new evidence from scores of in-depth interviews and surveys, Wuthnow reveals a generation of younger adults who, unlike the baby boomers that preceded them, are taking their time establishing themselves in careers, getting married, starting families of their own, and settling down--resulting in an estimated six million fewer regular churchgoers. He shows how the recent growth in evangelicalism is tapering off, and traces how biblical literalism, while still popular, is becoming less dogmatic and more preoccupied with practical guidance. At the same time, Wuthnow explains how conflicts between religious liberals and conservatives continue--including among new immigrant groups such as Hispanics and Asians--and how in the absence of institutional support many post-boomers have taken a more individualistic, improvised approach to spirituality. Wuthnow's fascinating analysis also explores the impacts of the Internet and so-called virtual churches, and the appeal of megachurches. *After the Baby Boomers* offers us a tantalizing look at the future of American religion for decades to come.

What Makes Women Happy - Fay Weldon 2007

With an inimitable wit and insight, this encouraging tome humorously addresses what women can do to lead more balanced lives. Women learn how to tackle anxiety, envy, guilt, and other sources of stress, while giving in to indulgences and desires like sex, food, friends, family, and shopping.

Mayan Messages: The Mayan Tzolkin Calendar, Daily Guide to Self-Empowerment - Theresa Crabtree 2013-01-01

The Mayan Messages are a collection of 260

channeled messages, one for each day of the sacred Tzolkin Mayan calendar. In today's world, there is much debate over what may or may not happen in the year 2012. The Day Keepers of the Mayan calendar speak from the "Other Side," encouraging the reader to look within, on a daily basis, for ways to create the reality one chooses to experience. No matter when the world comes to an end, these pearls of wisdom will allow you to create a life filled with peace, joy and abundance. . . NOW and in every moment, no matter what chaos is spinning around you. Consider purchasing a copy for your local church, school, jail or public library. Contact the author for possible discounts on multiple book orders! A portion of the sale of this book is used to supply the Mayan Messages to jails and public libraries throughout the United States. For more information, visit our website at: www.t-a-d-a.com

What Don't Kill Me Just Makes Me Strong - Stewart Francke 2013-07-09

The Detroit music legend and founder of the Stewart Francke Leukemia Foundation shares his inspiring story of illness, faith, and the drive to survive. In this candid survival memoir, Stewart Francke recounts his remarkable journey with leukemia through a bone marrow transplant, complications, and eventual recovery. Understanding that his survival makes him part of the "lucky unlucky," the young father and renowned musician finds the silver lining—and then some—in his struggle. Francke's story from initial biopsy to full recovery is often harrowing. Yet it is in the darkest moments that he learns important lessons about survival. Coming to understand that faith is a choice, he also realizes that only death is irrevocable. All else either makes us stronger or becomes part of the gift of life. Beginning each chapter with a brief but powerful lesson in living, Francke's singular story of illness, faith, and family is also a universal guide for facing adversity.

Christianity And The Supernatural: Why the Bible is Relevant Today - Mark Apelt 2017-01-09

All of us want to believe in an afterlife. If it's true, then we must have a soul or spirit. We question this, however, because we are taught science has all the answers. It is science vs. the bible. Physical vs. supernatural. To believe in the

afterlife is to believe in God. One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural. This book explores how archaeology, scientific studies, and personal stories reveal the accuracy of the bible. Discover how we know we have a spirit, why select people encounter angels, and why some prayers are answered. It will show you that there is an afterlife, there is hope, and that there is a God! The stories of today resemble the stories of the bible. The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen. Prophecies are continuing to be fulfilled. The foreknowledge He gave his chosen people are still applicable today. Angels are still sent to serve and protect us. Our spirit will rejoin with God as told by near-death experiencers. God does exist and millions of people (maybe even yourself) have witnessed Him through the supernatural. This leads to the conclusion- God, the bible, and the supernatural are relevant today.

Weekly World News - 1996-06-18

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

One More Day - Kelly Simmons 2016-02-02

Don't look away No one wants to be the mother whose child disappears. It's unthinkable, the stuff of nightmares. But when she turns her back to pay a parking meter, Carrie Morgan becomes that mother. Ben is gone, and more than a year later, it's clear that he is never coming back. Until he does...for just twenty-four hours, before once again vanishing from his crib without a trace. Rumors start to circulate through Carrie's small town. Whispers that she's seeing things. That her alibi doesn't quite add up. Her husband and friends start to think she's crazy. The police start to think she's guilty. As the investigation heats up, Carrie must decide what to share, and why. Because the crime is about to be solved... and her secret revealed.

Hermetic Qabala: A Course in Personal Transformation and Self Empowerment - Rev. Jeff Rhoades

Walk in Balance - Sun Bear 2012-06-05

A personal survival manual for attaining the path of inner and outer harmony. Chippewa medicine man Sun Bear now offers a personal survival manual for attaining the path of inner and outer harmony. Sage and empowering guidance on creating and maintaining personal health and happiness can create a holistic pathway to personal affirmation, enrichment and health.

fEmpowerment - Sandy Shepard 2007-10

By using the Bond Girl (from the ever-popular James Bond movies and books) as her paradigm, fEmpowerment coach Sandy Shepard leads the reader to experience, then unleash, her inner authentic self. Ms. Shepard states that she aims to change the world, one Bond Girl at a time. A successful businesswoman and attorney, Ms. Shepard is particularly passionate about helping harried women weave sensual femininity into their daily routines, and this book uses a friendly "best girlfriend" style to help women empower their lives.

Postcapitalism - Raphael Sassower 2015-11-17

Debates over the role of government have intensified in the wake of America's deepest financial crisis since the Depression. This book suggests new ways of moving forward based on the policies and principles that have worked in the past. Sassower shows how American pragmatism has guided the more successful financial policies undertaken during the past century. This means that from the workplace to foreign aid, Americans benefit when they collaborate with each other rather than only pursue their self-interest in competitive ways. Drawing on thinkers from Adam Smith to Keynes to Bernanke, Sassower shows how a new era of postideological capitalism can emerge in the wake of the current economic crisis-renewing America's leadership for the future.

God, Not God - Earnest Lee Edwards 2017-09-06

Picking up a Bible and reading it can be difficult, for many reasons. It is time-consuming, long, and can be somewhat boring. It has been easier for many of us to simply let someone else explain or tell us of the Bible. Yet by doing so, we are acquiring that persons opinions and beliefs. We are not forming our own opinions if we have not read the book for ourselves. We may hear great and wonderful things concerning what the Bible says from one person, and terrible and fearful

things from another. This makes one wonder if there were two different Gods in the Bible, as they can be described so differently. The authors book is not meant to change or form beliefs, but to give readers information from the Bible that they may not have heard before. It is his hope that his writing will cause readers to want to begin to read the Bible for themselves to find out exactly what it says. Just as the Bible is simple in its words, this book has been written in its simplest form so that readers may understand every point being made. Is the God of the Bible the real God? Could God be totally different than the God of the Bible? Have our minds been programmed to follow what we are told? Was the Bible that you read or that you were told about even meant for you? We should not be afraid to research such topics and form our own opinions. We should know that it is both okay to believe, but it is also okay to ask questions.

Sin the Absence of Love - Daniel Stevens
2014-08-26

Most evangelical Christians have a reasonable grasp on the Bible, especially the New Testament. The challenge is applying the principles taught by Jesus in making decisions. We are all taught to love our neighbor and put others' interests ahead of our own. Does this mean we can never consider our own interests? Do we need to give everything away? When competing in sports or business, do we need to let our competitor win if we truly love them? Do we need to give others whatever they ask of us? How do we prevent ourselves from being taken advantage of? Is there sin within the church itself? Why has God set the world up the way He has? What is the purpose of evil and temptation? Why do our survival needs force us to be selfish? These are the questions this book attempts to answer.

Lord, Disciple Me - Richard Mull 2005-04-01
Jesus commanded all of his disciples to "go and make disciples of all nations." This book dares you to examine how Jesus Himself made disciples. What is discipleship, according to Jesus? Can the church today possess the power of the early church? Does God still use His people to heal the sick? Are miracles and deliverance still part of Jesus' disciple making agenda? Richard Mull's honest account of his personal journey toward biblical discipleship

presents a dilemma for twenty-first century believers: Will you adopt a system of belief that explains why we disciple differently than Jesus did, or admit that in spite of our education and experience, we may not be making disciples according to Jesus' teaching? God desires to take you on a journey much like that of Jesus' first disciples, who learned to do what Jesus was doing by observing Him in action and obeying what He taught. *Lord, Disciple Me* will challenge you to develop a biblical foundation for your journey. Jesus will provide the hand-on experience!

Never Order Barbecue in Maine - Ken Tanner
2006-07-09

Maine is known for lobster. Memphis is known for barbecue. So why would you go to Maine looking for tasty ribs? That's a question business consultant and author Ken Tanner belatedly asked himself as he tucked into a burnt, tasteless slab of barbecue in Ogunquit, Maine, one summer evening. Every region of the country has its unique signature foods. Likewise, each of us has a "sweet spot"-a signature skill or talent that can fuel your career and raise your paycheck. In *Never Order Barbecue in Maine*, Ken shares entertaining and wise anecdotes from his own varied career paths-as well as insight from noted professionals who have been there, done that-to help you find your sweet spot and turn your job into a deeply satisfying, well-paying career. You'll discover ways to: Find and build upon your sweet spot Get promoted Develop career-enhancing relationships Turn downsizing into a career-building event Why should you settle for a one-size-fits-all guide to the summit? *Never Order Barbecue in Maine* contains priceless, practical wisdom for your unique journey to a job that brings you maximum satisfaction.

World Best Thought Provoking Jokes - Dr G Francis Xavier 2003-09-01

This book will also motivate you to think positively, inspire you by stirring the creative juices, stimulate the genius in you, develop your moral values, help flower your personality and improve your sense of humour, while simultaneously providing practical wisdom from all over the world. The book is just the kind of humour that men and women across all age-groups would enjoy immensely and learn from.

Learn How to Increase Your Chances of Winning the Lottery - Richard Lustig 2010

In his book, Richard discusses the ins and outs and dos and don'ts of buying lottery tickets to increase your chances of winning. He has created a method that he and members of his family use that has enabled them to WIN several lottery game GRAND prizes. This is a very easy to use method and will work with any type lottery games (scratch tickets or number games) in any state or country. Here are some quotes from people who have used his method: "My husband and I used Richard Lustig's lotto method and within months of starting the method we hit a Mega Money jackpot for 2 million dollars! It was really easy to follow. You only play what you can and you can still win! Shaun and I will only play lotto from now on using these strategies." -Jennifer and Shaun, Florida "Since we've been using your method, we have definitely been winning more that we used to. It's easy to follow" -Dale, Florida "I just wanted to let you know that my husband and I read through your lottery method last night. It seems great. It seems to be just simple logic and makes sense." -Kate, Illinois

365 Meditations for Teachers - Anne Marie Drew 1996

Spiritual reflections by teachers, for teachers.

The Jesus Training Manual - Richard Mull 2011-04-19

What happens when you look into the box where you think God is contained and you find He isn't there? What happens next may surprise you! You will learn how to hear God's voice, that God still does miracles, that demons are real and how to deal with them, and truths about the Kingdom of God, healing, your spiritual authority, spiritual battles, and your armor. Written by a former traditional Baptist pastor, Mull's unique story is one of God destroying religious constraints, allowing His people to reel in miracles of healing, salvations, and supernatural experiences in the presence of God. His journey will help you overcome skepticism, toss away theological hang-ups you once thought were from God, and stand solidly on biblical principles. This book is filled with amazing real-life stories and practical applications of the same things Jesus taught His 12 disciples. You will be challenged to believe God is able to do more

than you have ever imagined!

Weekly World News - 1997-05-20

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Enhance your spiritual journey with the refreshing readings—and come to know just how deeply and tenderly God loves you.

The Catholicism Answer Book - Kenneth Kenneth Brighenti 2007-01-01

As religion continues to dominate the news, politics and society in general, more and more laypeople are looking for a reliable guide to understanding the beliefs and practices of each faith. The Roman Catholic Church—the largest branch of Christianity—claims a total of over 1 billion baptized members around the globe and has been revered by billions of followers for thousands of years. Why? The Catholicism Answer Book answers 300 pivotal questions about one of the world's oldest religions. From the basic tenets of Christianity and the nature of God and salvation to the differences between a Catholic Bible and a Protestant Bible, readers can round out their knowledge on such inquiries as: What are the "lost" or "missing" books of the Bible? And why are the books we have canonical? Why does it seem like Catholics worship Mary? What are the Last Things? Why confess to a priest when I can go directly to God?

Amusing Musings by the Lady Rev - Carol Hermann 2018-01-31

This book contains a number of the religious columns that Rev. Hermann has written over the years. Each column is written with the hope of drawing someone a step closer to Christ. They are written in a way that will hopefully connect people to their faith in God. Some of them draw on our sense of humor, and some are far more

serious. But they are all written in a way that will bring joy and love into someones life.

The Complete Idiot's Guide to Meditation - Joan Budilovsky 2002-11-01

You're no idiot, of course. Sometimes you just want to relax, clear your head, rest your aching muscles, and rejuvenate your weary soul. You've heard meditation is a great stress reliever, but sometimes it seems so complicated it makes you downright uptight. Relax! Meditation is easy to learn--especially if you rely on *The Complete Idiot's Guide to Meditation, Second Edition*, as you follow the path to inner peace. In this *Complete Idiot's Guide*, you get: --Zen techniques, including guided imagery and mindfulness, to help you meditate effectively. -- Tips for learning how to use meditation in daily life, including stressful situations, exercise, and fatigue. --An easy-to-understand explanation of the connections between meditation, sleep, and dreams. --Expert advice on how and when to meditate and detailed drawings and diagrams for breathing, positions, and more. --Techniques for meditating to music or modern chants.

Fragments - Amy E. Stein 2003

This remarkable new book offers fresh perspectives on ADD/ADHD. Even more important, it provides new direction for sufferers, introducing an ecologically based lifestyle that focuses on hands-on interactive learning. *Fragments: Coping with Attention Deficit Disorder* shows how to use environmental education and activities such as organic farming, community service, mission work, art, yoga, meditation, and spirituality to bring about positive change in people diagnosed with ADD/ADHD. To view an excerpt online, find the book in our QuickSearch catalog at www.HaworthPress.com.

The Little Giant Encyclopedia of Meditations & Blessings - Nathaniel Altman 2000

Open yourself up to a higher power and find peace, solace, and healing. If you're looking for more to life than the material world offers, these hundreds of meditations, prayers, and blessings from a wide variety of the world's traditions will bring comfort and well-being. Meditation cuts through and calms the tangled mass of feelings that rage through our minds. Nurture the positive spark that lies within by practicing daily

meditations to expand the mind, contact energy, and manage pain. Some of them employ candles, sacred symbols, mantras, music, and nature. For each, there are instructions on breathing, posture, and visualization. If meditation encourages listening to a greater spirit, prayers address God--and here are ones for adoration, petition, and silent communion that come from Judaism, Christianity, Islam, Buddhism, Hinduism, Jain, Native America, and more. Some are nondenominational. Finish with blessings, a powerful way to praise the Divine and share loving energy with others. The author lives in Brooklyn, NY. 512 pages, 4 3/16 x 5 1/4.

Living Faith Day By Day - Debra K. Farrington 2006-09-27

A full spiritual life goes beyond Sunday mornings and bedtime prayers, encompassing the way we work and play, eat and breathe, love and learn. Since ancient times monastic communities have recognized this and used guidelines to focus on the sacred in all aspects of life and to strengthen their love of God. Today many people continue to find inspiration-and clear, concrete guidance-in these ancient "rules." This book is designed to help you discern your spiritual path by drawing on the traditions of ancient and contemporary religious orders to form your personal rule of life. With fascinating historical details and modern-day examples, Debra Farrington shows us how to discern and express our spirituality through prayer, work, and spiritual community, care of our bodies, service, and hospitality.

Power U - S.M. Croucher 2014-10-08

Power U: Seven Keys to Finding Purpose and Achieving Success uses anecdotes from ordinary people's daily lives and their most memorable moments to introduce seven insights that can help people discover God's plans and make decisions to help those plans succeed. S.M. Croucher groups the vignettes and reflections into categories called keys: purpose; planning, persistence, and progress; positive perception; people and peace; perseverance; power and possibility; and prosperity. Many of the individual entries grouped under each of the keys offer inspirational quotes and scriptures that highlight the themes of the stories and their reflections. Because the entries present insights that can create openings for discovering ways to change one's life, the Introduction's sound

advice recommends taking time to read slowly and to let the entries do their work in guiding self-reflection. Perhaps you have taken stock of your life and said, "There must be more than this! What really is my purpose?" If that is so, then *Power U: Seven Keys to Finding Purpose and Achieving Success* offers the opportunity and the means for you to take stock of your life, to explore the possible directions your life's journey might take, and to say, "This is my purpose! This is how I can succeed."

The Last Happy Occasion - Alan Shapiro
1996-10

The author traces his coming-of-age as an aspiring poet in a Jewish household in the late sixties, exploring how his discovery of particular poems shaped his life, from his relationship to Judaism to the death of his sister. UP.

Christians at Our Best - Ed Stetzer 2019

"Today there are too many examples of those claiming to follow Christ being caustic, divisive, and irrational, contributing to dismissals of the Christian faith as hypocritical, self-interested, and politically co-opted. What has happened in our society? It seems one short outrageous video or pithy post can trigger an avalanche of comments on social media"--Back cover.

The Baptist - 1920

Use Your Head to Get Your Foot in the Door

- Harvey Mackay 2010-02-18

New York Times, Wall Street Journal, and USA Today bestseller "You can have the finest moves in the talent contest, you can boast a trophy speed-dial list on your iPhone, you can possess

the single-mindedness of Paul Revere and be as self-assured as Muhammad Ali . . . and you still won't nail the job unless you know how to mold and merchandise your personal pitch. If this is true when times are booming-and it is-you can only imagine how true it is in times like these." Harvey Mackay, Fortune magazine's "Mr. Make-Things-Happen," has written five New York Times bestsellers, including one of the most popular business books of all time-Swim with the Sharks Without Being Eaten Alive. Now he returns with the ultimate book on how to get, and keep, a job you truly love whether you're twenty-one, fifty-one, or seventy-one. The average person will have at least three career changes and ten different jobs by age thirty-eight. In this era of downsizing and outsourcing, you can never be sure your job will still exist in five years- or five weeks. So you'd better think of your career as a perpetual job search. That demands a passion for lifetime learning and the skills for relentless and effective networking. Mackay shows you how to be at your best when things are at their worst. His hard-hitting topics include: - beating rejection before it beats you - warning signals that you might be losing your job - acing interviews - negotiating the job you want not the job they offer - taking advantage of the way bosses make hiring decisions - blending the latest contact tools with old-fashioned face-to-face networking Uplifting, amusing, and jam-packed with proven tips, *Use Your Head to Get Your Foot in the Door* will guide you through the toughest job market in decades. It's also the definitive A-to-Z career resource for the rest of your life.
