Giinaquq Like a Face - Sven D. Haakanson, Jr.
2009-06-15

Masks are an ancient tradition of the Alutiiq people on the southern coast of Alaska. Alutiiq artists carved the masks from wood or bark into images of ancestors, animal spirits, and other mythological forces; these extraordinary creations have been an essential tool for communicating with the spirit world and have played an important role in dances and hunting festivities for centuries. *Giinaquq—Like a Face* presents thirty-three full-color images of these fantastic and eye-catching masks, which have been preserved for more than a century as part of the Pinart Collection in a small French museum. These masks, collected in 1871 by a young French scholar of indigenous cultures, are presented for the first time in their complete cultural context, celebrating the rich history of the Alutiiq people and their artistic traditions. In addition to the stunning photographs, *Giinaquq—Like a Face* includes an informative text in three languages—English, Alutiiq, and French—in order to provide a cross-cultural understanding of the masks' traditional meaning and use. This captivating and revealing book will be an essential resource for anyone interested in indigenous art and culture.

Historical Painting Techniques, Materials, and Studio Practice - Arie Wallert 1995-08-24

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting

Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Look Homeward, Angel - Thomas Wolfe
2021-01-01

A destiny that leads the English to the Dutch is strange enough; but one that leads from Epsom into Pennsylvania, and thence into the hills that shut in Altamont over the proud coral cry of the cock, and the soft stone smile of an angel, is

touched by that dark miracle of chance which makes new magic in a dusty world.

This Is Still Not a Book - Jean Jullien 2021

Each spread in this board book is actually something else entirely -- from a flip phone and a folded t-shirt to an elephant's trunk and much more.

Bad Bug Book - Mark Walderhaug 2014-01-14
The Bad Bug Book 2nd Edition, released in 2012, provides current information about the major known agents that cause foodborne illness. Each chapter in this book is about a pathogen—a bacterium, virus, or parasite—or a natural toxin that can contaminate food and cause illness. The book contains scientific and technical information about the major pathogens that cause these kinds of illnesses. A separate “consumer box” in each chapter provides non-technical information, in everyday language. The boxes describe plainly what can make you sick and, more important, how to prevent it. The information provided in this handbook is abbreviated and general in nature, and is intended for practical use. It is not intended to be a comprehensive scientific or clinical reference. The Bad Bug Book is published by the Center for Food Safety and Applied Nutrition (CFSAN) of the Food and Drug Administration (FDA), U.S. Department of Health and Human Services.

Blue Dog - George Rodrigue 2000-07

Four new paintings, commissioned expressly for this calendar, usher in each of the four seasons and are accompanied by George Rodrigue's own seasonal musings and reflections. A total of sixty unforgettable Blue Dog paintings were carefully selected to celebrate the myriad moods,

incarnations, and environments of the ever-changing Blue Dog. Calendar pages are packed with dates of interest for lovers of Cajun culture—from the annual crawfish boil in Lafayette to Mardi Gras to important moments in the Cajun's rich 300-year history. Special features and innovative design (from the same team behind both Blue Dog books) set this item apart from other engagement calendars: large-format calendarium pages, convenient at-a-glance calendariums for upcoming years, durable hardcover with wire-o binding, among others.

Pre-Incident Indicators of Terrorist Incidents - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The House of the Scorpion - Nancy Farmer 2013-08-01

Matt is six years old when he discovers that he is different from other children and other people.

To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

JR: Can Art Change the World? - Nato Thompson 2015-10-12

The first major and in-depth retrospective monograph on JR, the enigmatic and anonymous Parisian photographer/street artist/activist behind some of the world's most provocative large-scale public photography projects. Created in close collaboration with JR, this book includes all bodies of his work, his collaborations with other artists and institutions such as the New York Ballet and previously unpublished behind-the-scenes documentation of his studios in Paris and New York, where he and his creative collaborators live and work. Introducing JR's story is a specially commissioned graphic novel by comic artist Joseph Remnant, which charts his rise from graffiti roots and his decision to become a full-time artist. Features a survey essay by Nato Thompson, Chief Curator of Creative Time, New York.

The Art of Rush: Serving a Life Sentence - Hugh Syme 2021-09-21

Newly expanded and updated, this beautiful coffee table book delves into the 40-year relationship between Rush and their longtime artist and illustrator, with a foreword by drummer and lyricist Neil Peart! Containing original illustrations, paintings, photography, and the incredible stories behind each album that Hugh Syme has designed with the band since 1975. The book's narration was written by music journalist Stephen Humphries and includes in-depth interviews with each Rush band member and the artist. The Art of Rush

also contains entertaining anecdotes and commentary from a wide array of notable musicians, actors, athletes, writers, radio personalities, and Rush insiders about their favorite Rush album covers, which clearly reveals how vital and impactful the visual representation of their music has been through the years. One of the hallmark's of Rush releases is the considerable care and consideration that goes into each one--including the conceptual artwork. Readers may be surprised to discover just how much effort went into each concept and the execution for every album cover! Some of the regaled stories include furtively crossing the border for a guerilla-style shoot for A Farewell to Kings, trying to herd a warren of rabbits for the cover of Presto, descending into the depths of an autopsy lab to find a brain for Hemispheres, and a stunt involving fire, whiskey, and photographer Deborah Samuel for Moving Pictures. But no history of the band's art would be complete without the story of the creation of arguably the band's most iconic image, The Starman from 2112. "From the first time Hugh and I met, we shared a level of communication that would sustain us through all the years of discussing art by long distance," says Rush's Neil Peart. The Art Of Rush is a must for fans of Rush, art, and music everywhere.

How Old Am I? - Julie Pugeat 2021-03-04

A first-ever children's visual reference book on age -- and a unique celebration of the diversity of humankind around the globe For young children, the concept of age is abstract when they don't have a relatable context... until now! This book showcases the faces and life stories of 100 people from around the world in numerical order, from a one-year-old to a centenarian, giving children a reference point for each age. Striking close-up black-and-white portraits are paired with read-aloud text that shares personal experiences, wishes, memories, and emotions, leaving readers with an appreciation and understanding of the ageing process. When Father Comes Home - Sarah Jung 2020-11-10

From stunning debut talent Sarah Jung comes a heartwarming and beautifully told story about family, planting roots, and standing tall in the face of your fears. June's father is like a goose -- he flies away for long periods of time, which

means that June doesn't get to see him very often. So he is happy when Father comes home from his journeys, and happier still when the family plants a tangerine tree together and Father tells June, "Next time I am here, this tree will be bigger, and so will you." Caring for a growing sapling is a great responsibility and June takes it very seriously. When an accident happens and the tree topples over, June worries his family will change forever. But things that have fallen can be replanted, and sometimes facing our biggest fears reveals our greatest strengths.

Planning Guide for Maintaining School Facilities - Tom Szuba 2003

This title is no longer available in print.

However, please visit the NCES website at <http://nces.ed.gov/pubsearch/pubsinfo.asp?pubid=2003347> to view an electronic version of the text. As America's school buildings age, we face the growing challenge of maintaining the nation's education facilities at a level that enables our teachers to meet the needs of the 21st century learners. This tool has been developed to help readers better understand why and how to develop, implement, and evaluate a facilities maintenance plan. It focuses on: maintenance as a vital task in the responsible management of an education organization, the needs of an education audience, strategies and procedures for planning, implementing, and evaluating maintenance programs, a process to be followed, rather than a canned set of "one size fits all" solutions, and recommendations based on "best practices", rather than mandates. The document offers recommendations on the following important issues, which serve as chapter headings: Introduction to School Facilities Maintenance Planning Planning for School Facilities Maintenance Facilities Audits (Knowing What You Have) Providing a Safe Environment for Learning Maintaining School Facilities and Grounds Effectively Managing Staff and Contractors Evaluating Facilities Maintenance Efforts

Sports-Related Concussions in Youth - National

Research Council 2014-02-04

In the past decade, few subjects at the intersection of medicine and sports have generated as much public interest as sports-related concussions - especially among youth. Despite growing awareness of sports-related concussions and campaigns to educate athletes, coaches, physicians, and parents of young athletes about concussion recognition and management, confusion and controversy persist in many areas. Currently, diagnosis is based primarily on the symptoms reported by the individual rather than on objective diagnostic markers, and there is little empirical evidence for the optimal degree and duration of physical rest needed to promote recovery or the best timing and approach for returning to full physical activity. *Sports-Related Concussions in Youth: Improving the Science, Changing the Culture* reviews the science of sports-related concussions in youth from elementary school through young adulthood, as well as in military personnel and their dependents. This report recommends actions that can be taken by a range of audiences - including research funding agencies, legislatures, state and school superintendents and athletic directors, military organizations, and equipment manufacturers, as well as youth who participate in sports and their parents - to improve what is known about concussions and to reduce their occurrence. *Sports-Related Concussions in Youth* finds that while some studies provide useful information, much remains unknown about the extent of concussions in youth; how to diagnose, manage, and prevent concussions; and the short- and long-term consequences of concussions as well as repetitive head impacts that do not result in concussion symptoms. The culture of sports negatively influences athletes' self-reporting of concussion symptoms and their adherence to return-to-play guidance. Athletes, their teammates, and, in some cases, coaches and parents may not fully appreciate the health threats posed by concussions. Similarly, military recruits are immersed in a culture that includes devotion to duty and service before self, and the critical nature of concussions may often go unheeded. According to *Sports-Related Concussions in Youth*, if the youth sports community can adopt the belief that concussions

are serious injuries and emphasize care for players with concussions until they are fully recovered, then the culture in which these athletes perform and compete will become much safer. Improving understanding of the extent, causes, effects, and prevention of sports-related concussions is vitally important for the health and well-being of youth athletes. The findings and recommendations in this report set a direction for research to reach this goal.

A collection of poems celebrating the New Year by a variety of authors.

Five Busy Beavers - Stella Partheniou Grasso 2015-10

Join five little beavers and their playful friends in this countdown to fun! Five busy beavers building up a dam, closing up the river where the salmon swam. Gnawing down trees and ferrying the logs. Slapping on the mud that they gathered from the bog. Along came a muskrat who wanted to play, and one little beaver swam away. A catchy rhyme counts down from five until there is only one hardworking beaver left. The others disappeared one by one, called away to play by their animal friends --a muskrat, a heron, a frog and a turtle. When the fifth tired beaver finally heads back to the lodge he finds a big surprise! The bouncy story is rounded out with a facts page at the back, along with information about each animal featured in the book.

Lord of the Flies - William Golding 2003-12-16

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The Psychosocial Implications of Disney Movies - Lauren Dundes 2019-07-11

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

of 2015 "This novel is a harrowing, haunting
reminder of what it means to be human -- and
how hope might be kindled in the midst of
oppression and fear." -- The Washington Post
"An Ember in the Ashes could launch Sabaa
Tahir into JK Rowling territory...It has the
addictive quality of The Hunger Games
combined with the fantasy of Harry Potter and
the brutality of Game of Thrones."--Public Radio
International "An Ember in the Ashes glows,
burns, and smolders--as beautiful and radiant as
it is searing."--Huffington Post "A worthy novel -
and one as brave as its characters." --The New
York Times Book Review Laia is a slave. Elias is
a soldier. Neither is free. Under the Martial
Empire, defiance is met with death. Those who
do not vow their blood and bodies to the
Emperor risk the execution of their loved ones
and the destruction of all they hold dear. It is in
this brutal world, inspired by ancient Rome, that
Laia lives with her grandparents and older
brother. The family ekes out an existence in the
Empire's impoverished backstreets. They do not
challenge the Empire. They've seen what
happens to those who do. But when Laia's
brother is arrested for treason, Laia is forced to
make a decision. In exchange for help from
rebels who promise to rescue her brother, she
will risk her life to spy for them from within the
Empire's greatest military academy. There, Laia
meets Elias, the school's finest soldier--and
secretly, its most unwilling. Elias wants only to
be free of the tyranny he's being trained to
enforce. He and Laia will soon realize that their
destinies are intertwined--and that their choices
will change the fate of the Empire itself.
