From Now On - Rachel Mann 2018-11-29

A brilliant new Lent Course for 2019, based on the hugely popular film The Greatest Showman. The 2018 Golden Globe-nominated movie starring Hugh Jackman, about the founder and stars of the Barnum & Bailey Circus is ideal for Lenten study of Christian themes of hope,

redemption and new life. The five-week course offers discussion points, biblical reflections and prayers based on short excerpts from the film. The themes are: (1) 'A Million Dreams', exploring what liberation and hope might look like for an 'outsider' in the world; (2) 'Come Alive', exploring how the family of faith can bring hope and purpose; (3) 'Rewrite the stars', asks what forms of resistance can be placed in the way of salvation; (4) 'Never Enough', questions the temptations of false fulfilment that can lead us to betrayal; (5) 'The Greatest Show', shows how redemption is found when we discover 'the circus is our home'.

The essential book to understanding Donald Trump as a businessman and leader—and how the biggest deal of his life went down. Now,

Barrett's classic book is back in print for the first time in years and with an introduction about Trump's 2016 presidential campaign. Donald Trump claims that his success as a "self-made" businessman and real estate developer proves that he will make an effective president, but this devastating investigative account by legendary reporter Wayne Barrett proves otherwise. Back in print for the first time in years, Barrett's seminal book reveals how Trump put together the biggest deal of his life—Trump Tower—through manipulation and deceit; how he worked with questionable characters from the mafia and city politics; and how it all nearly came crashing down. Here is a vivid and inglorious portrait of the man who wants now to be the most powerful man in the world. In *Trump: The Greatest Show in the World—The Deals, the Downfall, the Reinvention*, Barrett unravels the myth and reveals the truth behind the mogul's wheelings and dealings. After decades covering him, few reporters know

Trump as Barrett does. Instead of the canny businessman that Trump claims in his own books, Barrett explores how Trump exploited his father's banking and political connections to finance and grease his first major deals. Barrett's investigative biography takes us from the days of Donald's lonely youth to his brash entry into the real estate market, and to the back room deals behind his New York, Atlantic City and Florida projects. Most compellingly Barrett paints an intimate portrait of Trump himself, a man driven by bravado, obsessive self-regard, and an anxious ruthlessness to subdue his rivals and seduce anyone with the power to aid his empire. We see him head to head with an opponent as powerful as Pete Rozelle, ingratiating himself with the brooding governor on the Hudson, and fueling the Drexel engine driven by Michael Milken with hundreds of millions in fees—paid, ironically, by gaming companies to fend off Trump takeovers. We explore his complicated emotional and business

relationship with his first wife, Ivana, and the use he planned to make of his mistress—and later, his second wife—Marla Maples as a “southern strategy” in his then contemplated presidential campaign. With interviews with scores of adversaries and former colleagues, we are given a privileged look at Trump the businessman in action—reckless as often as he is brilliant, reliant on threats as much as on charm, and ultimately a cautionary tale: is this the man we want to lead the world? PRAISE FOR TRUMP: “Trump is a withering portrait of the most self-mythologized and promoted businessman of our era, an exhaustively researched and long-overdue antidote to Trump’s own books. It is a penetrating portrait of the age that spawned him and the many who aided and abetted his rise. Trump seems destined to be the definitive account of how Trump got ahead and why he fell. It is a sad story, with important lessons for us all.” —James B. Stewart, Pulitzer Prize-winning author of Den

of Thieves “Donald Trump surprises us again. Wayne Barrett’s Trump is a fresh, detailed, and vivid account of the tangled connections of money, politics, and power in our times.”

—Nicholas Pileggi, author of *Wiseguy*
The Greatest Show on Earth - Richard Dawkins
2010-08-24

Richard Dawkins transformed our view of God in his blockbuster, *The God Delusion*, which sold more than 2 million copies in English alone. He revolutionized the way we see natural selection in the seminal bestseller *The Selfish Gene*. Now, he launches a fierce counterattack against proponents of “Intelligent Design” in his New York Times bestseller, *The Greatest Show on Earth*. “Intelligent Design” is being taught in our schools; educators are being asked to “teach the controversy” behind evolutionary theory. There is no controversy. Dawkins sifts through rich layers of scientific evidence—from living examples of natural selection to clues in the fossil record; from natural clocks that mark the

vast epochs wherein evolution ran its course to the intricacies of developing embryos; from plate tectonics to molecular genetics—to make the airtight case that "we find ourselves perched on one tiny twig in the midst of a blossoming and flourishing tree of life and it is no accident, but the direct consequence of evolution by non-random selection." His unjaded passion for the natural world turns what might have been a negative argument, exposing the absurdities of the creationist position, into a positive offering to the reader: nothing less than a master's vision of life, in all its splendor.
