**So You Want to Be the Master?** - Joshua Maponga 2008-01

A man was promised riches if he could swim three kilometers; he swam one and a half kilometers, got tired, and swam back. It takes the same amount of energy to retreat, so invest it in completion. Combining powerful concepts and principles from both theology and business, *So You Want to Be the Master?* delivers tools and techniques for taking control of your inner thoughts and outward actions so that you can navigate today's complicated society with confidence and ease. Joshua Maponga takes an in-depth philosophical yet practical approach to ten guiding values: privacy, effort, development, action, self-esteem, sympathy, situations, service, joy, and direction. He offers insight into each value, how society has corrupted it, and how you can use it to recover yourself and succeed in your own life with relationships and in business. Asserting that "how you believe is how you behave," Maponga shows you how faith—no matter what religion you follow—directly impacts your morality and your ability to deal ethically and effectively with modern issues. Weaving theological wisdom with common-sense advice and exercises, this inspirational guide will help you master the art of registering your existence, leaving your footprint, and impacting the world.

*Surrounded by Setbacks* - Thomas Erikson 2021-11-02

Part of the bestselling *Surrounded by Idiots* series! In *Surrounded by Setbacks*, internationally bestselling author Thomas Erikson turns his attention to a universal problem: what to do when things go wrong. Too often it seems like our dreams and ambitions—whether it's finally getting that corner office, lacing up your running shoes again, or building a flourishing relationship with your partner—are derailed by one roadblock or another. So how do we learn to take setbacks in stride and still achieve our goals? In *Surrounded by Setbacks*, Erikson answers that question. Using simple, actionable steps, Erikson helps readers identify the "why" behind their goal, create a concrete plan towards achieving it, and—most importantly—avoid many of the most common pitfalls that derail us when we attempt something new. The simple 4-color behavior system that made *Surrounded by Idiots* revolutionary now helps readers reflect on how they respond to adversity, giving them the self-awareness to negotiate the inevitable obstacles of life with confidence.

Wry, ironic and clever this is an indispensable and witty guide to power. The laws are now famous:- Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary

**The Great Work of Your Life** - Stephen Cope 2012-09-25

An inspiring guide to finding your life's purpose—what spiritual teachers call dharma—through mindfulness and self-exploration. Stephen Cope says that in order to have a fulfilling life you must discover the deep purpose hidden at the very core of your self. The secret to unlocking this mystery, he asserts, can be found in the pages of a two-thousand-year-old spiritual classic called the *Bhagavad Gita*—an ancient allegory about the path to dharma, told through a timeless dialogue between the fabled archer, Arjuna, and his divine mentor, Krishna. Cope takes readers on a step-by-step tour of this revered tale and highlights well-known Western lives that embody its central principles—including such luminaries as Jane Goodall, Walt Whitman, Susan B. Anthony, John Keats, and Harriet Tubman, along with stories of ordinary people as well. If you're feeling lost in your own life's journey, *The Great Work of Your Life* may help you to find and to embrace your true calling. Praise for *The Great Work of Your Life* "Keep a pen and paper handy as you read this remarkable book: It's like an owner's manual for the soul."—Dani Shapiro, author of *Devotion* "A masterwork . . . You'll find inspiration in these pages. You'll gain a better appreciation of divine guidance and perhaps even understand how you might better hear it in your own life."—*Yoga Journal* "I am moved and inspired by this book, the clarity and beauty of the lives lived in it, and the timeless dharma it teaches."—Jack Kornfield, author of *A Path with Heart* "A rich source of contemplation and inspiration [that] encourages readers . . . to discover and fully pursue their inner self's calling."—*Publishers Weekly* "Fabulous . . . If you have ever wondered what your purpose is, this book is a great guide to help you on your path."—*YogaHara*

*The Money Mentor* - Graeme Holm 2019-10-01

*The Money Mentor* is my take on the classic self-help book - with one

major difference: It's a bullshit-free zone! If you're reading this, it's because you've recognised that your finances need help. Either that or your kids gave you the book as a Christmas stocking-filler, it's pouring with rain and there's nothing on telly this afternoon. Seriously, however you got here isn't important. The important thing is - you're here. Right here, right now is where you start getting control of your finances. This is where you stop throwing money away like it's going out of fashion and start saving. This is where your financial worries start to lessen. This is where you and your family begin to get ahead in the game. What I do is very straightforward - I help ordinary Mums and Dads burdened with standard 30-year home loans, pay off those loans within 7 to 10 years. Yes, you read that correctly - you can be mortgage-free in 7 to 10 years simply by following a plan that we create together. It's not magic. There's no smoke and mirrors. It's not even a secret how we can do this together. In fact, I call it the 'not-so-secret, secret', because anyone can do it. Together, we examine your lifestyle and make a detailed assessment of your living expenses. Using that information, we then give every single dollar of your family's monthly income a specific purpose and structure it within a realistic budget. And guarantee to pay the loan off in 7 to 10 years. Paying your home loan off over 30 years is bullshit! It's the biggest rip-off. When you're sitting in your bank, arranging your home loan, their entire focus is on the minimum monthly repayment. That just means they're forecasting their juicy profits over a 30-year period. Profits that you're paying for. We can even pay off that 30-year loan earlier in some cases. One of our records is having cleared a mortgage in only 3.5! Mortgage-free in three and a half years - wouldn't everyone love to be in that position? Our aim is to disrupt the passive, inherited way of thinking encouraged by the banks and to completely change traditional Mum and Dad psychology. Not with idealistic nonsense and impossible to achieve pie-in-the-sky advice aimed at solving unrealistic or non-typical situations. This book is packed with proven, practical and realistic strategies that work. If you and your family follow the process that we all agree to in the beginning, you will achieve the results we predict at the start. Guaranteed!

**Southern Lights** - Danielle Steel 2009-10-20

Danielle Steel sweeps us from a Manhattan courtroom to the Deep South in her powerful new novel—at once a behind-closed-doors look into the heart of a family and a tale of crime and punishment. Eleven years have passed since Alexa Hamilton left the South behind, fleeing the pain of her ex-husband's betrayal and the cruelty of his prominent Charleston family. Now an assistant D.A. in Manhattan, Alexa has finally put her demons to rest, making a name for herself as a top prosecutor, handling the city's toughest cases while juggling her role as devoted single mom to a teenage daughter. But everything changes when Alexa is handed her latest case: the trial of accused serial killer Luke Quentin. Sifting through mountains of forensic evidence, Alexa prepares for a high-stakes trial...until threatening letters throw her private life into turmoil. The letters are addressed to her beautiful seventeen-year-old daughter, Savannah, whom Alexa has been raising alone since her divorce. Alexa is certain that Quentin is behind the letters—and that they are too dangerous to ignore. Suddenly she must make the toughest choice of all—and send her daughter back to the very place she swore she would never return to: the place where her marriage ended in heartbreak...her ex-husband's world of southern tradition, memories of betrayal, and the antebellum charm of Charleston. Now, while Alexa's trial builds to a climax in New York, her daughter is settling into southern life, discovering a part of her family history and a father she barely knows--from the ice-cold stepmother who stole him away to a fascinating ancestry and a half-sister and half-brothers she comes to love. As secrets are exposed and old wounds are healed, Alexa and Savannah, after a season in different worlds, will come together again—strengthened by the challenges they have faced, changed by the mysteries they have unraveled, and with Savannah now at home in the southern world her mother fled. In this masterfully told tale, Danielle Steel creates a stunning array of contrasts: from the gritty chaos of Manhattan's criminal court system to the seductive gentility of the South, from the rage of a hardened criminal to the tender bond between a mother and daughter—and a loving father who has welcomed Savannah home at last. A novel that will catch you off guard at every turn, *Southern Lights* is Danielle Steel at her electrifying best.

*Stillness Is the Key* - Ryan Holiday 2019-10-01

Instant #1 New York Times Bestseller & Wall Street Journal Bestseller In *The Obstacle Is the Way* and *Ego Is the Enemy*, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, *Stillness Is*

the Key, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness--to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh, John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see what was invisible to the eye; Anne Frank, whose journaling and love of nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and egos and competition. *Stillness Is the Key* offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is the path to meaning, contentment, and excellence in a world that needs more of it than ever.

*Summary of the Laws of Human Nature by Robert Greene* - Dennis Braun 2018-12-06

*The Laws of Human Nature* (2018) takes an in-depth look at the many aspects of the human condition that often go overlooked or unacknowledged. As author Robert Greene explains, we are all a bit narcissistic, irrational, short-sighted and prone to compulsive and aggressive behavior. But once we accept and start to understand these aspects of human nature, we can begin to control and even benefit from them.

**All Things Shining** - Hubert Dreyfus 2011-01-04

In unrelenting flow of choices confronts us at nearly every moment of our lives, and yet our culture offers us no clear way to choose. This predicament seems inevitable, but in fact it's quite new. In medieval Europe, God's calling was a grounding force. In ancient Greece, a whole pantheon of shining gods stood ready to draw an appropriate action out of you. Like an athlete in "the zone," you were called to a harmonious attunement with the world, so absorbed in it that you couldn't make a "wrong" choice. If our culture no longer takes for granted a belief in God, can we nevertheless get in touch with the Homeric moods of wonder and gratitude, and be guided by the meanings they reveal? *All Things Shining* says we can. Hubert Dreyfus and Sean Dorrance Kelly illuminate some of the greatest works of the West to reveal how we have lost our passionate engagement with and responsiveness to the world. Their journey takes us from the wonder and openness of Homer's polytheism to the monotheism of Dante; from the autonomy of Kant to the multiple worlds of Melville; and, finally, to the spiritual difficulties evoked by modern authors such as David Foster Wallace and Elizabeth Gilbert. Dreyfus, a philosopher at the University of California, Berkeley, for forty years, is an original thinker who finds in the classic texts of our culture a new relevance for people's everyday lives. His lively, thought-provoking lectures have earned him a podcast audience that often reaches the iTunesU Top 40. Kelly, chair of the philosophy department at Harvard University, is an eloquent new voice whose sensitivity to the

sadness of the culture—and to what remains of the wonder and gratitude that could chase it away—captures a generation adrift. Re-envisioning modern spiritual life through their examination of literature, philosophy, and religious testimony, Dreyfus and Kelly unearth ancient sources of meaning, and teach us how to rediscover the sacred, shining things that surround us every day. This book will change the way we understand our culture, our history, our sacred practices, and ourselves. It offers a new—and very old—way to celebrate and be grateful for our existence in the modern world.

Accomplishment in worldly affairs is seen as the means of developing the ability to achieve what one wishes, and ultimately to achieve the purpose of life.

**The Golden Couple** - Greer Hendricks 2022-03-08

The next electrifying novel from the #1 New York Times bestselling author duo behind *The Wife Between Us*. "Propulsive and thrilling....A page-turner that will keep you guessing until the very end." --Taylor Jenkins Reid, author of *Malibu Rising* Wealthy Washington suburbanites Marissa and Matthew Bishop seem to have it all—until Marissa is unfaithful. Beneath their veneer of perfection is a relationship riven by work and a lack of intimacy. She wants to repair things for the sake of their eight-year-old son and because she loves her husband. Enter Avery Chambers. Avery is a therapist who lost her professional license. Still, it doesn't stop her from counseling those in crisis, though they have to adhere to her unorthodox methods. And the Bishops are desperate. When they glide through Avery's door and Marissa reveals her infidelity, all three are set on a collision course. Because the biggest secrets in the room are still hidden, and it's no longer simply a marriage that's in danger. "An utterly compelling, spellbinding read." --Lisa Jewell, author of *Then She Was Gone* and *Invisible Girl*

*The Laws of Human Nature* - Robert Greene 2019-10-01

From the #1 New York Times bestselling author of *The 48 Laws of Power* comes the definitive new book on decoding the behavior of the people around you Robert Greene is a master guide for millions of readers, distilling ancient wisdom and philosophy into essential texts for seekers of power, understanding and mastery. Now he turns to the most important subject of all - understanding people's drives and motivations, even when they are unconscious of them themselves. We are social animals. Our very lives depend on our relationships with people. Knowing why people do what they do is the most important tool we can possess, without which our other talents can only take us so far. Drawing from the ideas and examples of Pericles, Queen Elizabeth I, Martin Luther King Jr, and many others, Greene teaches us how to detach ourselves from our own emotions and master self-control, how to develop the empathy that leads to insight, how to look behind people's masks, and how to resist conformity to develop your singular sense of purpose. Whether at work, in relationships, or in shaping the world around you, *The Laws of Human Nature* offers brilliant tactics for success, self-improvement, and self-defense.

**The Way of All Flesh** - Samuel Butler 2019-12-11T22:48:45Z

*The Way of All Flesh* is often considered to be Samuel Butler's masterpiece, and is frequently included in many lists of best English-language novels of the 20th century. Despite this acclaim, Butler never published it in his lifetime—perhaps because the novel, a scathing, funny, and poignant satire of Victorian life, would have hit his contemporaries too close to home. The novel traces four generations of the Pontifex family, though the central character is Ernest Pontifex, the third-generation wayward son. The reader follows Ernest through the eyes of his watchful godfather, Mr. Overton, as he strikes out from home to find his way in life. His struggles along the way illustrate the complex relationships between a son and his family, and especially his father; all while satirizing Victorian ideas about family, church, marriage, and schooling. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

*Life Is What You Make It* - Peter Buffett 2011-05-03

From composer, musician, and philanthropist Peter Buffett comes a warm, wise, and inspirational book that asks, Which will you choose: the path of least resistance or the path of potentially greatest satisfaction? You may think that with a last name like his, Buffett has enjoyed a life of endless privilege. But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy: Forge your own path in life. It is a creed that has allowed him to follow his own passions, establish his own identity, and reap his own successes. In *Life Is What You Make It*, Buffett expounds on the strong set of values given to him by his trusting and broadminded mother, his industrious and talented father, and the many life teachers he has met along the way. Today's society, Buffett posits, has begun to replace a work ethic, relishing what you do, with a wealth ethic, honoring the payoff instead of the process. We confuse privilege with material accumulation, character with external validation. Yet, by focusing more on substance and less on reward, we can open doors of opportunity and strive toward a greater sense of fulfillment. In clear and concise terms, Buffett reveals a great truth: Life is random, neither fair nor unfair. From there it becomes easy to recognize the equal dignity and value of every human life—our circumstances may vary but our essences do not. We see that our journey in life rarely follows a straight line but is often met with false starts, crises, and blunders. How we push through and persevere in these challenging moments is where we begin to create the life of our dreams—from discovering our vocations to living out our bliss to giving back to others. Personal and revealing, instructive and intuitive, *Life Is What You Make It* is about transcending your circumstances, taking up the reins of your destiny, and living your life to the fullest.

*The Art Of Seduction* - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself

in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

**Leadership from the Inside Out** - Kevin G. Harney 2009-05-26

You can serve God and his people for a lifetime and do it with passion and joy. You do not have to become another casualty in the growing number of leaders who have compromised their integrity, character, and ministry because they failed to lead an examined and accountable life. The road forward is clearly marked. Leaders must make a decision to humbly and consistently examine their inner lives and identify areas of needed change and growth. Also, wise leaders commit to listen to the voices of those who will love them enough to speak the truth and point out problems and potential pitfalls. Kevin Harney writes, "The vision of this book is to assist leaders as they discover the health, wisdom, and joy of living an examined life. It is also to give practical tools for self-examination." Sharing stories and wisdom from his years in ministry, Harney shows you how to maintain the most powerful tool in your leadership toolbox: YOU. Your heart, so you can love well. Your mind, so you can continue to learn and grow. Your ears, your eyes, your mouth ... consider this your essential guide to conducting your own complete interior health exam, so you can spot and fix any problems, preserve the things that matter most, and grow as a source of vision, strength, and hope to others.

**Behind the Brand** - Elliott Bryan 2019-06-19

This should be a bulleted list of key points about the book and about your background. You can also include any data points about the sales or marketing strategy (ie - full page ad in WIRED planned) and anything else that would be a likely sales point for the book that would be valuable to share.

**The Concise Mastery** - Robert Greene 2014

This concise version of the business classic Mastery provides a shortcut to Greene's powerful new tools for achieving greatness. Around the globe, people are facing the same problem - that we are born as individuals but are forced to conform to the rules of society if we want to succeed. To see our uniqueness expressed in our achievements, we must first learn the rules - and then change them completely. Charles Darwin began as an underachieving schoolboy, Leonardo da Vinci as an illegitimate outcast. The secret of their eventual greatness lies in a 'rigorous apprenticeship': they learnt to master the 'hidden codes' which determine ultimate success or failure. Then, they rewrote the rules as a reflection of their own individuality. Drawing on interviews with world leaders, this book builds on the strategies outlined in The 48 Laws of Power to provide a practical guide to greatness - and learn how to start living by your own rules.

**Power Cues** - Nick Morgan 2014-04-22

Take control of your communications—before someone else does What if someone told you that your behavior was controlled by a powerful, invisible force? Most of us would be skeptical of such a claim—but it's largely true. Our brains are constantly transmitting and receiving signals

of which we are unaware. Studies show that these constant inputs drive the great majority of our decisions about what to do next—and we become conscious of the decisions only after we start acting on them. Many may find that disturbing. But the implications for leadership are profound. In this provocative yet practical book, renowned speaking coach and communication expert Nick Morgan highlights recent research that shows how humans are programmed to respond to the nonverbal cues of others—subtle gestures, sounds, and signals—that elicit emotion. He then provides a clear, useful framework of seven "power cues" that will be essential for any leader in business, the public sector, or almost any context. You'll learn crucial skills, from measuring nonverbal signs of confidence, to the art and practice of gestures and vocal tones, to figuring out what your gut is really telling you. This concise and engaging guide will help leaders and aspiring leaders of all stripes to connect powerfully, communicate more effectively, and command influence.

**Talking to Myself** - Robert Greene 2015-03-18

A biologist slowly becomes convinced that his internal musings about the nature of life are something more - something disturbing. Was it possible that he was actually having an ongoing conversation with Earth, herself?

**Thought Economics** - Vikas Shah 2021-02-04

'Stimulating, intelligent and enjoyable discussions of the most important issues of our day.' STEVEN PINKER 'From entrepreneurs to athletes, and world leaders to entertainers, this is a fascinating collection of interviews with some of the world's most influential individuals.' MARK CUBAN 'Thought Economics is a fine rebuke to the soundbite culture; these interviews are driven by real curiosity, and there is a wealth of wisdom here.' EDWARD STOURTON Since 2007, entrepreneur and philanthropist Vikas Shah has been on a mission to interview the people shaping our century. Including conversations with Nobel prizewinners, business leaders, politicians, artists and Olympians, he has been in the privileged position of questioning the minds that matter on the big issues that concern us all. We often talk of war and conflict, the economy, culture, technology and revolutions as if they are something other than us. But all these things are a product of us - of our ideas, our dreams and our fears. We live in fast-moving and extraordinary times, and the changes we're experiencing now, in these first decades of the twenty-first century, feel particularly poignant as decisions are made that will inform our existence for years to come. What started out as a personal interest in the mechanisms that inform our views of the world, and a passion for understanding, has grown into a phenomenal compilation of once-in-a-lifetime conversations. In this incredible collection, Shah shares some of his most emotive and insightful interviews to date.

**Forbidden City** - Vanessa Hua 2022-05-10

NATIONAL BESTSELLER • A teenage girl living in 1960s China becomes Mao Zedong's protégée and lover—and a heroine of the Cultural Revolution—in this "masterful new novel" (The Washington Post) "A new classic about China's Cultural Revolution . . . Think Succession, but add death and mayhem to the palace intrigue. . . . Ambitious and impressive."—San Francisco Chronicle ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Vulture, Electric Lit, Ms. magazine, The Millions, Book Riot On the eve of China's Cultural Revolution and her sixteenth birthday, Mei dreams of becoming a model revolutionary. When the Communist Party recruits girls for a mysterious duty in the capital, she seizes the opportunity to escape her impoverished village. It is only when Mei arrives at the Chairman's opulent residence—a forbidden city unto itself—that she learns that the girls' job is to dance with the Party elites. Ambitious and whip-smart, Mei beelines toward the Chairman. Mei gradually separates herself from the other recruits to become the Chairman's confidante—and paramour. While he fends off political rivals, Mei faces down schemers from the dance troupe who will stop at nothing to take her place and the Chairman's imperious wife, who has secret plans of her own. When the Chairman finally gives Mei a political mission, she seizes it with fervor, but the brutality of this latest stage of the revolution makes her begin to doubt all the certainties she has held so dear. Forbidden City is an epic yet intimate portrayal of one of the world's most powerful and least understood leaders during this extraordinarily turbulent period in modern Chinese history. Mei's harrowing journey toward truth and disillusionment raises questions about power, manipulation, and belief, as seen through the eyes of a passionate teenage girl.

**30 Lessons for Living** - Karl Pillemer, Ph.D. 2012-10-30

"Heartfelt and ever-endearing—equal parts information and inspiration. This is a book to keep by your bedside and return to often."—Amy

Dickinson, nationally syndicated advice columnist "Ask Amy" More than one thousand extraordinary Americans share their stories and the wisdom they have gained on living, loving, and finding happiness. After a chance encounter with an extraordinary ninety-year-old woman, renowned gerontologist Karl Pillemer began to wonder what older people know about life that the rest of us don't. His quest led him to interview more than one thousand Americans over the age of sixty-five to seek their counsel on all the big issues- children, marriage, money, career, aging. Their moving stories and uncompromisingly honest answers often surprised him. And he found that he consistently heard advice that pointed to these thirty lessons for living. Here he weaves their personal recollections of difficulties overcome and lives well lived into a timeless book filled with the hard-won advice these older Americans wish someone had given them when they were young. Like This I Believe, StoryCorps's Listening Is an Act of Love, and Tuesdays with Morrie, 30 Lessons for Living is a book to keep and to give. Offering clear advice toward a more fulfilling life, it is as useful as it is inspiring.

**THE ART OF WHOLESALING PROPERTIES** - Aram Shah and Alex Virelles 2015-11-24

The Art of Wholesaling Properties: How to Buy and Sell Real Estate without Cash or Credit distills the experiences of two of the nation's largest real estate wholesalers who, all told, have flipped over one thousand homes. Aram Shah and Alex Virelles present a step-by-step guide that explains how others may replicate their proven methods in their own wholesaling ventures. Reading this book will give investors the A-to-Z insights they need for cashing in on the fastest and most profitable ways to flip paper in the real estate market. Moving along a strategic step at a time, The Art of Wholesaling Properties explains how to • make offers that actually get accepted; • find hidden, motivated sellers; • use a real estate agent to find gold mines through the MLS; • build a strong list of cash buyers; • negotiate with sellers using proven and tested scripts; • assign or double close on properties; • master the A-B, B-C transaction; • deploy a team and put the business on autopilot; and • achieve financial freedom without using cash or credit! If you find the prospects of making money exciting, if you get the feeling there is wealth hidden in the real estate market in your community, and if you desire to learn demonstrably successful techniques to apply in your own ventures, then The Art of Wholesaling Properties: How to Buy and Sell Real Estate without Cash or Credit will give you the guidance and education you need to begin wholesaling homes and generating profits without using your own cash or credit.

*The 48 Laws Of Power* - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

*The Hour Between Dog and Wolf* - John Coates 2012-05-15

A successful Wall Street trader turned Cambridge neuroscientist reveals the biology of financial boom and bust, showing how risk-taking transforms our body chemistry, driving us to extremes of euphoria or stressed-out depression. The laws of financial boom and bust, it turns out, have a lot to do with male hormones. In a series of startling experiments, Canadian scientist Dr. John Coates identified a feedback loop between testosterone and success that dramatically lowers the fear of risk in men, especially young men; he has vividly dubbed the moment when traders transform into exuberant high flyers "the hour between dog and wolf." Similarly, intense failure leads to a rise in levels of cortisol, which dramatically lowers the appetite for risk. His book expands on his seminal research to offer lessons from the exploding new field studying the biology of risk. Coates's conclusions shed light on all types of high-pressure decision-making, from the sports field to the battlefield, and leaves us with a powerful recognition: to handle risk isn't a matter of mind over body, it's a matter of mind and body working together. We all have it in us to be transformed from dog to wolf; the only question is whether we can understand the causes and the consequences.

*The Charisma Myth* - Olivia Fox Cabane 2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. *The Charisma Myth* shows you how to become more influential, more persuasive, and more inspiring.

**The 33 Strategies Of War** - Robert Greene 2010-09-03

The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following *48 Laws of Power* and *The Art of Seduction*, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, *The Concise 33 Strategies of War* is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen.
