The Last Book in the Universe - Rodman Philbrick
2013-03-01

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic

teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn

about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

[The Five Gifts](#) - Laurie Nadel
2018-04-03

"Once a seasoned journalist but now a distinguished scholar and practicing psychotherapist, Dr. Laurie has immersed herself in the academic study of suffering, in addition to the depth her own life story provides When it comes to teaching how to get up after being knocked down, how to not just survive life's hardest blows but eventually thrive, nothing beats a teacher who has learned through personal experience. I'll be surprised if you don't find this book highly readable and the information in it unusually accessible and easy to understand, digest, and put to use. Dr. Laurie Nadel touches off many new sunbursts of thought as she guides us through what we need to know about coping with life's most troubling times." --From the Foreword by Dan Rather As the frequency

and intensity of catastrophic events continue to surge, organizations provide guidelines for how to pack a "Go-Kit" in case of emergency. The Five Gifts is like an emergency 'Go-Kit' for the mind, packed with information and insight that can minimize and prevent long-term psychospiritual damage from a traumatic event. It's a field guide for the heart and soul to guide you through to cycles of damage and recovery that can be useful before, during, and after a tragic loss, trauma, or disaster. In a nationwide Google survey Dr. Nadel commissioned for this book, 33% of those surveyed identified their greatest fear as a terrorist attack, followed by displacement from their homes. As this upsurge in violent episodes continues, the numbers show a greater likelihood that you, or someone close to you, will be directly affected by a traumatic event. But what if you had access to a mind-body-spirit 'Go-Kit' before disaster strikes? In The Five Gifts, Dr. Nadel wisely maps

out a path integrating what she has learned from over two decades of working with people damaged by a trauma event. Her own life was impacted by the World Trade Center attacks of September 11, 2001 and Hurricane Sandy on October 29, 2012. The Five Gifts contains interviews with people whose lives were directly impacted by such major news events as the Rwanda genocide, the terrorist attacks of September 11th, 2001, Hurricanes Katrina and Sandy, the tsunami in Bali, and the Boston Marathon terrorist bombing. Although you can never be fully prepared for a shocking, traumatic event, this book will provide information, ideas, insight and tools to build the emotional stamina and clarity needed to cope with acute stress responses and emotional aftershocks. If you are open to receiving the gifts of Humility, Patience, Empathy, Forgiveness, and Growth, The Five Gifts will lead you safely through disaster and traumatic minefields.

Infinitely Full of Hope - Tom

Whyman 2021-04-13

A philosophical memoir about becoming a father in an increasingly terrible world - can I hope the child growing in my partner's womb will have a good-enough life? For Kant, philosophy boiled down to three key questions: "What can I know?", "What ought I do?", and "What can I hope for?" In philosophy departments, that third question has largely been neglected at the expense of the first two - even though it is crucial for understanding why anyone might ask them in the first place. In *Infinitely Full of Hope*, as he prepares to become a father for the first time, the philosopher Tom Whyman attempts to answer Kant's third question, trying to make sense of it in the context of a world that increasingly seems like it is on the verge of collapse. Part memoir, part theory, and part reflection on fatherhood, *Infinitely Full of Hope* asks how we can cling to hope in a world marked by crisis and disaster.

Beautiful Oblivion - Jamie McGuire 2014-07

*Don't Hide Your Light Under a
Laundry Basket* - Jenny Rae
Armstrong 2016-08-09

Don't Hide Your Light under a
Laundry Basket is packed with
creative ideas that will help
women tap into their passions
and leverage their influence for

the good of the world and the
glory of God—even if they have
a baby strapped to their chest
and a toddler clinging to their
knees. When your world is
dominated by dirty diapers, the
fair distribution of animal
crackers, and nightly battles
over proper dental hygiene, it's
easy to feel as if your unique
gifts and callings have been
swept aside like those stale
Cheerios collecting dust
bunnies under the kitchen
table. Moms with a passion for
missions, social justice, and
evangelism may even feel like
their families are "hampering"
their ministry, though few
would dare admit it. But it
doesn't have to be that way.
Written in a chatty,
conversational tone, *Don't Hide
Your Light* is a collection of
fun-sized essays that can be
read in five minutes or
less—perfect for sleep-deprived
moms who need reading
material that can be picked up
without guilt and put down
without frustration. Readers
will be armed with an array of
ideas on how to impact their
home, workplace, community,

and world, and tips and testimonies from everyday moms will get women excited about how God could use them right where they are, spit-stains and all.

Marriage in the Middle -

Dorothy Littell Greco

2020-09-15

Midlife is a season of challenge and change—professionally, relationally, physically, and spiritually. But "midlife" doesn't have to be synonymous with "crisis" within our marriages. With vulnerability and insight, this book will inspire and encourage you to invest in your relationship with your spouse, enabling you both to thrive as you face this era together.

All Shall Be Well - Catherine McNiel 2019-08-06

In this beautiful and broken world, God is here. The heavens declare the glory of God . . . but are we listening? Yes, God created this world, but sometimes we forget that he hasn't left—that his redemptive, creative work happens still today, right here under our feet. So when we

seek for God and study his truth, how much are we missing if we don't awaken to all he has placed in the soil and sky? God made this world of light and darkness, summer and winter, life and death.

What does he intend to teach us in these ever-repeating cycles and seasons? Seamlessly weaving biblical truths into everyday life, Catherine McNiel will help you discover an unbelievable reality: God meets and transforms you in the mess and abundance of every mundane moment.

The Most Beautiful Disaster -

Hope Carpenter 2021-05-04

Hope Carpenter opens up about her personal struggles that nearly destroyed her family, her church, and her ministry, but then God did something miraculous—out of her brokenness, He made something beautiful. As co-pastor of one of the nation's largest megachurches, Hope Carpenter had perfected the roles of supportive wife, good mother, devoted worship leader, and dutiful homemaker. But inside, she was secretly

ashamed, sad, and afraid. She didn't know who she was, and she didn't know how to ask for help without bringing down the whole façade. A series of bad choices led to multiple affairs; her husband kicked her out and announced from the pulpit of their church that their marriage was over. Hope was sure her life was done. But in her lowest moments, something beautiful happened. God met her there, and, with a lot of hard work, time, and mountains of therapy, she started to understand the pain that had caused her to act out. She and her family faced their brokenness together, and in powerful acts of forgiveness only God could have arranged, they all found real breakthrough and healing. Ron and Hope rebuilt their marriage and their family, and their ministry thrives today. In *The Most Beautiful Disaster*, Hope helps readers understand the lasting impact of childhood trauma and gives readers practical steps to uncovering the root of pain in their own lives. She shows how small

decisions can lead to big changes, and helps readers find healing and wholeness in Scripture and prayer.

Ultimately, readers will be led to hope, reconciliation, and true freedom.

The Most Beautiful Disaster

- Hope Carpenter 2022-05-03

Hope Carpenter nearly destroyed her family, her church, and her ministry by living a double life, but then God did something miraculous. Out of her brokenness, He made something beautiful. A Paradise Built in Hell -
Rebecca Solnit 2010-08-31

The author of *Men Explain Things to Me* explores the moments of altruism and generosity that arise in the aftermath of disaster. Why is it that in the aftermath of a disaster? whether manmade or natural? people suddenly become altruistic, resourceful, and brave? What makes the newfound communities and purpose many find in the ruins and crises after disaster so joyous? And what does this joy reveal about ordinarily unmet social desires and possibilities? In *A Paradise Built in Hell*, award-winning author Rebecca Solnit explores these phenomena, looking at major calamities from the 1906 earthquake in San Francisco through the 1917 explosion that tore up Halifax, Nova Scotia, the 1985 Mexico City earthquake, 9/11, and

Hurricane Katrina in New Orleans. She examines how disaster throws people into a temporary utopia of changed states of mind and social possibilities, as well as looking at the cost of the widespread myths and rarer real cases of social deterioration during crisis. This is a timely and important book from an acclaimed author whose work consistently locates unseen patterns and meanings in broad cultural histories.

[A Beautiful Disaster](#) - Marlena Graves 2014-06-17

Interweaving biblical insights and personal narratives, this eloquently written book shows how God often uses suffering and desert experiences to form us into Christ's image. Marlena Graves shares her experiences of growing up poor in a house plagued by mental illness as a means to explore the forces God uses to shape us into beautiful people in the midst of brokenness. This book offers a window into suffering through the motif of desert spirituality, revealing how God can use our painful experiences to show

himself faithful. While no one welcomes suffering, God often uses desert experiences--those we initially despise and wouldn't wish on anyone--to transform us into beautiful souls who better resemble Jesus. Graves shows how God can bring life out of circumstances reeking of death and destruction, whether those circumstances are crises or daily doses of quiet desperation. Readers who have experienced suffering and question God's purpose for it will benefit from this book, as will counselors, pastors, professors, and mentors. It includes a foreword by John Ortberg and Laura Ortberg Turner.

Walking Disaster - Jamie McGuire 2013-04-02

Now it's time to see the story through Travis's eyes.

Leaving Church - Barbara Brown Taylor 2013-01-25

Tells how a renowned preacher left her ministry to rediscover the authentic heart of her faith. A moving reflection on keeping faith amidst the relentless demands of modern life.

A Rhythm of Prayer - Sarah Bessey 2021-02-09

NEW YORK TIMES

BESTSELLER • For the weary, the angry, the anxious, and the hopeful, this collection of moving, tender prayers offers rest, joyful resistance, and a call to act, written by Barbara Brown Taylor, Amena Brown, Nadia Bolz-Weber, and other artists and thinkers, curated by the author Glennon Doyle calls

“my favorite faith writer.” It's no secret that we are overworked, overpressured, and edging burnout. Unsurprisingly, this fact is as old as time—and that's why we see so many prayer circles within a multitude of church traditions. These gatherings are a trusted space where people seek help, hope, and peace, energized by God and one another. This book, curated by acclaimed author Sarah Bessey, celebrates and honors that prayerful tradition in a literary form. A companion for all who feel the immense joys and challenges of the journey of faith, this collection of prayers says it all aloud, giving readers permission to recognize the weight of all they carry. These writings also offer a broadened imagination of hope—of what can be restored and made new. Each prayer is an original piece of writing, with new essays by Sarah Bessey throughout. Encompassing the full breadth of the emotional landscape, these deeply tender yet subversive prayers give

readers an intimate look at the diverse language and shapes of prayer.

Surprised by Paradox - Jen Pollock Michel 2019-05-14

In a world filled with ambiguity, we want faith to act like an orderly set of truth-claims to solve the problems that life throws at us. While there are certainties in Christian faith, at the heart of the Christian story is also paradox, and Jen Pollock Michel helps readers imagine a Christian faith open to mystery. Jesus invites us to abandon the polarities of either and or in order to embrace the difficult, wondrous dissonance of and.

Beautiful Disaster Signed Limited Edition - Jamie McGuire 2012-11-27

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

A Walking Disaster - Jamie Aten 2019-01-02

Is there a meaning to our

suffering? Is hope realistic when tragedy befalls us? Is a return to normalcy possible after our life is uprooted by catastrophe? These are the questions that disaster psychologist Dr. Jamie Aten wrestled with when he was diagnosed with Stage IV colon cancer. In this gripping memoir, Aten shares the life-affirming and faith-renewing insights that he discovered during his tumultuous struggle against the disease. Aten's journey began in 2005 when Hurricane Katrina struck his community. After witnessing the devastation wrought by the storm, he dedicated his career to investigating how people respond to and recover from all manner of disasters. He studied disaster zones around the globe and founded the Humanitarian Disaster Institute at Wheaton College. His expertise, however, was little comfort when a fateful visit with his oncologist revealed advanced and aggressive cancer. "You're in for your own personal disaster" was his doctor's prognosis.

Thrust into a battle for his life, with cancer cells and chemotherapy ravaging his body, Aten found his professional interest taking on new meaning. His ordeal taught him firsthand how we can sustain ourselves when burdened with seemingly unbearable suffering. Some of his counterintuitive insights include: to find hope, be cautious of optimism; when you want help the least is when you need it most; and spiritual surrender, rather than a passive act, is instead an act of profound courage. This last point speaks to the element of grace in Dr. Aten's story. As he struggled to understand the significance of his suffering, he found himself examining his Christian faith down to its bedrock and learned to experience the redeeming presence of God in his life. Dr. Aten has a natural exuberance that shines through his writing. Infused with his compassionate voice and humanitarian concern, *A Walking Disaster* is ultimately an inspirational story about the power of the

human spirit to endure trauma with courage.

Lessons in Belonging from a Church-Going Commitment Phobe

- Erin S. Lane

2014-12-30

Why bother with a church? An unthinkable question just a generation ago, this is now the first theological hurdle not just for millennials but for people of faith from all sectors. Erin Lane mines her own complicated relationship with the church to give fresh insight into the complexities and possibilities of a shared faith.

Colliding With Destiny - Sarah Jakes

2014-08-26
Find a fuller, richer life by letting God direct your destiny. The story of Ruth is a journey of transformation. By allowing God to transform her circumstances, Ruth went from a widow who would be excluded from society to a wife with a secure and protected future, a future that ultimately paved the way for the birth of King David! Her story is full of collision--loss, heartache, poverty, even shame--but she never let her past define her.

Instead, the most painful time of her life became her most pivotal, propelling her to a destiny she never imagined. Perhaps you have a past you're struggling to overcome. If disappointments, whether a result of your own choices or the actions of others, have kept you from being your true self, this book is for you. Follow Ruth's life and discover the hope available to each of us. Your yesterday does not have to dictate your tomorrow. Despite your past pain, you, too, can find redemption and restoration.

My Beautiful Disaster - Derek Amato 2013-11-15

Derek Amato's reflections in *My Beautiful Disaster* provide rare insight into what people with extraordinary gifts see, think, feel and do; pose questions about the potential to tap into previously undetected abilities and spotlight the 'silent epidemic' of head trauma. His experiences also make vivid some the challenges faced by those living with autism and other neurological disorders

and hint at the possibility we all have more in common than we think. Readers enchanted by autistic savant, Daniel Tammet's eloquent *Born On A Blue Day*, will welcome another multi-layered, first person account of what is to live with a remarkable condition.

Uniquely, having spent his life as a neurotypical Amato's tale relates the before and after of 'the gift'; his voice at times resonating with incredulity at what has happened and what the eventual cost may be.

The Bright Side of Disaster - Katherine Center 2007-06-26

A new mother must adjust to a life she never asked for—and learns that sometimes the worst thing that can happen is exactly what you've been waiting for—in this spirited novel from the New York Times bestselling author of *How to Walk Away* and *Things You Save in a Fire* “Charming . . . cleverly told and uncommonly appealing.”—People Very pregnant and not quite married, Jenny Harris doesn't mind that she and her live-in fiancé, Dean, accidentally

started their family a little earlier than planned. But Dean is acting distant, and the night he runs out for cigarettes and doesn't come back, he demotes himself from future husband to sperm donor. And the very next day, Jenny goes into labor. In the months that follow, Jenny plunges into a life she never anticipated: single motherhood. At least with the sleep deprivation, sore boobs, and fits of crying (both hers and the baby's), there's not much time to dwell on her broken heart. Then things start looking up: Jenny learns how to do everything one-handed, makes friends in a mommy group, and even gets to know a handsome, helpful neighbor. But Dean is never far from Jenny's thoughts or, it turns out, her doorstep, and in the end she must choose between the old life she thought she wanted and the new life she's been lucky to find.

Making Marriage Beautiful -

Dorothy Littell Greco

2017-01-01

What makes a marriage beautiful? Honesty?

Compatibility? Physical and emotional intimacy? All of these are important, but there's one component that determines the quality and longevity of a marriage more than anything else: a willingness to grow. Because a wedding joins together two imperfect people, all couples experience disappointment, conflict, and pain. How husbands and wives respond to these challenges determines the kind of people they will become and the kind of marriage they will have. Making Marriage Beautiful reveals how the pursuit of Christ results in profound transformation for both the individual and the marriage. Rather than offering clichés and formulas, Greco relies on candor, humor, and real life stories to bring encouragement and wisdom to all couples, regardless of whether they have been married four weeks or forty years.

Finding Holy in the Suburbs - Ashley Hales 2018-10-23

More than half of Americans live in the suburbs. Yet for many Christians, the suburbs are ignored, demeaned, or seen as a selfish cop-out from a faithful Christian life. What

does it look like to live a full Christian life in the suburbs? Ashley Hales invites you to look deeply into your soul as a suburbanite and discover what it means to live holy there.

The Way Up Is Down - Marlena Graves 2020-07-14

For writer, professor, and activist Marlena Graves, formation and justice always intertwine on the path to a balanced life of both action and contemplation. Drawing on the rich traditions of Eastern and Western Christian saints, she describes the process of emptying herself that allows her to move upward toward God and become the true self that God calls her to.

Beautiful Disaster - Jamie McGuire 2012-07-12

A New York Times and USA TODAY bestseller about a good girl dangerously drawn to the ultimate bad boy. The new Abby Abernathy is a good girl. She doesn't drink or swear, and she has the appropriate number of cardigans in her wardrobe. Abby believes she has enough distance from the darkness of her past, but when

she arrives at college with her best friend, her path to a new beginning is quickly challenged by Eastern University's Walking One-Night Stand.

Travis Maddox, lean, cut, and covered in tattoos, is exactly what Abby wants—and needs—to avoid. He spends his nights winning money in a floating fight ring, and his days as the ultimate college campus charmer. Intrigued by Abby's resistance to his appeal, Travis tricks her into his daily life with a simple bet. If he loses, he must remain abstinent for a month. If Abby loses, she must live in Travis's apartment for the same amount of time.

Either way, Travis has no idea that he has met his match.

Finding Hope - Emilia Finn 2019-01-09

When a man hits rock bottom, he only has two choices. Professional fighter and undisputed champion of the world, twenty-five-year-old Jack Reilly is back for the final instalment of the Rollin On series. Like many love stories, boy meets girl. Girl grudgingly agrees to a date. Boy sits

through cringeworthy sex talk. Boy and girl live happily ever after. For Jack, those were the good old days when life was simple and his biggest hurdle was finding time to study when he'd rather train at his brother's gym or hang out with his girlfriend. Now Jack's a man, and Steph is more than a freckle faced teen silenced by shyness. With championship titles to win and endorsement deals to fulfil, this power couple have their whole lives laid out ahead of them. And it looks so promising. Until... Because there's always an until. There's only so much pain a man can take in one lifetime. In one single day, a chain reaction set off by another man brings Jack's end hurtling down on the whole family. A man at the bottom has only two choices; he can stay down and tap out, or he can get up and come out swinging. Finding Hope is the long awaited and eagerly anticipated final chapter of the Rollin On Series. The boy we met five books ago is finally a man.

God Hears Her - 2017-08-30

You need to know that God hears you. The story of Hannah in 1 Samuel tells of one woman's personal heartache and trust in the One who could fulfill her desires. She poured her heart out to God, and He heard her. The Our Daily Bread devotionals selected for this collection reassure you that God is with you, God is for you, and God hears you. The personal stories, Scripture passages, and inspirational quotes lift you up and remind you that God is bigger than the trials you face.

Hope in the Dark - Rebecca Solnit 2016-05-14

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind

them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. “One of the best books of the 21st century.” —The Guardian “No writer has better understood the mix of fear and possibility,

peril and exuberance that’s marked this new millennium.” —Bill McKibben, New York Times—bestselling author of *Falter* “An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways.” —The New Yorker
Walking Disaster - Jamie McGuire 2013-04-02
Set in the same time-frame as *Beautiful Disaster*, now we hear the story from Travis' point of view. Travis lost his mother at a very young age, but before she died she taught him two important rules... Love hard. Fight harder. Growing up in a family of men who like to gamble and fight, Travis Maddox is a tough guy. Known for his bad reputation with women, and feared for his incredible fighting skills, all the boys want to be him, and the girls simply want him... Abby Abernathy is the first girl to treat him the way he feels he should be treated, with dislike and disinterest. It is her lack of interest that sparks his determination to win her

round. Will the invincible Travis 'Mad Dog' Maddox be defeated by a girl?

The Color of Life - Cara Meredith 2019-02-05

In this spiritual memoir, a white woman in an interracial marriage and mixed-race family paints a beautiful path from white privilege toward racial healing, from ignorance toward seeing the image of God in everyone she meets. Author and speaker Cara Meredith grew up in a colorless world. From childhood, she didn't think issues of race had anything to do with her, and she was ignorant of many of the racial realities (including individual and systemic racism) in America today. A colorblind rhetoric had been stamped across her education, world view, and Christian theology. Then as an adult, Cara's life took on new, colorful hues. She realized that white people in her generation, seeking to move beyond ancestral racism, had swung so far in believing a colorblind rhetoric that they tried to act as if they didn't see

race at all. When Cara met and fell in love with the son of black icon, James Meredith, the power of love helped her see color. She began to notice the shades of life already present in the world around her, while also learning to listen in new ways to black voices of the past. After she married and their little family grew to include two mixed-race sons, Cara knew she would never see the world through a colorless lens again. Cara Meredith's journey will serve as an invitation into conversations of justice, race, and privilege, asking key questions, such as: What does it mean to navigate ongoing and desperately needed conversations of race and justice? What does it mean for white people to listen and learn from the realities our black and brown brothers and sisters face every day? What does it mean to teach the next generation a theology of justice, reconciliation, and love? What does it mean to dig into the stories of our past, both historically and theologically, to see the imago

Dei in everyone? Plus, Cara offers an extensive Notes and Recommended Reading section at the end of the book, so you can continue learning, listening, and engaging in this important conversation.

White Picket Fences - Amy Julia Becker 2018-10-02

A Gentle Invitation into the Challenging Topic of Privilege
The notion that some might have it better than others, for no good reason, offends our sensibilities. Yet, until we talk about privilege, we'll never fully understand it or find our way forward. Amy Julia Becker welcomes us into her life, from the charm of her privileged southern childhood to her adult experience in the northeast, and the denials she has faced as the mother of a child with special needs. She shows how a

life behind a white picket fence can restrict even as it protects, and how it can prevent us from loving our neighbors well.

White Picket Fences invites us to respond to privilege with generosity, humility, and hope. It opens us to questions we are afraid to ask, so that we can walk further from fear and closer to love, in all its fragile and mysterious possibilities.

Overcomer - Aubrey Gayel Sampson 2015-10-06

Christian women have allowed shame to condemn and confine them for far too long. If you're ready to turn things around, Aubrey Sampson—a pastor's wife, and an advocate for at-risk women—invites you to become an unashamed woman. Using the model of a house, "Sampson identifies eight major lies of shame such as: I'll have more value when I

change; I cannot experience freedom from shame; My past is unsalvageable; and Shame is only traumatic. Written with a strong biblical theology and humorous authenticity, as well as true-life stories shared by women of all ages, Sampson equips readers with tools for an ongoing spiritual discipline of "shamelessness." Sampson deals directly with the shame that comes from comical moments in life, as well as from sexual abuse, eating disorders, addiction, abandonment, and other real-life issues. She also encourages women to transform their life's story into ministry, creating ripple effects of hope and healing that can change the world. Written for any woman whose self-worth has been stolen, *Overcomer* gives her the courage, in Jesus, to reclaim it.
