Hell - Jim Harwell 2017-02
Hell is a real, actual place, with horrors beyond description. In hell, lost humans endure eternal fire, torment, and unimaginable suffering, forever. Based on more than 20 years of research, "Hell: 13 Testimonies" is among the most descriptive books about hell ever published. The more than 150 pages include: 13 testimonies from people who have been to hell, describing in detail hell and its horrors; the first ever detailed diagram of hell and its chambers; every Bible verse about hell; truths and revelations from Jesus Christ about hell; and much more. Anyone who dies without knowing Jesus Christ as Lord and Savior goes to hell, forever, with no way out. Hell is a place of eternal death. To avoid hell, a person must repent and follow Jesus Christ

while alive on earth. Hell was prepared for the devil and his angels - not for man. But Satan deceives many into following him to hell. In hell, humans' have all their senses, which are a lot stronger there. Hell is currently in the center of the earth. At the end times, hell will be thrown into the lake of fire, along with anyone not written in the Lamb's Book of Life (Revelation 20:15).

Repent, for the presence of Jesus Christ is here, and believe the gospel, the great news of Jesus Christ. Receive Jesus Christ as your personal Lord and Savior, spend eternity in heaven and avoid hell.

A Stranger in the House of God
- John Koessler 2009-08-30

Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outside wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary Pilgrim's Progress, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous

window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith
A Divine Revelation of Satan's Deceptions - Mary K. Baxter
2015-06-15

In 1976, Jesus took Mary K. Baxter on a spiritual journey for thirty nights to witness the torments of hell, charging her to reveal the terrible reality of God's judgment and to relate the urgent message of salvation through Jesus Christ. Mary wrote about her journey to hell in her best-selling book *A Divine Revelation of Hell*, which has sold more than 1.3 million copies. After those thirty nights, Jesus told Mary, "I will close up your mind, and you will not remember some of the things I have shown and told you. But I will reopen your mind and bring back your understanding in the latter days. Then I will open up your remembrance...." Recently, God has brought back to Mary's remembrance many of those experiences because these revelations are particularly for our day. A

Divine Revelation of Satan's Deceptions contains new images of hell that Mary has not related in her other books, as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers. God has given His people anointings, gifts, and resources to build His kingdom that Satan has stolen and is holding captive in hell. This book reveals how we can use various "keys to the kingdom" to restore these blessings and to destroy the powers of darkness. Our choice is between allowing Satan to deceive and rob us—or claiming our spiritual inheritance and conquering the enemy in the power of God.

Not only does this account take you on a journey through the gates of glory, it answers some of the questions long asked by many about our eternal destination. I have personally read and re-read this account in light of what the Lord is revealing to many of us in this hour and find that Brother Oden was a forerunner for many of us. His words and experiences have been repeated through many others who have had similar experiences. The Lord is truly

trying to encourage this generation with the reality that awaits all of us - Heaven, our eternal destiny. Bruce Allen For those unsure of the existence of Heaven, Oden Hetrick's detailed account of his visits to the place we all long for serves as a true doubt-demolisher and faith-injector. The fact that Oden led an exemplary righteous, Christian life lends further credence to his written testimony. It was my honor both to have known him as a friend and to have been inspired by his great faith. Steve Jones Extra Mile Ministries www.extramileministries.net The Hetrick family is very special to me. They adopted me into their family like a daughter and sister, and have blessed me in many ways. Dad Hetrick was a genuine man of God with a gentle spirit. I trust you will be blessed and edified by what the Lord has revealed to him. I look forward to experiencing the exciting glories of Heaven soon that he has left on record for our encouragement and instruction. Arlene A. Cober

40 Days in Heaven - Elwood Scott 2010-04-23

The amazing and inspiring true testimony of Seneca Sodi's actual visitation to heaven including touring Paradise, the vastness of the Holy City of New Jerusalem and visiting God's Throne for a celebratory praise service attended by millions of saints and angels. The most memorable events in this testimony undoubtedly begin with the family reunions Seneca has with close relatives, such as his grandfather, mother, wife and daughter who died while still an infant of only a few months of age, but who grew up into adulthood in heaven, having been raised by angels, saints and family members who had already made the great journey

to Heaven themselves. There is also the lasting impression of utter peace and security, the heavenly atmosphere free from strife, sickness, fear and death, the heavenly society of mankind united into one large extended family shared by death bed conversions, innocent children from every nation who died of war, sickness or other tragedy, and saints of renown. For some the highlight may be Seneca's chance to discuss theology with Abraham, Moses, Isaiah, Paul and many others--for others still it could be the overwhelmingly glorious visit to the Throne of God. It's been 100 years since this testimony first came to light, and far from proving to be an isolated story, such heavenly experiences are becoming more and more common. Some more recent testimonies which do much to support this one include H. A. Baker's *Visions Beyond the Veil*, Mary K. Baxter's visitations to both Heaven as well as Hell, Anna Rountree's *The Heavens Opens*, and *The Priestly Bride*, and many

others. Heaven is real, and this story will impart hope, strengthen your faith, and is sure to become a spiritual classic.
