One-Year Art Journal - Liliana Pérez 2021-11
Unleash your inner artist with a year's worth of creative inspiration Art journaling isn't about achieving perfection but about taking time every day to create something that comes from your heart. The One-Year Art Journal is filled with 365 fun and inspiring prompts that help you relieve stress, gain self-awareness, and express your creativity in new ways--no matter your skill level. Engaging exercises--Explore your artistic side with prompts for doodling, coloring, drawing, writing, and other forms of creative expression. No special tools necessary--Most of these prompts require pencil, pen, crayons, or very occasionally paint, but you can use other mediums if you don't have those on hand or feel inspired to try something new. A focus on mindfulness--Discover how enjoying the creative

process can help you relax instead of stress over the outcome. Unwind and improve your artistic skills with help from this soothing guided journal.

The Daily Stoic - Ryan Holiday 2016-10-18
From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366

days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for

change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think

about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

My Year of Nature - 2021-06

In this activity book, readers are invited on a year-long creative adventure. Inside, readers will find 365 drawing and writing activities. All of the exercises are centered around the natural world, and use nature as a springboard and inspiration for creativity. Readers can reinvent the rainbow, draw a portrait of their favorite insect, create their own constellation, become a texture detective, and much more. The straightforward approach helps children fire up their imaginations, as well as hone their drawing, writing, and observation skills. And not only can readers unleash their creativity, they can also learn about the natural world as they go, with bite-sized facts about plants, animals, weather, lifecycles, and habitats worked seamlessly into the activities. When they've completed the book, children will have a deeper appreciation for

nature, plenty of creative confidence, and a one-of-a-kind souvenir of their 365 days.

Kansas City Lightning - Stanley Crouch

2013-09-24

"A tour de force. . . . Crouch has given us a bone-deep understanding of Parker's music and the world that produced it. In his pages, Bird still lives." — Washington Post A stunning portrait of Charlie Parker, one of the most talented and influential musicians of the twentieth century, from Stanley Crouch, one of the foremost authorities on jazz and culture in America. Throughout his life, Charlie Parker personified the tortured American artist: a revolutionary performer who used his alto saxophone to create a new music known as bebop even as he wrestled with a drug addiction that would lead to his death at the age of thirty-four. Drawing on interviews with peers, collaborators, and family members, Stanley Crouch recreates Parker's Depression-era childhood; his early days navigating the Kansas City nightlife, inspired by

lions like Lester Young and Count Basie; and on to New York, where he began to transcend the music he had mastered. Crouch reveals an ambitious young man torn between music and drugs, between his domineering mother and his impressionable young wife, whose teenage romance with Charlie lies at the bittersweet heart of this story. With the wisdom of a jazz scholar, the cultural insights of an acclaimed social critic, and the narrative skill of a literary novelist, Stanley Crouch illuminates this American master as never before.
