Demon Summoning - Jay Twill 2014-09-04
Have you ever wanted something so bad that you would do almost anything? Demon summoning may help make your dreams a reality.

A Witch's Craft Volume 1: Dictionary for a Witch's Grimoire - Viktorija Briggs

Witchcraft, Demonology and Magic - Marina Montesano 2020-05-20

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic

features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories, investigating a plurality of causes.

The Ravenmoon Grimoire - Cindy Ravenmoon
2015-08-04

This book is a small part of my greater Grimoire. It covers my Sorcery workings and some of my techniques that I've used and developed over the last 20 years. This book is a primer, an essay to what I teach online. This is NOT a complete manual. Those who wish to learn more may become one of my students. For those wanting to contact me, my contact info is in the book.

[The Galdrabók](#) - Stephen E. Flowers 1989

THE GALDRABOK, or Book of Magic, is the most important single document for understanding the practice of magic in late medieval Iceland. In this translation, the author discusses books of the black art, old gods, daemons of hell, runes and magical signs, theory and practice of magic.

Sinister Forces—The Nine - Peter Levenda

2011-05-16

The roots of coincidence and conspiracy in American politics, crime, and culture are examined in this book, exposing new connections between religion, political conspiracy, and occultism. Readers are taken from ancient American civilization and the mysterious mound builder culture to the Salem witch trials, the birth of Mormonism during a ritual of ceremonial magic by Joseph Smith, Jr., and Operations Paperclip and Bluebird. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating details are revealed, including the bizarre world of

"wandering bishops" who appear throughout the Kennedy assassinations; a CIA mind control program run amok in the United States and Canada; a famous American spiritual leader who had ties to Lee Harvey Oswald in the weeks and months leading up to the assassination of President Kennedy; and the "Manson secret."

Practical Black Magic - Sophia diGregorio

2013-07-13

Do you feel that fortune is not your favor? Do you have a need for powerful protection from your enemies? Do you long for more control over your own destiny? Those who have had the good luck of being born to privilege expect and usually receive leniency, justice and opportunity. They are surrounded by the protection of their wealthy families and powerful friends. For everyone else, black magic is the means to obtain power and protection and to open the door to opportunities. It's the way to get control over every aspect of your life in an out-of-control, imbalanced world, to obtain justice

when it is lacking and to turn life-long bad luck into good fortune. "Practical Black Magic: How to Hex and Curse Your Enemies" explains how witchcraft powers are obtained and cultivated and gives instructions for attacking enemies and advancing your personal interests while protecting yourself from harm. The final chapter gives specific spells and rituals for cursing and hexing your enemies.

The New Encyclopedia of the Occult - John Michael Greer 2003

"Written by a practitioner of various Western occult traditions -- the author has a background in druidism, freemasonry, cabala, Louisiana hoodoo, and is a certified tarot grandmaster -- this is an authoritative and engaging reference on the occult. Cross-references lead to relevant entries, and sources for further reading are often suggested (a bibliography of these sources is included at the end of the volume). Extensively researched yet concise, this encyclopedia will provide a wide range of users with information

on both occult history and current practice."-- "Reference that rocks," American Libraries, May 2005.

Grimoire for the Apprentice Wizard - Oberon Zell-Ravenheart 2004-02-04

With contributions and additional material from Raymond Buckland, Raven Grimassi, Patricia Telesco, Morning Glory Zell-Ravenheart, and other illustrious members of The Grey Council, here is the book Merlin would have given a young Arthur...if only it had existed. This essential handbook contains everything an aspiring Wizard needs to know. It is profusely illustrated with original art by Oberon and friends, as well as many woodcuts from medieval and alchemical manuscripts—plus charts, tables, and diagrams. It also contains: Biographies of famous Wizards in history and legend; Descriptions of magickal tools and regalia (with full instructions for making them); spells and workings for a better life; rites and rituals for special occasions; a bestiary of mythical

creatures; systems of divination; the Laws of Magick; myths and stories of gods and heroes; lore and legends of the stars and constellations; instructions for performing amazing illusions, special effects, and many other wonders of the magickal multiverse. To those who study the occult, in particular, Witchcraft, the name of Oberon Zell-Ravenheart is internationally-known and respected. He is a genuine Wizard, and he has written this book for any person wishing to become one. Perhaps, as some have written, Oberon Zell-Ravenheart is the real Albus Dumbledore to aspiring Harry Potters! In addition to his own writings in this collection, he also presents other writers who add some highly thoughtful insights. Such as Raymond Buckland, among others. The illustrations and photographs which accompany the text are among the finest found anywhere, and are a helpful boon to those wanting to see what they are reading about. Biographies of many famous Wizards of history and legend appear in the book. Detailed

descriptions of magickal tools with information for making them appears in this book. Additional information includes rites and rituals for special occasions, a bestiary of mythical creatures, a detailed and educational discussion on the laws of magick, myths, and lore of the stars and constellations. This book is full of instructions! As a handbook and guide for becoming a Wizard, this is as near perfect and honest a book as one will find today. New Page Books has done a great service to the paranormal and occult community readers by publishing this worthwhile reference book. Oberon Zell-Ravenheart has written a classic on Wizardry. This is his masterpiece. One of the American pioneers of Paganism in the United States, his lifetime of learning and information is shared with readers from all walks of life. He started in 1968 with the publication of his award-winning journal, Green Egg, and is often considered by readers as one of their favorite Pagan writers. The lessons in this fine book are accurate,

honest, and entertaining. If you want to become a Wizard, this is the book to start with, and learn from. This Grimoire is must-have reading for readers interested in true magick. The information given on ghosts will hold the reader spellbound, as will all information in this reference book!

Magical Use of Thought Forms - Dolores Ashcroft-Nowicki 2001

In this comprehensive reference manual, two leading occult researchers present step-by-step instructions, some never before in print, for developing the most basic and essential skills for magical practitioners of any tradition--creating thought forms through astral manipulation. *Magical Use of Thought Forms* includes sections on the structure of reality and on new visualization techniques to build correct astral images for highly potent magical work, from creating a Familiar or Guardian to building a Memory Palace, Also revealed in this extraordinary guide: The occult art of

observation How to build up desire as fuel for a potent astral engine The three-point location of occult power in the physical brain The creation of advanced astral structures including Godforms and angelics, audial images, and astral landscapes The most spectacular aspect of this book is the instruction given for the performance of the legendary alchemical experiment: the creation of the homunculus, an animated form that can last up to several hours.

Keeper - Kim Chance 2018-01-30

When Lainey Styles, an SAT whiz and bookworm, discovers she's a Keeper—a witch with the exclusive ability to wield a powerful spell book that has been stolen by a malevolent wizard—she is forced to leave her life of college prep and studying behind to prepare for the biggest test of all: stealing back the book.

The Diviners - Rick Moody 2007-09-03

During one month in the autumn of election year 2000, scores of movie-business strivers are focused on one goal: getting a piece of an

elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls; a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and more; a word man who coined the phrase -- inspired by a true story; and a supreme court justice who wants to write the script. A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real

emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. The Diviners is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.

What's Next After Wicca? - Sophia diGregorio
2019-02-24

Wicca is the most accessible and acceptable form of witchcraft in existence in English-speaking countries today. It can be a doorway to the the riches of the occult or a trap for the mind and spirit, depending on how it is approached and the knowledge with which this is done. In "What's Next After Wicca?" the author answers the question she often heard from her metaphysical bookstore customers who had studied Wicca, but felt dissatisfied with it and wanted to learn more about the subject of witchcraft, in general: "What else is there?" This

book represents the opinion of the author after 25 years of experience in the occult and several years of owning a store that was, also, a networking center for neo-pagan groups. It is written in an informative, yet conversational style, just as she would speak to friends and customers who would ask for her opinions about witchcraft and the occult. It includes a discussion on the origins and the present state of Wicca, other alternative religions and philosophies including Satanism, Luciferianism, Germanic Occultism, Gnosticism and traditional witchcraft. Throughout are recommendations for other courses of occult studies, including a categorized bibliography. Note: This is not a spell book or a manual on how to do witchcraft.

The Voynich Manuscript - M. E. D'Imperio 1978
In spite of all the papers that others have written about the manuscript, there is no complete survey of all the approaches, ideas, background information and analytic studies that have accumulated over the nearly fifty-five years since

the manuscript was discovered by Wilfrid M. Voynich in 1912. This report pulls together all the information the author could obtain from all the sources she has examined, and to present it in an orderly fashion. The resulting survey will provide a firm basis upon which other students may build their work, whether they seek to decipher the text or simply to learn more about the problem.

Nocturnal Witchcraft - Konstantinos 2002

Embrace the shadows and explore the dark side of magick.

Dark Enlightenment - Kennet Granholm
2014-07-03

In *Dark Enlightenment* Kennet Granholm provides a detailed look at the Left-Hand Path magic order Dragon Rouge in particular and explores the contexts of contemporary esoteric magic in general.

Buckland's Complete Book of Witchcraft -
Raymond Buckland 1986

"This complete self-study course in modern

Wicca is a treasured classic - an essential and trusted guide that belongs in every witch's library."---Back cover

Paganism - Mari Silva 2021-04-03

Grab your copy of this book right now!

The Neuronomicon - Nathaniel J Harris
2019-07-29

What they have said: "This has to be the definitive book on the occult." - Pat Mills, originator of 2000AD, "Excellent." - Ray Sherwin,

originator of Chaos magic".. On a par with some of Aleister Crowley's works. And I do not say that lightly." - Michael (Mick) Norris, illustrator of Liber Null & Psychonaut"Nathaniel is a modern master." - (Sifu) Julian Wilde, Buddhist sorcerer."The big dog's bollocks." - Baba Dirt, Makaya sorcerer."An education." - Valerie Sinason, Tavistock Institute

Enchantment - Peter Paddon 2013-01

Traditionally, the Witch's arsenal of magical power has always included the ability to influence others from a distance, blessing, cursing and placing a glamour or the Evil Eye on someone in order to reward, punish or control them in some way. Many of these techniques have been lost, though we can see their descendants in the techniques of mesmerism, faith healing and stage hypnotism. As part of his exploration of Visceral Magick, Author and Witch Peter Paddon has rediscovered techniques and exercises that enable the practitioner to use gestures, gaze and energy connections to

influence others from across a room, or in some cases around the world. In this book, Peter describes the underlying theories and philosophies (drawing on the mysteries of Ancient Egypt, Pre-Christian Celtic Wales and medieval Christian Mysticism), and lays out a series of techniques and the exercises that develop the required skills to use them, on order to heal, curse, entrance, bless, and create illusions and other subtle influences in others to manipulate their thoughts and actions. He includes a discussion of the ethical ramifications of these techniques, as well as practical applications in ritual, spell-crafting and daily life. Whether it is the "Evil Eye," "Jedi mind-tricks" or "defense against the Dark Arts," these techniques have been the mainstay of myth, legend and fantasy for millenia, but their place in our worldview stems from real magical tools wielded by our ancestors. "Too often, the modern witchcraft movement has focused its attention on being an "acceptable" practice in a

modern world. It has often sacrificed much of its unique contributions upon the altar of religion. Albeit, this aspect of our resurgence heeded a deep call and the initial sacrifice had wisdom and purpose. But as they say "how many stripes can a zebra lose before it is no longer a zebra?" In the case of the Craft, witches do witchcraft, and magic is at the heart of our soul; and we must return our "stripes." It is time for witches to be witches... and enchantment is one of the major stripes on the metaphorical zebra of witchery. Thank you Peter for bringing all of us to that state of spirit that wields the power of change through the arts of enchantment. This practice helps to give us back one of our most legendary attributes. My advice is that readers of this book apply the lore and techniques offered. It invites witches to wield the power of change upon self, the world and our universe. Now let's cast enchantment for a better life and a better world. It all starts in the mirror." Orion Foxwood Author of "The Candle and the

Crossroads" 2012 Red Wheel Weiser
"Introduction to Southern Conjure" DVD 2009
Pendraig Publishing
The Invention of Satanism - Asbjørn Dyrendal
2015

"Three experts explore Satanism as a contemporary movement that is in continuous dialogue with popular culture, and which provides a breeding ground for other new religious movements."--Jacket.

Letters from the Devil's Forest - Robin Artisson 2014-08-23

Concerning "Letters from the Devil's Forest: An Anthology of Writings on Traditional Witchcraft, Spiritual Ecology, and Provenance Traditionalism," the latest published work by Robin Artisson, occultist & writer of some renown. IN THIS latest work, witch, metaphysician, and traditionalist Robin Artisson presents an in-depth and darksome interior vision of many dimensions of the old and nearly forgotten Art of true Witchcraft. "Letters from

the Devil's Forest" is a lengthy anthology of Artisson's writings regarding every topic of essence and interest to the student or researcher of the half-remembered occult practices of "spirit-pacting" and spirit-allegiance: the timeless root-practices that underlie the genuine sorcerous traditions of the West. Over 130 chapters, representing public and private writings done by Artisson in the last five years, but drawing on over 20 years of his own practice and in-depth researches, are brought together into one informative tome, to better serve the needs of the modern mystic or malcontent in search of a roadmap to the hidden angles of life's most seductive mystery: the mystery of sorcery, and the parallel mystery of spiritual ecology. The generous amounts of material housed in this encyclopedia of lore comes divided into nine major portions, including a detailed treatment of the lost occult anthropology- the very oldest human beliefs on death, the soul, and dying- and what these

beliefs can mean for us alive today; many ethical, practical, and instructional essays on various forms of sorcerous art, focusing on material long pre-dating the modern occult emergence; essays on the strange themes and practices of the "Hidden Seasons" or the Witch-sabbats; in-depth daimonological ponderings and writings on the "Master Entity" himself, the Witchfather who stands behind genuine covenants of Witchcraft and the Master-Spirits who share our world and act as tutelary spirits to Witch-kind; scathing criticisms of the lies and falsehoods of modernity and insightful essays offering soul-satisfying alternatives to unquestioned faith in modern myths; sharp philosophical countering and criticism of the mainstream religions that have besmirched the world with their hatreds and absolutisms for centuries, and continue to torment the world today; foundational essays concerning "Provenance Traditionalism" or the secret tradition that emerges from the origins of

Western culture and whose metaphysics and insights are still to be discovered encoded in folklore and mythology. Also included is a potent selection of folktales and traditional stories, some original but most from deep in the folk-tradition, analyzed and elucidated to reveal the potent "soul-deep" codes that can transform men and women into wiser, more cunning people as they undergo their fateful journeys through this world. "Letters from the Devil's Forest" is a true treasury of the Hidden and Despised Art; it contains, in over 700 pages, almost ceaseless "Art-teaching" material, sorcerous maxims, gems of practice, some quite old invocations, poems, channeled writings, warnings, ethical and moral ponderings with regard to the sorcerous arts and to living outside of the mainstream of the modern and greedy spirit, inspirational quotes from past and present masters, wrapped together with Artisson's own sometimes sparkling, sometimes questionable brand of humor and wit, and crowned with original art

flourishes and atmospheric ornamentation by Stephanie Houser.

Lucifer and The Hidden Demons - Theodore Rose
2018-10-17

Where there was effort, there will be ease.
Where there was fear, there will be control. Where there was lack, there will be wealth. If you fear evil, know that there is no evil in this grimoire other than the evil that you bring. Be at ease with your desires, and you will not falter. The practical magick in this book gives you powers that include influence and control, with magick for money, sex, passion, and seduction. There are powers of persuasion, charm, and trust, alongside those for healing, guidance, wisdom, and peace. The demons enable you to solve legal problems, finding justice and improving your willpower. You will discover protection, bindings, and ways to improve personal skills and creativity. For those who seek greater control, there is a sequence of corruption and cursing rituals and methods for

causing disease and mental suffering. Other powers create illusion or concealment and even manipulate time and reality itself. Working with demons is safe when you accept that the demons do not need to be restrained or controlled. A demon wants to fulfill its destiny by helping you obtain what you desire. When you get what you want, that is what the demon wants. This is the true harmony of magick. When you are clear about your desire, there is no risk in surrendering to the power of this magick. You are not selling your soul or making a pact with the devil, but connecting to a legion of consciousness that rewards desire, choice, and determination. Working as The Order of The Unveiled Faces we have performed magick with the powers of Lucifer and The Hidden Demons since 1955. Our intention is to clarify the mysteries and dispel the myths. For those who seek magick, we swear an oath to provide you only with the methods that we know to be true. This is not another book about the demons of

Goetia, but one that reveals the Legion of Lucifer. There are more than 100 demons in this book, and most are unknown outside of the secret orders. We reveal the full details of our source materials so you can see how these demons were hidden, and how they were found. You will have the ability to work with hundreds of unique powers. Open your mind, and you will be granted the power to shape, guide, and transform your reality.

Sounds of Infinity - Lee Morgan 2019-08-05
This story about faerie began as a vision. In his newest work, Lee Morgan follows a cacophony of visions with sharp, bright edges to them that have lain claim to his heart and hands. In what is clearly a work of the heart, Lee bypasses rational intellect guiding the reader to experience the touch, scent and feel of the Faerie Faith through symbol and suggestion. Sounds of Infinity is divided into three parts, the work of the Head, the work of the Heart and the work of the Hands. The second is a work of

occult fiction that meditates upon the themes discussed in Part One in the form of a woven narrative. The final part is a practical grimoire that leads the reader through the door to physically manifests the vision they have shared in parts one and two. This is not just a book, but an experience, one which culminates not at the end of reading the volume but in the consummation known in the art of ritual.

The Lesser Key of Solomon - Aleister Crowley
2022-01-04

The Lesser Key of Solomon, also known as Lemegeton Clavicula Salomonis or simply Lemegeton, is an anonymous grimoire on demonology. It was compiled in the mid-17th century, mostly from materials a couple of centuries older. It is divided into five books—the Ars Goetia, Ars Theurgia-Goetia, Ars Paulina, Ars Almadel, and Ars Notoria. This edition was translated by Samuel Liddell MacGregor Mathers and published by Aleister Crowley under the title *The Book of the Goetia* of

Solomon the King. Crowley added some additional invocations previously unrelated to the original work, as well as essays describing the rituals as psychological exploration instead of demon summoning.

The Book of Solomon's Magick - Carroll Runyon
1996-09-01

The Devil's Notebook - Anton Szandor LaVey
2000-04-01

Wisdom, humor, and dark observations by the founder of the Church of Satan. LaVey ponders such topics as nonconformity, occult faddism, erotic politics, the "Goodguy badge," demoralization and the construction of artificial human companions.

The Book of Ceremonial Magic - Arthur Edward Waite 1961

THE ordinary fields of psychological inquiry, largely in possession of the pathologist, are fringed by a borderland of occult and dubious experiment into which pathologists may

occasionally venture, but it is left for the most part to unchartered explorers. Beyond these fields and this borderland there lies the legendary wonder-world of Theurgy, so called, of Magic and Sorcery, a world of fascination or terror, as the mind which regards it is tempered, but in either case the antithesis of admitted possibility. There all paradoxes seem to obtain actually, contradictions coexist logically, the effect is greater than the cause and the shadow more than the substance. Therein the visible melts into the unseen, the invisible is manifested openly, motion from place to place is accomplished without traversing the intervening distance, matter passes through matter. There two straight lines may enclose a space; space has a fourth dimension, and untrodden fields beyond it; without metaphor and without evasion, the circle is mathematically squared. There life is prolonged, youth renewed, physical immortality secured. There earth becomes gold, and gold earth. There words and wishes possess

creative power, thoughts are things, desire realises its object. There, also, the dead live and the hierarchies of extra-mundane intelligence are within easy communication, and become ministers or tormentors, guides or destroyers, of man. There the Law of Continuity is suspended by the interference of the higher Law of Fantasia. But, unhappily, this domain of enchantment is in all respects comparable to the gold of Faerie, which is presumably its medium of exchange. It cannot withstand daylight, the test of the human eye, or the scale of reason. When these are applied, its paradox becomes an anticlimax, its antithesis ludicrous; its contradictions are without genius; its mathematical marvels end in a verbal quibble; its elixirs fail even as purges; its transmutations do not need exposure at the assayer's hands; its marvel-working words prove barbarous mutilations of dead languages, and are impotent from the moment that they are understood; departed friends, and even planetary

intelligences, must not be seized by the skirts, for they are apt to desert their draperies, and these are not like the mantle of Elijah.

Grimoire of Santa Muerte - Sophia DiGregorio
2013-07-13

The Grimoire of Santa Muerte is an introductory manual for devotees of Most Holy Death, the powerful folk saint of Mexico who has drawn the wrath of both the church and state. Santa Muerte has millions of devotees and the numbers are growing all over the world! To those devoted to her, she is their friend, a spiritual mother and the source of unconditional love and protection from whom all of the necessities of life flow. She is an advocate, a healer and the performer of miracles. Santa Muerte is the patron saint of those who have confronted death and lived and those who must confront deadly situations every day. She is a spirit of second chances who avenges those who are devoted to her and punishes evil-doers. She is a godmother who guides those under her care

and arranges things in much the way a benevolent and powerful living benefactor might. This book shows you how to connect with Santa Muerte and includes information about how to construct an altar for her, how to consecrate items, how to pray the Rosary of Santa Muerte and provides prayers, spells and rituals for a variety of purposes.

The Devil's Grimoire - Moribus Mortlock
2013-10-06

Have you ever felt powerless against someone who was in a position to make your life miserable? Have you ever wished you could relieve your misery through entirely secret and legal means without ever leaving the comfort of your own home? Inside this book is a powerful system of psychic attack designed to help you do this. To gain and maintain control over your life, dominate your enemies, get revenge, restore your peace of mind and prove the power of witchcraft to yourself, put the little devils in "The Devil's Grimoire" to work for you.

Low Magick - Lon Milo DuQuette 2011-09-08

Take a fascinating journey into the life of one of the most respected, sought-after, and renowned magicians alive today: Lon Milo DuQuette. In this follow-up to his popular autobiography, *My Life with the Spirits*, DuQuette tells how a friend was cursed by a well-known foreign filmmaker and how they removed that curse with a little help from Shakespeare. He explains how, as a six-year-old, he used the Law of Attraction to get a date with Linda Kaufman, the most beautiful girl in first-grade. DuQuette also reveals the ins and outs of working with demons and provides a compelling account of performing an exorcism at a private Catholic high school. As entertaining as they are informative, the true stories in this memoir contain authentic magical theory and invaluable technical information.

Sinister Forces—The Manson Secret - Peter Levenda 2011-06-01

The roots of coincidence and conspiracy in American politics, crime, and culture are

investigated in this examination of the connections between religion, political conspiracy, and occultism. Readers are presented with startling connections between Nobel Prize-winning physicist Wolfgang Pauli, Carl Jung, and synchronicity; serial killers, multiple personality disorder, and demonic possession; and magic, surrealism, and mind control. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating secrets are divulged involving Hollywood icons such as Marilyn Monroe, David Lynch, and Jane Fonda as well as links between the Cotton Club murders, the Bluegrass conspiracy, and the Son of Sam cult.

Season of the Witch - Peter Bebergal
2015-10-13

"From the hoodoo-inspired sounds of Elvis Presley to the Eastern odysseys of George Harrison, from the dark dalliances of Led Zeppelin to the Masonic imagery of today's hip-

hop scene, the occult has long breathed life into rock and hip-hop--and, indeed, esoteric and supernatural traditions are a key ingredient behind the emergence and development of rock and roll ... [and in this book] writer and critic Peter Bebergal illuminates this web of influences"--Amazon.com.

Pragmatic Magics: A Grimoire Of Modern Sorcery - Brother Moloch 2011-03-22

by Brother MOLOCH, a practitioner since 1987. Moloch's first attempt at putting forth a working grimoire. 152 pages with info on Consecrations, Recipes, Meditational Methods, Timing, Uses of Crystals & Stones, Candle Sorcery, Mental Exercises, Elemental Training, Rituals, Bibliography & 3 Appendices. 200+ Herbs listed; 40+ Individual Sorcery Techniques; 60+ Sorcery Recipes & much more! NOTICE! Before you purchase, please understand that this booklet is privately written and even though I've done all I can (aside from purchasing professional proof reading services) to ensure

there are minimal errors in grammar, spelling and punctuation, I wasn't an English major thus expect to find errors. The errors do not detract from the quality of information and hundreds of people ahead of you have purchased these books and were quite capable of making use of the information.

The Forbidden Grimoire of Harut and Marut - Egyptian Sorcerer Al-Toukhi 2010-11

Infamous Egyptian sorcerer al-Toukhi wrote more than 30 books on magick, astrology, geomancy, and spirit evocation. He compiled many power-house methods of sorcery from the archives of his manuscript collection and from the manuscripts preserved in Egyptian libraries. Harut and Marut by al-Toukhi is one of two known existing grimoires paying homage to the story of the two angels who were sent down to test the people at Babel or Babylon by performing deeds of magic. The authentic grimoire of Harut and Marut is said to possess immense supernatural power and remains lost to

this day. Contained in this book are magical techniques, incantations, and spells of the jinn worthy of the name Harut and Marut.

Backwoods Witchcraft - Jake Richards

2019-06-01

In *Backwoods Witchcraft*, Jake Richards offers up a folksy stew of family stories, lore, omens, rituals, and conjure crafts that he learned from his great-grandmother, his grandmother, and his grandfather, a Baptist minister who Jake remembers could "rid someone of a fever with an egg or stop up the blood in a wound." The witchcraft practiced in Appalachia is very much a folk magic of place, a tradition that honors the seen and unseen beings that inhabit the land as well as the soil, roots, and plant life. The materials and tools used in Appalachia witchcraft are readily available from the land. This "grounded approach" will be of keen interest to witches and conjure folk regardless of where they live. Readers will be guided in how to build relationships with the spirits and other

beings that dwell around them and how to use the materials and tools that are readily available on the land where one lives. This book also provides instructions on how to create a working space and altar and make conjure oils and powders. A wide array of tried-and-true formulas are also offered for creating wealth, protecting one from gossip, spiritual cleansing, and more.

The Occult Compendium - Tarl Warwick

2015-07-03

The Occult Compendium compiles several originally shorter works into one text. The purpose of this work, simply put, is to expound several occult philosophical musings, related to one another by virtue of their content. From a topical overview of the archetypes associated with Satan, to the applied archetypes thereof (and of the occult) to pop culture, and exploring deeper into Sumerian mythology and the psychic arts, this text is part guide and part philosophical compilation. It contains as well a short resource base for the occult; various

groups associated with magick and modern philosophy of a mystic nature, which may be helpful to those who wish to enjoin or research any of them.

The Little Work - Durgadas Allon Duriel
2020-03-08

Unite Your Everyday & Magical Lives with the Power of Inner Alchemy Make your day-to-day life as fulfilling and rewarding as your magical practice by turning everything you do into an extension of that practice. Nothing is truly mundane in this world—but if you can't pay bills on time or weather difficult relationships, how can you achieve spiritual transformation? Packed with practical tools that help improve your willpower and focused intention, *The Little Work* teaches you how to build and sustain the magical life you desire. Durgadas Allon Duriel guides you through a journey of inner alchemy to develop your mind, body, emotional resilience, and personal power. Explore meditations, affirmations, and will-development exercises.

Discover how to manage your energy, heal from painful experiences, and create a daily practice. This essential book encourages you to dance with rather than run from reality while transforming yourself into a healthier, happier, and more spiritual person.

Aleister Crowley and Western Esotericism -
Henrik Bogdan 2012-09-20

Henrik Bogdan and Martin P. Starr offer the first comprehensive examination of one of the twentieth century's most distinctive occult iconoclasts, Aleister Crowley (1875-1947), one of the most influential thinkers in contemporary western esotericism.

Buckland's Book of Spirit Communications -
Raymond Buckland 2013-12-01

The author of the bestselling "Buckland's Complete Book of Witchcraft" writes a handbook for anyone who wishes to communicate with spirits, as well as for the less adventurous who simply want to satisfy their curiosity about the subject.
