Geeks Who Drink Presents: Duh! -

Christopher D. Short 2019-09-03

100 hilarious essays, based on blindingly obvious questions, from the creators of Geeks Who Drink—led by six-time Jeopardy! champion, Christopher D. Short. The best trivia questions are usually the ones that are right on the tip of your tongue—so obvious that you may not know the answer offhand, but you should. In Duh, America's foremost masters of pub quiz, Geeks Who Drink, will take trivia lovers on a voyage through 100 of our face-palmiest questions. Along the way, we'll explore the blind hills and corners that make random knowledge so much fun. In hilarious, informative, bite-size essays, we'll explore such not-really-mysteries as: -How many stars are on the Texas state flag? -Odlaw is the nemesis of what kid book character? -What's the last word in the King James Bible? Even if

you already know the “what”—and you might not!—we’ll fill in the “why.” And the when, where, and how. By the end you may feel dumber, but you’ll be smarter. We almost guarantee it! By the way, that would be one (lone) star, Waldo, and “Amen.” Duh!

From Jesus to Christ - Paula Fredriksen

2008-10-01

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-

rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

Genesis to Jesus - Scott Hahn 2011-01
Participant Workbook Revised and reformatted!
Genesis to Jesus opens the door to deeper understanding of Scripture for all Catholics, especially those who find reading the Bible a daunting task. The book leads the reader on an overview of salvation history in order to give the "big picture," the single plot that runs through the books of the Bible. What is that overarching story? God's plan to bring all humanity into his covenant family. This overview of key covenants from creation to the New Covenant established

by Jesus not only helps the reader see how various biblical stories fit together in God's plan, it also provides a foundation for ongoing Bible study. Genesis to Jesus is the first in a series of study guides produced by The St. Paul Center for Biblical Theology, based in Steubenville, Ohio. The Center, founded in 2000, develops materials to help Catholics deepen their faith through Scripture study. KIMBERLY HAHN is the author of Life-Giving Love: Embracing God's Beautiful Design for Marriage, the Life-Nurturing Love series published by Servant Books, and coauthor, with her husband Scott Hahn, of Rome, Sweet Rome: Our Journey to Catholicism. DR. SCOTT HAHN teaches theology at the Franciscan University of Steubenville, Ohio. He is the author of A Father Who Keeps His Promises: God's Covenant Love in Scripture and many other books. They are the parents of six children.

The Gospels - Charles Babers 2021-03-02

The four Gospels tell the story of Jesus from a

slightly different perspective. There exist many different gospels, but only four of them are considered canonical (officially accepted as authoritative by the Church) and included in the Christian Bible. These are the gospels of Matthew, Mark, Luke and John. They are the first four books of the New Testament. The Gospels of Matthew, Mark, Luke are referred to collectively as the Synoptic Gospels (as in "single eye" or "single vision"). They are called this because they all contain accounts of many of the same events from Jesus' life, sometimes using the same or remarkably similar words. In this commentary series, the Gospels are presented in four separate volumes. The first three volumes (of which this is the second) contain the common depiction of the events of the life of Jesus of Nazareth as they are presented in the three Synoptic Gospels. Common passages from the three Gospel accounts are presented together to highlight the similarities and consistencies among the three narratives. The fourth volume

includes passages that are unique to the Gospel of John.

East of Eden - John Steinbeck 2002-02-05

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous

consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

Religious Literacy - Stephen Prothero

2009-10-13

The United States is one of the most religious places on earth, but it is also a nation of shocking religious illiteracy. Only 10 percent of American teenagers can name all five major world religions and 15 percent cannot name any. Nearly two-thirds of Americans believe that the Bible holds the answers to all or most of life's basic questions, yet only half of American adults can name even one of the four gospels and most Americans cannot name the first book of the Bible. Despite this lack of basic knowledge, politicians and pundits continue to root public policy arguments in religious rhetoric whose meanings are missed—or misinterpreted—by the

vast majority of Americans. "We have a major civic problem on our hands," says religion scholar Stephen Prothero. He makes the provocative case that to remedy this problem, we should return to teaching religion in the public schools. Alongside "reading, writing, and arithmetic," religion ought to become the "Fourth R" of American education. Many believe that America's descent into religious illiteracy was the doing of activist judges and secularists hell-bent on banishing religion from the public square. Prothero reveals that this is a profound misunderstanding. "In one of the great ironies of

American religious history," Prothero writes, "it was the nation's most fervent people of faith who steered us down the road to religious illiteracy. Just how that happened is one of the stories this book has to tell." Prothero avoids the trap of religious relativism by addressing both the core tenets of the world's major religions and the real differences among them. Complete with a dictionary of the key beliefs, characters, and stories of Christianity, Islam, and other religions, *Religious Literacy* reveals what every American needs to know in order to confront the domestic and foreign challenges facing this country today.
