*Summary of Dolores Cannon's The Convoluted Universe - Book 2* - Everest Media,  
2022-03-26T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I have traveled through time and space to explore the history of the past, and the possibilities of

the future. I have visited unknown planets and dimensions, and spoken with many so-called alien species. I have discovered that everything is hidden in the recesses of the subconscious mind, and that it can be discovered and applied in our time. #2 I first became involved with reincarnation and past-life regression in 1968. My husband, Johnny, was career U. S. Navy for over twenty years, and had just returned from duty in Viet Nam. We were stationed in Texas and trying to return our lives to normal after a four year separation caused by the war. #3 1968 was a significant year in my life because it changed everything forever. My husband, Johnny, was almost killed in a horrendous automobile accident on his way to the Naval Base one night. He was hit head-on by a drunken driver, and mangled into the wreckage of our Volkswagen bus. The doctors said it was a miracle he lived, because his injuries were so extensive that he should have died. #4 I was glad to have the sanctuary of the hills as my retreat, as I was completely focused on my husband and the children. I had no idea where I would find clients in the hills of Arkansas, but I knew I wanted to do something with my life.

**Five Lives Remembered** - Dolores Cannon 2009

THE BEGINNING What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing "normal" to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnotherapist and regressionist. Travel back with us to that time when the words "reincarnation, past-lives, regression, walk-ins, New Age" were unknown to the general population. This is the story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the same. Dolores Cannon is now a world-renowned hypnotherapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, "How did you get started on all of this?" This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure!

**Divine Encounters** - Zecharia Sitchin  
2002-03-01

Explains the links between the Bible and ancient Sumerian texts, probing the age-old question of the relationship between humanity and its creators. • Challenges scientific maxims of the basis of human life. • Draws fascinating parallels between the leaders of the Anunnaki (from the 12th planet) and Yahweh. • A comprehensive new look at the history of man. • First time available in hardcover. In *Divine Encounters* Zecharia Sitchin draws on basic Judeo-Christian texts to analyze the creation myths, paralleling Biblical stories to the myths of Sumer and Mesopotamia in order to show that humanity did not evolve without assistance. Sitchin daringly hypothesizes instead that Enki, one of the leaders of the Anunnaki from the 12th planet, created humanity as a "primitive worker." Furthermore, Sitchin suggests that the extraterrestrial encounters of today demonstrate the continued interest of the Anunnaki in the Earthlings they created.

*The Three Waves of Volunteers & the New Earth*  
- Dolores Cannon 2011

In 1945 when the atomic bombs were dropped in WWII, our "protectors" and "watchers" in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the "outside", but maybe they could influence from the "inside". So the call went out for volunteers to come and help. "Earth is in trouble - who wants to volunteer?" The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the "Source" and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. \*  
Characteristics of the Three Waves of Volunteers
