Yet, despite their years-long independence, Lila and Henry both know they've never quite reckoned with their upbringing. Now, when their elderly mother dies suddenly and strangely in the muscadine arbor behind the family estate, they must travel back to the town that raised them. But as Lila and Henry uncover more about Geneva's death, shocking truths are revealed that upend the Bruces' history as they know it, sending the pair on an extraordinary journey to chase a truth that will dramatically alter the course of their lives. On a continent ruled by three empires, everyone is born with a "witchery," a magical skill that sets them apart from others. Now, as the Twenty Year Truce in a centuries long war is about to end, the balance of power—and the failing health of all magic—will fall on the shoulders of a mythical pair called the Cahr Awen. The biggest thing on Safi and Noelle's minds is saving money for their planned future in the Hundred Isles. Noelle, a Threadwitch, can see the emotional Threads binding the world. Safi, on the other hand, is a Truthwitch—she always knows when a person is telling a lie. A powerful magic like that is something people would kill to have on their side—or to keep off their enemy's side—and so Safi cannot even admit what she truly is. With the help of the cunning Prince Merik (a Windwitch and privateer) and the hindrance of a Bloodwitch bent on revenge, the friends must rise above their doubts and fight to learn who they are and what they are made of, if they are going to stay alive and preserve the balance of their world. "An instant new classic."—Sarah J. Maas, New York Times bestselling author of *Throne of Glass*, on Susan Dennard's *Truthwitch* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Court of Silver Flames - Sarah J. Maas
2021-02-16

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.
