Covenant Bible Study: Creating Participant Guide Large Print - Covenant Bible Study 2014-08-19

This Covenant experience will guide participants in a comprehensive, in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Each episode connects to an aspect of this covenant relationship, which is summarized in the heading of each participant guide. GOD ESTABLISHES THE COVENANT to be in relationship with us. So the first eight weeks, Creating the Covenant,

examines how the covenant community is created and established--highlighting several examples throughout scripture. It discusses the story of our origins in Genesis, the Exodus narrative, the teachings of Moses, the Gospels of Matthew and Mark, as well as other books from each Testament that focus on the foundation of Christian faith. In doing so, it lays out the framework for a life lived in concert with God and others. Each participant in the group needs the Participant Guides and a Bible. The CEB Study Bible is preferred. The Creating Participant Guide is eight weeks long, and has a lay flat binding making it easy to take notes in the generous space provided on each page. The Creating Participant Guide contains the following episodes: Episode 1: Creating the Covenant Relationships with people in our lives are key to faithful living. Covenant is about the family God creates and the power of love that overcomes evil. We are broken and miss the mark. Substitutes for faithful love destroy our relationships. Yet God's response to broken relationships is to restore us to wholeness. Through the shared practice of reading and interpreting the Bible scripture in holy conversation, we sharpen our understandings until they become more accurate and relevant. And we learn about God's gracious love and how to share it with others. Episode 2: Torah--Genesis Genesis answers the question: Who are we in the scheme of things? Covenant relationships are a metaphor for life together before God. This life is characterized by both gift and responsibility. Broken relationships in these stories are countered by forgiveness and generosity. Episode 3: Exodus, Leviticus, Numbers Passover is a bittersweet celebration of Israel's liberation. The covenant at Sinai creates a people with instructions for living in harmony. These instructions are ever in need of reinterpretation in new situations, much like amendments to a constitution. God is holy and calls the people to be distinct and set apart in their faithfulness. Episode 4: Gospels--Matthew and Mark The Gospels are similar to Greco-Roman biographies but with a saving twist. They paint a portrait of Jesus' significance for first-century readers living under Roman rule before and after the destruction of the temple in 70 CE. By arranging the events of his life, death, and resurrection in distinct order, these writers depict

Jesus as both the suffering "human one" (Mark) and a new teacher like Moses (Matthew). Jesus comes to bring and embody a new covenant reign (kingdom) of God's saving love in the world. Episode 5: Romans and Galatians The letters of Paul substituted for his presence and represent his attempt to deal with controversies and provide guidance to churches from a pastor's perspective. For Paul, God's grace expressed in Jesus' faithfulness on the cross is a saving gift with no substitutes. The Spirit's presence, too, is a gift that marks the community of faith and produces fruit for faithful life together, making us more gracious to ourselves and others. Episode 6: Hebrews The book of Hebrews is a masterful sermon written by an unknown author to a struggling community. The writer encourages them to live lives of gratitude for God's saving work in Jesus. Hebrews embraces the imagery of sacrifice in the Old Testament to describe Jesus' pioneering cosmic work of redemption. Replacing fear with trust, Jesus--our faithful forerunner--made it possible for us to approach the holy with confident expectation of God's favor. Episode 7: 1 and 2 Corinthians Paul's letters to the church at Corinth address very concrete issues in a culture that honors the freedom of superiors to do as they please. Paul counters this with the mind of Christ, patterned by the logic of self-giving love. This "logic of the cross" balances freedom with Christ-shaped responsibility to live in ways that benefit both self and community. Episode 8: Deuteronomy, Joshua, Judges, 1 Samuel These books retell the story of Israel and its responsibilities as a rescued, covenant people. As they transition to a new life in the promised land, the first commandment (no other gods) is restated positively: love God with all your heart and strength. Life in the land after Moses and Joshua is characterized by a cycle of faithlessness, crisis, cries for help, and temporary rescue. The last tribal chieftain/first prophet Samuel will anoint kings for an unruly people when the real king missing in Israel is God. More Questions? [Covenant in the Persian Period](#) - Richard J. Bautch 2015-11-04

The 22 essays in this new and comprehensive study explore how notions of covenant, especially the Sinaitic covenant, flourished during the Neo-

Babylonian, Persian, and early Hellenistic periods. Following the upheaval of the Davidic monarchy, the temple's destruction, the disenfranchisement of the Jerusalem priesthood, the deportation of Judeans to other lands, the struggles of Judeans who remained in the land, and the limited returns of some Judean groups from exile, the covenant motif proved to be an increasingly influential symbol in Judean intellectual life. The contributors to this volume, drawn from many different countries including Canada, Germany, Israel, South Africa, Switzerland, and the United States, document how Judean writers working within historiographic, Levitical, prophetic, priestly, and sapiential circles creatively reworked older notions of covenant to invent a new way of understanding this idea. These writers examine how new conceptions of the covenant made between YHWH and Israel at Mt. Sinai play a significant role in the process of early Jewish identity formation. Others focus on how transformations in the Abrahamic, Davidic, and Priestly covenants responded to cultural changes within Judean society, both in the homeland and in the diaspora. Cumulatively, the studies of biblical writings, from Genesis to Chronicles, demonstrate how Jewish literature in this period developed a striking diversity of ideas related to covenantal themes.

If This Is the "Last Days," How Then Shall We Live? - Jim Bard
2012-03-08

Why is Jesus returning for the Rapture? Who is He coming for? If all of the prophecies of the Bible have been fulfilled; why has He not returned? Is He just waiting for the right number of people to be saved? This book offers a fresh and new look at prophecies that still need to be fulfilled. It is an in depth look at the key to the return of Jesus. There are prophecies relating to the world and the evil of this world building up to the "Last Days". There are also prophecies relating to the "Bride", for whom He is returning.

How long, O Lord? (2nd edition) - D A CARSON 2020-05-21

My soul is in anguish. How long, O Lord, how long?' (Psalm 6:8) Personal tragedy and heartache. Accident, illness and infirmity. Drought, earthquake, tsunami. Terrorist atrocities. War, genocide, poverty,

famine. All we have to do is live long enough, and we will suffer in one way or another. In this new edition of an excellent, widely appreciated study, Don Carson addresses the issue of evil and suffering with sensitivity, pastoral concern and biblical insight. He helps Christians prepare for the day when they have to experience a 'frowning providence', and face it with faith and hope because of an unshakable trust in the providence of God.

Progressive Covenantalism - Stephen J. Wellum 2016-04-15

Building on the foundation of Kingdom through Covenant (Crossway, 2012), Stephen J. Wellum and Brent E. Parker have assembled a team of scholars who offer a fresh perspective regarding the interrelationship between the biblical covenants. Each chapter seeks to demonstrate how the covenants serve as the backbone to the grand narrative of Scripture. For example, New Testament scholar Thomas Schreiner writes on the Sabbath command from the Old Testament and thinks through its applications to new covenant believers. Christopher Cowan wrestles with the warning passages of Scripture, texts which are often viewed by covenant theologians as evidence for a "mixed" view of the church. Jason DeRouchie provides a biblical theology of "seed" and demonstrates that the covenantal view is incorrect in some of its conclusions. Jason Meyer thinks through the role of law in both the old and new covenants. John Meade unpacks circumcision in the OT and how it is applied in the NT, providing further warrant to reject covenant theology's link of circumcision with (infant) baptism. Oren Martin tackles the issue of Israel and land over against a dispensational reading, and Richard Lucas offers an exegetical analysis of Romans 9-11, arguing that it does not require a dispensational understanding. From issues of ecclesiology to the warning passages in Hebrews, this book carefully navigates a mediating path between the dominant theological systems of covenant theology and dispensationalism to offer the reader a better way to understand God's one plan of redemption.

God's Kingdom through God's Covenants - Peter J. Gentry 2015-08-31

The Bible records a number of covenants that God made with his people. However, rather than merely abstract ideas for theologians and scholars to study, the covenants in Scripture hold the key to understanding the Bible's overarching story and message. In *God's Kingdom through God's Covenants*, two world-class scholars offer readers an engaging snapshot of how God has chosen to lovingly relate to his people in history, tracing the significance of the concept of "covenant" through both the Old and New Testaments. Explaining the differences between covenant theology and dispensationalism while offering a thoughtful alternative to both, this book ultimately highlights the covenantal framework through which God has promised to remain faithful to his people.

Dispensational Truth, Or God's Plan and Purpose in the Ages - Clarence Larkin 2010-07-01

The Covenant Names of God - Richard Sones 2021-09-03

The name known to Abraham and formally given to Moses, YHVH, is associated with eight names throughout scripture. This book looks at each in-depth, beginning with the background story and the Biblical character first associated with the name. The meaning behind each name is also explored, along with its inspirational implication for the reader's spiritual life. Additionally, the book shows how the names reveal the nature of God and endure through New Testament writings, especially their fulfillment in the person and nature of Christ. As each chapter

reveals a unique name, we learn more and more about the nature and compassion of God, and we, in turn, will gain a deeper appreciation for our Lord. Finally, the principles revealed through the covenant names of God demonstrate his unwavering compassion and faithfulness to us.

Understanding End Times Prophecy - Paul N. Benware 2006-05-01

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

"Is it historically reliable?" "How were the books of the Bible selected?" "Is it possible that some books are missing or that others will be added?" Reclaiming Our Forgotten Heritage - Curt Landry 2019-01-15

"A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom. . . . There is no better time than now to learn about and become firmly grounded within your spiritual heritage." —from the foreword by Perry Stone

The early church was made up of Jewish and Gentile followers of Jesus, and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people. Over time, however, Christianity became increasingly more Roman than Jewish, and the church lost its identity. Rabbi Curt Landry's personal story is remarkably similar. Born to a Jewish mother and a Catholic father, Landry was put up for adoption, and for more than thirty years he had no understanding of his heritage, his roots, or who his parents were. But when he discovered the truth of his story, his life changed completely. The key to a life of power and purpose is understanding who you are. In this revelatory book, Curt Landry helps Christians discover their roots in Judaism, empowering them to walk in the revelation of who they really are and who they are born to be. Reclaiming Our Forgotten Heritage reveals the mysteries of the church, letting Christians grasp the power that comes from connecting with their true identity.

Teaching others to search and research the scriptures with a purpose and goal to fulfil the Great Commitment, the Great Commission, and the Great Commandment. Often, we may be relying too much on books and articles written by others. Now you can use these outlines and develop others as you read, study, and review the Bible prayerfully. Outlining chapters, books, and subject topics will give you a road map to follow and keep you on track. Kinship by Covenant - Scott Hahn 2009-01-01

While the canonical scriptures were produced over many centuries and represent a diverse library of texts, they are unified by stories of divine covenants and their implications for God's people. In this book, Scott Hahn shows how covenant, as an overarching theme, makes possible a coherent reading of the diverse traditions found within the canonical scriptures. Biblical covenants, though varied in form and content, all serve the purpose of extending sacred bonds of kinship, Hahn explains. Specifically, divine covenants form and shape a father-son bond between God and the chosen people. Biblical narratives turn on that fact, and biblical theology depends upon it. The author demonstrates how divine sonship represents a covenant relationship with God that has been consistent throughout salvation history. --From publisher's description.

Christian Identity - Chester L. Quarles 2014-11-18

The Ku Klux Klan, the Aryan Nations, and many ultra-right-wing racist "religious" organizations adhere to a doctrine called Christian Identity. Christian Identity is not a denomination, but a loosely organized movement embracing a range of beliefs. Its foundation is the theory that Anglo-Saxons (and Aryans, in most cases) are the true descendants of the Lost Tribes of Israel, and are the chosen people of God. Christian Identity is a bloodline religion: a belief system irrevocably tied to race. As such it lends itself to the violence, racism, and anti-Semitism of its more militant practitioners, and its growth and links to domestic terrorism warrant a better understanding of the movement. This survey of the Christian Identity Movement traces its development and beliefs, from its origins to its modern manifestations. It examines the doctrines and visions of the future of Identity communities and organizations in America. The initial chapter explores British Israelism, forerunner of most bloodline Identity groups; the oral traditions behind the movement are reviewed in the second. The third chapter outlines the American Israel, Israel Identity and bloodline Identity movements, including major figures and groups. The following chapters provide an introduction to Christian Identity itself, its general religious tenets, and post-Creation beliefs upon which much of the theory is based. Subsequent chapters describe militant bloodline and Identity groups, and individual militant Identity leaders.

The final chapter explores the "Third American Revolution" predicted by these groups, a forthcoming war based on race and religion.

[Covenant Bible Study: Participant Guides \(Creating, Living, Trusting\)](#) - Covenant Bible Study 2017-01-12

Covenant Bible Study guides small groups through a comprehensive, in-depth study of the whole Bible over twenty-four sessions broken into three eight-session modules. Unlike the learning participants may have experienced in other groups, this study emphasizes the biblical concept of covenant as a unifying theme through both the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in relationship with God while we share signs of God's love with others. Each Covenant Bible Study participant needs a Participant Guide and a Bible. The CEB Study Bible is preferred, but not required. The Participant Guide walks study participants through the daily scripture readings and offers space to interact personally with the readings, the group experience, and the weekly meditations. This single volume Participant Guide contains the materials required for all three modules: Creating, Living and Trusting. Creating: God establishes the covenant to be in relationship with us. This first module, Creating the Covenant, examines how the covenant community is created and established, by focusing on several books of the Bible. It discusses the story of our origins in Genesis, the Exodus narrative, the teachings of Moses, the Gospels of Matthew and Mark, as well as other books from each Testament that focus on the foundation of Christian faith. In doing so, it lays out the framework for a life lived in concert with God and others. Living: Living within the covenant translates into action--into how we behave in our everyday lives. That's why the second module, Living the

Covenant, focuses on how the community lives out the covenant in faithful love--how it is applied to actual relationships in daily life. The scripture readings included in these episodes examine the practical challenges of faithful covenant life. Participants explore leadership challenges among tribal chieftains, kings and prophets, and spiritual and political crises. They look for practical wisdom and guidance in the teachings of Israel's sages, the letters of Paul, and more. By demonstrating how people of vastly different cultures came together in a common purpose, the study shows how faithful love is the root of the covenant life. Trusting: Life often presents significant challenges. Difficulties are inevitable. That's why the final module, Trusting the Covenant, looks at the crises that sometimes call covenant life into question, and how we are restored to trust in God when troubling things happen. It how hope is restored by faithfulness in the midst of suffering. From the story of Job, to the Hebrew exile, to the apocalyptic visions in Daniel and Revelation, we learn how God's faithful love is at work in everything--to restore hope, freedom, and wholeness to our lives.

God's Babies - John McKeown 2014-12-17

The human population's annual total consumption is not sustainable by one planet. This unprecedented situation calls for a reform of religious

cultures that promote a large ideal family size. Many observers assume that Christianity is inevitably part of this problem because it promotes "family values" and statistically, in America and elsewhere, has a higher birthrate than nonreligious people. This book explores diverse ideas about human reproduction in the church past and present. It investigates an extreme fringe of U.S. Protestantism, including the Quiverfull movement, that use Old Testament "fruitful" verses to support natalist ideas explicitly promoting higher fecundity. It also challenges the claim by some natalists that Martin Luther in the 16th century advocated similar ideas. This book argues that natalism is inappropriate as a Christian application of Scripture, especially since rich populations' total footprints are detrimental to biodiversity and to human welfare. It explores the ancient cultural context of the Bible verses quoted by natalists. Challenging the assumption that religion normally promotes fecundity, the book finds surprising exceptions among early Christians (with a special focus on Saint Augustine) since they advocated spiritual fecundity in preference to biological fecundity. Finally the book uses a hermeneutic lens derived from Genesis 1, and prioritising the modern problem of biodiversity, to provide ecological interpretations of the Bible's "fruitful" verses.
