Trillion Dollar Coach - Eric Schmidt 2019-04-16  
#1 Wall Street Journal Bestseller New York Times Bestseller USA Today Bestseller The team behind How Google Works returns with

management lessons from legendary coach and business executive, Bill Campbell, whose mentoring of some of our most successful modern entrepreneurs has helped create well over a trillion dollars in market value. Bill Campbell played an instrumental role in the growth of several prominent companies, such as

Google, Apple, and Intuit, fostering deep relationships with Silicon Valley visionaries, including Steve Jobs, Larry Page, and Eric Schmidt. In addition, this business genius mentored dozens of other important leaders on both coasts, from entrepreneurs to venture capitalists to educators to football players, leaving behind a legacy of growing companies, successful people, respect, friendship, and love after his death in 2016. Leaders at Google for over a decade, Eric Schmidt, Jonathan Rosenberg, and Alan Eagle experienced firsthand how the man fondly known as Coach Bill built trusting relationships, fostered personal growth—even in those at the pinnacle of their careers—inspired courage, and identified and resolved simmering tensions that inevitably arise in fast-moving environments. To honor their mentor and inspire and teach future generations, they have codified his wisdom in this essential guide. Based on interviews with over eighty people who knew and loved Bill

Campbell, Trillion Dollar Coach explains the Coach's principles and illustrates them with stories from the many great people and companies with which he worked. The result is a blueprint for forward-thinking business leaders and managers that will help them create higher performing and faster moving cultures, teams, and companies.

**How to Host a Viking Funeral** - Kyle Scheele  
2022-02-08

An inspiring speaker and artist asked 20,000 people around the world to share the regrets they wanted him to burn in a mock Viking ship. This is the story of what he learned about letting go of the pain of the past and embracing the future with hope. Turning 30, artist and speaker Kyle Scheele wanted to do something unusual to mark this milestone. Instead of a birthday bash, he decided to hold a funeral to memorialize the decade of his life that was ending. Building a 16-foot Viking ship out of cardboard, he invited friends to help him set it on fire—a symbolic

farewell to his 20s and all the grief, regret, and mistakes that accompanied those years. When video of his Viking funeral went viral, it encouraged many others to let go of past hurts as well. Moved by the response he received, Kyle planned a second funeral (this time with a 30-foot cardboard Viking ship) and asked people to share the things they carried—the bad choices, disappointments, heartaches, and negative thinking that they wanted to lay to rest. He received more than 20,000 responses from around the world—stories both heartbreaking and hilarious, painful and inspiring. In this entertaining and wise book, Kyle reflects on what he discovered about freeing ourselves from the pain of the past, interweaving anecdotes from those who participated with the story of his own journey of renewal. “This story involves multiple Viking funerals, thousands of square feet of cardboard, and enough hot glue to supply your mother-in-law's craft night for the rest of time,” he writes. “But it also involves regret,

self-doubt, insecurity, and ultimately, redemption. So buckle up. It's about to get bumpy.” How to Host a Viking Funeral is the story of letting go of the people we used to be, but no longer want to be. It's about renewal; where there was once regret there is now blank space—an opportunity for a fresh start.

**The Cloven Viscount** - Italo Calvino 2012-10-26

When a nobleman is split in two, his separate halves pursue different adventures in a fantastically macabre tale by the author of Invisible Cities. It is the seventeenth century, and the Viscount Medardo of Terralba must go into battle against the Turks. But the inexperienced warrior is soon bisected lengthwise by a cannonball. Through a miracle of stitching, one half of him survives, returning to his feudal estate to lead a lavishly evil life. But soon his other, virtuous half appears—also very much alive. When the two halves become rivals for the love of the same woman, there's no telling the lengths each will go to in order to

win. Now available in an independent volume for the first time, this deliciously bizarre novella of is Calvino at his most devious and winning.

*Memory Craft* - Lynne Kelly 2020-01-07

Groundbreaking anthropologist and memory champion Lynne Kelly reveals how we can use ancient and traditional mnemonic methods to enhance and expand our memory. Our brain is a muscle. Like our bodies, it needs exercise. In the last few hundred years, we have stopped training our memories and we have lost the ability to memorize large amounts of information— something our ancestors could do with ease. After discovering that the true purpose of monuments like Easter Island and Stonehenge were to act as memory palaces, Kelly takes this knowledge and introduces us to the best memory techniques humans have ever devised, from ancient times and the Middle Ages to methods used by today's memory athletes. A memory champion herself, Kelly tests all these methods and demonstrate the extraordinary

capacity of our brains at any age. For anyone who needs to memorize a speech or a script, learn anatomy or a foreign language, or prepare for an exam, *Memory Craft* offers proven techniques and simple strategies for anyone who has trouble remembering names or dates, or for older people who want to keep their minds agile. In addition to getting in touch with our own human and anthropological foundations, *Memory Craft* shows how all things mnemonic can be playful, creative, and fun.

**Dry** - Augusten Burroughs 2013-04-23

The Tenth Anniversary Edition of the New York Times bestselling book that has sold over half a million copies in paperback. "I was addicted to "Bewitched" as a kid. I worshipped Darren Stevens the First. When he'd come home from work and Samantha would say, 'Darren, would you like me to fix you a drink?' He'd always rest his briefcase on the table below the mirror in the foyer, wipe his forehead with a monogrammed handkerchief and say, 'Better make it a double.'" (from Chapter Two) You may not know it, but you've met Augusten Burroughs. You've seen him on the street, in bars, on the subway, at restaurants: a twentysomething guy, nice suit, works in advertising. Regular. Ordinary. But when the ordinary person had two drinks, Augusten was circling the drain by having twelve; when the ordinary person went home at

midnight, Augusten never went home at all. Loud, distracting ties, automated wake-up calls and cologne on the tongue could only hide so much for so long. At the request (well, it wasn't really a request) of his employers, Augusten lands in rehab, where his dreams of group therapy with Robert Downey Jr. are immediately dashed by grim reality of fluorescent lighting and paper hospital slippers. But when Augusten is forced to examine himself, something actually starts to click and that's when he finds himself in the worst trouble of all. Because when his thirty days are up, he has to return to his same drunken Manhattan life—and live it sober. What follows is a memoir that's as moving as it is funny, as heartbreaking as it is true. Dry is the story of love, loss, and Starbucks as a Higher Power.

**10 Rules for Resilience** - Joe De Sena

2021-10-19

10 principles for leading your family to True Resilience, from the bestselling author of

Spartan Up and the CEO/founder of Spartan Joe De Sena has spent his life running toward challenge and discomfort. Why? Because how we react to challenging situations defines us and our families. The only tools we have as humans to survive the many peaks and valleys of a full life are preparedness, health, leadership, and most importantly, resilience. Why do so many parents struggle to finish things we start, delay gratification, and protect our health—and why do our kids continue to struggle in every facet of life? Because we haven't showed them a path to resilience, and we haven't fought for it ourselves. In *10 Rules for Resilience* Joe De Sena outlines his 10 principles for leading your family to True Resilience, a term he uses for a body and mind that have been carved out of hard work, challenge, and failure. It takes True Resilience to approach overwhelming situations with calm and confidence, to not get rattled, anxious, or angry, and even to embrace failure, setbacks, and redirections.

**The Expectation Effect** - David Robson

2022-02-15

“As David Robson makes plain in this compelling book, the way we think about the world can profoundly shape how we navigate it. Based in science and packed with smart advice, *The Expectation Effect* will expand your mind—and maybe even extend your life.” —Daniel Pink, New York Times bestselling author of *When, Drive, and To Sell Is Human* A journey through the cutting-edge science of how our mindset shapes every facet of our lives, revealing how your brain holds the keys to unlocking a better you What you believe can make it so. You’ve heard of the placebo effect and how sugar pills can accelerate healing. But did you know that sham heart surgeries often work just as well as placing real stents? Or that people who think they’re particularly prone to cardiovascular disease are four times as likely to die from cardiac arrest? Such is the power and deadly importance of the expectation effect—how what we think will happen changes what does happen.

Melding neuroscience with narrative, science journalist David Robson takes readers on a deep dive into the many life zones the expectation effect permeates. We see how people who believe stress is beneficial become more creative when placed under strain. We see how associating aging with wisdom can add seven plus years to your life. People say seeing is believing but, over and over, Robson proves that the converse is truer: believing is seeing. *The Expectation Effect* is not woo-woo. You cannot think your way into a pile of money or out of a cancer diagnosis. But just because magical thinking is nonsense doesn’t mean rational magic doesn’t exist. Pointing to accepted psychology and objective physiology, Robson gives us the practical takeaways we need to improve our fitness, productivity, intelligence, and happiness. Any reader who wants to take their fate into their own hands need only pick up this book.

Fighting Forward - Hannah Brencher 2021-01-05

Fighting Forward is the empowering anthem you need to take the next small step to a better life.

At the darkest point of a life-altering depression, Hannah Brencher took a silver marker and labeled a composition book "Fight Song." In that little notebook, she poured hope-filled truths and affirmations, knowing that one day, she--and you--would need a reminder to stay in the fight.

Drawn from those glow-in-the-dark words, Fighting Forward is your empowering invitation to show up, claim hope, and take back your life one small win at a time. Popular blogger, viral TED Talk speaker, and founder of The World Needs More Love Letters, Hannah shares personal stories of developing daily rhythms and sustainable faith in a culture of hustle. With a heap of hope for those who long to move from anxiety and fear into action steps, the power-ballad essays in this book will encourage you to savor the milestones you've already reached, root yourself in the next small step, welcome

healthy routines into your day, and apply grace like sunscreen in the process of your own becoming. Fighting Forward champions the truth that each song starts with a single note. With trust and a little time, each note and every small step adds up to a victorious anthem of showing up to this life and staying in the fight to become who God made you to be.

*Decluttering at the Speed of Life* - Dana K. White  
2018-02-27

You don't have to live overwhelmed by stuff—you can get rid of clutter for good! Decluttering expert Dana White identifies the emotional challenges that make it difficult to declutter and provides workable solutions to break through and make progress. While the world seems to be in love with the idea of tiny houses and minimalism, many of us simply can't purge it all and start from nothing. Yet a home with too much stuff is difficult to maintain, so where do we begin? Add in paralyzing emotional attachments and constant life challenges, and it can feel almost impossible to make real decluttering progress. In *Decluttering at the Speed of Life*, decluttering expert and author Dana White identifies the mindsets and emotional challenges that make it difficult to declutter. In her signature humorous approach,

she provides workable solutions to break through these struggles and get clutter out—for good! Not only does Dana provide strategies, but she dives deep into how to implement them, no matter the reader's clutter level or emotional resistance to decluttering. She helps identify procrastin clutter—the stuff that will get done eventually so it doesn't seem urgent—as well as how to make progress when there's no time to declutter. In *Decluttering at the Speed of Life*, Dana's chapters cover: Why You Need This Book (You Know Why) Your Unique Home Decluttering in the Midst of Real Life Change Your Mind, Change Your Home Breaking Through Your Decluttering Delusions Working It Out Room by Room Helping Others Declutter As long as we're living and breathing, new clutter will appear. The good news is that by following Dana's advice, decluttering will get easier, become more natural, and require significantly fewer hours, less emotional bandwidth, and little to no sweat to keep going.

In the Sea There are Crocodiles - Fabio Geda  
2011-08-09

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young

boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

Present Over Perfect - Shauna Niequist

2016-08-09

New York Times bestselling author Shauna Niequist invites you to look at the landscape of your own life, consider how it might feel to leave behind the pressure to be perfect, and begin the practice of simply being present in the middle of the mess. A few years ago, Shauna found herself exhausted and isolated, her soul and body sick. She was tired of being tired and burned out on busy. It seemed like almost everyone she talked to was in the same boat: longing for connection, meaning, and depth, but settling for busy. But then something changed. She decided to trade the hustle and bustle for grace, love, stillness, and play, and it changed everything. Shauna offers an honest account of what led her to begin this journey and a compelling vision for an

entirely new way to live: soaked in rest, silence, simplicity, prayer, and connection with the people who matter most to us. As you witness Shauna's journey, you'll be inspired to embark on one of your own. She gives you the encouragement you need to: Put an end to people-pleasing tendencies Embrace moments of simplicity, quiet, and stillness Accept that you are worthy of love, belonging, and joy Written in Shauna's warm and vulnerable style, this collection of essays focuses on the most important transformation in her life, and maybe yours too: leaving behind busyness and frantic living and rediscovering the person you were made to be. Present Over Perfect is a hand reaching out, pulling you free from the constant pressure to perform faster, push harder, and produce more while maintaining an exhausting image of perfection. Join the over 500,000 others who have already started walking this new path away from frantic pushing and proving and toward their true selves.

**Less Fret, More Faith** - Max Lucado  
2017-09-12

Anxiety comes with life. But it doesn't have to dominate your life. Do you ever have an overwhelming sense of dread? Bombarded with “what-if’s,” always on edge, preparing for something bad to happen? According to one research program, anxiety-related issues are the number one mental health problem among women and are second only to alcohol and drug abuse among men. Even students are feeling it. One psychologist reports that the average high school kid today has the same level of anxiety as the average psychiatric patient in the early 1950s. Chances are, you or someone you know seriously struggles with anxiety. New York Times bestselling author and pastor Max Lucado knows what it feels like to be overcome by the worries and fear of life, which is why he is dedicated to helping readers take back control of their minds and, as a result, their lives. In this 64-page booklet based on one of Max’s bestselling books, *Anxious for Nothing*, you’ll find: An 11-week practical plan to overcome

anxiety  
Weekly Scripture verses for meditation  
Weekly prayers to reframe anxious thoughts  
Stop letting anxiety rule the day and join Max on the journey to true freedom by the power of the Spirit.

**Extraordinary Awakenings** - Steve Taylor  
2021-09-07

A compelling investigation of how intense psychological suffering can lead to a dramatic shift into a new, expansive identity Why do some people who experience the worst that life has to offer respond not by breaking down but by shifting up, into a higher-functioning, awakened state, like phoenixes rising from the ashes? And perhaps more importantly, how can we emulate

their transformations? Over many years of observing and studying the phenomenon of life-changing awakening through extreme suffering, Steve Taylor coined the term "transformation through turmoil." He calls these people "shifters" and here shares dozens of their amazing stories. In addition, Taylor uncovers the psychological processes that explain these miraculous rebirths after years of struggle or devastating loss, addiction, or imprisonment. He highlights a number of lessons and guidelines that the shifters offer us. In *Extraordinary Awakenings*, readers will find not only riveting stories of transformation that show the amazing resilience of the human spirit, but also hope and guidance to call on during their own struggles, together with inspiration and profound food for thought.

*The Baron in the Trees* - Italo Calvino 2017

"Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining

there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn. Long considered one of Calvino's finest works, *The baron in the trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.

**The Violin** - Dacia Maraini 2001

Translated from the Italian by Dick Kitto , Elspeth Spottiswood, This novel, by Italy's leading woman writer, takes the form of letters written by Vera, a much-travelled playwright, to her young friend Flavia. Flavia, six, is the niece of Edoardo, a young violinist with whom Vera is having an affair. The changing tone of Vera's letters reflects the change in Flavia from childhood to adolescence. Vera and Edoardo's relationship, its joy and pain, and eventually its

break-up, make this a sequence of letters never to be forgotten.

**How May I Serve** - Karen Mathews 2014-06-17  
*How May I Serve* is a guide to empower women who are struggling to find a way out of their troubles. I have tortured and abused myself for many years trying to find love, happiness, and peace of mind yet, the more I sought these things, the more they eluded me. Then, I realized that it was an inside job. I had to learn

to love myself, forgive myself, and make peace with myself. So many women have been brought up with limiting beliefs about themselves from childhood. From the time I was conceived, I was an unwanted pregnancy. From the deep recesses of my subconscious mind, I programmed a tape of being unloved and unlovable. I acted and attracted circumstance after circumstance to validate this belief. I played the victim role very well. I did not know how to get out of my own way. The more I avoided looking at the cause of the problems, however, the worse they got. I hit my bottom upon finding out that my oldest daughter had a heroin addiction. This brought everything full circle. In order to save her, I had to change myself.

**The Leopard** - Giuseppe Di Lampedusa  
2007-11-06

Set in the 1860s, *The Leopard* tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The

dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue *The Leopard* with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although Giuseppe di Lampedusa had long had the book in mind, he began writing it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

**Six Memos for the Next Millennium** - Italo  
Calvino 2013-04-04

Italo Calvino was due to deliver the Charles Eliot Norton lectures at Harvard in 1985-86, but they were left unfinished at his death. The surviving drafts explore of the concepts of Lightness, Quickness, Multiplicity, Exactitude and Visibility (Constancy was to be the sixth) in serious yet playful essays that reveal Calvino's debt to the comic strip and the folktale. With his customary imagination and grace, he sought to define the virtues of the great literature of the past in order

to shape the values of the future. This collection is a brilliant précis of the work of a great writer whose legacy will endure through the millennium he addressed. Italo Calvino, one of Italy's finest postwar writers, has delighted readers around the world with his deceptively simple, fable-like stories. Calvino was born in Cuba in 1923 and raised in San Remo, Italy; he fought for the Italian Resistance from 1943-45. His major works include *Cosmicomics* (1968), *Invisible Cities* (1972), and *If on a winter's night a traveler* (1979). He died in Siena in 1985, of a brain hemorrhage.

*Dedicated* - Pete Davis 2021-05-04  
A profoundly inspiring and transformative argument that purposeful commitment and civil engagement can be a powerful force in today's age of restlessness and indecision. Most of us have had this experience: browsing through

countless options on Netflix, unable to commit to watching any given movie—and losing so much time skimming reviews and considering trailers that it's too late to watch anything at all. In a book inspired by an idea first articulated in a viral commencement address, Pete Davis argues that this is the defining characteristic of the moment: keeping our options open. We are stuck in “Infinite Browsing Mode”—swiping through endless dating profiles without committing to a single partner, jumping from place to place searching for the next big thing, and refusing to make any decision that might close us off from an even better choice we imagine is just around the corner. This culture of restlessness and indecision, Davis argues, is causing tension in

the lives of young people today: We want to keep our options open, and yet we yearn for the purpose, community, and depth that can only come from making deep commitments. In *Dedicated*, Davis examines this quagmire, as well as the counterculture of committers who have made it to the other side. He shares what we can learn from the “long-haul heroes” who courageously commit themselves to particular places, professions, and causes—who relinquish the false freedom of an open future in exchange for the deep fulfillment of true dedication. Weaving together examples from history, personal stories, and applied psychology, Davis’s “insightful without being preachy...guide to commitment should be on everyone’s reading list” (Booklist, starred review).
