Worlds of Music: An Introduction to the Music of the World's Peoples, Shorter Version - Jeff Todd Titon 2009-01-05

This shorter version of the best-selling WORLDS OF MUSIC provides much of the authoritative coverage of the comprehensive version in a format that's accessible to students without any background or training in music. Using a case-study approach, the text presents in-depth explorations of music of several cultures from around the world. The authors, all ethnomusicologists working in their fields of expertise, base their discussions of music-cultures on their own fieldwork, and give students a true sense of both the music and culture that created it. General editor, Jeff Todd Titon, has written the text's opening chapter that introduces students to ethnomusicology and relates each chapter's music heard on the accompanying CDs to the fundamentals of music in a worldwide context. The text concludes with a chapter that invites students to participate by undertaking a fieldwork research project that increases a student's understanding of music in daily life. The supplementary three-CD set works hand in hand with the authors' prose, providing students with access to a wide range of music-cultures and include authentic recordings from the authors' fieldwork. Leading off is the long-standing jewel in the WORLDS OF MUSIC crown -- James Koetting's magnificent recording of postal workers canceling stamps at the University of Ghana post office. A Western-sounding hymn tune performed against African

rhythms, this piece, more than any other, lets the student hear contrasting music-cultures.

Knotted Grief - Naveen Kishore 2021-12-01

In his first poetry volume, internationally renowned publisher Naveen Kishore has

produced a collection of poems that, with compassion, protest society's cruelty. Throughout *Knotted Grief*, Kishore lays bare the nature of our outer and inner realities, using striking symbolism to reveal what humans are capable of doing to each other. The early part of the collection, 'Kashmiriyat', is a visceral monument to shadows, widows and un-lived lives, constructed with one hundred and five stanzas. By depicting large-scale human tragedies and familiar habits - "... fast forward into a dream / I fail to swipe my screen" - the poet tests himself, and us.

A Southern Music: The Karnatik Story - T.M. Krishna 2016-02-01

T.M. Krishna, one of the foremost Karnatik vocalists today, begins his panoramic exploration of that tradition with a fundamental question: what is music? Taking nothing for granted and addressing diverse readers from Karnatik music's rich spectrum and beyond it, Krishna provides a path-breaking overview of south Indian classical music. He advances provocative ideas about various aspects of its practice. Central to his thinking is the concept of 'art music', the ability to achieve abstraction, as the foundational character of Karnatik music. In his explorations, he sights the visible connections and unappreciated intersections between this music form and others - Hindustani music, Bharatanatyam, fusion music and cine music - treading new, often contentious, ground. *New Mansions for Music* - Lakshmi Subramanian 2008

Karnatik music is one of the most ancient, rigorous classical musical traditions of India. Tracing the changes this music underwent in the nineteenth century when it was brought out into the open from the exclusive environment where it was nurtured, this book looks at the three areas of this classical music, which were most influenced by this development: the pedagogy or the imparting of knowledge; performance; and criticism. Once the urban elite demanded the widening of the teaching of classical music, it had to leave the temple and the court and enter the universities and other public spaces This

meant a breakdown of the gurushishya parampara, the severely-hierarchical and caste-based institution in which the teacher imparted knowledge to a chosen few, and allowed for the performance of Karnatik to a wider audience in concert halls, making it subject to validation and criticism by the newly emerging music critic.

OF GIFTED VOICE - Keshav Desiraju
2021-01-21

M.S. Subbulakshmi's life was one of extraordinary achievement. Although she was portrayed in many ways - as a musician who sought and achieved an all-India appeal; a philanthropist and supporter of noble causes; an icon of style; a woman of piety and devotion; and a friend and associate of the good and the great - she was first and foremost a classical vocalist of the highest rank, of unmatched gifts, who lives on in the musical history of India. *Of Gifted Voice* looks at her life and times, and the great musical tradition she belonged to and to which she brought so much, against the larger backdrop of the developments in the world of Carnatic music. It describes how music came to be performed in concerts; the impact the gramophone, the radio and the talkie had on music; the decline of the traditional performing families; and the appearance of women on public platforms. The book also delves into Subbulakshmi's brush with films as well as her concert style and that of her celebrated contemporaries. Though her story has often been told, we know little of the woman behind the image and the musician behind the public persona. *Of Gifted Voice* attempts, with warmth and keen-eyed perception, to understand the music, the history, the artiste and her incomparable presence.

Voices Within Carnatic Music - Bombay S. Jayashri 2007

Ashis Nandy - Ramin Jahanbegloo 2018-04-04

This volume is an adda of great minds, spanning generations and multiple nationalities. While one discusses creativity and aesthetics through Indian classical music, another recounts the pleasure of a simple walk. Another questions how it would be if Rabindranath Tagore lived in the twenty-first century; yet another, how 'cool' Indians are or might be in the future. Subjects as

far apart as war and solitude find space in these musings. Through these lively engagements emerge key insights into the ideas, writings, and life of one of the foremost intellectuals of our time in Indian and global scholarship, thought, and dissent—Ashis Nandy.

Nawabs, Nudes, Noodles - Ambi Parameswaran
2016-05-16

This is as much the story of Indian advertising as it is about India. Ad veteran Ambi Parameswaran looks at how advertising has evolved, reflecting the country's culture, politics and economy in the last fifty years. From sartorial taste and food habits to marriage and old age, music and language to celebrities and censorship, Ambi examines over a hundred ads to study how the Indian consumer has changed in the past five decades and how advertising and society have shaped each other. Combining anecdote and analyses to give us a slice of modern history, Ambi evaluates the relationship between affluence, aspiration and desire in India.

Exploring trends and impacts, he covers the ads that captured the imagination of the entire country. From 'Only Vimal' and 'Jai Jawan Jai Kisan' to 'Jo biwi se kare pyaar' and the controversial Tuffs shoes campaign, the book is a memorable journey through brands, consumers and the world of advertising.

The Caste of Merit - Ajantha Subramanian
2019-12-03

Just as Americans least disadvantaged by racism are most likely to call their country post-racial, Indians who have benefited from upper-caste affiliation rush to declare their country a post-caste meritocracy. Ajantha Subramanian challenges this belief, showing how the ideal of meritocracy serves the reproduction of inequality in Indian education.

The Routledge Companion to Caste and Cinema in India - Joshil K. Abraham
2022-11-18

This companion is the first study of caste and its representation in Indian cinema. It unravels the multiple layers of caste that feature directly and

indirectly in Indian movies, to examine not only the many ways caste pervades Indian society and culture but also how the struggle against it adopts multiple strategies. The companion: • critiques Indian cinema production through the lens of anti-caste discourse; • traces the history of films beginning from the early twentieth century, focusing on caste representations across India, including Hindi, Malayalam, Kannada, Marathi, Bengali, Punjabi, Tamil as well as silent films; • makes a foray into OTT media; • includes analysis of popular films such as Padmaavat, Masaan, Fandry, Sairat, Sujata, Article 15, Chomana Dudi, Lagaan, Court, Ee.Ma.Yau, Kaala, Pariyerum Perumal, Perariyathavar, among many others, to critique and problematise the idea of caste. A major intervention, this book alters traditional approaches to 'caste' in Indian cinemas and society and explores new political strategies implemented through cinematic creation and aesthetics. It will be indispensable for scholars and researchers of film studies, social discrimination and exclusion studies, human rights, popular culture, and South Asian studies. It will also be of interest to enthusiasts of Indian cinematic history.

Science and Religion in India - Renny Thomas 2021-12-31

This book provides an in-depth ethnographic study of science and religion in the context of South Asia, giving voice to Indian scientists and shedding valuable light on their engagement with religion. Drawing on biographical, autobiographical, historical, and ethnographic material, the volume focuses on scientists' religious life and practices, and the variety of ways in which they express them. Renny Thomas challenges the idea that science and religion in India are naturally connected and argues that the discussion has to go beyond binary models of 'conflict' and 'complementarity'. By complicating the understanding of science and religion in India, the book engages with new ways of looking at these categories.

Geopolitical Economy - Radhika Desai 2013-02-12

Geopolitical Economy radically reinterprets the historical evolution of the world order, as a multi-polar world emerges from the dust of the financial and economic crisis. Radhika Desai offers a radical critique of the theories of US hegemony, globalisation and empire which dominate academic international political economy and international relations, revealing their ideological origins in successive failed US attempts at world dominance through the dollar. Desai revitalizes revolutionary intellectual traditions which combine class and national perspectives on 'the relations of producing nations'. At a time of global upheavals and profound shifts in the distribution of world power, Geopolitical Economy forges a vivid and compelling account of the historical processes which are shaping the contemporary international order.

This Life At Play - Girish Karnad 2021-05-19
Girish Karnad was one of modern India's greatest cultural figures: an accomplished actor,

a path-breaking director, an innovative administrator, a clear-headed and erudite thinker, a public intellectual with an unwavering moral compass, and above all, the most extraordinarily gifted playwright of his times. *This Life at Play*, translated from the Kannada in part by Karnad himself and in part by Srinath Perur, covers the first half of his remarkable life - from his childhood in Sirsi and his early engagement with local theatre, his education in Dharwad, Bombay and Oxford, to his career in publishing, his successes and travails in the film industry, and his personal and writerly life. Music Cities - Christina Ballico 2020-06-12

This book provides a critical academic evaluation of the 'music city' as a form of urban cultural policy that has been keenly adopted in policy circles across the globe, but which as yet has only been subject to limited empirical and conceptual interrogation. With a particular focus on heritage, planning, tourism and regulatory measures, this book explores how local geographical, social and economic contexts and particularities shape the nature of music city policies (or lack thereof) in particular cities. The book broadens academic interrogation of music cities to include cities as diverse as San Francisco, Liverpool, Chennai, Havana, San Juan, Birmingham and Southampton. Contributors include both academic and professional practitioners and, consequently, this book represents one of the most diverse attempts yet to critically engage with music cities as a global cultural policy concept.

A Storm of Songs - John Stratton Hawley 2015-03-09

A widely-accepted explanation for India's national unity is a narrative called the bhakti movement—poet-saints singing bhakti from India's southern tip to the Himalayas between 600 and 1600. John Hawley shows that this narrative, with its political overtones, was created by the early-twentieth-century circle around Rabindranath Tagore in Bengal.

The Music Room - Namita Devidayal 2011-11-20
When Namita is ten, her mother takes her to

Dhondutai, a respected Mumbai music teacher from the great Jaipur Gharana. Dhondutai has dedicated herself to music and her antecedents are rich. She is the only remaining student of the legendary Alladiya Khan, the founder of the gharana and of its most famous singer, the tempestuous songbird, Kesarbai Kerkar. Namita begins to learn singing from Dhondutai, at first reluctantly and then, as the years pass, with growing passion. Dhondutai sees in her a second Kesar, but does Namita have the dedication to give herself up completely to music—or will there always be too many late nights and cigarettes? Beautifully written, full of anecdotes, gossip and legend, *The Music Room* is perhaps the most intimate book to be written about Indian classical music yet.

Learning without Burden - Mythili Ramchand
2022-07-29

This book looks at education reforms, planning and policy through an exploration of the Yash Pal Committee report (1993) in India, which made recommendations to improve the quality of learning while reducing cognitive burden on students. The book examines the legacy of the report, tracing the various deliberations and critical engagements with issues around literacy, language and mathematics learning, curriculum reforms and classroom practices, assessment and evaluation. It reviews contemporary developments in research on learning in diverse disciplines and languages through the lens of the recommendations made by the Learning without Burden report while engaging with challenges and systemic issues which limit inclusivity and access to quality education. Drawing on extensive research and first-hand academic and teaching experience, this book will attract attention and interest of students and researchers of educational policy and analysis, linguistics, sociology and South Asian studies. It will also be of interest to policy makers, think tanks and civil society organisations.

RESHAPING ART - T. M. Krishna 2018-03-20

Transpositions - Alison Rice 2021

This collective volume concentrates on the concept of transposition, exploring its potential

as a lens through which to examine recent Francophone literary, cinematic, theatrical, musical, and artistic creations that reveal multilingual and multicultural realities. The chapters are composed by leading scholars in French and Francophone Studies who engage in interdisciplinary reflections on the ways transcontinental movement has influenced diverse genres. It begins with the premise that an attentiveness to migration has inspired writers, artists, filmmakers, playwrights and musicians to engage in new forms of translation in their work. Their own diverse backgrounds combine with their awareness of the itineraries of others to have an impact on the innovative languages that emerge in their creative production. These contemporary figures realize that migratory actualities must be transposed into different linguistic and cultural contexts in order to be legible and audible, in order to be perceptible - either for the reader, the listener, or the viewer. The novels, films, plays, works of art and musical pieces that exemplify such transpositions adopt inventive elements that push the limits of formal composition in French. This work is therefore often inspiring as it points in evocative ways toward fluid influences and a plurality of interactions that render impossible any static conception of being or belonging.

Music as Heritage - Barley Norton 2018-07-20

As economic, technological and cultural change gathers pace across the world, issues of music heritage and sustainability have become ever more pressing. Discourse on intangible cultural heritage has developed in complex ways in recent years, and musical practices have been transformed by safeguarding agendas. *Music as Heritage* takes stock of these transformations, bringing new ethnographic and historical perspectives to bear on our encounters with music heritage. The volume evaluates the cultural politics, ethics and audiovisual representation of music heritage; the methods and consequences of music transmission across national borders; and the perennial issues of revival, change and innovation. UNESCO's 2003 Convention for the Safeguarding of the Intangible Cultural Heritage provides an essential reference point for studies of music heritage. However, this volume also pays attention to important spheres of musical

activity that lie outside of UNESCO's reach and the reasons why some repertoires of music are chosen for safeguarding while others are not. Some practices of art music in Europe explored in this book, for example, have received little attention despite being susceptible to endangerment. Developing a comparative framework that cuts across genre distinctions and disciplinary boundaries, *Music as Heritage* explores how music cultures are being affected by heritage discourse and the impact of international and national policies on grass-roots music practices.

The Afternoon Girl - Amrinder Bajaj 2013-11-01
A delightful memoir that recounts the relationship between one of the most enigmatic and notorious authors in India and his mentee. A brief encounter between a young gynaecologist and aspiring writer, and one of the most celebrated and enigmatic authors of her time sows the seeds for an unusual friendship which is fuelled as much by their meetings over a few decades as the letters and ribald jokes they exchange. *Afternoon Girl* celebrates a friendship that swings between love and loathing, adoration and indifference, support and abandonment, but stood the test of time and circumstances. It looks back on a world where nurturing a friendship took much more effort than putting fingers to screen or keyboard, she shares with him her most intimate secrets, he writes to her about his preoccupation with growing old and possibly infirm. With disarming honesty, the book builds and busts a few myths, and offers unexpected insights into Khushwant Singh: good- and sometimes ill-humoured mentor, garrulous yet grumpy friend and saintly but outspoken old man.

Finding The Raga - Amit Chaudhuri 2021-03-15
By turns essay, memoir and cultural study, *Finding the Raga* is Amit Chaudhuri's singular account of his discovery of, and enduring passion for, North Indian music: an ancient, evolving tradition whose principles and practices will alter the reader's notion of what music might - and can - be. Tracing the music's development, *Finding the Raga* dwells on its most distinctive and mysterious characteristics:

its extraordinary approach to time, language and silence; its embrace of confoundment, and its ethos of evocation over representation. The result is a strange gift of a book, for musicians and music lovers, and for any creative mind in search of diverse and transforming inspiration.

Protestant Textuality and the Tamil Modern - Bernard Bate 2021-08-17

Throughout history, speech and storytelling have united communities and mobilized movements. *Protestant Textuality and the Tamil Modern* examines this phenomenon in Tamil-speaking South India over the last three centuries, charting the development of political oratory and its influence on society. Supplementing his narrative with thorough archival work, Bernard Bate begins with Protestant missionaries' introduction of the sermon genre and takes the reader through its local vernacularization. What originally began as a format of religious speech became an essential political infrastructure used to galvanize support for new social imaginaries, from Indian independence to Tamil nationalism. Completed by a team of Bate's colleagues, this ethnography marries linguistic anthropology to performance studies and political history, illuminating new geographies of belonging in the modern era.

The Name is Rajinikanth - Gayathri Sreekanth 2008

Almost all show-world success stories in India appear the same. What sets individuals apart is the approach and the attitude once they reach the top. No one can resist a rags-to-riches story. It is every common man's dream. But Rajinikanth's story is irresistible. He continues to be an enigma to both his fans and contemporaries. He is simple Shivaji Rao Gaekwad who, by way of luck and hard work became a superstar, and continues to remain on top notwithstanding the vagaries of time. His starrer Muthu gave him an enviable identity globally, and sky seemed the limit after its unprecedented success in Japan. His latest, *Shivaji* has further spread his charisma globally. One can love Rajinikanth as millions do, one can hate him, as his detractors do, but the fact also remains no one can ignore him. None can shrug away his presence unless he or she is extremely insensitive to the film world. The book painstakingly seeks to record every nuance of

Rajinikanth's life: the joys and sorrows, the pains and ecstasies, loves and betrayals. It also does not shy away from underlining the two extremes that have remained an intrinsic part of his highly eventful career: the human and the divine. The book tells the essential truth about Rajinikanth that has thus far remained unknown to his vast fan following.
