*Rambo - Ramakrishna 2022-05-11*

An exasperated "Yours is the worst batch I have ever seen!" coming from a frustrated teacher has been every student's pride. No treasure can be compared to the bond of crazy school friends. Group punishments, covert pickle parties, bunking school to watch movies, examination fever and summons from the principal's office are all part of Rama and his friends' lives as they engage in banter, tackle bullies and progress from grade to grade. Rama was an earnest,

innocent boy with simple goals when he joined Sainik School in the sixth grade. He gradually turns into Rambo, an impertinent, flippant and much-loved classmate. While finding their way and cheering each other, Rambo & his friends, kick up a storm of mischief, much to the consternation of their teachers. But Rambo forgets his sense of purpose. Join Rambo's journey in this rib-tickling, rollercoaster ride and his path to self-discovery.

Education 1888

*The Educational Record* - Tasmania. Education Department 1906

*Testing Wars in the Public Schools* - William J. Reese 2013-03-01

Despite claims that written exams narrowed the curriculum, ruined children's health, and turned teachers into automatons, once tests took root in American schools their legitimacy was never seriously challenged. William Reese puts today's battles over standards and benchmarks into perspective by showcasing the history of the pencil-and-paper exam.
