

# The Case For Life Equipping Christians To Engage Culture Scott Klusendorf

As recognized, adventure as capably as experience roughly lesson, amusement, as well as union can be gotten by just checking out a ebook **The Case For Life Equipping Christians To Engage Culture Scott Klusendorf** then it is not directly done, you could believe even more around this life, almost the world.

We manage to pay for you this proper as with ease as simple pretension to acquire those all. We pay for The Case For Life Equipping Christians To Engage Culture Scott Klusendorf and numerous ebook collections from fictions to scientific research in any way. along with them is this The Case For Life Equipping Christians To Engage Culture Scott Klusendorf that can be your partner.

**Defending Life** - Francis J. Beckwith 2007-08-13

Defending Life is arguably the most comprehensive defense of the pro-life position on abortion - morally, legally, and politically - that has ever been published in an academic monograph. It offers a detailed and critical analysis of Roe v. Wade and Planned Parenthood v. Casey as well as arguments by those who defend a Rawlsian case for abortion-choice, such as J. J. Thomson. The author defends the substance view of persons as the view with the most explanatory power. The substance view entails that the unborn is a subject of moral rights from conception. While defending this view, the author responds to the arguments of thinkers such as Boonin, Dworkin, Stretton, Ford and Brody. He also critiques Thomson's famous violinist argument and its revisions by Boonin and McDonagh. Defending Life includes chapters critiquing arguments found in popular politics and the controversy over cloning and stem cell research.

**Welcome to College** - Jonathan Morrow 2008

To help the upcoming student, Jonathan Morrow provides this engaging guide packed with advice on all manner of issues, from dating and friends, classes and homework, to avoiding the temptation to just "check out" spiritually while in school. Morrow gives personal advice and anecdotes, draws examples from Scripture, and offers additional resources for further insights. --from publisher description.

**Choose Life** - John Goodrich 2022-05-03

You're pro-life. But can you explain why? You already believe in choosing life. But when the counterarguments are coming at you from every angle—legal, biological, medical, ethical, moral, philosophical, and biblical—how do you defend the pro-life view? And as you defend it . . . how do you speak with wisdom, humility, and compassion? Now more than ever, the times call for a balance of truth and mercy. There are good, wise, and thoughtful rebuttals of every claim made by pro-abortion advocates. Collected here in one place, Choose Life offers you reasonable responses from leading experts in their respective fields. The authors are accomplished women and men from all walks of life. They'll help you know what to say—and why to say it—when you're faced with claims like: "The courts have already settled the issue." "The fetus is not a person." "My body, my choice." "I shouldn't have to raise an unwanted child." "My circumstances justify ending my pregnancy." "Abortions are helpful to women and society." "The pro-life movement doesn't care about social justice." It's time to set aside the strident fist-shaking and hurled insults. Learn to make the pro-life case with intelligent arguments and compassionate love—just the way a Christian should.

**Bioethics and the Christian Life** - David VanDrunen 2009-10-07

Just about everyone will face a difficult bioethics decision at some point. In this book a theologian, ethicist, and lawyer equips Christians to make such decisions based on biblical truth, wisdom, and virtue. Though a relatively new discipline, bioethics has generated extraordinary interest due to a number of socially pressing issues. Bioethics and the Christian Life places bioethics within the holistic context of the Christian life, both developing a general Christian approach to making bioethics decisions and addressing a number of specific, controversial areas of bioethics. Clear, concise, and well-organized, the book is divided into three sections. The first lays the theological foundation for bioethics decision-making and discusses the importance of wisdom and virtue in working through these issues. The second section addresses beginning-of-life issues, such as abortion, stem-cell research, and infertility treatments. The third section covers end-of-life issues, such as living wills, accepting and refusing medical treatment, and treatment of patients in

permanent vegetative states.

**Gianna** - Jessica Shaver 1999-10

Gianna: aborted.nd lived to tell about it.

**Post-Christian** - Gene Edward Veith Jr. 2020-01-07

Undaunted Hope in a Post-Christian World We live in a post-Christian world. Contemporary thought—claiming to be "progressive" and "liberating"—attempts to place human beings in God's role as creator, lawgiver, and savior. But these post-Christian ways of thinking and living are running into dead ends and fatal contradictions. This timely book demonstrates how the Christian worldview stands firm in a world dedicated to constructing its own knowledge, morality, and truth. Gene Edward Veith Jr. points out the problems with how today's culture views humanity, God, and even reality itself. He offers hope-filled, practical ways believers can live out their faith in a secularist society as a way to recover reality, rebuild culture, and revive faith.

**Students for Life** - John Ensor 2012-09-01

More than 500,000 abortions are performed annually on college-aged women. Students for Life of America is a thriving network of 637 pro-life student groups on college campuses in 48 states. These groups educate people about the physical, emotional, psychological and spiritual effects that abortion has on women. This helpful guide is geared for use by college-aged students for the pro-life cause.

**Deliver Us From Abortion** - Brian Fisher 2015-01-15

The author of Abortion: The Ultimate Exploitation of Women offers a blueprint for the American Church to handle abortion in our country. Consider that for the past forty years, a staggering fifty-six million Americans have been killed by abortion. It claims the lives of over 1.2 million children every year, or roughly one child every twenty-five seconds. So why isn't the American church doing something to stop this atrocity, which is the greatest holocaust in American history? The majority of American churches, God's institutions for spreading the gospel of peace and defending the weak and innocent, remain silent. Feeding the poor, stopping human trafficking, rescuing children from abuse, and protecting women from exploitation are all issues the church is addressing. Yet abortion remains eerily absent from the list of church priorities in America. Why isn't it the church's highest priority? Is the American church silent because abortion has become politicized and church leaders are afraid to discuss it or because we simply don't know what the Bible says about it? What will cause the church to wake up, rise up and take this issue to task to save our children? In his latest book, Deliver Us From Abortion, Brian Fisher, co-founder and president of Online for Life, breaks the veil of silence and uncovers the reality of abortion in the church, what the Bible really says about it, and how God has empowered His church to end this unspeakable tragedy. Praise for Deliver Us from Abortion "This book provides a powerful defense for the children who can't speak for themselves." —Josh McDowell, bestselling author of 138 books including More Than a Carpenter "Abortion is the greatest moral crisis of our generation, yet far too many churches have remained silent. In Deliver Us From Abortion, Brian Fisher offers a blueprint for the American church that is both instructive and encouraging. I pray that we can all hear and accept his challenge." —Dr. Tony Evans, president, The Urban Alternative, senior pastor, Oak Cliff Bible Fellowship "Growing up in the King family during the Civil Rights era, I know what the church can accomplish. I am so glad Brian has written this book. May it challenge and equip the church to end the abortion holocaust in America." —Dr. Alveda

King, director of African-American outreach, Priests for Life  
[So the Next Generation Will Know](#) - Sean McDowell 2019-05-01

Whether you're a Christian parent, youth leader, or educator who works with Generation Z, this book was written for you. As powerful ideas in our increasingly secular culture shape more of this generation, trusted leaders must share what they know about Jesus in ways that will reach them. But how? Backed by the latest research and first hand experience, this powerful book shows how to share biblical truth with a generation that desperately needs to hear it in a way that draws them in instead of pushing them away. Written by two youth influencers and experts on Generation Z, Sean McDowell, Ph.D., and J. Warner Wallace, *So the Next Generation Will Know* is an extraordinarily practical and relatable guide for anyone concerned with ensuring the next generation understands and embraces a biblical worldview.

**Why Pro-Life?** - Randy Alcorn 2022-05-03

An updated look at one of the most crucial issues of our time! Infused with compassion and grounded in science, Alcorn's guide takes a hard look at tough questions, including "What makes life meaningful?" and "Is abortion really a women's rights issue?" His clear presentation of the facts provides welcome insights for pro-choicers and pro-lifers alike.

**Abortion** - Brian Fisher 2017-01-03

The author of *Deliver Us from Abortion* presents a five-point plan for men to put an end to abortion in America for women, men, and family. Do men have a stake in the abortion debate? Modern culture says no but author Brian Fisher shows why men are very much an interested party. Men led the campaign to legalize abortion—harming and exploiting women in the process. Now, he says, men must lead the effort to end the exploitation by ending abortion. And he presents a plan to do so. This revised and expanded second edition presents a more complete picture of how men target and exploit women globally, how this oppression is deeply connected to abortion, and how men can be, are, and should be a part of the solution.

**Why You Matter (Perspectives: A Summit Ministries Series)** - Michael Sherrard 2021-03-02

What makes life meaningful? More to the point, what makes our life meaningful? Without a good answer to that question, we can expend much energy and experience much anxiety as we attempt to live lives of significance, only to find that in the end we missed the point entirely and along the way were deeply dissatisfied. But there is hope. In *Why You Matter*, Michael Sherrard shows that life is only meaningful if God exists. He then shows how that fundamental fact provides clarity for some of the most important questions of our lives, including - Who am I? - How should I treat others? - What should I do with my life? - How do I make sense of suffering? If you have struggled with a sense of self-worth and direction in your life, or if you have a friend, colleague, or family member who is searching for meaning in a world of suffering, chaos, and uncertainty, *Why You Matter* will give you confidence that your life matters--but maybe not for the reasons you think.

[Innocent Blood](#) - John Ensor 2011-09

Not a book on social issues per se, nor a book on missions, *Innocent Blood* integrates the two and calls us to courageously challenge the powers of death with the gospel of life. It does this by exploring the striking relationships between the scandal of the gospel and the tragedy of abortion.

[Politically Correct Death](#) - Francis Beckwith 1993

The author explains and responds to ethical and philosophical arguments used to defend a pro-choice position. Key court decisions are also critiqued.

*Persuasive Pro-Life: How to Talk about Our Culture's Toughest Issue* - Trent Horn 2014-10-01

Don't worry-almost everyone is. Either we think the subject is too impolite, or we don't want to be branded an intolerant fanatic, or we worry that we won't represent the pro-life side well enough. You can overcome this fear, says Trent Horn in his new book, *Persuasive Pro-Life*. With a little knowledge and a few proven techniques, you can become a bold and effective apologist for the unborn. Drawing on over a decade as a pro-life activist Horn helps you cut through the diversions and obfuscations of the "pro-choice" side in order to accurately frame the legal, historical, and medical issues. Using vivid real-life examples, he drives home the critical importance of charity-no matter how loud the debate gets. For we must be not just warriors for the pro-life cause, he says, but ambassadors for it. Then Horn leads you on a guided tour of the many types of pro-abortion opponent or inquirer ("the pragmatist" "the skeptic," "the conflicted"), along with more true

stories from the field. In each case he teaches you specific approaches-what to say, what not to say, and how to bear yourself-that are custom-tailored to every situation. The struggle over abortion has never been hotter, and the stakes could not be higher. Read *Persuasive Pro-Life* today and never again be afraid to speak up for the precious and fundamental right to life. Book jacket.

**Stand for Life** - John Ensor 2022-05-03

Of the 1.2 million abortions performed annually in the U.S., more than 500,000 are performed on college-aged women. They make up 44% of all abortions in the country. So it is not surprising that there is a large, thriving network of pro-life groups on college campuses. These groups serve to advocate for pro-life and educate other young people about the physical, emotional, psychological and spiritual effects that abortion has on women. While there are online guides and booklets on the topic, there are currently very few if any books that are specifically geared for use by young advocates for this cause. Now there is *Stand for Life*, a manual that addresses tough questions in a format that is concise and straightforward. Topics include: Defending your pro-life views in five minutes or less Understanding the sanctity of human life Simplifying the abortion debate Developing a Christian response to abortion Debate: keeping cool under fire Q&As about such thorny issues as unsafe abortions, abortion when mothers lives are at risk, my body, my choice, and more

[Pro-Life Answers to Pro-Choice Arguments](#) - Randy Alcorn 2009-01-21

As politicians, citizens, and families continue the raging national debate on whether it's proper to end human life in the womb, resources like Randy Alcorn's *Prolife Answers to Prochoice Arguments* have proven invaluable. With over 75,000 copies in print, this revised and updated guide offers timely information and inspiration from a "sanctity of life" perspective. Real answers to real questions about abortion appear in logical and concise form. The final chapter -- "Fifty Ways to Help Unborn Babies and Their Mothers"-- is worth the price of this book alone!

[Don't Call It a Comeback](#) - Kevin DeYoung 2011

Unites some of today's most promising young evangelicals in a bold assertion of the stability, relevance, and necessity of Christian orthodoxy, and reasserts the theological nature of evangelicalism.

*Pro-Life* - Jim Harrison 2017-04-30

The choice is yours: will you choose life or will you choose death? When it comes to determining your stance on the abortion debate, this simple question exhibits your belief and understanding of what it means to let an unborn child live or die. Author Jim Harrison is the happy father of two adult sons and grandfather of four grandchildren, so he believes in the preciousness of life and giving a child a chance. His new nonfiction book, *Pro-Life: Saving the Lives of Unborn Children, Making Possible Their Descendants, and Helping Their Parents*, gives readers a comprehensive glimpse into conception, pregnancy and how abortion changes the whole biological process. Jim begins his argument for pro-life by detailing the intricate steps of procreation, from the conception between an egg and a sperm to the milestones an unborn baby reaches at different points in pregnancy: the first time practicing breathing, the ability to listen, learn and remember, the preparation for being delivered. However, Jim also makes sure to educate readers, men and women, on the unsettling procedures performed under the umbrella of abortion; procedures that are more inhumane and violent than an unsuspecting mother-to-be might believe. Abortion also doesn't end when the child is removed, but lasts with the former mother through medical complications and internal struggles with her choice. Included in *Pro-Life* are discussion points about descendants from an aborted child that will never be born, and discoveries/achievements never made, as well as the lack of babies to be adopted by countless parents ready to begin their families. The hope is that fathers and mothers will use the resources and knowledge within the book to make the life-securing decision to give their children continued life, and maybe adopt them to prospective parents ready to welcome them home. As stated earlier, the choice is yours to make; to Jim, you can't know what God has chosen for your child to achieve if not given life.

**Christian Ethics** - Wayne Grudem 2018-07-20

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth

control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

[The Case for Life](#) - Scott Klusendorf 2009-03-10

Pro-life Christians, take heart: the pro-life message can compete in the marketplace of ideas-provided Christians properly understand and articulate that message. Too many Christians do not understand the essential truths of the pro-life position, making it difficult for them to articulate a biblical worldview on issues like abortion, cloning, and embryo research. The Case for Life provides intellectual grounding for the pro-life convictions that most evangelicals hold. Author Scott Klusendorf first simplifies the debate: the sanctity of life is not a morally complex issue. It's not about choice, privacy, or scientific progress. To the contrary, the debate turns on one key question: What is the unborn? From there readers learn how to engage the great bio-tech debate of the twenty-first century, how to answer objections persuasively, and what the role of the pro-life pastor should be.

[Think Christianly](#) - Jonathan Morrow 2011-11-01

Think Christianly is about seizing the opportunities we have every day to speak the life Jesus offers into our culture. Tragically, many such opportunities pass us by unclaimed—either because we don't notice them or we have not prepared ourselves to enter into them. And those around us seem to grow increasingly unwilling to hear anything the church has to say. Jonathan Morrow helps church leaders envision and implement ways for their congregations to "think Christianly" about contemporary questions and to speak in informed, engaging ways. Morrow explores many of the important issues that Christians often hear raised with regard to faith—questions about who Jesus was, the good and bad of religion, pain and evil in the world, the reliability of the Bible, sexuality and intimate relationships, and hope for change, among others. The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect. This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world.

[Courageous](#) - Kristan Hawkins 2012-12-01

The author, president of Student for Life of America (SFLA), presents stories of young people's first-hand experiences with and work towards ending abortion.

[Invitation to Christian Ethics](#) - Ken Magnuson 2020-09-29

A comprehensive introduction to Christian ethics addressing today's most challenging moral issues Invitation to Christian Ethics is an indispensable guide for helping pastors, counselors, and everyday Christians navigate today's difficult moral questions. Readers will benefit from Ken Magnuson's survey of ethics from a biblical perspective as well as contemporary theories of moral reasoning. This survey is followed by twelve chapters devoted to some of the thorniest issues Christians encounter today, such as: Sexuality, including homosexuality, sexual identity, and gender Marriage and divorce Infertility and assisted reproductive technologies Abortion Physician-assisted suicide Race relations Creation care Capital punishment Just war, pacifism, and the use of lethal force Magnuson provides biblical insight into each topic and presents key moral considerations. He also answers specific, practical questions that arise and concludes with a summary of his recommended approach to each issue. Readers will learn how to grapple with difficult moral questions and will receive guidance for some of life's most challenging ethical conundrums. "Ethics will continue to be a line in the sand that separates Christians. In this volume, Magnuson gives us a biblically-based, logically-sound, historically-rooted, and future-aware guide that the church so desperately needs in the face of sexual revolution, moral relativism, and advancing technology." - Brian Arnold, President of Phoenix Seminary

[Faithfully Different](#) - Natasha Crain 2022-02-08

Welcome to Your Place in a Worldview Minority In an increasingly secular society, those who have a biblical worldview are now a shrinking minority. As mainstream culture grows more hostile toward the Bible's truths and those who embrace them, you'll face mounting pressures—from family, friends, media, academia, and government—to change and even abandon your beliefs. But these challenges also create abundant opportunities to stand strong for Christ and shine light to those hurt by the darkness of our day. In Faithfully Different, author and apologist Natasha Crain shares how you can live out your faith with conviction, discernment, and courage. You'll be equipped to identify and respond to today's most significant

worldview pressures, such as cancel culture, secular social justice, progressive Christianity, deconstruction, virtue signaling, and more engage effectively with a world that ridicules biblical truths defend your faith from misguided influences and live as a bold witness for the Lord As the standards of our day mutate and devolve, Faithfully Different will give you the insight and encouragement you need to believe, think, and live biblically no matter what you face in these turbulent times.

[Stand for Life](#) - John Ensor 2012

More than 500,000 of the abortions performed annual in the U.S. are performed on college-aged women. This book is specifically geared for use by young advocates in the pro-life cause. The authors help you educate other young people about the physical, emotional, psychological and spiritual effects that abortion has on women.

[Understanding the Culture](#) - Jeff Myers 2017-03-01

Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history—and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.

[Why Pro-Life?](#) - Randy C. Alcorn 2012-01-26

"No issue is more divisive or troubling than abortion. Many believe that we have to choose between helping women and helping children. This book shows how critical it is that we help both. In a concise, nonabrasive fashion, Randy Alcorn offers compassionate, factual answers to the central issues of the abortion debate."-- Back cover.

[Fundamental Christian Ethics](#) - Daniel Heimbach 2022-11-01

In Fundamental Christian Ethics, Daniel R. Heimbach offers clarity and hope for ethically navigating a pluralistic culture. Heimbach engages with diverse ethical issues such as abortion, sexuality, religious liberty, and racism from biblical, theological, historical, and philosophical angles. He delivers a comprehensive textbook for scholars, teachers, pastors, and laypersons to understand God's ethical reality and to cultivate virtuous character in the people of God.

[Poverty, Riches and Wealth](#) - Kris Vallotton 2018-04-03

Overcoming the Never-Enough Mentality to Experience True Kingdom Abundance Prosperity. It's one of the most dividing words in the church. Some pastors use it to tell their congregations that God will make them all rich, rich, rich! Others spurn the word and insist that true Christlikeness is found in forsaking all worldly riches and possessions. The truth is, both are right--and both are wrong. With refreshing honesty, humor, and keen insight, bestselling author and pastor Kris Vallotton mines the Scriptures in an eye-opening study of what the Bible really says about money, poverty, riches, and wealth. And what he finds is sure to shake up what you thought you knew--including these surprising truths: · Jesus was not poor and homeless · Heaven is described in the language of wealth · Poverty is a mindset that holds us back from true wealth · You determine your wealth based on how much, and how well, you love yourself · God wants all his children to be wealthy, though not everyone should be rich Kingdom prosperity begins from the inside out. When you learn to cultivate a mindset of abundance, no matter your circumstances, you will begin to experience the wealth of heaven in every area of your life.

[Equipping Christians for Kingdom Purpose in Their Work](#) - Tom Lutz 2021-11-15

In Equipping Christians for Kingdom Purpose in Their Work, Tom Lutz and Heidi Unruh offer advice to those who seek to influence the faith of people outside the church. Pastors, Christian educators, life coaches, workplace mentors, college professors, and any Christian who considers their vocation to be one of discipleship will find nourishment in this book. Few resources are designed for personal disciplers—those who connect with other believers on a personal basis with a deep interest in their spiritual growth. This book fills the gap. This one-of-a-kind resource shows how to disciple others in and for their work. Most "faith and work" books focus on pastors and church programs, or they speak directly to workers. But this resource comes to the aid of those who offer spiritual guidance to working Christians. This guide makes

faith-and-work discipleship accessible to anyone who influences the faith of another. With short, readable chapters filled with case studies, examples, and practical resources, readers will learn how to equip others to fulfill their kingdom purpose in their work. Sample topics include: Principles for Effectively Connecting with Adult Learners Structure for One-on-One Discipleship Meetings Research on Vocational Discipleship and Kingdom-Centered Spiritual Maturity Various Leadership Models Scripture Passages on Being an Image-Bearer Selected Scriptures for Faith and Work Principles

**The Christian and Abortion: A Nonnegotiable Stance** - Emily LaBonte Fnp-Bc 2019-07-15

PRO-CHOICE OR PRO-LIFE? Imagine if the church united in their answers to this volatile question. Using scientific, moral, biblical, and experiential lenses, the authors carefully examine the varied claims about abortion. Each chapter is designed to better inform Christians straddling the pro-choice/pro-life fence. Thirty percent of the net profits from the sale of this book will support charitable organizations. "Excellent words for every Christian to consider, and a wonderful opportunity to be educated and prepared to share these truths with others." --Randy Alcorn, bestselling author of *Heaven and Giving Is the Good Life* "Christians, pro-choice or pro-life, will gain a renewed mindset about abortion." --Katha D. Blackwell, MSW, author of *Not Another Victim* "This thoughtful book answers the question, 'Is God pro-choice or pro-life?'" --Kim de Blecourt, author of the books *Until We All Come Home* and *I Call You Mine* ABOUT THE AUTHORS Steve Hammond, MD, FACOG, has been practicing Obstetrics and Gynecology in Jackson, Tennessee, for decades. He is board-certified by the American Board of Obstetricians and Gynecologists, is a Fellow of the American College of Obstetricians and Gynecologists, serves as Medical Director of Clinical Research at The Jackson Clinic, and has served as the Principal Investigator for scores of clinical trials. During his residency at The Medical College of Georgia, Hammond performed more than 700 abortions. Emily LaBonte, FNP-BC, is a board-certified nurse practitioner working for a large healthcare company in Las Vegas, Nevada. There she serves as a lead on the committee in charge of mentoring new providers hired into the company. LaBonte also is a member of the American Association of Pro-life Obstetricians and Gynecologists. MORE ADVANCE PRAISE "With grace and truth, the authors bring clarity to the Christian conundrum about abortion." --Lynn Cory is leader of Neighborhood Initiative and author of *Neighborhood Initiative* and *Love of God* "In this challenging and timely book, Hammond and LaBonte point out that more than half of the abortions performed in the United States in a given year are obtained by those who identify themselves as Christians." --Craig von Buseck, Author and Editor of *Inspiration.org* "Everyone has been told all we need is love, but what the world really needs is truth. This book forces us to see clearly the decision before all who claim to be followers of Jesus Christ." --Rick Burgess, co-host of *The Rick and Bubba Show* and *New York Times* bestselling author and speaker "Through this book, the authors show why the Church must get more involved. We may be able to give diverse opinions on many issues, but abortion is not one of these issues." --Scott Dawson, former candidate for Governor of Alabama, founder of *Strength to Stand* Student Conferences, and CEO of *Scott Dawson Evangelistic Association, Inc.*

*Pro-Life Pulpit* - Stephen Tu 2011-05-23

Over one million unborn children are intentionally aborted every year in North America. Voiceless and helpless, their blood cries out. Will those of us who serve as pastors and preachers respond from our pulpits? Silence is not an option. We cannot keep quiet while thousands of our neighbors, made in the image of God, are being led to the slaughter every day. But neither should we condemn and vilify those who are complicit in their deaths. A truly pro-life pulpit ministry opposes the injustice of abortion with truth, courage and understanding. Tears mingled with hope, overflowing with grace. After all, the Christian faith is rooted in the good news of a Messiah who was once an embryo. Nine months before he was born, Jesus was conceived by the Holy Spirit, and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother. He is at the heart of our preaching, and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners.

**Contenders** - Marc Newman 2020-07-16

*Contenders* shows you the spiritual underpinnings of the abortion industry. With every shift in the conversation, you'll learn to winsomely respond to abortion-choice supporters and help them to see that their view of the unborn is not only scientifically insupportable, but morally disfiguring, placing all human beings at risk.

**An Introduction to Biblical Ethics** - Robertson McQuilkin 2013-03-25

What should we do or not do? This comprehensive text on biblical ethics is completely revised, focusing on how we fulfill the purposes of God for our lives. New content includes discussions of living virtuously, ethical alternatives, bioethical issues, technology, helping the poor, animal rights, sexual ethics, and the media.

*The Wall* - Kirk Walden 2013-08

The author purports that the way to lower the rate of abortion is through personal contact at pregnancy help centers of America, rather than through legislation. He believes that if the pregnancy help centers of America were funded with \$1 billion worth of donations, the abortion rate would plummet. The wall of hope has raised \$25 million over the last decade. He uses Nehemiah and his story from the old testament as an inspiration to build the wall.

**Stand Up, Stand Strong** - Sara Barratt 2022-04-19

If we live according to the gospel, we're going to make waves. Why? Because the way of Christ is countercultural. It doesn't go with the flow, compromise on truth, or stay silent in the face of injustice--so neither can we. No matter how young or old we are, or how much or how little influence we think we have, God calls us to boldly engage our upside-down culture through the lens of his truth. With powerful examples from Scripture and stories from teens today and through the centuries, Sara Barratt equips teens to live with a biblical worldview, approach today's hot-button issues with godly wisdom, and influence their generation for the glory of God. Tackling tough topics like sexuality, addiction, identity, media, and much more, Sara offers practical ways to stay rooted in God's truth while engaging culture with the redemptive story of the gospel--no matter the cost.

*Cultural Apologetics* - Paul M. Gould 2019-03-12

Renewing the Christian voice, conscience, and imagination so that we can become compelling witnesses of the Gospel in today's culture. Christianity has an image problem. While the culture we inhabit presents us with an increasingly anti-Christian and disenchanting position, the church in the West has not helped its case by becoming anti-intellectual, fragmented, and out of touch with the relevancy of Jesus to all aspects of contemporary life. The muting of the Christian voice, its imagination, and its collective conscience have diminished the prospect of having a genuine missionary encounter with others today. Cultural apologetics attempts to demonstrate not only the truth of the Gospel but also its desirability by reestablishing Christianity as the answer that satisfies our three universal human longings—truth, goodness, and beauty. In *Cultural Apologetics*, philosopher and professor Paul Gould sets forth a fresh and uplifting model for cultural engagement—rooted in the biblical account of Paul's speech in Athens—which details practical steps for establishing Christianity as both true and beautiful, reasonable and satisfying. You'll be introduced to: The idea of cultural apologetics as distinct from traditional apologetics. The path from disenchantment with how we understand reality to re-enchantment with the reality of the spiritual nature of things. The practical tools of good cultural engagement: conscience, reason, and imagination. Equip yourself to see, and help others see, the world as it is through the lens of the Spirit—deeply beautiful, mysterious, and sacred. With creative insights, *Cultural Apologetics* prepares readers to share a vision of the Christian faith that is both plausible and desirable, offering clarity for those who have become disoriented in the haze of modern Western culture.

**Tactics** - Gregory Koukl 2009

In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Gregory Koukl demonstrates how to get in the driver's seat, keeping any conversation moving with thoughtful, artful diplomacy. You'll learn how to maneuver comfortably and graciously through the minefields, stop challengers in their tracks, turn the tables and--most importantly--get people thinking about Jesus. Soon, your conversations will look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl shows you how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously and effectively expose faulty thinking - Skillfully manage the details of dialogue - Maintain an engaging, disarming style even under attack *Tactics* provides the game plan for communicating the compelling truth about Christianity with confidence and grace.

The Real Royal Family - James E. Schultz 2021-03-26

God made human beings in his image and that is what makes us so valuable. Yet there are vastly different ideas of what the image means and how sin affects the image, and each of those ideas impacts the claim that the image grounds human value. People have treated one another in either horrible or wonderful ways based on their theologies of the image. This book examines the logical implications of various image doctrines in the real world. Also, in Genesis 1:26-27, the image of God is closely tied to the first stated

purposes of human life in Genesis 1:28. Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches. To live out our part in God's creation project, we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation. This book builds a theology of the image of God by situating it firmly in the biblical narrative, harnessing the insights of biblical theology, and conversing with theologians past and present to form a coherent story of God, his children, and his creation in this age and the age to come.
