Daily instruction on reading strategies and skills needed to improve comprehension and raise test scores.

The Wolf's Boy - Susan Williams Beckhorn 2016-06-07

An outcast boy and a young wolf against an Ice Age winter . . . Kai burns to become a hunter and to earn a rightful place among his people. But that can never be. He was born with a club foot. It is forbidden for him to use or even touch a hunter's sacred weapons. Shunned by the other boys, Kai turns to his true friends, the yellow wolves, for companionship. They have not forgotten the young human they nurtured as an abandoned infant. When Kai discovers a motherless cub in the pack, he risks everything to save her, bringing her back to live with him. But as winter draws near, Kai's wolf grows ever more threatening in the eyes of the People. When the worst happens, Kai knows that they must leave for good. Together, they embark on a journey into the north—a place of unimaginable danger—that tests the power of friendship and the will to survive. Award-winning author Susan Williams Beckhorn delivers a tale set in Paleolithic times. Inspired by modern discoveries, Susan's careful research creates a vivid picture of a time when the first wolves came to live with humans and forged a bond that lives on to this day.

Reading Comprehension, Grade 6 - Carson-Dellosa Publishing 2011-01-03

A Whole Year of Curriculum-Based Exercises and Activities in One Fun Book! - Liane Onish 2008-07-01

"A whole year of curriculum-based exercises and activities in one fun book!"--Cover.

Catch Rider - Jennifer H. Lyne 2013-06-04

Tough-as-nails fourteen-year-old Sid may not have expensive boots like the privileged teen riders in Virginia, but she knows her way around horses. Working with her Uncle Wayne since childhood, she's learned to evaluate horses, break and train them, care for them . . . and ride like a professional. Amid turmoil at home, she dreams of becoming a catch rider—a show rider who can ride anything with hooves. In this salty, suspenseful teen novel, an unexpected opportunity to ride a top-notch horse in an equitation show takes the small-town girl all the way to Madison Square Garden.

The Common Core Reading Book, 6-8 - Gretchen Owocki 2014

"Working effectively with the standards requires the critical understanding that the teacher-not the standard or the program-is the most important variable affecting adolescents' achievement." -Gretchen Owocki The Common Core Reading Book, 6-8 makes the reading goals of the standards doable for teachers in every content area. It also keeps the focus on instruction that's meaningful to adolescents and that supports deep engagement with literacy and your subject-area content. "I wanted to honor the intent of the standards," writes author Gretchen Owocki, "and at the same time respect the fact that students are eleven, twelve, and thirteen years old only once in their lives." Gretchen has matched sensible, step-by-step teaching strategies to the 10 reading anchor standards, giving you instructional choices that you can match to your students' needs, your goals for their development as readers, and your content-area's key texts. Whether you are a skilled teacher of reading or new to it, Gretchen pays special attention to the needs of literacy teachers and subject-area teachers alike with tools you'll use every day: a precise description of what each standard asks from adolescents instructional decision trees that simplify lesson planning clearly presented instructional strategies that release responsibility to students "students who..." suggestions for tailoring support to meet kids' individual needs. For close reading, citing textual evidence, evaluating arguments, analyzing visual media, or anything the Common Core reading standards ask for, rely on The Common Core Reading Book, 6-8. You'll find a framework sturdy enough to teach with, flexible enough to plan from, and so respectful of you and your students that it will soon become core to your teaching. Begin reading now with our sample chapter.

Guided Reading - Irene Fountas 2016-08-12

Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation-from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Also check out our new on-demand mini-course: *Introducing Texts Effectively in Guided Reading Lessons*

Daily Reading Comprehension, Grade 4 - Evan-Moor Educational Publishers 2018

Daily instruction on reading strategies and skills needed to improve comprehension and raise test scores.

It Ain't So Awful, Falafel - Firoozeh Dumas 2016-05-03

Zomorod (Cindy) Yousefzadeh is the new kid on the block . . . for the fourth time. California's Newport Beach is her family's latest perch, and she's determined to shuck her brainy loner persona and start afresh with a new Brady Bunch name—Cindy. It's the late 1970s, and fitting in becomes more difficult as Iran makes U.S. headlines with protests, revolution, and finally the taking of American hostages. Even mood rings and puka shell necklaces can't distract Cindy from the anti-Iran sentiments that creep way too close to home. A poignant yet lighthearted middle grade debut from the author of the best-selling *Funny in Farsi*.

Spectrum Grade 6 - Spectrum 2015-02-02

She Reads Truth - Raechel Myers 2016-10-04

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Comprehension and Critical Thinking Grade 5 - Jamey Acosta 2007-10-23

Use these step-by-step guides to build students' comprehension and critical thinking skills as they prepare for standardized tests that feature document-based questions. Step 1 has students reading high-interest nonfiction articles from TIME For Kids authors. Step 3 has students studying primary source documents (such as maps, census reports, population reports, charts, and graphs) that are related to the articles. Step 4 has students demonstrating critical thinking skills by responding to questions based on these primary sources. Teacher Resource CD includes reproducible pages of articles, primary source documents, and questions.

The 6th Grade Nickname Game - Gordon Korman 2017-06-04

A funny and fast-paced story about two best friends whose innocent game could make them not-so-legendary, from New York Times bestselling author Gordon Korman. Best friends Jeff and Wiley are legends. There is practically no one in their school who hasn't been nicknamed by the duo. They've dubbed their own underachieving class "The Dim Bulbs"; their pop-eyed principal is better known as "Deer in Headlights"; and their enormous new English teacher, Mr. Hughes, is "Mr. Huge." But now some of the nicknames that Jeff and Wiley have invented are backfiring on them. Will the duo be able to get it together before it's too late?
