**Complete Opera Book** - George Henry Hubert Lascelles Harewood, Earl of 1956

**Kitten on the Keys** - George (COP) Handel 2000-12-01

Confrey is known primarily for his novelty piano compositions, which cultivated the style of Jelly Roll Morton and Scott Joplin. This arrangement of one of his compositions conjures an image of the household cat prancing along the keys of the piano. By use of the secondary rag, a syncopated grouping of regular quadruple subdivisions into three-note sets, the technical demands of the piece have been cleverly notated for ease of performance. This innovative arrangement is a pleasant addition to the library.

**Introduction to Computing and Programming in Python Plus My Programming Lab -- Access Card Package** - Mark J. Guzdial 2013-10-28

Introduction to Computing and Programming in Python, 3e, uses multimedia applications to motivate introductory computer science majors or non-majors. The book's hands-on approach shows how programs can be used to build multimedia computer science applications that include sound, graphics, music, pictures, and movies. The students learn a key set of computer science tools and topics, as well as programming skills; such as how to design and use algorithms, and practical software engineering methods. The book also includes optional coverage of HCI, as well as rudimentary data structures and databases using the user-friendly Python language for implementation. Authors Guzdial and Ericson also demonstrate how to communicate compatibly through networks and do concurrent programming.

*Missa Festiva (Op. 154)* - Alexander Gretchaninoff 1999-08-26

Gretchaninov started his musical studies rather late because his father, a businessman, had expected him to take over the family firm. Gretchaninov began his studies at the Moscow Conservatory in 1881, later moving to St. Petersburg where he studied composition and orchestration with Nikolai Rimsky-Korsakov until 1893. It is not surprising that Rimsky's influence can be heard in Gretchaninov's early works. The

Missa Festiva was not written until 1937. This is the choral score of the work, with Latin text, and without notated accompaniment.

**Beyond Memory** - Max Mojapelo 2008

"South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. If one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the music of the black communities. Beyond memory: recording the history, moments and memories of South African music is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a DJ at the South African Broadcasting Corporation. This book -astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries"-- Publisher's description.

**The Airs and melodies peculiar to the Highlands of Scotland and the Isles** - Simon Fraser  
2002-05-01

"The Simon Fraser Collection brings together the Airs and Melodies peculiar to the Highlands of Scotland and the Isles from 1715 to 1745. Many of the over 240 Airs in this book are Captain Fraser's instrumental settings of Gaelic songs derived from the singing of his father, grandfather and their acquaintances. Other tunes are a mixture of traditional and newly composed strathspeys, reels and jigs from this time period. The music in this book is especially written for those who play the piano, harp, organ and fiddle. People interested in this type of music will be aware of the "Simon Fraser Collection due to the history that it is part of. The product has been unavailable for years, which makes it a very popular item.

**Etudes Infantines, for Piano, Op. 37** - Lemoine 2017-11-29

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

**The Country Dance Book** - Cecil James Sharp 2012-08

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
