Disciple IV - Abingdon Press 2005-05

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of

independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Hodd - Adam Thorpe 2010-12-07

Who was Robin Hood? Romantic legend casts him as outlaw, archer, and hero of the people, living in Sherwood Forest with Friar Tuck, Little John and Maid Marian, stealing from the rich to give to the poor - but there is no historical proof to back this up. The early ballads portray a quite different figure: impulsive, violent, vengeful, with no concern for the needy, no merry band, and no Maid Marian. Hodd provides a possible answer to this famous question, in the form of a medieval document rescued from a ruined church on the Somme, and translated from the original Latin. The testimony of an anonymous monk, it describes his time as a boy in the greenwood with a half-crazed bandit called Robert Hodd - who, following the thirteenth-century principles of the 'heresy of the Free Spirit', believes himself above God and beyond sin. Hodd and his crimes would have been forgotten without the boy's minstrel skills, and it is the old monk's cruel fate to know that not only has he given himself up to apostasy and shame, but that his ballads were responsible for turning a murderous felon into the most popular outlaw hero and folk legend of England, Robin Hood. Written with his characteristic depth and subtlety, his sure understanding of folklore, his precise command of detail, Adam Thorpe's ninth novel is both a thrilling re-examination of myth and a moving reminder of how human innocence and frailty fix and harden into history.

King Peggy - Peggielene Bartels 2013-02-12

The charming real-life fairy tale of an American secretary who discovers she has been chosen king of an impoverished fishing village on the west coast of Africa. *King Peggy* chronicles the astonishing journey of

American secretary, Peggielene Bartels, who suddenly finds herself king to a town of 7,000 people on Ghana's central coast, half a world away. Upon arriving for her crowning ceremony in beautiful Otum, she discovers the dire reality: there's no running water, no doctor, no high school, and many of the village elders are stealing the town's funds. To make matters worse, her uncle (the late king) sits in a morgue awaiting a proper funeral in the royal palace, which is in ruins. Peggy's first two years as king of Otum unfold in a way that is stranger than fiction. In the end, a deeply traditional African town is uplifted by the ambitions of its decidedly modern female king, and Peggy is herself transformed, from an ordinary secretary to the heart and hope of her community.

What We Buried - Kate A. Boorman 2019-02-26

Told from the split viewpoints of Liv and Jory, Kate A. Boorman's *What We Buried* is a psychological thrill ride that deftly explores how memories can lie, how time can bend, and how reconciling the truth can be a matter of life or death. "Do you ever just want to be believed?" Siblings Liv and Jory Brewer have grown up resenting each another. Liv—former pageant queen and reality TV star—was groomed for a life in the spotlight, while her older brother, Jory, born with a partial facial paralysis, was left in the shadows. The only thing they have in common is contempt for their parents. Now Liv is suing her mom and dad for emancipation, and Jory views the whole thing as yet another attention-getting spectacle. But on the day of the hearing, their parents mysteriously vanish, and the siblings are forced to work together. Liv feels certain she knows where they are and suspects that Jory knows more than he's telling...which is true. What starts as a simple overnight road trip soon takes a turn for the dangerous and surreal. And as the duo speeds through the deserts of Nevada, brother and sister will unearth deep family secrets that force them to relive their pasts as they try to retain a grip on the present.
