Twilight of the Elites - Christophe Guilluy 2019-01-08

A passionate account of how the gulf between France's metropolitan elites and its working classes are tearing the country apart Christophe Guilluy, a French geographer, makes the case that France has become an "American society"—one that is both increasingly multicultural and increasingly unequal. The divide between the global economy's winners and losers in today's France has replaced the old left-right split, leaving many on "the periphery." As Guilluy shows, there is no unified French economy, and those cut off from the country's new economic citadels suffer disproportionately on both economic and social fronts. In Guilluy's analysis, the lip service paid to the idea of an "open society" in France is a smoke screen meant to hide the emergence of a closed society, walled off for the benefit of the upper classes. The ruling classes in France are reaching a dangerous stage, he argues; without the stability of a growing economy, the hope for those excluded from growth is extinguished, undermining the legitimacy of a multicultural nation.

Under the Banner of Heaven - Jon Krakauer 2004-06-08

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Qasidat Al-Burda - Sharaf Al-Din Al-Busiri 2015-01-05

The ode al-Kawakib al-Durriyya fi Madh Khayr al-Bariyya ('Celestial Lights in Praise of the Best of Creation') - more famously known as the 'qasidat al-burda' ('Ode of the Prophetic Mantle') by the famed 13th century Mamluk satirical poet turned Sufi Sharaf al-Din al-Busiri (d.695/1296) - is perhaps the most exceptional poem in Islamic history. It inspired hundreds of commentaries, is translated into dozens of languages and is held in extreme reverence by Muslims all over the world. One commentary that is broad, lucid and early is that of the Damascene Shafi'ite jurist and social critic Abu Shama (d.665/1268). Major portions of Section 3 which is the madih (eulogy) segment of that commentary is translated here for the first time with an extensive introduction to the Burda, the lives of both author and commentator as well as additional notes to help guide the reader. It is hoped this small work will add to the growing literature in English on the emerging genre of 'Burda Studies'.

The Mantle of a Prophet - Eric Munnerlyn 2017-06-05

In this 21st century church, it is valuably important that we as believers in Jesus Christ are to understand any gift given or presented to us. Because the gift of prophecy is in such high demand, we must have a

complete understanding of the gift and the office. It is increasingly important that as a prophet, the gift and the giver (God) of the gift are represented correctly. It is also important for those who are laity to understand the designed function of the gift. To operate as a novice is dangerous. Also, to attempt to operate and not be called is erroneous, simply life-damaging and life-threatening. If you are called to the office/mantle of a prophet, you MUST understand the gift. You must live it and not just operate in it. At the completion of this manual, you will have a great understanding of prophecy, the prophetic and the mantle of a prophet. The designated functionary purpose is to present the rules and boundaries or what is acceptable and to help you discern when flesh is on parade. The Holy Bible records in Proverbs 4:7, "Wisdom is the principle thing, therefore get wisdom: and with all thy getting, get understanding." So, allow this manual to help to enlighten you as we open up and unveil "The Mantle Of A Prophet."

The Prophet's Heir - Hassan Abbas 2021-02-23

The life and legacy of one of Mohammad's closest confidants and Islam's patron saint: Ali ibn Abi Talib Ali ibn Abi Talib is arguably the single most important spiritual and intellectual authority in Islam after prophet Mohammad. Through his teachings and leadership as fourth caliph, Ali nourished Islam. But Muslims are divided on whether he was supposed to be Mohammad's political successor—and he continues to be a polarizing figure in Islamic history. Hassan Abbas provides a nuanced, compelling portrait of this towering yet divisive figure and the origins of sectarian division within Islam. Abbas reveals how, after Mohammad, Ali assumed the spiritual mantle of Islam to spearhead the movement that the prophet had led. While Ali's teachings about wisdom, justice, and selflessness continue to be cherished by both Shia and Sunni Muslims, his pluralist ideas have been buried under sectarian agendas and power politics. Today, Abbas argues, Ali's legacy and message stands against that of ISIS, Al-Qaeda, and Taliban.

Upheaval - Jared Diamond 2019-05-07

A "riveting and illuminating" Bill Gates Summer Reading pick about how and why some nations recover from trauma and others don't (Yuval Noah Harari), by the Pulitzer Prize-winning author of the landmark bestseller *Guns, Germs, and Steel*. In his international bestsellers *Guns, Germs and Steel* and *Collapse*, Jared Diamond transformed our understanding of what makes civilizations rise and fall. Now, in his third book in this monumental trilogy, he reveals how successful nations recover from crises while adopting selective changes -- a coping mechanism more commonly associated with individuals recovering from personal crises. Diamond compares how six countries have survived recent upheavals -- ranging from the forced opening of Japan by U.S. Commodore Perry's fleet, to the Soviet Union's attack on Finland, to a murderous coup or counter-coup in Chile and Indonesia, to the transformations of Germany and Austria after World War Two. Because Diamond has lived and spoken the language in five of these six countries, he can present gut-wrenching histories experienced firsthand. These nations coped, to varying degrees, through mechanisms such as acknowledgment of responsibility, painfully honest self-appraisal, and learning from models of other nations. Looking to the future, Diamond examines whether the United States, Japan, and the whole world are successfully coping with the grave crises they currently face. Can we learn from lessons of the past? Adding a psychological dimension to the in-depth history, geography, biology, and anthropology that mark all of Diamond's books, *Upheaval* reveals factors influencing how both whole nations and individual people can respond to big challenges. The result is a book epic in scope, but also his most personal yet.

Mantle of Mercy - Muhammad A. Ali 2022-02-28

This engaging collection presents thirty essays by Muslim chaplains reflecting on their experiences as spiritual caregivers. Through their first-hand accounts, they impart how they skillfully apply the mercy and compassion of the Prophet Muhammad to the people in their care. They also share how their faith informs their service, how they navigate the obstacles of a predominantly Christian profession, and how they administer to the spiritual needs of people of different faiths or of no faith at all. Working in a variety of settings—including hospitals, prisons, universities, and the armed forces—Muslim chaplains encounter unique challenges on a daily basis, requiring them to call upon the resources of their Islamic faith with wisdom and tenderness. The contributors to this volume explore these circumstances vividly and honestly. Their personal stories are instructive of how Islamic principles can be employed with spiritual insight to bring strength and comfort to the sick and suffering.

The Muhammad Avat=ara - Ayesha A. Irani 2020-12-11

In *The Muhammad Avatara*, Ayesha Irani offers an examination of the *Nabivamsa*, the first epic work on the Prophet Muhammad written in Bangla. This little-studied seventeenth-century text, written by Saiyad Sultan, is a literary milestone in the multi-ethnic, multi-cultural history of Islam, and marks a significant contribution not only to Bangla's rich literary corpus, but also to our understanding of Islam's localization in Indic culture in the early modern period. That Sufis such as Saiyad Sultan played a central role in Islam's spread in Bengal has been demonstrated primarily through examination of medieval Persian literary, ethnographic, and historical sources, as well as colonial-era data. Islamic Bangla texts themselves, which emerged from the sixteenth century, remain scarcely studied outside the Bangladeshi academy, and almost entirely untranslated. Yet these premodern works, which articulate Islamic ideas in a regional language, represent a literary watershed and underscore the efforts of rebel writers across South Asia, many of whom were Sufis, to defy the linguistic cordon of the Muslim elite and the hegemony of Arabic and Persian as languages of Islamic discourse. Irani explores how an Arabian prophet and his religion came to inhabit the seventeenth-century Bengali landscape, and the role that pir-authors, such as Saiyad Sultan, played in the rooting of Islam in Bengal's easternmost regions. This text-critical study lays bare the sophisticated strategies of translation used by a prominent early modern Muslim Bengali intellectual to invite others to his faith.

The Mantle of Elijah - Terence Collins 1993

This book provides an introduction to current trends in the study of the biblical prophets. It surveys the growing volume of work that has been on the redactional analysis of individual books and represents the first attempt to bring together these different strands of redaction criticism and to evaluate the effect they have had on our appreciation of the prophetic books as a distinct genre. The opening chapter deals with the methodology of redaction criticism as applicable to the prophetic books. The author then looks at the redactional history of each of the individual books in turn. The closing chapters consider the implications this approach has for our appreciation of these books and the aims of the writers who created them. In particular, the author draws attention to the literary nature of the image of The Prophet conveyed in the books about prophets.

Milton Adams experienced pain like he never had before. When it erupted from his abdomen and swiftly moved to his chest, Adams realized that he was having a heart attack. [Elijah & Elisha](#) - RUSSELL M. STENDAL 2016-03

The kings of Israel and Judah were in serious trouble with the Lord. Twelve years of worshiping Baal and golden calves, listening to Jezebel, and killing the prophets was catching up to them. Their earthly kingdoms were coming to an end, and the Lord would move quickly when he moved. What appeared to be harmless details to them was in fact rebellion in the sight of God. While the kings served the gods of this world, Elijah and Elisha did not. They were dedicated only to the Word of the Lord, and if the Lord didn't speak directly to them, they didn't move at all. And when they did move, it was with the authority of the Lord, resulting in dramatic calling down of fire from heaven, a three-year drought, people raised from the dead, and many other miraculous events. But did Elijah and Elisha take any glory? No, Elijah didn't even accept Naaman's token of appreciation - so completely was he relying only on the Lord's provision. The lives of Elijah and Elisha, as well as the corrupt lives of the kings, serve as important lessons for us today. In addition, there are many prophecies in 1 and 2 Kings that are now being fulfilled. Your own life will be changed forever if you apply even one truth that the Lord reveals to you in this book.

The intercessor stands between two realms, the natural and the spiritual. Intercessory prayer brings the power of heaven down to earth. Step by step, Esther's intercession results in deliverance from the power of evil. The power of evil intrudes in our lives, too. It comes under many guises-schemes, betrayal, sickness, addiction. What can we do? *The Mantle of Esther* presents a challenge to enter that place of intercession where the enemy in our midst must yield to the authority and power of the King of kings. Book jacket.

Who Rides the Beast? - Paul B. Duff 2001-05-31

The Book of Revelation presents the reader with a frightening narrative world in which the people of God are tormented, threatened, and sometimes killed by various agents of Satan. Scholars have traditionally thought that it was written in order to encourage believers to stand fast in the face of the Roman persecution of the early Church. More recently,

however, it has been argued that no such crisis existed at the time the book was written. Here Paul Duff offers a different viewpoint on the origin of the Book of Revelation, resulting in a work which substantially advances the implication of the current consensus and sheds new light on this influential yet enigmatic text.

Qasidah Burdah - Ka'b Ibn Zuhair 2012-11-27

QASIDAH BURDAH THE THREE POEMS OF THE PROPHET'S MANTLE
Translations & Introduction by Paul Smith
Ka'b ibn Zuhair (died 7th century A.D.) was a famous poet who at first opposed Prophet Muhammad. Finally, he secretly went to Medina and approached the Prophet to ask if one who repented and embraced the faith would be forgiven. Mohammed answered yes and the poet asked, "Even Ka'b ibn Zuhair?" When he affirmed this, Ka'b revealed his identity and read a poem, his *Banat Suad* (of 55 couplets), which would become his most famous poem. As a reward Prophet Mohammed took off his mantle (cloak) and put it on Ka'b's shoulders. The second for Mohammed was composed by the eminent Sufi, Imam al-Busiri (1210-1297). The poem (161 couplets) is famous mainly in the Sunni Muslim world. It is entirely in praise of Prophet Mohammed, who is said to have cured the poet of paralysis by appearing to him in a dream and wrapping him in a mantle. The third poet of the 'Mantle' was Ahmed Shawqi (1869 - 1932) the great Arabic Poet-Laureate, an Egyptian poet and dramatist who pioneered the modern Egyptian literary movement, introducing poetic epics to the Arabic literary tradition. His 'Mantle' qasida is 190 couplets. The correct rhyme-structure has been kept and the meaning of these beautiful, powerful, spiritual poems. Pages 116
