Provides an anthology of women's spiritual writing for Rosh Hashana and Yom Kippur.

*History of Essex County, Massachusetts* - Duane Hamilton Hurd 1888

Womanist Midrash - Wilda C. Gafney 2017-08-15

Womanist Midrash is an in-depth and creative exploration of the well- and lesser-known women of the Hebrew Scriptures. Using her own translations, Gafney offers a midrashic interpretation of the biblical text that is rooted in the African American preaching tradition to tell the stories of a variety of female characters, many of whom are often overlooked and nameless. Gafney employs a solid understanding of womanist and feminist approaches to biblical interpretation and the

sociohistorical culture of the ancient Near East. This unique and imaginative work is grounded in serious scholarship and will expand conversations about feminist and womanist biblical interpretation.

An American Biographical and Historical Dictionary, etc - William ALLEN (D.D., President of Bowdoin College.) 1857

**Magic Tales and Fairy Tale Magic** - R. Bottigheimer 2014-07-01

This book examines magic's generally maleficent effect on humans from ancient Egypt through the Middle Ages, including tales from classical mythology, Jewish, Christian, and Muslim cultures. It shows that certain magical motifs lived on from age to age, but that it took until the Italian Renaissance for magic tales to become fairy tales.

**A Theology of Justice in Exodus** - Nathan Bills 2021-03-03

This book traces the theme of justice throughout the narrative of Exodus in order to explicate how yhwh's reclamation of Israel for service-worship reveals a distinct theological ethic of justice grounded in yhwh's character and Israel's calling within yhwh's creational agenda. Adopting a synchronic, text-immanent interpretive strategy that focuses on canonical and inner-biblical connections, Nathan Bills identifies two overlapping motifs that illuminate the theme of justice in Exodus. First, Bills considers the importance of Israel's creation traditions for grounding Exodus's theology of justice. Reading Exodus against the

backdrop of creation theology and as a continuation of the plot of Genesis, Bills shows that the ethical disposition of justice imprinted on Israel in Exodus is an application of yhwh's creational agenda of justice. Second, Bills identifies an educational agenda woven throughout the text. The narrative gives heightened attention to the way yhwh catechizes Israel in what it means to be the particular beneficiary and creational emissary of yhwh's justice. These interpretative lenses of creation theology and pedagogy help to explain why Israel's salvation and shaping embody a programmatic applicability of yhwh's justice for the wider world. This volume will be of substantial interest to divinity students and religious professionals interested in the themes of exodus, exile, and return.

**A List of Names and Co-partnerships, that were taxed in the year 1826, for personal property to the amount of five thousand dollars and upwards, shewing the precise amount of real and personal estate, and the amount of tax assessed on the same. **The JPS Jewish Heritage Torah Commentary** - Eli L. Garfinkel  
2021-06

The JPS Jewish Heritage Torah Commentary shows Jews of all ages and backgrounds that the Jewish people's most significant book is not dusty and irrelevant but an eternally sacred text wholly pertinent to our modern lives. Designed to keep the attention of all readers, each lively essay is both brief enough to be read in minutes and deep and substantive enough to deliver abundant food for thought. Its cornerstone is its unique four-part meditation on the Jewish heritage. After briefly summarizing a Torah portion, the commentary orbits that portion

through four central pillars of Jewish life—the Torah (Torat Yisrael), the land of Israel (Eretz Yisrael), the Jewish people (Am Yisrael), and Jewish thought (Mahshevet Yisrael)—illuminating how the four intersect and enrich one another. Furthering the Jewish thought motif, every essay ends with two questions for thought well suited for discussion settings. Each commentary can be used as the launchpad for a lesson, a sermon, a d'var Torah, or a discussion. Readers from beginners to experts will come away with new understandings of our Jewish heritage—and be inspired to draw closer to its four dimensions.

Essential Torah - George Robinson 2008-12-17

Whether you are thinking about studying the Bible for the first time or you're simply curious about its history and contents, you will find everything you need in *Essential Torah*. George Robinson, author of the acclaimed *Essential Judaism*, begins by recounting the various theories of the origins of the Torah and goes on to explain its importance as the core element in Jewish belief and practice. He discusses the basics of Jewish theology and Jewish history as they are derived from the Torah, and he outlines how the Dead Sea Scrolls and other archaeological discoveries have enhanced our understanding of the Bible. He introduces us to the vast literature of biblical commentary, chronicles the evolution of the Torah's place in the synagogue service, offers an illuminating discussion of women and the Bible, and provides a study guide as a companion for individual or group Bible study. In the book's centerpiece, Robinson summarizes all fifty-four portions that make up the Torah and gives us a brilliant distillation of two thousand years of biblical commentaries—from the rabbis of the Mishnah and the Talmud to medieval commentators such as Rashi, Maimonides, and ibn Ezra to contemporary scholars such as Nahum Sarna, Nechama Leibowitz, Robert Alter, and Everett Fox. This extraordinary volume—which includes a listing of the Torah reading cycles, a Bible time line, glossaries of terms and biblical commentators, and a bibliography—will stand as the essential sourcebook on the Torah for years to come.

*Torah Through Time* - Shai Cherry 2010-01-01

"This book provides a highly readable, engaging introduction to Jewish biblical interpretation." - Jewish Book World "Cherry has analyzed the biblical commentary of some of the renowned Jewish scholars of the last 2,000 years. The result is a work of excellent scholarship and imagination." - Booklist ?Cherry shows how the Torah functions as literature that is fluid, compelling, and persistently generative of new meanings.? ? Christian Century Every commentator, from the classical rabbi to the modern-day scholar, has brought his or her own worldview, with all of its assumptions, to bear on the reading of holy text. This relationship between the text itself and the reader's interpretation is the

subject of *Torah Through Time*. Shai Cherry traces the development of Jewish Bible commentary through three pivotal periods in Jewish history: the rabbinic, medieval, and modern periods. The result is a fascinating and accessible guide to how some of the world's leading Jewish commentators read the Bible. *Torah Through Time* focuses on specific narrative sections of the Torah: the creation of humanity, the rivalry between Cain and Abel, Korah's rebellion, the claim of the daughters of Zelophehad, and legal matters concerning Hebrew slavery. Cherry closely examines several different commentaries for each of these source texts, and in so doing he analyzes how each commentator resolves questions raised by the texts and asks if and how the commentator's own historical frame of reference -- his own time and place -- contributes to the resolution. A chart at the end of each chapter provides a visual summary that helps the reader understand the many different elements at play.
