LiveCode Mobile Development: Beginner's Guide - Second Edition - Colin Holgate
2015-05-29

The ideal reader for this book would be someone who already knows LiveCode, is interested

in creating mobile apps, and wants to save the many hours it took for me to track down all of the information on how to get started! Chapter 1, LiveCode Fundamentals, will help those of you who know programming

but are not familiar with LiveCode. The knowledge you've acquired should be enough for you to benefit from the remainder of the book.

The Presence Process - Michael Brown 2010

Why is it so difficult to simply be present? The reason is that our deeply suppressed emotional imprints from childhood — which Eckhart Tolle calls “the pain-body” — distract from an awareness of the present moment. We’re not broken and don’t need to be healed but rather, our discomfort needs to be integrated. The Presence Process is a journey that guides readers into taking responsibility for our emotional integration. It is a way to consciously grow up and become responsible for determining the quality of our personal experience. The book teaches readers how to exercise authentic personal responsibility in a practical manner and reveals the mechanics that shape the way they feel about their lives. It offers a simple, practical

approach to accomplishing and maintaining personal peace in the midst of globally accelerating change, discomfort, conflict, and chaos.

[A Newbies Guide to Kindle Kids' Book Creator](#) - Minute Help Minute Help Guides
2014-09-20

So you’ve written an illustrated children's book.

Congratulations! Now you're looking to publish your work on Amazon's Kindle Store.

Congratulations again - Amazon's Kindle Store is the leading provider of ebook content, and publishing your work through Kindle is one of the best ways to be sure it connects with as many young readers as possible. If you're wondering what the back end of all of this interactivity looks like, we regret to say that it's not pretty. We know you've spent months or maybe even years polishing your story and your illustrations, and the prospect of spending even more time coding (or maybe even learning) the HTML and CSS for the Kindle format standards and testing your

work probably sounds like a slog. And it was - until Amazon released its kids' book publishing tool, Kindle Kids' Book Creator. Kindle Kids' Book Creator makes importing and publishing your illustrated children's story on the Kindle Store fast and painless. In this guide, we'll show you how to install and use Kindle Kids' Book Creator to get your work out there for readers to discover and enjoy. We'll walk you through the process of formatting and publishing your children's book using Kindle Kids' Book Creator step by step, with plenty of tips, tricks and screenshots along the way. In Part 1, we'll walk you through the process of downloading the software and give you some insight into file formats and basic navigation. In Part 2 (the main attraction!), we'll show you how to create a Kindle kids' book from start to finish. We'll also discuss how to add base and pop-up text and edit the book's CSS and HTML. Then, in Part 3 we'll give you an overview of publishing your work on the Kindle Store. In

Part 4, we'll show you how to find help if you get stuck. We think you'll find that publishing through Amazon is a snap, and all that time saved will free you up to focus on creating and marketing your work. So without further delay, let's start creating kids' books for Kindle!

What is e-book? - Nicolae Sfetcu 2014-05-10

The e-book guide for publishers: how to publish, EPUB format, ebook readers and suppliers. An electronic book (also e-book, ebook, electronic book, digital book) is a book-length publication in digital form, consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased/borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours, or wait for a delivery. Electronic publishing or ePublishing includes the digital publication

of e-books and electronic articles, and the development of digital libraries and catalogues. EPUB (short for electronic publication; alternatively capitalized as ePub, ePUB, EPub, or epub, with "EPUB" preferred by the vendor) is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work, without the involvement of an established third-party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book. People can easily become authors overnight and earn income from selling online ebooks.

Free-Riders and Rent-Seekers - ARTUR SOARES
2019-01-14

In every country of Europe and America, there is a remarkable fraction of the adult population (sometimes near 50 per cent)

whose needs are met with taxpayers' money. This situation is so common, and we are so used to it that nobody dares to propose an alternative. On the other hand, the State creates unproductive jobs for certain classes of people and makes itself the protector of specific sectors of the economy when companies risk insolvency. We are talking about the transfer of wealth from the people who create it to pure consumers of resources. The later ones we call free-riders. This book treats this matter in connection with the electoral process, the abusive stretching of well-established political concepts, the use of pseudoscience, and the alliance between free-riders and rent-seekers. For sure, it is doubtful that it will be possible to feed such a sizeable inactive population for a long time. However, the author abstains himself of any proposal for a change. His only aim is to explain how we arrived at the present situation and where the foundations of the current equilibrium stay.

The Monist - Paul Carus 1923
Vols. 2 and 5 include
appendices.

Decoding the Kindle - Jim
Cheshire 2008-10-09
This is the eBook version of the
printed book. The revolutionary
Amazon Kindle is getting rave
reviews, but most Kindle users
feel that a far better manual is
needed in order to get the most
out of this extraordinary
device. Introducing *Decoding
the Kindle: A Comprehensive
Guide to Getting the Most Out
of Your Kindle*. Meticulously
researched and painstakingly
written to be the one Kindle
resource you can't live without,
Decoding the Kindle was
written by Jim Cheshire, a
passionate Kindle owner. It is a
thorough guide covering all
aspects of the Kindle. Unlike
many of the other Kindle
resources available, *Decoding
the Kindle* is not a brief article
on the Kindle. It's a
comprehensive e-book
designed to teach you
everything you need to know

about the Amazon Kindle.
Decoding the Kindle was
written for all Kindle users,
even those who have absolutely
no technical expertise and are
inexperienced in using a
computer. Here are just a few
of the many things you'll learn
in this book: · Tips and tricks to
help make your basic Kindle
reading experience more
enjoyable. · Details on where
you can locate free books as
well as tips on how you can
search for hard-to-find free
books. · How you can use free
software to convert books and
edit author name, title, and
other information. · How you
can use your own pictures for
the Kindle screensaver,
including details on what
format of image you should
use, how to convert your
images, and links to free
software you can use for image
manipulation for the Mac and
the PC. · The best ways to take
advantage of the Kindle's built-
in Web browser, including how
to use email, blog readers,
eBay, social networking, and
even manage your Netflix
movie queue. · How to listen to

music while you read. · How to listen to podcasts on your Kindle (and how to make the Kindle automatically remember your current place in your favorite podcast.) · A comprehensive FAQ on the Kindle using carefully researched questions asked by Kindle users. · Innovative ideas on using the Kindle for an information-storage device. · Much, much more! Much of the information available on the Amazon Kindle is actually misinformation. If you want a comprehensive guide with step-by-step, detailed instructions on how to get the most from your Kindle without all the fluff, there's only one clear choice: *Decoding the Kindle: A Comprehensive Guide to Getting the Most Out of Your Kindle*. Spend more time reading what you want and less time trying to figure out the Kindle.

[Learn How to Profit from Kindle](#) - Dale Carnegie
2019-04-15

You too can start to profit from Kindle - this comprehensive guide will show you, its easy

when you know how! As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing has begun its publishing empire with some of the most popular and beloved classic eBooks and Paperbacks. We are extremely dedicated to bringing to the forefront the amazing works of long dead and truly talented authors.

Tiny Buddha's Worry Journal -
Lori Deschene 2018-06-26

A beautifully designed, inviting interactive journal to help you destress, reduce anxiety, and find peace from the founder of the popular online community Tiny Buddha, and author of Tiny Buddha's 365 Tiny Love Challenges and Tiny Buddha's Gratitude Journal. Filled with prompts, quotes, questions for reflection, and coloring and doodle pages, Tiny Buddha's Worry Journal can help you feel calmer and cultivate a more mindful, peaceful spirit every day. In addition to prompts, the journal features three recurring sections: "Let It Go"—identify what is currently creating anxiety in your life and suggestions for working through it; "Plan Ahead"—help to navigate particular situations and devise a plan to approach them in productive ways; "Color and Draw Yourself Calm"—fifteen coloring pages and fifteen doodle pages carefully designed to inspire you to use your own creativity to soothe worries and focus on the moment. Don't let anxiety

control you. Tiny Buddha's Worry Journal lets you carve a little time for yourself every day, and gives you tools to help you improve your mood, focus on the present moment, and kindle your unique creativity.

How We Made Our First Million on Kindle - Bob Mayer
2017-03-04

We sold 347 eBooks in January of 2011. In just six months, by July 2011, we were selling 65,000 eBooks a month. From that modest beginning, by 2011's end, we had sold over 400,000 eBooks. This book will give you the details on how we did that and built a seven-figure indie publishing house in just two years. Whether you have been published by a New York publisher, an independent press, an ePublisher, self-published or considering all of your options, this book contains all the information you need to make an informed decision about your career as an author in today's fast moving digital world. We start out with content and theory, giving you a feel for where the industry has been and where it

is going. We cover the various types of publishing, goal setting and help you find where you fit in the 3 P's (Product, Platform and Promotion). From there we go into the digital process and the nuts and bolts of covers, editing and uploading. Finally we cover pre and post publication strategies. Everything from creating your own unique branding plan, social media and marketing, pricing, understanding the market, metadata and discoverability. All of which is your roadmap to being a successful author regardless of your path to publication. Its a great time to be an author. Lead, follow or get the hell out of the way!

How To Cancel Kindle Unlimited - Nicholas Scott
2020-05-04

Do you want to opt-out of the Kindle Unlimited subscription service to prevent your credit card from being charged a monthly fee of \$9.99? Have you tried every possible way to cancel your subscription but

you still find yourself unable to do it? If so, then read on... If you purchased the Kindle Unlimited subscription and you realized it is not for you or perhaps you mistakenly jumped on the bandwagon without fully understanding what you were getting yourself into, then you need to cancel your subscription right away to avoid your credit card being charged \$9.99 every month. Amazon has a lot of services, so when you attempt to cancel your Kindle Unlimited subscription from your Amazon account, it can be pretty difficult to figure out where to go to cancel your subscription. Nothing is more frustrating than getting lost in the midst of several drop-down menus and confusing online paths in a bid to cancel the Kindle Unlimited service. So, if you have had enough of the monthly charges deducted from your credit card and you are ready to put an end to it in few simple steps, then this book is for you. In this book you will; - Be enlightened on the best possible time to cancel your Kindle Unlimited

subscription as well as what you must know before going ahead to cancel your subscription. - Uncover the step by step instructions and screenshots you need to follow to cancel your subscription in 30 seconds or less either on your PC browser or on your android, iPhone or other devices. ...and much more. To get started, simply scroll to the top of the page and click the "Buy now" button.

Why Did Yahweh and His Son Yahshuah Say What They Said? - Dr. Justin G.

Prock 2020-05-07

YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other

House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

Kindle Fire HD 10 User Manual
- Paul O. Garten 2018-12-10

Many have been under-utilizing their Amazon Kindle Fire HD 10 Tablet. They carry around a great piece of technological creation by Amazon and still plan to buy a similar product. They feel that since the tablet is relatively cheap, it may not give them so much value beyond taking pictures, playing music, watching movies or reading eBooks with it. They are wrong! The Amazon Kindle Fire HD 10 Tablet can do so much apart from the aforementioned few things. You can set it up as a Personal

Computer or a Virtual Assistant via Alexa. It can be a good friend, roommate or office tool. Don't become discouraged when faced with common issues. The fact is that you can fix most of them without mailing Amazon support. Don't panic, no electronic has it all. Inside, you will learn how to fix most common problems that may arise in your course of using the device as well as how to make the most effective use of the Fire HD tablet. It's a complete user guide here to teach you how to master the operation, manipulation and better appreciate your Kindle Fire HD 10 smart device. You can only unravel the true potential of the tablet through a user manual such as this prepared by an IT expert who has gone through and experience the device for what it is. Get all the voice commands you can use with Alexa and learn how to deal with her to respond to your command every time you ask her to do something for you. You can never get it wrong using the Amazon Kindle Fire

HD 10 Tablet. Pick a copy of your favorite Kindle Fire HD user manual today. Kindle Fire Owner's Manual - Steve Weber 2012-07-01
Finally ... a quick, easy reference to using your Kindle Fire - to the max! Amazon's

Kindle Fire is the handiest, best-value digital device available, and is your portal to an infinite universe of education and entertainment. This easy-to-use guide shows you how to get the biggest bang from your Kindle bucks. You'll see how to quickly set up your Kindle, navigate the touchscreen, buy, rent or stream video, and browse the world's largest library of digital books. About the author: Steve Weber has been writing about Amazon.com for a decade. He's the publisher of KindleBuffet.com, a website and newsletter that displays outstanding Kindle books being offered free for a limited time. The site also has bestseller lists of free Kindle books for every Amazon category -- fiction, romance, business, cookbooks - - you name it. **KINDLE FIRE OWNER'S MANUAL** demystifies the Kindle and explains in plain English how to master the basics. And you'll see much more, including secret tips, tricks and shortcuts you won't find elsewhere. Each section includes clearly written

step-by-step instructions, illustrated with screenshots and menus just like you'll see on your own Kindle: -- Changing the settings -- How to charge your Kindle battery and prolong its life -- Enjoy an infinite supply of the best books, music and video from Amazon, iTunes or virtually any other source. -- Using personal documents, including word processing files, PDFs, and spreadsheets. Kindle Manual for Beginners -

Joe Malacina 2018-11-10

The Kindle Manual for Beginners is the complete guide to using the Kindle. This book was made with the beginner in mind, and is great for first-time Kindle users. The book is suitable for the Kindle, Kindle Paperwhite, and Kindle

Oasis. This book teaches you everything you need to know on using the Kindle. It starts out by going over the physical properties of the device, followed by defining some key terms that every Kindle user needs to know. Then the book goes into instruction mode, teaching you all the basics including: creating and using your Amazon account on your Kindle, finding and downloading books from the Kindle Store, reading books on your Kindle, using Goodreads, getting free books, connecting your Kindle to social media, personalizing your Kindle, securing your Kindle, tips and tricks, and much more. This will be the only guide for your Kindle that you will ever need. You can read it in one sitting, and keep it handy as a reference manual. By the time you are finished with it, you will be a pro at using your Kindle. You will never have to struggle with your Kindle again, and will be confident using the device.

Conversations with Silence -

Sally Longley 2021-01-08
Silence--scary, inviting, or both? What do you do with silence? And what if silence was a language we could learn to read, hear, and even speak? This book invites you to tune the eyes and ears of your heart to the cadences of silence. Enter into conversations with silence as you are taken on an odyssey. Venture into the Australian bush. Trek deep into the red desert. Encounter shadows and desert dwellers. You will also delve into the tiny houses of everyday silences and receive their gifts of hospitality. And stumbling into that other territory, where silence becomes a death threat, or survival, an orchard can show you the fruit of life

beginning again. *Conversations with Silence* takes you to the Rosetta Stone of an ancient, forgotten language, a language some have called God, or the soul. Immerse yourself in the silent realm of mystics, musicians, poets, and pilgrims of every path. These are our companions, as we explore the nuanced vocabulary of the worlds of silences and join in the conversation with a new voice.

Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life - D.E. Hardesty
2015-04-25

Learn to find the happiness that is natural to you, and enjoy better relationships, better health, more success and a longer life. The peculiar thing about us humans is, we spend a lot of time working to find people and things that will make us happy. In fact, we seem to spend the majority of our time doing this. However, there is no guarantee that any of this effort will work. There

are lots of people who have hordes of people around them, and who have lots of things, but have been unable to make themselves happy. The truth is, happiness can be had with little effort. Have you ever been happy for no reason at all? Of course you have. Without anything changing in life, happiness just appears. We see it in young children all the time. In fact, we expect to see it in children. If you happen to ask a smiling child why he or she is so happy, at best the answer may be, "Because." For an adult this may be an unsatisfying answer, but for the child it is the truth -- happiness exists "just because." As we age we seem to lose touch with happiness-for-no-reason-at-all. We see a world where everyone is striving for stuff, striving for popularity, striving, striving, striving. The natural fount of happiness we once enjoyed disappears as we join them. However, that happiness is not gone. All that happened is we lost our connection to it. This book is about recovering that

connection. We all grow up believing that if we work hard, and if we are good people, we will enjoy good relationships with others, good health, success and a long life. Obviously this is not true. There are a lot of rich old people who are not happy. What we have, what we do, and the other circumstances of our lives do not provide authentic happiness. Instead, happiness comes from inside of us, and all by itself enables us to have secure relationships, good health, more success and longer lives. So, what is the secret of being happy? Being happy is a little like flipping a switch. When it's on you are happy and when it's off you are not. It's so easy. How else can you explain being happy for no reason. What you need to do is learn to turn it on, and keep it turned on. This book discusses seven practices that help you do that. There is a lot of wisdom available about how to be happy. Most of it is thousands of years old, but some is quite new. The seven practices we will look at

incorporate this wisdom to help you learn how to turn on happiness in your life. This kind of happiness does not require changing anything in your life. All you have to do is learn to turn it on.

Connie Willis's Science Fiction - Carissa Turner Smith
2022-10-31

In spite of Connie Willis's numerous science fiction awards and her groundbreaking history as a woman in the field, there is a surprising dearth of critical publication surrounding her work. Taking *Doomsday Book* as its cue, this collection

argues that Connie Willis's most famous novel, along with the rest of her oeuvre, performs science fiction's task of cognitive estrangement by highlighting our human inability to read the times correctly—and yet also affirming the ethical imperative to attempt to truly observe and record our temporal location. Willis's fiction emphasizes that doomsdays happen every day, and they risk being forgotten by some, even as their trauma repeats for others. However, disasters also have the potential to upend accepted knowledge and transform the social order for the better, and this collection considers the ways that Willis pairs comic and tragic modes to reflect these uncertainties.
