The New York Times Book Review - The New York Times 2021-11-02
A “delightful” (Vanity Fair) collection from the longest-running, most influential book review in America, featuring its best, funniest, strangest, and most memorable coverage over the past 125 years. Since its first issue on October 10, 1896, The New York Times Book Review has brought the world of ideas to the reading public. It is the publication where

authors have been made, and where readers first encountered the classics that have enriched their lives. Now the editors have curated the Book Review’s dynamic 125-year history, which is essentially the story of modern American letters. Brimming with remarkable reportage and photography, this beautiful book collects interesting reviews, never-before-heard anecdotes about famous writers, and spicy letter

exchanges. Here are the first takes on novels we now consider masterpieces, including a long-forgotten pan of Anne of Green Gables and a rave of Mrs. Dalloway, along with reviews and essays by Langston Hughes, Eudora Welty, James Baldwin, Nora Ephron, and more. With scores of stunning vintage photographs, many of them sourced from the Times's own archive, readers will discover how literary tastes have shifted through the years—and how the Book Review's coverage has shaped so much of what we read today.

The Crane Wife - Patrick Ness
2014-01-23

A magical novel, based on a Japanese folk tale, that imagines how the life of a broken-hearted man is transformed when he rescues an injured white crane that has landed in his backyard. George Duncan is an American living and working in London. At forty-eight, he owns a small print shop, is divorced, and lonelier than he realizes. All of the women with whom he has

relationships eventually leave him for being too nice. But one night he is woken by an astonishing sound—a terrific keening, which is coming from somewhere in his garden. When he investigates he finds a great white crane, a bird taller than even himself. It has been shot through the wing with an arrow. Moved more than he can say, George struggles to take out the arrow from the bird's wing, saving its life before it flies away into the night sky. The next morning, a shaken George tries to go about his daily life, retreating to the back of his store and making cuttings from discarded books—a harmless, personal hobby—when through the front door of the shop a woman walks in. Her name is Kumiko, and she asks George to help her with her own artwork. George is dumbstruck by her beauty and her enigmatic nature, and begins to fall desperately in love with her. She seems to hold the potential to change his entire life, if he could only get her to reveal the secret of who she is

and why she has brought her artwork to him. Witty, magical, and romantic, *The Crane Wife* is a story of passion and sacrifice, that resonates on the level of dream and myth. It is a novel that celebrates the creative imagination, and the disruptive power of love.

A Madman Dreams of Turing Machines - Janna Levin

2009-02-19

Kurt Gödel's Incompleteness Theorems sent shivers through Vienna's intellectual circles and directly challenged Ludwig Wittgenstein's dominant philosophy. Alan Turing's mathematical genius helped him break the Nazi Enigma Code during WWII. Though they never met, their lives strangely mirrored one another—both were brilliant, and both met with tragic ends. Here, a mysterious narrator intertwines these parallel lives into a double helix of genius and anguish, wonderfully capturing not only two radiant, fragile minds but also the zeitgeist of the era.

A Tale for the Time Being - Ruth Ozeki 2013-12-31

A brilliant, unforgettable novel from bestselling author Ruth Ozeki—shortlisted for the Booker Prize and the National Book Critics Circle Award “A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be.” In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply

engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

Elizabeth Is Missing - Emma Healey 2014-06-10

HOW DO YOU SOLVE A MYSTERY WHEN YOU CAN'T REMEMBER THE CLUES? In this darkly riveting debut novel—a sophisticated psychological mystery that is also an heartbreakingly honest meditation on memory, identity, and aging—an elderly woman descending into dementia embarks on a desperate quest to find the best friend she believes has disappeared, and her search for the truth will go back decades and have shattering consequences. Maud, an aging grandmother, is slowly losing her memory—and her grip on everyday life. Yet she refuses to forget her best friend Elizabeth, whom she is convinced is missing and in

terrible danger. But no one will listen to Maud—not her frustrated daughter, Helen, not her caretakers, not the police, and especially not Elizabeth's mercurial son, Peter. Armed with handwritten notes she leaves for herself and an overwhelming feeling that Elizabeth needs her help, Maud resolves to discover the truth and save her beloved friend. This singular obsession forms a cornerstone of Maud's rapidly dissolving present. But the clues she discovers seem only to lead her deeper into her past, to another unsolved disappearance: her sister, Sukey, who vanished shortly after World War II. As vivid memories of a tragedy that occurred more fifty years ago come flooding back, Maud discovers new momentum in her search for her friend. Could the mystery of Sukey's disappearance hold the key to finding Elizabeth?

[How Late It Was How Late](#) - James Kelman 2012-09-30
WINNER OF 1994 THE BOOKER PRIZE. Sammy's had a bad week. Most of it's just a

blank space in his mind, and the bits that he can remember, he'd rather not. His wallet's gone, along with his new shoes, he's been arrested then beaten up by the police and thrown out on the street - and he's just gone blind. He remembers a row with his girlfriend, but she seems to have disappeared; and he might have been trying to fix a bit of business up with an old mate, he's not too sure. Things aren't looking too good for Sammy and his problems have hardly begun. 'A passionate, scintillating, brilliant song of a book'

Guardian

It Ends with Us - Colleen

Hoover 2020-07-28

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never

stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened.

An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Failure is the all too true story

of an immigrant family betting

its future on America, as told

by a lifelong misfit who finally

finds a place for himself in the world through books and words. In 1979, a little boy dragging a ginormous fur hat and an overcoat made from the skin of some Soviet woodland creature steps off the plane at New York’s JFK International Airport and into his new American life. His troubles are just beginning. For the former Igor Shteyngart, coming to the United States from the Soviet Union is like stumbling off a monochromatic cliff and landing in a pool of Technicolor. Careening between his Soviet home life and his American aspirations, he finds himself living in two contradictory worlds, wishing for a real home in one. He becomes so strange to his parents that his mother stops bickering with his father long enough to coin the phrase *failurchka*—“little failure”—which she applies to her once-promising son. With affection. Mostly. From the terrors of Hebrew School to a crash course in first love to a return visit to the homeland that is no longer home, Gary

Shteyngart has crafted a ruthlessly brave and funny memoir of searching for every kind of love—family, romantic, and of the self. BONUS: This edition includes a reading group guide. Praise for *Little Failure* “Hilarious and moving . . . The army of readers who love Gary Shteyngart is about to get bigger.”—The New York Times Book Review “A memoir for the ages . . . brilliant and unflinching.”—Mary Karr “Dazzling . . . a rich, nuanced memoir . . . It’s an immigrant story, a coming-of-age story, a becoming-a-writer story, and a becoming-a-mensch story, and in all these ways it is, unambivalently, a success.”—Meg Wolitzer, NPR “Literary gold . . . [a] bruisingly funny memoir.”—Vogue “A giant success.”—Entertainment Weekly

[My Year of Meats](#) - Ruth Ozeki
2013-03-07

When documentary maker Jane Takagi-Little finally lands a job producing a Japanese television show that just happens to be sponsored by an American meat-exporting business, she

uncovers some unsavoury truths about love, fertility, and a dangerous hormone called DES. Soon she will also cross paths with Akiko Ueno, a beleaguered Japanese housewife struggling to escape her overbearing husband. And the battle with 'big beef' will be on in earnest. Ruth Ozeki's much-loved debut novel, winner of the Kirayama Prize for Literature of the Pacific Rim, represents the entertaining face of ecological activism. It will delight fans of Michael Pollan, Margaret Atwood and Barbara Kingsolver. Ruth Ozeki was born and raised in Connecticut by an American father and a Japanese mother. She has lived in Japan, where among other things she worked as a bar hostess and studied flower arrangement, Noh drama and mask carving. Ruth practises Zen Buddhism and was ordained as a priest in 2010. She is the bestselling author of *A Tale for the Time Being* and *All Over Creation*.

Training in Compassion -

Norman Fischer 2013-01-08

Lojong is the Tibetan Buddhist practice that involves working with short phrases (called "slogans") as a way of generating bodhichitta, the heart and mind of enlightened compassion. Though the practice is more than a millennium old, it has become popular in the West only in the last twenty years or so—and it has become very popular indeed, because it's a practice

that one can fit very well into an ordinary life, and because it works. Through the influence of Pema Chödrön, who was one of the first American Buddhist teachers to teach it extensively, the practice has moved out of its Buddhist context to affect the lives of non-Buddhists too. It's in this spirit that Norman Fischer offers his commentary on the lojong slogans. He applies Zen wisdom to them, showing how well they fit in that related tradition, but he also sets the slogans in the context of resonant practices throughout the spiritual traditions. He shows lojong to be a wonderful method for everyone, including those who aren't otherwise interested in Buddhism, who don't have the time or inclination to meditate, or who'd just like to morph into the kind of person who's focused rather than scattered, generous rather than stingy, and kind rather than thoughtless.

What Is Zen? - Norman Fischer 2016-02-09

This unique introduction to Zen teaching and practice takes the remarkably accessible form of question-and-answer—making it a most useful reference for looking things up. But whether you're a neophyte or a seasoned practitioner, you'll want to read the whole thing. The questioner (Susan Moon) and the answerer (Norman Fischer) are old friends, each with a unique gift for articulation, and their friendly conversation covers not only the basics but a range of issues unique to Zen in America in the twenty-first century, including:

- What is zazen and how do you do it?
- Where did Zen start and where did it come from?
- Will I have an enlightenment experience?
- What is the law of karma in a nutshell?
- What do Zen Buddhists say about rebirth?
- How do you recognize a good, solid Zen teacher?

A Tale for the Time Being - Ruth Ozeki 2013-03-12

A brilliant, unforgettable novel

from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness* Finalist for the Booker Prize and the National Book Critics Circle Award “A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be.” In Tokyo, sixteen-year-old Nao has decided there’s only one escape from her aching loneliness and her classmates’ bullying. The Curious Incident of the Dog in the Night-Time - Mark Haddon 2009-02-24

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little

meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that

is great fun to read.

A Tale of Time City - Diana

Wynne Jones 2012-04-12

A thrilling story by the legendary Diana Wynne Jones—with an introduction by Ursula K. Le Guin. London, 1939. Vivian Smith thinks she is being evacuated to the countryside, because of the war. But she is being kidnapped - out of her own time. Her kidnappers are Jonathan and Sam, two boys her own age, from a place called Time City, designed especially to oversee history. But now history is going critical, and Jonathan and Sam are convinced that Time City's impending doom can only be averted by a twentieth-century girl named Vivian Smith. Too bad they have the wrong girl. .

All Over Creation - Ruth

Ozeki 2004-03-30

A warm and witty saga about agribusiness, environmental activism, and community—from the celebrated author of *The Book of Form and Emptiness* and *A Tale for the Time Being*. Yumi Fuller hasn't set foot in her hometown of Liberty Falls, Idaho—heart of the potato-farming industry—since she ran away at age fifteen.

Twenty-five years later, the prodigal daughter returns to confront her dying parents, her best friend, and her conflicted past, and finds herself caught up in an altogether new drama. The post-millennial farming community has been invaded by Agribusiness forces at war with a posse of activists, the Seeds of Resistance, who travel the country in a camping car, "The Spudnick," biofueled by pilfered McDonald's french-fry oil. Following her widely hailed, award-winning debut novel, *My Year of Meats*, Ruth Ozeki returns here to deliver a quirky cast of characters and a

wickedly humorous appreciation of the foibles of corporate life, globalization, political resistance, youth culture, and aging baby boomers. *All Over Creation* tells a celebratory tale of the beauty of seeds, roots, and growth—and the capacity for renewal that resides within us all.

The Lost Art of Reading -
David L. Ulin 2010-06-01

Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an

increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and it's seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's own. Are we willing to risk our collective interest in contemplation, nuanced thinking, and empathy? Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, to pages.

Love of Mountains - Uno Koji
1997-06-01

Uno Koji, a literary figure of the first rank in twentieth-century Japan, was a maverick who defied literary conventions by combining the playfulness and stylistic verve of pre-Meiji literature with the often tortured self-reflection of modern fiction. Elaine Gerbert's startlingly evocative and graceful translation is

preceded by an interpretive introduction that places Uno's writing in critical perspective. Here at last is a translation that makes accessible for the first time in English two of the most representative works of this acute, eccentric, and always entertaining author, whose versatility and deft control of language earned him a reputation as one of the great stylists of modern Japanese literature.

Good Talk - Mira Jacob
2020-03-24

NATIONAL BESTSELLER • A “beautiful and eye-opening” (Jacqueline Woodson), “hilarious and heart-rending” (Celeste Ng) graphic memoir about American identity, interracial families, and the realities that divide us, from the acclaimed author of *The Sleepwalker’s Guide to Dancing*. ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The New York Public Library, Publishers Weekly • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, BuzzFeed, Esquire,

Literary Journal, Kirkus Reviews “How brown is too brown?” “Can Indians be racist?” “What does real love between really different people look like?” Like many six-year-olds, Mira Jacob’s half-Jewish, half-Indian son, Z, has questions about everything. At first they are innocuous enough, but as tensions from the 2016 election spread from the media into his own family, they become much, much more complicated. Trying to answer him honestly, Mira has to think back to where she’s gotten her own answers: her most formative conversations about race, color, sexuality, and, of course, love. Written with humor and vulnerability, this deeply relatable graphic memoir is a love letter to the art of conversation—and to the hope that hovers in our most difficult questions.

[A Tale for the Time Being](#) - Ruth Ozeki 2013-03-07
Winner of the UK Independent Bookseller Award and the LA Times Book Prize for Fiction, 2013. Nao lives in Tokyo. She is sixteen, and has decided to write a diary before she kills herself. She has plenty of material - school bullies, depressed parents - but she particularly wants to chronicle the life of her great-grandmother, Jiko, a Buddhist nun. And eventually, Nao thinks, her diary will find its reader. Ruth lives with her husband on the Pacific coast of Canada. A few months after the 2010 tsunami she finds a Hello

Ruth practises Zen Buddhism and was ordained as a priest in 2010. She is the bestselling author of *My Year of Meats* and *All Over Creation*. 'A Tale for the Time Being is a timeless story. Ruth Ozeki beautifully renders not only the devastation of the collision between man and the natural world, but also the often miraculous results of it. She is a deeply intelligent and humane writer who offers her insight with a grace that beguiles. I truly love this novel.' Alice Sebold 'A Tale for the Time Being is an extraordinary novel about a courageous young woman, riven by loneliness, by Time and (ultimately) by Tsunami. Nao is an inspired narrator and her quest to tell her great

grandmother's story, to connect with her past, with the world is both aching and true. Ozeki is one of my favorite novelists and here she is at her absolute best - bewitching intelligent hilarious and heartbreaking, often on the same page...A Tale for the Time Being is one of those novels that will renew your faith in literature.' Junot Diaz 'Ingenious and touching, A Tale for the Time Being is also highly readable. And interesting: the contrast of cultures is especially well done. I greatly look forward to Ruth Ozeki's next book.' Philip Pullman 'A Tale for the Time Being is equal parts mystery and meditation. The mystery is a compulsive, gritty page-turner. The meditation-on time and memory, on the oceanic movement of history, on impermanence and uncertainty, but also resilience and bravery-is deep and gorgeous and wise. A completely satisfying, continually surprising, wholly remarkable achievement, this is a book to be read and

Pinocchio, the Tale of a Puppet
- Carlo Collodi 2011-02

Pinocchio, The Tale of a Puppet
follows the adventures of a
talking wooden puppet whose
nose grew longer whenever he
told a lie and who wanted more
than anything else to become a
real boy. As carpenter Master
Antonio begins to carve a block
of pinewood into a leg for his
table the log shouts out, "Don't
strike me too hard!"

Frightened by the talking log,
Master Cherry does not know
what to do until his neighbor
Geppetto drops by looking for a
piece of wood to build a
marionette. Antonio gives the
block to Geppetto. And thus
begins the life of Pinocchio, the
puppet that turns into a
boy. *Pinocchio, The Tale of a
Puppet* is a novel for children

by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

A Map of the World - Jane Hamilton 2010-12-15
Pen/Hemingway Award-winning novelist Jane Hamilton follows up her first success, *The Book Of Ruth*, with this spectacularly haunting drama about a rural American family and a disastrous event that forever changes their lives. The Goodwins, Howard, Alice, and their little girls, Emma and Claire, live on a dairy farm in Wisconsin. Although suspiciously regarded by their neighbors as "that hippie couple" because of their well-educated, urban background, Howard and Alice believe they have found a source of

emotional strength in the farm, he tending the barn while Alice works as a nurse in the local elementary school. But their peaceful life is shattered one day when a neighbor's two-year-old daughter drowns in the Goodwins' pond while under Alice's care. Tormented by the accident, Alice descends even further into darkness when she is accused of sexually abusing a student at the elementary school. Soon, Alice is arrested, incarcerated, and as good as convicted in the eyes of a suspicious community. As a child, Alice designed her own map of the world to find her bearings. Now, as an adult, she must find her way again, through a maze of lies, doubt and ill will. A vivid human drama of guilt and betrayal, *A Map of the World* chronicles the intricate geographies of the human heart and all its mysterious, uncharted terrain. The result is a piercing drama about family bonds and a disappearing rural American life.

A lyrical and deeply affecting novel recounting the seven days a father spends on the road with his daughter after kidnapping her during a parental visit. Attending a New England summer camp, young Eric Schroder—a first-generation East German immigrant—adopts the last name Kennedy to more easily fit in, a fateful white lie that will set him on an improbable and ultimately tragic course. SCHRODER relates the story of Eric's urgent escape years later to Lake Champlain, Vermont, with his six-year-old daughter, Meadow, in an attempt to outrun the authorities amid a heated custody battle with his wife, who will soon discover that her husband is not who he says he is. From a correctional facility, Eric surveys the course of his life to understand—and maybe even explain—his behavior: the painful separation from his mother in childhood; a harrowing escape to America with his taciturn father; a romance that withered under a shadow of lies; and his proudest moments

and greatest regrets as a flawed but loving father. Alternately lovesick and ecstatic, Amity Gaige's deftly imagined novel offers a profound meditation on history and fatherhood, and the many identities we take on in our lives—those we are born with and those we construct for ourselves.

The Samurai's Garden - Gail Tsukiyama 2008-06-24

The daughter of a Chinese mother and a Japanese father, Gail Tsukiyama's *The Samurai's Garden* uses the Japanese invasion of China during the late 1930s as a somber backdrop for this extraordinary story. A 20-year-old Chinese painter named Stephen is sent to his family's summer home in a Japanese coastal village to recover from a bout with tuberculosis. Here he is cared for by Matsu, a reticent housekeeper and a master gardener. Over the course of a remarkable year, Stephen learns Matsu's secret and gains not only physical strength, but also profound spiritual insight. Matsu is a

samurai of the soul, a man devoted to doing good and finding beauty in a cruel and arbitrary world, and Stephen is a noble student, learning to appreciate Matsu's generous and nurturing way of life and to love Matsu's soulmate, gentle Sachi, a woman afflicted with leprosy.

Glocal Narratives of

Resilience - Ana María Fraile-Marcos 2019-12-20

Resilience discourse has recently become a global phenomenon, infiltrating the natural and social sciences, but has rarely been undertaken as an important object of study within the field of the humanities. Understanding narrative in its broad sense as the representation in art of an event or story, *Glocal Narratives of Resilience* investigates the contemporary approaches to resilience through the analyses of cultural narratives that engage aesthetically and ideologically in (re)shaping the notion of resilience, going beyond the scales of the personal and the local to consider the

entanglement of the regional, national and global aspects embedded in the production of crises and the resulting call for resilience. After an introductory survey of the state of the art in resilience thinking, the book grounds its analyses of a wide range of narratives from the American continent, Europe, and India in various theoretical strands, spanning Psycho-social Resilience, Socio-Ecological Resilience, Subaltern Resilience, Indigenous survivance and resurgence, Neoliberal Resilience, and Compromised Resilience thinking, among others, thus opening the path toward the articulation of a cultural narratology of resilience.

The Book of Form and Emptiness - Ruth Ozeki
2021-09-21

Winner of the Women's Prize for Fiction "No one writes like Ruth Ozeki—a triumph."
—Matt Haig, New York Times bestselling author of *The Midnight Library* "Inventive, vivid, and propelled by a sense of wonder." —TIME "If you've

lost your way with fiction over the last year or two, let *The Book of Form and Emptiness* light your way home.” —David Mitchell, Booker Prize-finalist author of *Cloud Atlas* A boy who hears the voices of objects all around him; a mother drowning in her possessions; and a Book that might hold the secret to saving them both—the brilliantly inventive new novel from the Booker Prize-finalist Ruth Ozeki One year after the death of his beloved musician father, thirteen-year-old Benny Oh begins to hear voices. The voices belong to the things in his house—a sneaker, a broken Christmas ornament, a piece of wilted lettuce. Although Benny doesn't understand what these things are saying, he can sense their emotional tone; some are pleasant, a gentle hum or coo, but others are snide, angry and full of pain. When his mother, Annabelle, develops a hoarding problem, the voices grow more clamorous. At first, Benny tries to ignore them, but soon the voices follow him outside the house, onto the street and at

school, driving him at last to seek refuge in the silence of a large public library, where objects are well-behaved and know to speak in whispers. There, Benny discovers a strange new world. He falls in love with a mesmerizing street artist with a smug pet ferret, who uses the library as her performance space. He meets a homeless philosopher-poet, who encourages him to ask important questions and find his own voice amongst the many. And he meets his very own Book—a talking thing—who narrates Benny's life and teaches him to listen to the things that truly matter. With its blend of sympathetic characters, riveting plot, and vibrant engagement with everything from jazz, to climate change, to our attachment to material possessions, *The Book of Form and Emptiness* is classic Ruth Ozeki—bold, wise, poignant, playful, humane and heartbreaking.

The Tiger in the House -

Jacqueline Sheehan 2017-02-28

The case of a lost little girl forces a child services worker to confront her own past in the New York Times bestselling author's "compelling page-turner" (Publishers Weekly).

Though she loves her job at Portland, Maine's child services agency, Delia Lamont is feeling burned out. In fact, it's gotten bad enough that she's ready to leave the job and start a seaside bakery with her

sister. But then a call comes in: a five-year-old girl has been found at the side of the road. The girl reveals that her first name is Hayley, but little more. The only clues to her family lead to a shadowy web of danger that reaches unsettlingly close to Delia's own life. As she seeks to discover where Hayley belongs, Delia is forced to reexamine her own painful history. With no guide but her own flawed instincts, Delia must decide how deeply she can afford to venture into Hayley's case as it threatens to lead her into dark corners of her own soul. "The Tiger in the House is teeming with excitement and heart-stirring emotion. A natural storyteller, Sheehan will draw you in with her finely crafted characters and hold you tight until the very end." —Heather Gudenkauf

readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Last Brother - Nathacha Appanah 2011-10-25

In The Last Brother by Nathacha Appanah, 1944 is

coming to a close and nine-year-old Raj is unaware of the war devastating the rest of the world. He lives in Mauritius, a remote island in the Indian Ocean, where survival is a daily struggle for his family. When a brutal beating lands Raj in the hospital of the prison camp where his father is a guard, he meets a mysterious boy his own age. David is a refugee, one of a group of Jewish exiles whose harrowing journey took them from Nazi occupied Europe to Palestine, where they were refused entry and sent on to indefinite detainment in Mauritius. A massive storm on the island leads to a breach of security at the camp, and David escapes, with Raj's help. After a few days spent hiding from Raj's cruel father, the two young boys flee into the forest. Danger, hunger, and malaria turn what at first seems like an adventure to Raj into an increasingly desperate mission. This unforgettable and deeply moving novel sheds light on a fascinating and unexplored corner of World War II history,

and establishes Nathacha Appanah as a significant international voice.
