The Sales Acceleration Formula - Mark Roberge
2015-02-24

Use data, technology, and inbound selling to build a remarkable team and accelerate sales. The Sales Acceleration Formula provides a scalable, predictable approach to growing revenue and building a winning sales team. Everyone wants to build the next \$100 million business and author Mark Roberge has actually done it using a unique methodology that he shares with his readers. As an MIT alum with an engineering background, Roberge challenged the conventional methods of scaling sales utilizing the metrics-driven, process-oriented lens through which he was trained to see the world. In this book, he reveals his formulas for success. Readers will learn how to apply data, technology, and inbound selling to every aspect of accelerating sales, including hiring, training, managing, and generating demand. As SVP of Worldwide Sales and Services for software company HubSpot, Mark led hundreds of his

employees to the acquisition and retention of the company's first 10,000 customers across more than 60 countries. This book outlines his approach and provides an action plan for others to replicate his success, including the following key elements: Hire the same successful salesperson every time — The Sales Hiring Formula Train every salesperson in the same manner — The Sales Training Formula Hold salespeople accountable to the same sales process — The Sales Management Formula Provide salespeople with the same quality and quantity of leads every month — The Demand Generation Formula Leverage technology to enable better buying for customers and faster selling for salespeople Business owners, sales executives, and investors are all looking to turn their brilliant ideas into the next \$100 million revenue business. Often, the biggest challenge they face is the task of scaling sales. They crave a blueprint for success, but fail to find it because sales has traditionally been referred to as an art

form, rather than a science. You can't major in sales in college. Many people question whether sales can even be taught. Executives and entrepreneurs are often left feeling helpless and hopeless. The Sales Acceleration Formula completely alters this paradigm. In today's digital world, in which every action is logged and masses of data sit at our fingertips, building a sales team no longer needs to be an art form. There is a process. Sales can be predictable. A formula does exist.

Organizational Physics - The Science of Growing a Business - Lex Sisney 2013-03-01
There are hidden laws at work in every aspect of your business. Understand them, and you can create extraordinary growth. Ignore them, and you run the risk of becoming another statistic. It's become almost cliché: 8 out of every 10 new ventures fail. Of the ones that succeed, how many truly thrive-for the long run? And of those that thrive, how many continually overcome their growth hurdles ... and ultimately scale,

with meaning, purpose, and profitability? The answer, sadly, is not many. Author Lex Sisney is on a mission to change that picture. After more than a decade spent leading and coaching high-growth technology companies, Lex discovered that the companies that thrive do so in accordance with 6 Laws - universal principles that govern the success or failure of every individual, team, and organization.

Inbound Selling - Brian Signorelli 2018-04-16
Change the way you think about sales to sell more, and sell better. Over the past decade, Inbound Marketing has changed the way companies earn buyers' trust and build their brands - through meaningful, helpful content. But with that change comes unprecedented access to information in a few quick keystrokes. Enter the age of the empowered buyer, one who no longer has to rely on a sales rep to research their challenges or learn more about how a company's offering might fit their needs. Now, with more than 60% of purchasing decisions

made in the absence of a sales rep, the role of the rep itself has been called into question. With no end in sight to this trend, sales professionals and the managers who lead them must transform both the way they think about selling and how they go about executing their sales playbook. Expert author and HubSpot Sales Director, Brian Signorelli has viewed the sales paradigm shift from the inside—his unique insights perfectly describe the steps sales professionals must take to meet the needs of the empowered customer. In this book, readers will learn: How inbound sales grew out of inbound marketing concepts and practices A step-by-step approach for sales professionals to become inbound sellers What it really means to be a frontline sales manager who leads a team of inbound sellers The role executive leadership plays in affecting an inbound sales transformation For front-line seller, sales manager, executives, and other sales professionals, *Inbound Selling* is the complete

resource to help your business thrive in the age of the empowered buyer.

The Self-Evolved Leader - Dave McKeown
2020-01-28

A practical guide to help executives and managers at all levels adopt a new way of leading in our fast-moving world. In this easy-to-read yet impactful book, leadership expert Dave McKeown dispels many of the leadership mindsets and approaches that are no longer effective in our organizations. In their place, he provides a compelling case for a new kind of leadership focused on achieving the team's common goals and, in doing so, helping them become the best versions of themselves. McKeown outlines the three key steps to help make the transition from Heroic Leadership to Self-Evolved Leadership, and concludes with a comprehensive 15-week program designed to help you evolve your leadership style with the kind of flexible, adaptable best practices that work to deliver results, company-wide. This book

is ideal for any leader looking to: Stop working in the weeds and think more strategically Build empowerment deep in their team Free up their headspace to be more creative Deliver lasting results for their team and organization

Corporate Turnaround - Donald B. Bibeault
1998

From Impossible To Inevitable - Aaron Ross
2016-02-08

Impossible Goals, Inevitable Successes Why are you struggling to grow your business when everyone else seems to be crushing their goals? If you needed to triple revenue within the next three years, would you know exactly how to do it? Doubling the size of your business, tripling it, even growing ten times larger isn't about magic. It's not about privileges, luck, or working harder. There's a template that the world's fastest growing companies follow to achieve and sustain much, much faster growth. From Impossible to Inevitable details the hypergrowth

playbook of companies like the record-breaking Zenefits (which skyrocketed from \$1 million to \$100 million in two years), Salesforce.com (the fastest growing multibillion dollar software company), and EchoSign—aka Adobe Document Services—which catapulted from \$0 to \$144 million in seven years). Whether you have a \$1 billion or a \$100,000 business, you can use the same insights as these notable companies to learn what it really takes to break your own revenue records. For instance, one of the authors shows how he grew his income from \$67,000 to \$720,000 in four years while maintaining a 20-30 hour work week and welcoming a new child—nine times. This book shows you how to surpass plateaus and get off of the up-and-down revenue rollercoaster by answering three questions about growing revenue to tens times its size: Why aren't you growing faster? What does it take to get to hypergrowth? How do you sustain growth? This powerful, effective book provides a template for

you to kick off your biggest growth spurt yet. This template includes The 7 Ingredients Of Hypergrowth: You're not ready to grow until you Nail a Niche. Overnight success is a fairy tale. You're not going to be magically discovered. You need sustainable systems that Create Predictable Pipeline. Growth exposes your weaknesses and it will cause more problems than it solves—until you Make Sales Scalable. It's hard to build a big business out of small deals. Figure out how to Double Your Dealsize. It'll take years longer than you want, but don't quit too soon. Make sure you can Do the Time. Your people are renting, not owning their jobs. Develop a culture of initiative, not adequacy by Embracing Employee Ownership. Employees, you are too accepting of "reality" and too eager to quit. You can Define Your Destiny to make a difference, for yourself and your company, no matter what you do or where you work. The authors take each ingredient and break it down into specific steps to guide you through

implementation. From Impossible to Inevitable helps you take impossible goals and turn them into inevitable successes for your business and team. You will achieve success even bigger than you can imagine from where you're sitting today. **Scaling the Revenue Engine** - Tom Mohr 2018 Tom Mohr's book, *Scaling the Revenue Engine*, has already garnered over 12,000 online readers. This is the book author Geoffrey Moore (*Crossing the Chasm*) has challenged execs to read ("You really want to read this..."). Same with Tien Tzuo, the CEO of Zuora ("...read this book"). So too with Victor Ho, CEO of FiveStars ("...the most complete resource on driving real growth I've ever seen."). And many more. In *Scaling the Revenue Engine*, the revenue engine is seen as a whole system, bounded by unit economics. It stretches beyond marketing and sales to also incorporate product, technology, and even accounting. At every stage of revenue engine growth, you uplift maturity by leveraging your deployment of people, tools, workflows and

metrics-- always working outward from a clear understanding of customer value.

Traction - Justin Mares 2014-08-26

Most startups end in failure. Almost every failed startup has a product. What failed startups don't have are enough customers. Traction Book changes that. We provide startup founders and employees with the framework successful companies use to get traction. It helps you determine which marketing channel will be your key to growth. "If you can get even a single distribution channel to work, you have a great business." -- Peter Thiel, billionaire PayPal founder The number one traction mistake

founders and employees make is not dedicating as much time to traction as they do to developing a product. This shortsighted approach has startups trying random tactics -- some ads, a blog post or two -- in an unstructured way that will likely fail. We developed our traction framework called Bullseye with the help of the founders behind several of the biggest companies and organizations in the world like Jimmy Wales (Wikipedia), Alexis Ohanian (Reddit), Paul English (Kayak.com), Alex Pachikov (Evernote) and more. We interviewed over forty successful founders and researched countless more traction stories -- pulling out the repeatable tactics and strategies they used to get traction. "Many entrepreneurs who build great products simply don't have a good distribution strategy." -- Mark Andreessen, venture capitalist Traction will show you how some of the biggest internet companies have grown, and give you the same tools and framework to get traction.

Eliminate Your Competition - Sean O'Shaughnessey 2018-05-14

Most salespeople lose the deal before they ever get started! It isn't uncommon for the customer to have already made a decision before most salespeople even learn of the opportunity. Most salespeople have to beat the preferred competitor by a significant margin just to be considered equivalent. Don't you wish that you could be the preferred vendor in all of your opportunities? Selling is a difficult career in which to make a living; it is not uncommon to have the commission check denied before the salesperson even gets a chance to win. Analysis of thousands of sales situations has made it phenomenally obvious that most salespeople begin their sales campaign so late in the decision-making process that they are virtually guaranteed to lose the order. To make matters worse, when they do start the campaign early enough, most salespeople do not know how to control the prospect adequately so that they can

guarantee their victory. Typical turnover for a sales department is 10-20%. Many companies see turnover that approaches 40-60%! This turnover costs them 50% of their revenue-generating capability. In any organization that exceeds 25% turnover, the loss of trust with the customer can be astounding as the new salesperson tries to rebuild the entire relationship. In any given quarter dozens or hundreds of companies do not make their forecasted numbers and are dramatically punished by Wall Street. This book will provide the management of a company with a framework to teach their salespeople how to attain their quotas with higher profits. It will also allow salespeople to rise to the top of their organization and be the super-achievers who win awards, trips, bonuses, and respect. In this book, I will show you how to eliminate your competition and maximize your commission.

The Sales Development Playbook - Trish Bertuzzi 2016

A book to help companies find customers and create repeatable sales by developing effective inside sales organizations and development strategies.

Hacking Sales - Max Altschuler 2016-05-16
Stay ahead of the sales evolution with a more efficient approach to everything Hacking Sales

helps you transform your sales process using the next generation of tools, tactics and strategies. Author Max Altschuler has dedicated his business to helping companies build modern, efficient, high tech sales processes that generate more revenue while using fewer resources. In this book, he shows you the most effective changes you can make, starting today, to evolve your sales and continually raise the bar. You'll walk through the entire sales process from start to finish, learning critical hacks every step of the way. Find and capture your lowest-hanging fruit at the top of the funnel, build massive lead lists using ICP and TAM, utilize multiple prospecting strategies, perfect your follow-ups, nurture leads, outsource where advantageous, and much more. Build, refine, and enhance your pipeline over time, close deals faster, and use the right tools for the job—this book is your roadmap to fast and efficient revenue growth. Without a reliable process, you're disjointed, disorganized, and ultimately, underperforming. Whether

you're building a sales process from scratch or looking to become your company's rock star, this book shows you how to make it happen. Identify your Ideal Customer and your Total Addressable Market Build massive lead lists and properly target your campaigns Learn effective hacks for messaging and social media outreach Overcome customer objections before they happen The economy is evolving, the customer is evolving, and sales itself is evolving. Forty percent of the Fortune 500 from the year 2000 were absent from the Fortune 500 in the year 2015, precisely because they failed to evolve. Today's sales environment is very much a "keep up or get left behind" paradigm, but you need to do better to excel. Hacking Sales shows you how to get ahead of everyone else with focused effort and the most effective approach to modern sales.

Saleshood - Elay Cohen 2014-04-15

A playbook that empowers sales managers to think like CEOs and act like entrepreneurs At Salesforce.com, Elay Cohen created and

executed the sales productivity programs that accelerated the company's growth to a \$3 billion-plus enterprise. The innovation delivered over these years by Elay and his team resulted in unprecedented sales productivity excellence. Based on that experience, Elay embarked on a journey to help every company in the world grow like Salesforce.com. After working with many organizations and further reflecting on his time at Salesforce.com, it became apparent that one key player was best positioned to accelerate growth in organizations: the first-line sales manager. Empowering sales managers to own and execute their own sales programs, as entrepreneurs would, became the focus of this book and his technology company. First-line sales managers are the backbone of every sales organization. They make it happen. They're where the rubber meets the road in pipeline generation, revenue growth, and customer success. These sales managers serve as the voice of salespeople to organizations, and as the

organizational voice back to salespeople. In this accessible guide, Cohen shares how sales managers can build an inspired, engaged team, equipping them with the tools they need to drive up sales productivity and grow the business. He reveals, among many other lessons, how you can nurture a winning sales culture; build world-class training programs that encourage salespeople to learn from each other; and execute sales processes, playbooks, and deals in a way that gives your salespeople the winning edge.

They Ask, You Answer - Marcus Sheridan
2019-08-06

The revolutionary guide that challenged businesses around the world to stop selling to their buyers and start answering their questions to get results; revised and updated to address new technology, trends, the continuous evolution of the digital consumer, and much more In today’s digital age, the traditional sales funnel—marketing at the top, sales in the middle, customer service at the bottom—is no longer effective. To be successful, businesses must obsess over the questions, concerns, and

problems their buyers have, and address them as honestly and as thoroughly as possible. Every day, buyers turn to search engines to ask billions of questions. Having the answers they need can attract thousands of potential buyers to your company—but only if your content strategy puts your answers at the top of those search results. It's a simple and powerful equation that produces growth and success: They Ask, You Answer. Using these principles, author Marcus Sheridan led his struggling pool company from the bleak depths of the housing crash of 2008 to become one of the largest pool installers in the United States. Discover how his proven strategy can work for your business and master the principles of inbound and content marketing that have empowered thousands of companies to achieve exceptional growth. They Ask, You Answer is a straightforward guide filled with practical tactics and insights for transforming your marketing strategy. This new edition has been fully revised and updated to reflect the

evolution of content marketing and the increasing demands of today's internet-savvy buyers. New chapters explore the impact of technology, conversational marketing, the essential elements every business website should possess, the rise of video, and new stories from companies that have achieved remarkable results with They Ask, You Answer. Upon reading this book, you will know: How to build trust with buyers through content and video. How to turn your web presence into a magnet for qualified buyers. What works and what doesn't through new case studies, featuring real-world results from companies that have embraced these principles. Why you need to think of your business as a media company, instead of relying on more traditional (and ineffective) ways of advertising and marketing. How to achieve buy-in at your company and truly embrace a culture of content and video. How to transform your current customer base into loyal brand advocates for your company. They Ask,

You Answer is a must-have resource for companies that want a fresh approach to marketing and sales that is proven to generate more traffic, leads, and sales.

Selling to Zebras - Jeff Koser 2008-10

Even the most competitive companies only close about 15 percent of the deals in their sales pipelines. That means that salespeople spend time with prospects who, 85 percent of the time, aren't going to buy. Wouldn't those salespeople rather spend more time pursuing prospects they knew they could close? Or spend time with their prospects where it matters most at an executive level? Readers who are ready for exceptional results for themselves and their companies need "Selling to Zebras". The Zebra way can help salespeople identify the perfect prospects for their companies--their Zebras--and develop a sales process that will help them close deals 90 percent of the time. The Zebra method of selling will: Increase close rates; Shorten sales cycles; Increase average deal size; Reduce discounting

and increase margins; Make better use of scarce resources; Make customers happy, creating a stable of great references. Jeff and Chad Koser don't just offer theories and concepts. They give readers specific tools, models, and spreadsheets they can customise to make the Zebra way the best way for their companies to do business.

Building Successful Partner Channels - Hans Peter Bech 2015-04-01

"Building Successful Partner Channels" is a book laying out the roadmap for achieving global market leadership through independent channel partners in the software industry. When Microsoft acquired Navision in 2002 there is no doubt that the price they paid was heavily influenced by the value of our channel partner eco-system. I can think of no one better suited than Hans Peter to write a book with the title Building Successful Partner Channels. Preben Damgaard, Co-founder and CEO of Navision Predictable growth and market leadership through independent channel partners are on every software industry CEO and sales executives' mind. However, it is rarely achieved. With "Building Successful Partner Channels" Hans Peter Bech provides a great tactical approach toward reaching this goal. Torulf

Nilsson, Product Executive, Visma Retail, Oslo, Norway Hans Peter Bech has been at the forefront developing indirect channels in the software industry for more than three decades and his track record is impressive. I'd highly recommend this book to anyone searching for the route to global market leadership in the software industry. Yusuf Soner, School of Management at the Sabanci University, Istanbul, Turkey Building Successful Partner Channels provides a powerful, practical approach to building a strong network of independent channel partners, so as to optimize sales and marketing activities. The book helps senior sales and marketing executives understand how to work in concert to achieve global market leadership through the indirect-channel approach. Toke Kruse, Founder and CEO at Billy, San Francisco, USA

The Challenger Sale - Matthew Dixon
2011-11-10

What's the secret to sales success? If you're like

most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance,

only one-the Challenger- delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

The Revenue Marketing Book -

Yaagneshwaran Ganesh 2020-05-09

The success of the modern B2B marketing team will be evaluated by the revenue impact it delivers to the company and Yaag has laid out a crisp and compelling model on how to transform marketing into a revenue-generating team. - Jeff Davis, Founder and Principal, JD2 Consulting and award-winning author of Create Togetherness “A must-read operating manual for marketers who want to deliver exponential revenue.” - Sangram Vajre, Author, Co-founder at Terminus and the host of #FlipMyFunnel, a top-50 business podcast in the world “All your marketing channels, properties and activities are a waste of time unless they contribute to revenue. Yaag’s book gives you an approach to make your marketing count.” - Vinod Muthukrishnan, Chief Growth Officer at Cisco It doesn’t matter how sophisticated your martech stack is, what your marketing budget is or how many people you have in your marketing

organization. You must know what is contributing to revenue (directly or indirectly), what is working and what needs to be done away with. The Revenue Marketing Book provides you with ideas, direction and a framework to map your marketing activities and channels to a revenue outcome. Make an impact. Build a predictable recurring revenue engine.

Hyper Sales Growth - 2018

IF YOU THINK YOU KNOW SALES...YOU DON'T KNOW JACK! “Jack Daly stands above all others. His energy is matched only by his genius and understanding about what makes the best sales organizations. It’s not commission strategies, it’s not about glossy sales materials; it is about people. Jack understands better than most that if you look out for your people and insist that they look out for your customers, the result is unprecedented growth (and a lot of very happy and inspired employees and customers).” -Simon Sinek, Optimist and Author of Leaders Eat Last and Start With Why “Winning teams result from

strong cultures and leadership driven systems and processes. No Forms. No Spam. No Cold Calls - Latané Conant 2020-07-15

No Forms. No Spam. No Cold Calls. is a rallying cry for a new generation of sales and marketing leaders who are ready to ditch the traditional strategies, tactics, and technologies that are no longer working to deliver breakthrough results. Every organization wants to predictably grow revenue. The challenge facing sellers and marketers today is that B2B buyers have taken control of the buying journey, making it nearly impossible for business leaders to accurately predict anything, especially revenue growth. Prospects are being bombarded from all sides with forms, emails, and annoying phone calls as they try to research our solutions. So

what do they do? They protect themselves by researching anonymously and not revealing themselves to us until their decision is made. That means that as sellers and marketers, we've lost our opportunity to influence the buying journey-that is, if we're still clinging to the traditional lead-based tools and strategies that we're used to. It's time for a new paradigm. Pioneering CMO Latané Conant delivers a step-by-step guide that will transform the way you think about marketing and selling in the modern age. Often challenging but never dull, No Forms. No Spam. No Cold Calls. delivers uncomfortable truths about the status quo-starting with Latané's first breakthrough that our old-school tactics not only treat our future customers like dirt, they also encourage the anonymous buying we're trying to combat. This book challenges sales and marketing leaders to engage customers the right way if you want to achieve predictable revenue growth. Latané lays out exactly how to enable

your sales and marketing teams to take pride in the customer experience and finally align on how to put your prospects at the center of everything you do. In doing that, you'll learn to uncover customer demand, prioritize which accounts to work, engage the entire customer buying team, and measure real success. With this customer-first approach, you'll be able to confidently take down the forms, stop sending bulk emails, and quit making cold calls-and achieve breakthrough results.

Customer Success - Nick Mehta 2016-02-29
Your business success is now forever linked to

the success of your customers Customer Success is the groundbreaking guide to the exciting new model of customer management. Business relationships are fundamentally changing. In the world B.C. (Before Cloud), companies could focus totally on sales and marketing because customers were often 'stuck' after purchasing. Therefore, all of the 'post-sale' experience was a cost center in most companies. In the world A.B. (After Benioff), with granular per-year, per-month or per-use pricing models, cloud deployments and many competitive options, customers now have the power. As such, B2B vendors must deliver success for their clients to achieve success for their own businesses. Customer success teams are being created in companies to quarterback the customer lifecycle and drive adoption, renewals, up-sell and advocacy. The Customer Success philosophy is invading the boardroom and impacting the way CEOs think about their business. Today, Customer Success is the hottest B2B movement

since the advent of the subscription business model, and this book is the one-of-a-kind guide that shows you how to make it work in your company. From the initial planning stages through execution, you'll have expert guidance to help you: Understand the context that led to the start of the Customer Success movement Build a Customer Success strategy proven by the most competitive companies in the world Implement an action plan for structuring the Customer Success organization, tiering your customers, and developing the right cross-functional playbooks Customers want products that help them achieve their own business outcomes. By enabling your customers to realize value in your products, you're protecting recurring revenue and creating a customer for life. Customer Success shows you how to kick start your customer-centric revolution, and make it stick for the long term.

Valley"...discover the sales specialization system and outbound sales process that, in just a few years, helped add \$100 million in recurring revenue to Salesforce.com, almost doubling their enterprise growth...with zero cold calls. This is NOT just another book about how to cold call or close deals. This is an entirely new kind of sales system for CEOs, entrepreneurs and sales VPs to help you build a sales machine. What does it take for your sales team to generate as many highly-qualified new leads as you want, create predictable revenue, and meet your financial goals without your constant focus and attention? Predictable Revenue has the answers

The Revenue Acceleration Rules - Shashi Upadhyay 2018-04-27

Turn data into revenue in the B2B marketing sphere The Revenue Acceleration Rules is a unique guide in the business-to-business space, providing a clear framework for more effective marketing in an accounts-based environment. Written by a veteran in the predictive marketing

sphere, this book explains how strategies typically used on the consumer end can be tailored to drive revenue in B2B sales. Industry experts offer advice and best practices, using real-world examples to illustrate the power of analytics and on-the-ground implementation of predictive ABM initiatives. Covering the complete spectrum from "why?" to "how?", this book provides an invaluable resource for B2B marketers seeking a step forward in the rapidly-evolving marketplace. Business-to-business sales makes up roughly 45 percent of the economy, and the power of predictive marketing has been proven time and again in the consumer sphere. This guide is the only resource to merge these two critical forces and provide clear guidance for the B2B space. Supercharge your demand waterfall Align marketing and sales Learn best practices from industry experts Grow revenue with account-based marketing Predictive marketing reveals the small clues that speak to big trends. While B2B diverges from consumer

marketing in a number of ways, the central demand for value remains; analytics helps you stay ahead of the curve, streamline the marketing to sales funnel, and increase ROI. Strengthen the relationships you already have, attract new accounts, and prioritize accurately to turn contacts into leads, and leads into customers. Your data can be your biggest marketing asset, and The Revenue Acceleration Rules shows you how to leverage it into revenue.

Do Less - Kate Northrup 2019-04-02

A practical and spiritual guide for working moms to learn how to have more by doing less. This is a book for working women and mothers who are ready to release the culturally inherited belief that their worth is equal to their productivity, and instead create a personal and professional life that's based on presence, meaning, and joy. As opposed to focusing on "fitting it all in," time management, and leaning in, as so many books geared at ambitious women do, this book embraces the notion that through doing less women can have--and be--more. The addiction to busyness and the obsession with always trying to do more leads women, especially working mothers, to feel like they're always failing their families, their careers, their spouses, and themselves. This book will give women the permission and tools to change the way they approach their lives and allow them to embrace

living in tune with the cyclical nature of the feminine, cutting out the extraneous busyness from their lives so they have more satisfaction and joy, and letting themselves be more often instead of doing all the time. Do Less offers the reader a series of 14 experiments to try to see what would happen if she did less in one specific way. So, rather than approaching doing less as an entire life overhaul (which is overwhelming in and of itself), this book gives the reader bite-sized steps to try incorporating over 2 weeks!

Extreme Revenue Growth - Victor Cheng

2010-05

Victor Cheng deconstructs the management practices used by fast growing technology companies and adapts these practices for use in other industries. While most business books tout one new big idea that will magically solve all your problems, Extreme Revenue Growth provides a refreshingly different and practical approach, combining many cross-functional practices to create a blueprint for explosive growth.
