A New Hymnal for Colleges and Schools - Jeffery Rowthorn 1992-07-29

A New Hymnal for Colleges and Schools is a nondenominational, ecumenical collection of over 400 hymns and 100 psalms designed especially for worship services in academic communities. Hymns and spiritual songs are drawn from many countries and many different traditions. A number of hymns appear in their original languages, as well as in English translations. Throughout the hymnal, gender-inclusive language is used wherever possible. The psalms, for example, depend heavily on inclusive-language versions prepared by the United Methodist Church and the National Council of Churches. Also included are many hymns written in the past quarter-century, as well as new texts and music commissioned especially for this collection. The ample selection of hymns by Americans includes the work of hymn writers, composers, and authors such as Aaron Copland, Emma Lou Diemer, Alice Parker, Virgil Thomson, Richard Proulx, Robert Frost, and John Updike.

Abide with Me - Ian C. Bradley 2011-04-19
'Abide with me', 'The day thou gavest Lord is ended', 'All things bright and beautiful': a century and more after they were written Victorian hymns like these have an enduring popularity. This book examines the Victorian hymn from a literary, theological and cultural point of view. It traces its contemporary impact and its continuing influence in churches, public popularity, parody and literary references. In a way that has not been done before, Ian Bradley traces the importance of hymns in Victorian novels, explores the extraordinary political and social ramifications of Victorian hymnody, and assesses the literary and musical importance of the genre. Written in a lively and anecdotal style, this book punctures some of the myths about Victorian hymns, showing that the themes of doubt, humility and political and social radicalism surface just as much as those of triumphalism, imperialism and conservatism. Ian Bradley tells his story lucidly, from the disappearance of the chaotic and cheerful gallery musicians so beloved of Thomas Hardy, to the gospel songs of Dwight Moody and Ira Sankey. He moves easily between the novelist, the theologian and the musician. He introduces the story with a striking analogy: hymns played much the same role in Victorian culture that soap operas do among us today . . . it is a good curtain-raiser for a serious, indeed learned, but

never humourless book.' Lord Runcie, "Daily Telegraph" "" 'I was so gripped by this book that I could not put it down. Here is invaluable resource material dealing with a period of hymnody which has never before been researched in such depth. In this eminently readable survey, we are left in no doubt as to the merits or otherwise of nineteenth-century hymnody.' Dr Lionel Dakers, formerly Director of the Royal School of Music.

As Morning Breaks and Evening Sets - Tony Alonso 2004

In stark contrast to the common belief that youth ministers require nothing less than a light show, smoke machine, and sweaty rock bands to reach teenagers' souls, more and more youth have actually been moving toward depth and quiet- and away from fluff and noise. Creeds, candles, silence, and ancient spiritual practices are all gaining understanding and popularity among young people, who are realizing that there are treasures in tradition. *As Morning Breaks and Evening Sets* is a tool for unearthing, dusting off, and tapping into these treasures. *As Morning Breaks and Evening Sets* provides an introduction to the biblical form of prayer known as the Liturgy of the Hours-a rich and time-tested way for Christians to pray with the whole community of faith, using the source of its hope, the inspired Scriptures. This type of prayer immerses believers in the poetic word of God found in the Psalms, scriptural canticles, and scriptural readings. *As Morning Breaks and Evening Sets* contains seventeen prayer experiences designed to put the hearts and minds of adolescents in touch with the sacred. This is a book of simple yet profound prayer experiences that speak to the everyday moments in the lives of young people. Here young people will participate in the venerable practice of using the Scriptures to offer praise, thanksgiving, and intercession. A corresponding music collection on CD for *As Morning Breaks and Evening Sets* is available through GIA

Publications. Three of today's top liturgical composers, Tony Alonso, Michael Mahler, and Lori True, composed the songs. The CD, titled *As Morning Breaks and Evening Sets: Psalms, Canticles, and Hymns for the Liturgy of the Hours*, contains seventeen contemporary and highly accessible musical settings for use with this book. Book jacket.

Intercession - Ormonde Plater 1995
Intercession is an essential element of both public and private prayer. Using the Book of Common Prayer and the major elements of the Prayers of the People, Plater explains the construction of everyday litanies, collects, and petitionary prayers, as well as the composition of intercessions for church seasons, holy days, and special occasions. Plater begins by looking at the roots of intercession in the Bible, history, and ancient belief and practice, and goes on to offer practical advice for creating corporate intercessions in the local community. Intercession is a useful aid for liturgical study and planning for priests, pastors, deacons, lay ministers, and worship committees. Small prayer and intercessory groups will find it helpful for free-form prayer that is creative and flexible, yet grounded in prayerbook principles.
