*The Merchant of Death* - D.J. MacHale  
2008-05-20

When the seemingly normal fourteen-year-old Bobby Pendragon is swept into an alternate dimension, he finds himself hailed as a savior in a place called Denduron, a territory in the throes of revolution against a magical tyrant. Original. 75,000 first printing.

*The Rivers of Zadaa* - D.J. MacHale 2005-07-01  
The battle continues. The struggle of good versus evil continues as Bobby Pendragon follows Saint Dane to the territory of Zadaa. Saint Dane's influence has fueled the fire of discontent between two warring tribes: the Rokador and the Batu. This is also the territory where the Traveler Loor lives as a member of the Batu. Together she and Bobby must work to thwart Saint Dane's efforts to destroy Zadaa. But as Bobby pursues Saint Dane, he begins to notice changes in himself. He is no longer a flip kid looking for excitement. He is a young man beginning to see this quest as more than a series of adventures. He is also learning that as a Traveler, he has powers no normal human should have. In this latest installment of Bobby Pendragon's battle to save humanity, discovery and danger go hand in hand as D. J. MacHale takes readers on an emotional thrill ride they won't soon forget..

*Pendragon Complete Collection* - D.J. MacHale  
2016-10-25

Presents "The Merchant of Death" in which Bobby Pendragon is swept into an alternate dimension, where he is hailed as a savior, and "The Lost City of Faar" in which he and his uncle try to locate the legendary lost land of Faar.

**After the Death of Nature** - Kenneth Worthy  
2018-08-31

Carolyn Merchant's foundational 1980 book *The Death of Nature: Women, Ecology, and the Scientific Revolution* established her as a pioneering researcher of human-nature relations. Her subsequent groundbreaking writing in a dozen books and over one hundred peer-reviewed articles have only fortified her position as one of the most influential scholars of the environment. This book examines and builds upon her decades-long legacy of innovative environmental thought and her critical responses to modern mechanistic and patriarchal conceptions of nature and women as well as her systematic taxonomies of environmental thought and action. Seventeen scholars and activists assess, praise, criticize,

and extend Merchant's work to arrive at a better and more complete understanding of the human place in nature today and the potential for healthier and more just relations with nature and among people in the future. Their contributions offer personal observations of Merchant's influence on the teaching, research, and careers of other environmentalists.

*Appointment in Samarra* - John O'Hara 1998

**The Soldiers of Halla** - D.J. MacHale

2009-05-12

Each of the Travelers returns home to learn the truth about their origins before being reunited for a final, inevitable confrontation with Saint Dane, whose efforts to control Halla are destroying its very foundations.

[The Book of Five Rings \(Annotated\)](#) - Musashi Miyamoto 2021-05-03

The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.

**The Merchant of Death** - C. L. Grace 1995

Continues the unlikely partnership of physician Kathryn Swinbrooke and soldier Colum Murtagh as a painter confesses to murder and Kathryn and Colum are trapped with a killer

**Merchant of Death** - Douglas Farah

2007-07-09

Praise for Merchant of Death "A riveting investigation of the world's most notorious arms dealer--a page-turner that digs deep into the amazing, murky story of Viktor Bout. Farah and Braun have exposed the inner workings of one of the world's most secretive businesses--the international arms trade." —Peter L. Bergen, author of *The Osama bin Laden I Know* "Viktor Bout is like Osama bin Laden: a major target of U.S. intelligence officials who time and again gets away. Farah and Braun have skillfully documented how this notorious arms dealer has stoked violence around the world and thwarted international sanctions. Even more appalling, they show how Bout ended up getting millions of dollars in U.S. government money to assist the war in Iraq. A truly impressive piece of

investigative reporting." —Michael Isikoff, coauthor of *Hubris: The Inside Story of Spin, Scandal, and the Selling of the Iraq War* "Douglas Farah and Stephen Braun are two of the toughest investigative reporters in the country. This is an important book about a hidden world of gunrunning and profiteering in some of the world's poorest countries." —Steve Coll, author of *Ghost Wars: The Secret History of the CIA, Afghanistan, and bin Laden, from the Soviet Invasion to September 10, 2001* "In *Merchant of Death*, two of America's finest reporters have performed a major public service, turning over the right rocks that reveal the brutal international arms business at the dawn of the twenty-first century. In Viktor Bout, they have given us a new Lord of War, a man who knows no side but his own, and who has a knack for turning up in every war zone just in time to turn a profit. As Farah and Braun uncover and document his troubling role in the Bush Administration's Global War on Terror, his ties to Washington almost seem inevitable." —James Risen, author of *State of War: The Secret History of the CIA and the Bush Administration* "An extraordinary and timely piece of investigative reporting, *Merchant of Death* is also a vividly compelling read. The true story of Viktor Bout, a sociopathic Russian gunrunner who has supplied weapons for use in some of the most gruesome conflicts of modern times--and who can count amongst his clients both the former Taliban regime in Afghanistan and the U.S. military in Iraq--is a stomach-churning indictment of the policy failures and moral contradictions of the world's most powerful governments, including that of the United States." —Jon Lee Anderson, author of *The Fall of Baghdad* Two respected journalists tell the incredible story of Viktor Bout, the Russian weapons supplier whose global network has changed the way modern warfare is fought. Bout's vast enterprise of guns, planes, and money has fueled internecine slaughter in Africa and aided both militant Islamic fanatics in Afghanistan and the American military in Iraq. This book combines spy thrills with crucial insights on the shortcomings of a U.S. foreign policy that fails to confront the lucrative and lethal arms trade that erodes global security.

*The Merchant of Death* - J. A. Rock 2018-03-17

The second installment in the exciting Playing the Fool series. All's fair in love and war. There's something rotten in the state of Indiana. When con man Henry Page takes it upon himself to investigate the death of an elderly patient at a care facility, he does so in true Shakespearean tradition: dressed as a girl. FBI Agent Ryan "Mac" McGuinness has more to worry about than Henry's latest crazy idea. Someone is trying to send him a message - via a corpse with a couple of bullets in it. He needs to figure out who's trying to set him up before he gets arrested, and he really doesn't have time for Henry's shenanigans. Then again, he'd probably be able to focus better if Henry didn't look so damn distracting in a babydoll dress and a wig. But when Mac discovers that Henry has been keeping a secret that connects the cases, he has to find a way to live on the right side of the law when he just might be in love with the wrong sort of man. \* \* \* \* \*

The Playing the Fool series should be read in order for maximum enjoyment. Word count: 55,400; page count: 222

The Shadow World - Andrew Feinstein  
2011-11-08

Soon to be a Major PBS Documentary Event The Shadow World is the harrowing behind-the-scenes tale of the global arms trade, revealing the deadly collusion that all too often exists among senior politicians, weapons manufacturers, felonious arms dealers, and the military—a situation that compromises our security and undermines our democracy. Pulling back the curtain on this secretive world, Andrew Feinstein reveals the corruption and the cover-ups behind a range of weapons deals, from the largest in history—between the British and Saudi governments—to the guns-for-diamonds deals in Africa and the imminent \$60 billion U.S. weapons contract with Saudi Arabia. He exposes in forensic detail both the formal government-to-government trade in arms and the shadow world of illicit weapons dealing, and lays bare the shockingly frequent links between the two. Drawing on his experience as a member of the African National Congress who resigned when the ANC refused to launch a corruption investigation into a major South African arms deal, Feinstein illuminates the impact this network has not only on conflicts around the world but also on the democratic institutions of

the United States and the United Kingdom. Based on pathbreaking reporting and unprecedented access to top-secret information and major players in this clandestine realm, The Shadow World places us in the midst of the arms trade's dramatic wheeling and dealing—from corporate boardrooms to seedy out-of-the-way hotels—and reveals the profound danger and enormous financial cost this network represents to all of us.

**Warhogs** - Stuart D. Brandes 2014-10-17

The Puritans condemned war profiteering as a "Provoking Evil," George Washington feared that it would ruin the Revolution, and Franklin D. Roosevelt promised many times that he would never permit the rise of another crop of "war millionaires." Yet on every occasion that American soldiers and sailors served and sacrificed in the field and on the sea, other Americans cheerfully enhanced their personal wealth by exploiting every opportunity that wartime circumstances presented. In Warhogs, Stuart D. Brandes masterfully blends intellectual, economic, and military history into a fascinating discussion of a great moral question for generations of Americans: Can some individuals rightly profit during wartime while others sacrifice their lives to protect the nation? Drawing upon a wealth of manuscript sources, newspapers, contemporary periodicals, government reports, and other relevant literature, Brandes traces how each generation in financing its wars has endeavored to assemble resources equitably, to define the ethical questions of economic mobilization, and to manage economic sacrifice responsibly. He defines profiteering to include such topics as price gouging, quality degradation, trading with the enemy, plunder, and fraud, in order to examine the different guises of war profits and the degree to which they have existed from one era to the next. This far-reaching discussion moves beyond a linear narrative of the financial schemes that have shaped this nation's capacity to make war to an in-depth analysis of American thought and culture. Those scholars, students, and general readers interested in the interaction of legislative, economic, social, and technological events with the military establishment will find no other study that so thoroughly surveys the story of war profits in

America.

**Merchants of Death** - Helmuth Carol Engelbrecht 1934

*The Death Merchant* - Joseph C. Goulden 1985

**The Death of Nature** - Carolyn Merchant

2019-09-10

UPDATED 40TH ANNIVERSARY EDITION WITH 2020 PREFACE An examination of the Scientific Revolution that shows how the mechanistic world view of modern science has sanctioned the exploitation of nature, unrestrained commercial expansion, and a new socioeconomic order that subordinates women.

**Death & Facebook** - Iphgenia Baal 2018-06-15

An account of a dysfunctional love affair, narrated via SMS, email, Facebook and Google search results, act as a body of circumstantial evidence, betraying a 'real' intimacy behind a messy social media scandal that spilled into tabloid coverage. Told against a backdrop of a pre-Olympic London where east London's awful art parties, populated by the debased progeny of the rich and famous, do little to dispel 90s rave nostalgia, Iphgenia Baal's non-fiction novel balances at the intersection of death, mourning, and Facebook.

*Pendragon (Boxed Set)* - D.J. MacHale

2009-10-27

Bobby Pendragon was a seemingly normal fourteen-year-old boy. He had a family, a home, and even Marley, his beloved dog. Then one day his uncle Press showed up telling Bobby that some people needed his help, and nothing has been the same since. Now Bobby knows that he is a Traveler, and it's up to him to save the world. And not just Earth as we know it. All of Halla -- every time and place that has ever existed -- is being threatened by an evil enemy named Saint Dane, and Bobby must travel from one territory to another to stop Saint Dane's terrifying plans. Collected here together for the first time are books one through five in this exciting ten-book series!

**The Never War** - D.J. MacHale 2009-04-03

The third installment in an epic series of adventures First Earth Fourteen-year-old Bobby Pendragon is a loyal friend, sports star, devoted pet owner -- and Traveler. Along with his uncle Press, Bobby has visited the alternate dimension

of Denduron and participated in a civil war. He's also waded through the endangered underwater territory of Cloral. Now Bobby once again finds himself thrust beyond the boundaries of time and space into a place that seems somewhat familiar: First Earth. Bobby and the Traveler from Cloral -- Spader -- have flumed to New York City, 1937. Against a backdrop of gangsters, swing music, and the distant sound of a brewing war, the two must uncover the evil Saint Dane's newest plot. But is Bobby ready for the difficult choices ahead?

*The Merchant of Death* - D.J. MacHale

2002-09-23

D.J. MacHale's New York Times bestselling middle grade fantasy series about Bobby Pendragon, a regular kid about to find himself and his two friends pulled into one epic adventure across worlds! Bobby Pendragon is a seemingly normal fourteen-year-old boy. He has a family, a home, and even Marley, his beloved dog. But there is something very special about Bobby. He is going to save the world. And not just Earth as we know it. Bobby is slowly starting to realize that life in the cosmos isn't quite what he thought it was. And before he can object, he is swept off to an alternate dimension known as Denduron, a territory inhabited by strange beings, ruled by a magical tyrant, and plagued by dangerous revolution. If Bobby wants to see his family again, he's going to have to accept his role as savior, and accept it wholeheartedly. Because, as he is about to discover, Denduron is only the beginning....

*The Reality Bug* - D.J. MacHale 2009-04-03

VIRTUAL REALITY? The territory of Veelox has achieved perfect harmony. Fifteen-year-old Bobby Pendragon arrives on this territory in pursuit of the evil Saint Dane, but all is peaceful on Veelox -- because it's deserted. The inhabitants have discovered a way to enter their own personal dream worlds, where they can be whoever they want, wherever they want. Their bodies lie in stasis while their minds escape to this dream realm. Fresh from his battle with Saint Dane in 1937 Earth, Bobby is confident that they can defeat whatever Saint Dane has planned for this world. But once Bobby enters the virtual world will he be able to resist the lure of the ultimate in escapism?

*Until the Sea Shall Free Them* - Robert Frump

2002-05-14

A devastating disaster at sea . . . an officer who refuses to hide the truth. . . a courtroom confrontation with far-reaching implications . . . The Perfect Storm meets A Civil Action in a gripping account of one of the most significant shipwrecks of the twentieth century. In 1983 the Marine Electric, a "reconditioned" World War II vessel, was on a routine voyage thirty miles off the East Coast of the United States when disaster struck. As the old coal carrier sank, chief mate Bob Cusick watched his crew—his friends and colleagues—succumb to the frigid forty-foot waves and subzero winds of the Atlantic. Of the thirty-four men aboard, Cusick was one of only three to survive. And he soon found himself facing the most critical decision of his life: whether to stand by the Merchant Marine officers' unspoken code of silence, or to tell the truth about why his crew and hundreds of other lives had been unnecessarily sacrificed at sea. Like many other ships used by the Merchant Marine, the Marine Transport Line's Marine Electric was very old and made of "dirty steel" (steel with excess sulfur content). Many of these vessels were in terrible condition and broke down frequently. Yet the government persistently turned a blind eye to the potential dangers, convinced that the economic return on keeping these ships was worth the risk. Cusick chose to blow the whistle. Until the Sea Shall Free Them re-creates in compelling detail the wreck of the Marine Electric and the legal drama that unfolded in its wake. With breathtaking immediacy, Robert Frump, who covered the story for the Philadelphia Inquirer, describes the desperate battle waged by the crew against the forces of nature. Frump also brings to life Cusick's internal struggle. He knew what happened to those who spoke out against the system, knew that he too might be stripped of his license and prosecuted for "losing his ship," yet he forged ahead. In a bitter lawsuit with owners of the ship, Cusick emerged victorious. His expose of government inaction led to vital reforms in the laws regarding the safety of ships; his courageous stand places him among the unsung heroes of our time.  
Merchant of Venice - William Shakespeare 1843

**Operation Relentless** - Damien Lewis

2017-05-18

'The Night Manager meets Narcos' Saul David 'To catch this criminal took incredible courage and skill. This is James Bond meets Jason Bourne' Bear Grylls 'This is the book that warned us years before the Ukraine invasion about the power and reach of Moscow's Merchants of Death... Should be on the bookshelf of every Western anti-narcotics officer and not a few spies. No cliché this time - this is truth which really does trump fiction' Euan Grant, UK former intelligence analyst for ex-Soviet states. Russian billionaire Viktor Bout was the world's foremost arms dealer. Known as the 'Merchant of Death' he was both "Public Enemy No. 1" to the global intelligence agencies who hunted him and a ruthless criminal worth a fortune. He was also a former KGB officer and a tool of the Kremlin. For decades Bout had eluded capture, building up a labyrinthine network of airlines rushing weapons to dictators, rebels, despots and terror groups worldwide. An enemy of the free nations of the world and a top global sanctions buster, Bout was hunted by MI6, INTERPOL, the CIA, the NSA and more. Holed up in Moscow - from where he masterminded the sale of anything from AK47s to state-of-the-art helicopter gunships and anti-aircraft missiles - he was shielded by a Russian state that was a partner in his dark dealings. In short, Bout appeared utterly invulnerable and beyond hope of capture. Step forward former SAS man Mike Snow, AKA 'The Bear'. After serving in the world's most famous special forces unit, Snow had worked as a bush pilot in war-torn Africa, where he'd got to know Bout well. Via a secretive, shadow network, Snow was approached by the US Drugs Enforcement Agency. The DEA agents had one question for him: was Snow able to get Bout - the Lord of War? This is the incredible tale of OPERATION RELENTLESS, the top-secret mission masterminded by Snow and a handful of DEA operatives - a manhunt that ranges from the steamy jungles of Colombia to the ice-bound streets of Moscow, and from horrific bloodshed and tyranny in Afghanistan to a snatch operation like no other. Based upon the first hand testimonies of those who were there, award-winning author Damien Lewis reveals a story that reads like an impossible thriller, but every

word is true

*Pendragon* - D.J. MacHale 2013-10-08

The first five paperbacks in the epic, #1 New York Times bestselling Pendragon series, available in one boxed set! Everything changes for teenager Bobby Pendragon when he discovers that he, as well as his two best friends, Mark Dimond and Courtney Chetwynde, must prevent the destruction of their own world as well as others. This boxed set includes *The Merchant of Death*, *The Lost City of Fear*, *The Never War*, *The Reality Bug*, and *Black Water*.

*The Pilgrims of Rayne* - D.J. MacHale 2009-04-03

When Bobby Pendragon first arrives on the tropical world of Ibara, he finds paradise. There is beauty all around and the people of Ibara are blissfully happy. It's not long before Bobby discovers, however, that they are also blissfully...oblivious. The leaders of Ibara are keeping a devastating secret from their people, one that gives Saint Dane all the opportunity he needs to launch his final assault on Halla. While Bobby struggles to learn the truth in time to thwart Saint Dane, Courtney Chetwynde desperately searches for Mark Diamond. On the heels of a shocking tragedy, Mark has disappeared. Worse, he seems to be under Saint Dane's influence. It's up to Courtney to find Mark and stop him from making a grave mistake that could change the future of all existence.

**Death in the Family** - Tessa Wegert 2020-02-18

A storm-struck island. A blood-soaked bed. A missing man. In this captivating mystery that's perfect for fans of *Knives Out*, Senior Investigator Shana Merchant discovers that murder is a family affair. Thirteen months ago, former NYPD detective Shana Merchant barely survived being abducted by a serial killer. Now hoping to leave grisly murder cases behind, she's taken a job in her fiancé's sleepy hometown in the Thousand Islands region of Upstate New York. But as a nor'easter bears down on her new territory, Shana and fellow investigator Tim Wellington receive a call about a man missing on a private island. Shana and Tim travel to the isolated island owned by the wealthy Sinclair family to question the witnesses. They arrive to find blood on the scene and a house full of Sinclair family and friends on edge. While Tim guesses they're dealing with a runaway case, Shana is convinced that they have

a murder on their hands. As the gale intensifies outside, she starts conducting interviews and discovers the Sinclairs and their guests are crawling with dark and dangerous secrets. Trapped on the island by the raging storm with only Tim whose reliability is thrown into question, the increasingly restless suspects, and her own trauma-fueled flashbacks for company, Shana will have to trust the one person her abduction destroyed her faith in—herself. But time is ticking down, because if Shana's right, a killer is in their midst and as the pressure mounts, so do the odds that they'll strike again.

*Merchants of Death* - Neelima Dalmia Adhar 2007

Based on lives of Marwaris.

**Merchants of Truth** - Jill Abramson 2020-02-11

Former executive editor of *The New York Times* and one of our most eminent journalists Jill Abramson provides a “valuable and insightful” (*The Boston Globe*) report on the disruption of the news media over the last decade, as shown via two legacy (*The New York Times* and *The Washington Post*) and two upstart (*BuzzFeed* and *VICE*) companies as they plow through a revolution that pits old vs. new media. “A marvelous book” (*The New York Times Book Review*), *Merchants of Truth* is the groundbreaking and gripping story of the precarious state of the news business. The new digital reality nearly kills two venerable newspapers with an aging readership while creating two media behemoths with a ballooning and fickle audience of millennials. “Abramson provides this deeply reported insider account of an industry fighting for survival. With a keen eye for detail and a willingness to interrogate her own profession, Abramson takes readers into the newsrooms and boardrooms of the legacy newspapers and the digital upstarts that seek to challenge their dominance” (*Vanity Fair*). We get to know the defenders of the legacy presses as well as the outsized characters who are creating the new speed-driven media competitors. The players include Jeff Bezos and Marty Baron (*The Washington Post*), Arthur Sulzberger and Dean Baquet (*The New York Times*), Jonah Peretti (*BuzzFeed*), and Shane Smith (*VICE*) as well as their reporters and anxious readers. *Merchants of Truth* raises crucial questions that concern the well-being of our society. We are facing a

crisis in trust that threatens the free press. "One of the best takes yet on journalism's changing fortunes" (Publishers Weekly, starred review), Abramson's book points us to the future.

**The Merchant of Death** - D.J. MacHale  
2007-02-06

When the seemingly normal fourteen-year-old Bobby Pendragon is swept into an alternate dimension, he finds himself hailed as a savior in a place called Denduron, a territory in the throes of revolution against a magical tyrant.

*Raven Rise* - D.J. MacHale 2009-12-22

While Pendragon is trapped on Ibara, Alder returns to Denduron and goes into battle again, and other Travelers face obstacles of various sorts, Saint Dane gains the power he seeks and makes his push to destroy and rebuild Halla.

**The Merchant of Death Is Dead** - Jennifer Price 2019-07-15

What can adventurers, athletes, inventors, and generals teach us about how to live in the modern world? In *The Merchant of Death Is Dead*, pop historian, asset manager, and newspaper columnist Scott A. Grant shares some of his favorite columns. Stories in the book include those of inventor Alfred Nobel, writer Zora Neale Hurston, football player Deacon Jones, surgeon John Snow, adventurer Annie Edson Taylor, visionary Benjamin Franklin, swimmer Gertrude Ederle, clothing designer Tommy Hilfiger, General James Doolittle, golfers Johnny Miller and Jack Nicklaus, athletes "Bullet" Bob Hayes and Mack Robinson, and First Lady Frances Cleveland, plus events such as the discovery of the South Pole, Nazi spies landing on a north Florida beach, and economic bubbles through the years. Scott A. Grant studied economics and history at Cornell University before working on Wall Street. He later earned a law degree from Rutgers University. Over the last fourteen years he has been a regular columnist for two newspapers and has perfected several history presentations. After two years of touring the local northeast Florida civic clubs, museums, and schools, he was asked to produce a book. This is his first publication. He is delighted to share his knowledge of history and investments.

**The Quillan Games** - D.J. MacHale 2007-12-26  
Forced to participate in the Quillan Games, where winning is everything and losing is death,

Bobby devises a clever scheme to defeat the game masters and learns what it really means to be a Traveler.

*Merchants of Doubt* - Naomi Oreskes 2011-05-31  
Documents the troubling influence of a small group of scientists who the author contends misrepresent scientific facts to advance key political and economic agendas, revealing the interests behind their detractions on findings about acid rain, DDT, and other hazards.

*Orders to Kill* - Amy Knight 2018-02-01  
Ever since Vladimir Putin came to power in Russia, his critics have turned up dead on a regular basis. According to Amy Knight, this is no coincidence. In *Orders to Kill*, the KGB scholar ties dozens of victims together to expose a campaign of political murder during Putin's reign that even includes terrorist attacks such as the Boston Marathon bombing. Russia is no stranger to political murder, from the tsars to the Soviets to the Putin regime, during which many journalists, activists and political opponents have been killed. Kremlin defenders like to say, "There is no proof," however convenient these deaths have been for Putin, and, unsurprisingly, because he controls all investigations, Putin is never seen holding a smoking gun. *Orders to Kill* is a story long hidden in plain sight with huge ramifications.

*The Merchant of Venice* - William Shakespeare 1734

*Merchants of Death* - Larry C. White 2017-08-19

*Pendragon* - Jane Kotinek 2012-02-01

This is the first book in the *Pendragon* series. The 117 page novel study includes: vocabulary list and activities for the whole book, study guide questions, essay questions, cause and effect activity, theme activity, compare/contrast activity, analysis of title activity, internal/external conflict activity, point-of-view activity, story board activity, and five quizzes. Answers are included for study guide questions, vocabulary activities, and quizzes.

**The Lost City of Faar** - D.J. MacHale  
2007-02-06

When Pendragon finds himself in the war-stricken territory of Cloral, he and his uncle take it upon themselves to rid the area of marauders and locate the legendary lost land of Faar, which

may hold the key to Cloral's survival.  
*Man of Arms* - Anthony Allfrey 2013-06-17  
Sinister, mysterious, credited with vast influence  
and great wealth... who was this man who  
evoked such fierce passions that he was branded  
the 'Merchant of Death', a man who had risen

from obscure origins in Asia Minor to control a  
worldwide empire? His trade was arms, anything  
that fired, floated, submerged and - later - flew.  
His life spanned the muzzle-loading musket and  
the prototype Spitfire.
