Stranger Things: Runaway Max - Brenna Yovanoff 2021-06-29

Fans went wild for this gripping, emotional addition to the *Stranger Things*' universe after its successful launch! Fall into the never-before-told backstory of the beloved Dig Dug maven, Max Mayfield, written by New York Times bestselling author Brenna Yovanoff. Meet Max. She's from California. She skateboards. Her family just dumped her in the middle of Indiana. And she's really not ready to call Hawkins her new home. Whether she's facing off against her bully brother, Billy, the new kids at school, or monsters abound, Max tackles life with sass and grit. This must-read novel based on the hit Netflix series *Stranger Things* explores Max's past—with all the good and the bad it's given her—in the lead up to the thrilling season that introduces our favorite new member of the gang. *A Stranger Thing* - Martin Leicht 2013-11-12

In this witty, adventurous sequel to *Mothership*, Elvie Nara is back on earth—but her life (including her new baby) is still pretty out there! “Irreverent humor makes this work of science fiction a comic treat” (VOYA). Pregnancy was pretty rough for Elvie Nara, what with the morning sickness, constant food cravings, and the alien race war she found herself in the middle of. But if she thought giving birth to an extraterrestrial’s baby would be the hard part, she was sorely mistaken. After Elvie’s baby is not what was expected, the Almiri completely freak out. Suddenly Elvie’s supposed allies have shipped her—along with her father, her best friend, Ducky, and her maybe-boyfriend, boneheaded Almiri commando Cole Archer—off to a remote “retention facility” (aka alien jail) in Antarctica. Talk about cold. But things really get complicated when a new group of hybrid aliens arrive with information that sends Elvie’s world spinning. Before long, Elvie is trekking across the bottom of the Earth with a band of friends and frenemies to uncover the secrets of her own origin. Will Elvie ever be able to convince the Almiri that a conspiracy to conquer the planet is a greater threat than a sixteen-year-old girl and a newborn who won’t stop crying?

Stranger Things Library Edition Volume 2 (Graphic Novel) - Jody Houser 2021-11-30

In the spirit of horror classics such as *Carrie*, this hardbound collection of two *Stranger Things* graphic novels explores what it means to have power, and what some are willing to do to attain it. A chilling glimpse at the machinations of Brenner's lab leading up to the events of the show, this hardcover collection of *Stranger Things: Six* and *Stranger Things: Into The Fire* includes everything from teen romance to pyrokinetic rampages.

Stranger Things: Erica the Great (Graphic Novel) - Greg Pak 2022-02-22

In this Middle Grade foray into the 80's-nostalgia hit series from Netflix, when Erica's frenemy loses track of her mother's prized Parakeet, the two will have to work together to return the bird safe and sound, or deal with the consequences. They learn that even the toughest and smartest people need a little help now and then. Hawkins Indiana has been plagued by strange events for years now. With the Starcourt Mall's recent destruction, Erica has lost her favorite hangout

spot and her "free Ice cream for life" deal at Scoops-Ahoy. To make matters worse, her brother is too busy for her and her mom won't let her play *Dungeons and Dragons* anymore. This is the story of an ambitious, bossy, brilliant ten-year-old dealing with boredom and the complexities of maintaining friendships through tough times. Written by Greg Pak (*Stranger Things: Zombie Boys*, *Stranger Things: The Bully*, *Ronin Island*) and Danny Lore (*Queen of Bad Dreams*, *James Bond*) with art by Valeria Favoccia (*Stranger Things: Zombie Boys*, *Assassin's Creed*), colors by Dan Jackson, and letters by Nate Piekos.

Stranger Things - Eva Minguet 2020-05

Stranger Things is characterised by having the heart and essence of the mythical series and films of the 80's, from *The Goonies*, *Ghostbusters*, *Back to the Future*, *The Neverending Story*, and so many more, which were authentic icons for that generation. The series has the same breath of fresh air as the past that it wants to reflect, since the first episode it has managed to captivate our hearts. From its aesthetics, music on tape cassettes, arcades, the first malls... For deciding the title and font of the series, the Duffer brothers were inspired by a Stephen King novel, *Needful Things*. Once's role is similar to the character played by Drew Barrymore in the movie *Firestarter*, also King's novel.

Stranger Things: Suspicious Minds - Gwenda Bond 2019-10-08

NEW YORK TIMES BESTSELLER • If you think you know the truth behind Dr. Brenner’s experiments at Hawkins Laboratory, prepare to have your mind turned Upside Down in the first official *Stranger Things* novel—“the prequel story that fans have been waiting for” (Kirkus Reviews). It’s the summer of 1969, and the shock of conflict reverberates through the youth of America. As a student at a quiet college campus in the heartland of Indiana, Terry Ives couldn’t be farther from the front lines of Vietnam or the protests in Washington. But the world is changing, and Terry isn’t content to watch. When word gets around about an important government experiment in the small town of Hawkins, she signs on as a test subject for the project, code-named MKULTRA. The remote lab, deep in the woods, contains a

mystery Terry is determined to uncover. Behind the walls of Hawkins National Laboratory—and the piercing gaze of its director, Dr. Martin Brenner—lurks a conspiracy greater than Terry could have ever imagined. To face it, she'll need the help of her fellow test subjects. Amid the rising tensions of the new decade, Terry Ives and Martin Brenner have begun a different kind of war—one where the human mind is the battlefield.

[Stranger Things: Darkness on the Edge of Town](#)

- Adam Christopher 2019-05-28

Chief Jim Hopper reveals long-awaited secrets to Eleven about his old life as a police detective in New York City, confronting his past before the events of the hit show Stranger Things. Christmas, Hawkins, 1984. All Chief Jim Hopper wants is to enjoy a quiet first Christmas with Eleven, but his adopted daughter has other

plans. Over Hopper's protests, she pulls a cardboard box marked "New York" out of the basement—and the tough questions begin. Why did Hopper leave Hawkins all those years ago? What does "Vietnam" mean? And why has he never talked about New York? Although he'd rather face a horde of demogorgons than talk about his own past, Hopper knows that he can't deny the truth any longer. And so begins the story of the incident in New York—the last big case before everything changed... Summer, New York City, 1977. Hopper is starting over after returning home from Vietnam. A young daughter, a caring wife, and a new beat as an NYPD detective make it easy to slip back into life as a civilian. But after shadowy federal agents suddenly show and seize the files about a series of brutal, unsolved murders, Hopper takes matters into his own hands, risking everything to discover the truth. Soon Hopper is undercover among New York's notorious street gangs. But just as he's about to crack the case, a blackout rolls across the boroughs, plunging Hopper into a darkness deeper than any he's faced before.

Stranger Things Have Happened

- Jeff Strand 2017-04-04

"This book would be a good stepping stone for those readers who enjoy the Diary of a Wimpy Kid series."-School Library Connection Jeff Strand's signature humor returns in this tale of magic, illusions, and self-discovery. Harry Houdini. Penn and Teller. David Copperfield. Marcus Millian the Third. Okay, so Marcus isn't a famous magician. He may not even be a great magician. But his great-grandfather, the once-legendary and long-retired Zachary the Stupendous, insists Marcus has true talent. And when Grandpa Zachary boasts that he and Marcus are working on an illusion that will shock, stun, and astonish, Marcus wishes he could make himself disappear. The problem?

Marcus also has stage fright-in spades. It's one thing to perform elaborate card tricks in front of his best friend, Kimberly, but it's an entirely different feat to perform in front of an audience. Then Grandpa Zachary dies in his sleep. To uphold his great-grandfather's honor, the show must go on. It would take a true sorcerer to pull off the trick Marcus has planned. But maybe he's the next best thing...

Stranger Things: Rebel Robin - A. R. Capetta 2021-06-29

High school is a monster, and it's eating everyone Robin knows. Discover the backstory of the new Stranger Things fan favorite character, Robin, played by Maya Hawke! It's the beginning of sophomore year, and Robin's Odd Squad friends have decided: this time, they're going to fit in. They couple up, they won't stop talking about college and their future careers, and they're obsessed with trying to act "normal." Robin knows that game well--she's been pretending for years, hoping nobody would notice the sarcastic polyglot French horn player

with a bad perm in the back of the room. But there's one aspect of her identity that she knows for sure doesn't fit in with her carefully controlled image--something she's only just now realizing: Robin likes girls. How exactly is she supposed to be her true self in teeny-tiny Hawkins, Indiana? Robin is convinced the only way she can experience real life is by fleeing to Europe for the summer--aka Operation Croissant. But she has no money, no permission, and no one to share the adventure with--and it will take a heck of a lot more than that to escape Hawkins in one piece. Sprinkled with references to your favorite Stranger Things characters, this prequel chronicles one girl's realization that the only person she really needs to be accepted by is herself.

Stranger Things: Into the Fire (Graphic Novel)
- Jody Houser 2020-07-28

Beyond Hawkins Lab, Starcourt Mall, Dungeons and Dragons, Monsters, and Mindflayers, the powerful children that have escaped from Hawkins Lab are out in the world, trying to live normal lives, but it comes at a steep cost. Nine was left behind in Hawkins Lab, comatose and alone. Now she lives in a fractured reality of her own creation under the watchful eyes of doctors who have no idea about the psychic volcano building inside her that erupts at any moment, obliterating their entire hospital. Three and Nine's twin sister both escaped Hawkins lab several years ago and have been on the run ever

since. They had just settled down into a new life when, all of the sudden, the lab has made the national news. With the veil of normalcy completely shattered, they pack everything they have and hit the road, hoping to find and help any of the other kids they can. When Kali (number Eight) informs them that Nine is still alive it becomes a race against the clock to save a beloved sister, from the doctors that keep her, as well as the delusions that threaten to fracture her psyche beyond repair. Perfectly penned by writer Jody Houser (Critical Role, Star Wars: Tie Fighter) with kinetic pencils by Ryan Kelly (New York Four, Star Wars) and tight inks by Le Beau Underwood (Catwoman, Immortal Hulk) this third book in the Stranger Things comics line takes the story to brand new territory. Stranger Things: Lucas on the Line - Suyi Davies
2022-07-26

Dive into this revealing portrait of Stranger Things fan favorite Lucas Sinclair and get to know Lucas like never before. The thrilling adventure of Stranger Things continues where season three left off, with fan favorite Lucas Sinclair finally telling his own story in his own words. Lucas has been in the fight against the evil forces in his town since the beginning, but he is tired of feeling like an outsider. When the start of high school presents Lucas with options beyond D&D and being bullied, he wonders if he can be more than invisible. After connecting with one of the few other Black students at school, Lucas starts to learn more about himself apart from his friend group. And he begins to understand himself as a Black teen in Hawkins, which feels unlike anything—in this world or any other—he’s ever experienced. From Suyi Davies, contributor to the New York Times bestselling Black Boy Joy, comes an exploration of love and identity within the beloved Stranger Things universe, through the eyes of Lucas Sinclair.
