The Escape from Eden - Joe L. Blevins 2010-12-23

Andrew learns to read by copying the alphabet from an old Bible he finds. He begins writing a journal to keep track of the crops he raises. Andrew writes about his freedom and about being forced to move to Texas when smugglers took his farm as a hideout. He tells of his trip to Nacogdoches to meet with Sam Houston, a lawyer, and the leader of the Texan army. Andrew signs up for the land grants in east Texas, but discovers that first he must serve two years as a soldier. On his way to claim his land grant, he is attacked by robbers. Andrew is badly wounded and hides in some brush until daylight. A group of Cherokee Indians on a hunting party finds him close to death. They save him and bring him to their village. Andrew joins the Texas Army as a scout. His new wife, Say-te-Qua, and his love for his family make him determined to protect his home from raids by the Mexican army. Follow Andrew as his journey leads him into the heat of the San Jacinto battle and on the quest for Texas independence.

The Rebel's Return - Victoria James 2016-08-22

Natalia Puccini has spent her entire life playing by her overbearing but well-intentioned Italian family's rules...except the one time she took a chance on a bad boy and fell hard. She's worked to get her life back on track so when Aiden McCann comes sauntering back into town with his heart-stopping smile, Natalia vows not to fall for him again. There's no way she'll let him mess with her perfectly planned life...and there's no way she'll let him near her heart again... Now reformed and a self-made success, Aiden is tormented by regrets and secrets. He left Red River years ago filled with anger and resentment and a promise to never come back. But when his ill father needs help, Aiden knows it's time to face the mess he left behind, and face the one woman he never got over. It doesn't matter how beautiful or intriguing she is, though, because he'll never be able to give her what she needs. As soon as his father is healthy, Aiden is leaving Red River...for good. The Red River Campaign and Its Toll - Henry O. Robertson 2016-04-27

The Red River Campaign in the spring of 1864 was one of the most destructive of the Civil War. The agricultural wealth of the Red River Valley tempted Union General Nathaniel P. Banks to invade with 30,000 troops in an attempt to seize control of the river and confiscate as much cotton as possible from local plantations. After three months of chaos, during which the countryside was destroyed and many slaves freed themselves, Banks was defeated by a smaller Confederate force under General Richard Taylor. This book takes a fresh look at the fierce battles at Mansfield and Pleasant Hill, the Union army's escape from Monett's Ferry and the burning of Alexandria, and explains the causes and consequences of the war in Central Louisiana.

Arsenic in Groundwater - M. Manzurul Hassan 2018-03-08

Arsenic-contaminated groundwater is considered one of the world's largest environmental health crises, as more than 300 million people in more than one-third of countries worldwide are at risk of groundwater arsenic poisoning. This book addresses how arsenic in groundwater impacts human health by using the frameworks of natural sciences, social sciences, and health sciences in the context set by environmental and legal considerations. Arsenic in Groundwater: Poisoning and Risk

Assessment examines the spatial, quantitative, and qualitative aspects on arsenic poisoning; for instance, using geographical information systems (GIS) to investigate the spatial discontinuity of arsenic-laced water in spatial and temporal dimensions to uncover patterns of variations over scales from meters to kilometers. Spatial risk mapping provides insight for academics, researchers, policy makers, and politicians on possible long-term strategies for arsenic mitigation. Qualitative methodological approaches uncover the hidden issues of arsenic poisoning on human health and the related social implications. The book also examines legal aspects, such as the right to safe drinking water, as well as an in-depth look at how community participation can shape public policy. Features: Describes arsenic poisoning from both the scientific and social science perspectives Includes technical insights drawn from GIS-based modeling for spatial arsenic discontinuity and spatial health risks of arsenic poisoning Provides a state-of-the-art review of the human health literature and cutting-edge scientific evidence for arsenic-related health and social implications Examines the environmental justice and legal issues of drinking water and its quality Presents environmental policy and public mitigation strategies with Public Participation GIS (PPGIS) related to arsenic contamination More than 2,000 references serve as valuable resources for various aspects of arsenic poisoning

The Best Man's Baby - Victoria James 2013-08-12

Florist Claire Holbrook has always played by the rules her entire life, but breaks them to spend one night with sexy lone wolf Jake Manning, a man she's adored since she was a teenager. Six weeks later things get complicated when she discovers they created a bond that will last a lifetime... Jake has never played by the rules. Getting Minister Holbrook's daughter pregnant wasn't part of any life plan, but he won't run from his responsibilities. He'll step up and be the best man he can, even if he doesn't have a clue where to begin. The more time he spends with Claire, though, the more he wants her, and the harder it is to get close because that would mean sharing the one thing he hasn't with anyone—the truth and his heart. The Doctor's Fake Fiancee - Victoria James 2014-10-20

Former surgeon and self-professed life-long bachelor Evan Manning has one thing on his mind—to reclaim the career that a car accident stole from him. But when he's forced to return to his hometown of Red River, Evan comes face-to-face with the gorgeous woman who's haunted his dreams for the last year—the woman he rescued from the burning car that injured his hand. Now Evan needs her help. In a month, he'll have the job opportunity of a lifetime...he just needs a wife to get it. Artist Grace Matheson is down on her luck again...until she walks into Evan Manning's office. When her sexy former hero hears that she needs work, he offers her a job and a home—if she'll pretend she's his fiancée. Grace knows she shouldn't fall for him. Once the month is up, Evan will be back to his old life. But the more time they spend together, the more real their feelings become—and the more likely heartbreak is.
