Ice Drift - Theodore Taylor 2006-03-01

The year is 1868, and fourteen-year-old Alika and his younger brother, Sulu, are hunting for seals on an ice floe attached to their island in the Arctic. Suddenly the ice starts to shake, and they hear a loud crack--the terrible sound of the floe breaking free from land. The boys watch with horror as the dark expanse of water between the ice and the shore rapidly widens, and they start drifting south--away from their home, their family, and everything they've ever known. Throughout their six-month-long journey down the Greenland Strait, the brothers face bitter cold, starvation, and most frightening of all, vicious polar bears. But they still remain hopeful that one day they'll be rescued. This thrilling new adventure story from bestselling author Theodore Taylor is a moving testament to the bond between brothers--and to the strength of the human spirit. Includes a map, a glossary of Inuit words and phrases, and an author's note..

**The Hunt Trilogy** - Andrew Fukuda 2015-10-27

Don't Sweat. Don't Laugh. Don't draw attention to yourself. And most of all, whatever you do, do not fall in love with one of them. Gene has a deadly secret: he's one of the last remaining humans alive and he's trying to pass in a society of predators who hunger for his blood. Unlike his classmates, he can't run with lightning speed, sunlight doesn't hurt him and he doesn't have an unquenchable blood lust. Gene's only defense lies in his carefully constructed façade, but when he's chosen for a once-in-a-lifetime opportunity to hunt the last remaining humans, Gene's life begins to crumble around him, especially when he's faced with disturbing new truths about his past and a destiny he never imagined. An action-packed debut from author Andrew Fukuda, the Hunt Trilogy follows Gene as he fights to escape the hungry predators chasing. Get caught up in the action with The Hunt, The Prey and The Trap. Together for the first time in one collection.

**This Light Between Us: A Novel of World War II** - Andrew Fukuda 2020-01-07

Winner of the American Library Association's Asian/Pacific American Award for Literature For readers of The Librarian Of Auschwitz, This Light Between Us is a powerfully affecting story of World War II about the unlikelyst of pen pals—a Japanese American boy and a French Jewish girl—as they fight to maintain hope in a time of war. “I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned, their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully this book delivers.”—Andrew Fukuda In 1935, ten-year-old Alex Maki from Bainbridge Island, Washington is disgusted when he's forced to become pen pals with Charlie Lévy of Paris, France—a girl. He thought she was a boy. In spite of Alex's reluctance, their letters continue to fly across the Atlantic—and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to confront the darkest aspects of human nature. From the desolation of an internment camp on the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters. But nothing can dispel the light between them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Cinder** - Marissa Meyer 2013-01-08

As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take on the Cinderella story.

**When We Wake** - Karen Healey 2013-03-05

My name is Tegan Oglieetti, and on the last day of my first lifetime, I was so, so happy. Sixteen-year-old Tegan is just like every other girl living in

2027--she's happiest when playing the guitar, she's falling in love for the first time, and she's joining her friends to protest the wrongs of the world: environmental collapse, social discrimination, and political injustice. But on what should have been the best day of Tegan's life, she dies--and wakes up a hundred years in the future, locked in a government facility with no idea what happened. Tegan is the first government guinea pig to be cryonically frozen and successfully revived, which makes her an instant celebrity--even though all she wants to do is try to rebuild some semblance of a normal life. But the future isn't all she hoped it would be, and when appalling secrets come to light, Tegan must make a choice: Does she keep her head down and survive, or fight for a better future? Award-winning author Karen Healey has created a haunting, cautionary tale of an inspiring protagonist living in a not-so-distant future that could easily be our own.

The Trap - Andrew Fukuda 2013-11-05

A high-action finale to the trilogy that includes The Prey finds Gene and Sissy journeying by train with the surviving Mission girls while searching for a cure that will restore a bloodthirsty populace to their human forms, an effort that is complicated by Gene's encounter with a woman from his past.

**Variant** - Robison Wells 2011-10-04

Benson Fisher thought that a scholarship to Maxfield Academy would be the ticket out of his dead-end life. He was wrong. Now he's trapped in a school that's surrounded by a razor-wire fence. A school where video cameras monitor his every move. Where there are no adults. Where the kids have split into groups in order to survive. Where breaking the rules equals death. But when Benson stumbles upon the school's real secret, he realizes that playing by the rules could spell a fate worse than death, and that escape—his only real hope for survival—may be impossible.

The Burnouts - Lex Thomas 2016-08

David and Will are alive but on the outside of McKinley High, while Lucy is the last of the trinity left inside to deal with Hilary, who will exact revenge before taking over the school.

Dualed - Elsie Chapman 2013-02-26

The Hunger Games meets Matched in this high-concept thriller where citizens must prove their worth by defeating the other version of themselves—their twin. Two of you exist. Only one will survive. West Grayer is ready. She's trained for years to confront her Alternate, a twin raised by another family. Survival means a good job, marriage—life. But then a tragic misstep leaves West questioning: Is she the best version of herself, the version worthy of a future? If she is to have any chance of winning, she must stop running not only from herself, but also from love. . . though both have the power to destroy her. Fast-paced and unpredictable, Elsie Chapman's suspenseful YA debut weaves unexpected romance into a chilling, unforgettable world. Praise for *Dualed*: "A gripping, thought-provoking thriller that keeps your heart racing and your palms sweaty. . . . The kind of book Katniss Everdeen and Jason Bourne would devour." —Andrew Fukuda, author of the Hunt series "Full of unexpected turns. . . . Fans of the Divergent trilogy will want to read this imaginative tale." —VOYA "A fast ride from first to final pages, *Dualed* combines action and heart." —Mindy McGinnis, author of *Not a Drop to Drink* "Intense and swift, *Dualed* grabbed me by the throat and kept me turning pages all the way to the end. Romance and action fans alike will love it." —Elana Johnson, author of the *Possession* series "Stylish, frenetic, and violent, . . . the textual equivalent of a Quentin Tarantino movie." —Publishers Weekly "A double dose of intensity and danger in this riveting tale of survival, heartache, and love." —Kasie West, author of *Pivot Point* "This thought-provoking survival-of-the-fittest story will leave you breathless for more." —Ellen Oh, author of *Prophecy* "Clever suspense—here, stalking is a two-way street." —Kirkus Reviews Integrated Groundwater Management - Anthony J Jakeman 2016-08-05

The aim of this book is to document for the first time the dimensions and requirements of effective integrated groundwater management (IGM). Groundwater management is a formidable challenge, one that remains one of humanity's foremost priorities. It has become a largely non-renewable resource that is overexploited in many parts of the world. In the 21st century, the issue moves from how to simply obtain the water we need to how we manage it sustainably for future generations, future economies, and future ecosystems. The focus then becomes one of understanding the drivers and current state of the groundwater resource, and restoring equilibrium to at-risk aquifers. Many interrelated dimensions, however, come to bear when trying to manage groundwater effectively. An integrated approach to groundwater necessarily involves many factors beyond the aquifer itself, such as surface water, water use, water quality, and ecohydrology. Moreover, the science by itself can only define the fundamental bounds of what is possible; effective IGM must also engage the wider community of stakeholders to develop and support policy and other socioeconomic tools needed to realize effective IGM. In order to demonstrate IGM, this book covers theory and principles, embracing: 1) an overview of the dimensions and requirements of groundwater management from an international perspective; 2) the scale of groundwater issues internationally and its links with other sectors, principally energy and climate change; 3) groundwater governance with regard to principles, instruments and institutions available for IGM; 4) biophysical constraints and the capacity and role of hydroecological and hydrogeological science including water quality concerns; and 5) necessary tools including models, data infrastructures, decision support systems and the management of uncertainty. Examples of effective, and failed, IGM are given. Throughout, the importance of the socioeconomic context that connects all effective IGM is emphasized. Taken as a whole, this work relates the many facets of effective IGM, from the catchment to global perspective.

**Nil** - Lynne Matson 2014-03-04

Transported through a "gate" to the mysterious island of Nil, seventeen-year-old Charley has 365 days to escape--or she will die.

**The Hunt** - Andrew Fukuda 2012-05-08

Don't Sweat. Don't Laugh. Don't draw attention to yourself. And most of all, whatever you do, do not fall in love with one of them. Gene is different from everyone else around him. He can't run with lightning speed, sunlight doesn't hurt him and he doesn't have an unquenchable lust for blood. Gene is a human, and he knows the rules. Keep the truth a secret. It's the only way to stay alive in a world of night—a world where humans are considered a delicacy and hunted for their blood. When he's chosen for a once in a lifetime opportunity to hunt the last remaining humans, Gene's carefully constructed life begins to crumble around him. He's thrust into the path of a girl who makes him feel things he never thought possible—and into a ruthless pack of hunters whose suspicions about his true nature are growing. Now that Gene has finally found something worth fighting for, his need to survive is stronger than ever—but is it worth the cost of his humanity?

**The Vampire Tapestry** - Suzy McKee Charnas 2008-08-19

**The Rule of Three: Will to Survive** - Eric Walters 2016-01-19

Adam has killed again. It had to be done, part of him knows that, but it changes a person. It can certainly change a teenager who's already grown up too quickly, too harshly, in the wake of the catastrophic global blackout five months ago. In the name of safety and survival, Adam and his neighbors have turned their middle American suburban neighborhood into a fortress, defending against countless enemies. Adam wants to hope, wants to be what his girlfriend Lori wants him to be—but there's always a threat tugging at the edges of his consciousness. What's lurking in the dark is a greater danger than ever before: somebody who wants to destroy the Neighborhood and stop their strategic alignments with other powerful enclaves. More than that, though, it's personal: this somebody wants to destroy Adam. And he knows his prey is already wounded. Soon, the hunted becomes the hunter . . . and Adam hates himself for what he will have to do. Because sometimes even the dark is not cover enough for things that would never happen in the light.

**The Tea-planter's Daughter** - Sara Banerji 1988

Oday is Julia Clockhouse's twenty-fifth birthday. Her long-suffering Hindu servants are frantically trying to organise a party for her, but it's hard to do so amid the havoc wreaked by her wild spirit. They think she is possessed. Daughters of colonial tea-planters shouldn't have souls that escape their bodies, move objects with their minds, hear tongueless yogis speak. Julia Clockhouse does. As the day passes and the chaos mounts in the kitchen, Julia listens desperately for the return of her husband. Ben may have married her on the orders of her domineering father, but he had come to love her; together they had found the happiness they missed in childhood. But by the time the party guests are tumbling in from the rising fury of the monsoon Ben has still not come.

**Thunder Cave** - Roland Smith 1997-04-01

Determined, after his mother's accidental death, to foil his stepfather's plans for his future, fourteen-year-old Jacob travels alone to Africa in search of his father, a biologist studying elephants in a remote area of Kenya.

**The Hallowed Ones** - Laura Bickle 2012

**The Saints** - Lex Thomas 2014-07-08

The world inside an infected Colorado high school quarantined by the government takes a startling turn for the worse when a new gang enters the school and starts gaining power.

**Feedback** - Robison Wells 2012-10-02

Perfect for fans of James Dashner's *The Maze Runner*, *Feedback* is the heart-stopping sequel to *Variant*—which Pittacus Lore, author of *I Am Number Four*, praised as "an intense journey with some of the most shocking twists and turns I've ever read." Benson Fisher escaped from Maxfield Academy's deadly rules and brutal gangs. He thought that the worst was over. But now Benson is trapped in a different kind of prison—a town filled with familiar faces. Classmates from Maxfield who Benson had seen die. Friends he was afraid he had killed. They are all pawns in the school's twisted experiment, held captive and controlled by an unseen force. And while Benson struggles to figure out who, if anyone, can be trusted, he discovers that Maxfield Academy's plans are darker than anything he imagined—and they may be impossible to stop.

**The Final Six** - Alexandra Monir 2018-03-06

Set in the near future, this action-packed YA novel—already optioned by Sony Pictures—will take readers out of this world and on a quest to become one of six teens sent on a mission to Jupiter's moon. This is the next must-read for fans of *Illuminae* and *The Martian*. When Leo and Naomi are drafted, along with twenty-two of the world's brightest teenagers, into the International Space Training Camp, their lives are forever changed. Overnight, they become global celebrities in contention for one of the six slots to travel to Europa—Jupiter's moon—and establish a new colony, leaving their planet forever. With Earth irreparably damaged, the future of the human race rests on their shoulders. For Leo, an Italian championship swimmer, this kind of purpose is a reason to go on after losing his family. But Naomi, an Iranian-American science genius, is suspicious of the ISTC and the fact that a similar mission failed under mysterious circumstances, killing the astronauts onboard. She fears something equally sinister awaiting the Final Six beneath Europa's surface. In this cutthroat atmosphere, surrounded by strangers from around the world, Naomi finds an unexpected friend in Leo. As the training tests their limits, Naomi and Leo's relationship deepens with each life-altering experience they encounter. But it's only when the finalists become fewer and their destinies grow nearer that the two can fathom the full weight of everything at stake: the world, the stars, and

their lives.

**Ashen Winter** - Mike Mullin 2012-10-16

**Prisoner of Night and Fog** - Anne Blankman 2014-04-22

A gripping historical thriller set in 1930s Munich, *Prisoner of Night and Fog* is the evocative story of an ordinary girl faced with an extraordinary choice in Hitler's Germany. Fans of *Code Name Verity* will love this novel full of romance, danger, and intrigue! Gretchen Müller grew up in the National Socialist Party under the wing of her uncle Dolf—who has kept her family cherished and protected from that side of society ever since her father sacrificed his life for Dolf's years ago. Dolf is none other than Adolf Hitler. And Gretchen follows his every command. When she meets a fearless and handsome young Jewish reporter named Daniel Cohen, who claims that her father was actually murdered by an unknown comrade, Gretchen doesn't know what to believe. She soon discovers that beyond her sheltered view lies a world full of shadowy secrets and disturbing violence. As Gretchen's investigations lead her to question the motives and loyalties of her dearest friends and her closest family, she must determine her own allegiances—even if her choices could get her and Daniel killed.

**The Prey** - Andrew Fukuda 2013-01-31

For Gene and the remaining humans - or hepers - death is just a heartbeat away. On the run and hunted by society, they must find a way to survive in *The Vast...* and avoid the hungry predators tracking them in the dark. But they're not the only things following Gene. He's haunted by the girl he left behind and his burgeoning feelings for Sissy, the human girl at his side. When they discover a refuge of exiled humans living high in the mountains, Gene and his friends think they're finally safe. Led by a group of intensely secretive elders, the civilisation begins to raise more questions than answers. A strict code of behaviour is the rule, harsh punishments are meted out, young men are nowhere to be found - and Gene begins to wonder if the world they've entered is just as evil as the one they left behind. As life at the refuge grows more perilous, he and Sissy only grow closer. In an increasingly violent world, all they have is each other . . . if they can only stay alive.

**The Loners** - Lex Thomas 2012-08-01

It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

**Rage Within** - Jeyn Roberts 2012-09-04

"Galloping suspense dominates this riveting sequel to the post-apocalyptic *Dark Inside*" (Kirkus Reviews) as four teens continue the struggle for survival in a world gone mad. Aries, Clementine, Michael, and Mason have survived the first wave of the apocalypse that wiped out most of the world's population and turned many of the rest into murderous Baggers. Now they're hiding out in an abandoned house in Vancouver with a ragtag group of fellow teen survivors, trying to figure out their next move. Aries is trying to lead, but it's hard to be a leader when there are no easy answers and every move feels wrong. Clementine is desperate to find her brother Heath, but it's impossible to know where he'd be, assuming he's alive. Michael is haunted by the memories of his actions during his harrowing struggle to survive. And Mason is struggling with something far worse: the fear that he may be a danger to his friends. As the Baggers begin to create a new world order, these four teens will have to trust and rely on each other in order to survive.

balance. This time, Deuce carries the banner for the survival of all humanity.

Raging Star - Moira Young 2014-05-13

Saba's passion kept her allies alive. Now it may destroy them all in the gut-wrenching third book in the highly praised Dust Lands trilogy, which MTV's Hollywood Crush blog called "better than The Hunger Games." Saba is ready to seize her destiny and defeat DeMalo...until she meets him and he confounds all her expectations with his seductive vision of a healed earth, a New Eden. DeMalo wants Saba to join him, in life and work, to create and build a healthy, stable, sustainable world...for the chosen few. The young and healthy. Under his control. Jack's choice is clear: to fight DeMalo and try to stop New Eden. Presumed dead, he's gone undercover, feeding Saba crucial information in secret meetings. Saba commits herself to the fight—and hides her connection with DeMalo. Joined by her brother, Lugh, and her sister, Emmi, Saba leads a small guerilla band against the settlers and the Tonton militia. But the odds are overwhelming. Saba knows how to fight—she's not called the Angel of Death for nothing. But what if the fight cannot be won? Then DeMalo offers her a seductive chance she may not be able to refuse. How much will she sacrifice to save the people she loves? Betrayal lurks in unexpected places in the breathtaking conclusion to the Dust Lands Trilogy.

**Unconventional Warfare (Special Forces, Book 1)** - Chris Lynch 2018-11-27

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there.
